PUBLIC BILL COMMITTEE

INFRASTRUCTURE BILL [*LORDS*]

Andrew Miller

NC7

To move the following Clause—

“Petroleum extraction: environmental base line data

All sites extracting petroleum under the provisions of section 38 must publish all base line data collated over the designated period, in a manner that allows it to be subjected to scientific peer review.”

Member’s explanatory statement

The purpose is to ensure that disputes over what was naturally occurring prior to extraction can be resolved.
