Member’s explanatory statement

This amendment requires the environmental authority to issue a notice to an owner once it considers that the owner has complied with all the requirements in a species control agreement.

Secretary Patrick McLoughlin

“Beaver, Eurasian (but not in Castor fiber”
relation to Wales)

Member’s explanatory statement

This amendment aims to secure that, in England, the species control provisions will not apply to Eurasian beavers which are released into the wild under licence. It will continue to be the case that Eurasian beavers may only be released into the wild under licence.
