- (6) Where the scheme manager of a scheme under section 1 is a relevant authority, the scheme regulations may in particular provide for a committee appointed under or by virtue of any legislation for the purposes of discharging the scheme manager’s functions to be established as the board for the purposes of this section. 30

- (3) Treasury regulations may not specify a final salary scheme under subsection (2)(b). 20
- (4) A scheme under section 1 is a “career average revalued earnings scheme” if —

  - (b) requires such a revaluation to be by reference to a change in prices or earnings (or both) in a given period. 35
- (2) The change in prices or earnings to be applied for the purposes of such a revaluation is to be such percentage increase or decrease as a Treasury order may specify in relation to the period.
- (3) For the purposes of making such an order the Treasury may determine the 40

  - (a) the solvency of the scheme, and
  - (b) the long-term cost-efficiency of the scheme.
- (3) For that purpose, scheme regulations must require actuarial valuations of the pension fund.
- (4) Where an actuarial valuation under subsection (3) has taken place, a person appointed by the responsible authority is to report on whether the following aims are achieved— 30
  - (a) the valuation is in accordance with the scheme regulations;
  - (b) the valuation has been carried out in a way which is not inconsistent with other valuations under subsection (3); 35
  - (c) the rate of employer contributions is set as specified in subsection (2).
- (5) A report under subsection (4) must be published; and a copy must be sent to the scheme manager and (if different) the responsible authority.

  - (a) the report may recommend remedial steps;
  - (b) the scheme manager must—
