- (5) But if the Greater London Authority has agreed to ensure that a number of the new affordable homes are provided, that number is to be deducted from the number for which the local housing authority must be made responsible under subsection (4).
- (6) The Secretary of State may by regulations create other exceptions to subsection (4) in relation to one or more local housing authorities.

Housing and Planning Bill, *continued*

- (7) In this section—

- (b) is a starter home as defined by section 2;
- “new dwelling” means a building or part of a building that—
- “(a) has been constructed for use as a single dwelling and has not previously been occupied, or
- (b) has been adapted for use as a single dwelling and has not been occupied since its adaptation;
- “old dwelling” means a single dwelling taken into account under section 67(2) for the purposes of the determination.
- (8) If a determination under this Chapter relates to more than one financial year—
- (a) an agreement under this section may be made in relation to the determination so far as it relates to a particular financial year, and
- (b) if such an agreement is made with a local housing authority in Greater London, the reference in subsection (7) to the determination is to the determination so far as it relates to the financial year to which the agreement relates.
- (9) The Secretary of State may by regulations amend this section so as to change the meaning of “new affordable home”.”

Member’s explanatory statement

Member's explanatory statement
This is consequential on amendment 9.

Secretary Greg Clark

NC59

To move the following Clause—

“Reverting to original rent levels

- (1) Rent regulations may include provision for the purpose of ensuring that where a requirement imposed under section 79(1) ceases to apply, the rent is changed to what it would have been if the requirement had never applied.
- (2) Rent regulations may include provision for the purpose of ensuring that where—
 - (a) a local housing authority is required by section 81(2) to charge the maximum rent because of a tenant's failure to provide information or evidence, and
 - (b) the tenant subsequently provides the necessary information or evidence, the rent is changed to what it would have been if section 81(2) had never applied.”

Member's explanatory statement

This relates to Chapter 4 of Part 4. It is primarily intended to ensure that where a person ceases to be a high income tenant, his or her rent returns to normal levels for social tenants. It also deals with circumstances where a person has failed to provide information or evidence but subsequently does so.

Secretary Greg Clark

NC60

To move the following Clause—

“Private providers: policies for high income social tenants

- (1) A private registered provider of social housing that has a policy about levels of rent for high income social tenants in England must publish that policy.
- (2) The policy must include provision for requesting reviews of, or appealing, decisions under the policy.”

Member's explanatory statement

See Member's explanatory statement for amendment 113. Where a private registered provider decides to adopt a policy of charging higher levels of rent to high income social tenants this new clause requires the policy to be published and to contain provision about the procedure and disputes.

Housing and Planning Bill, *continued*

Secretary Greg Clark

NC61

To move the following Clause—

“HMRC information for private registered providers

- (1) HMRC may disclose information for the purpose of enabling a private registered provider of social housing to apply any relevant policy about levels of rent for high income social tenants in England.
- (2) The information may only be disclosed to—
 - (a) the private registered provider of social housing,
 - (b) the Secretary of State for the purposes of passing the information to registered providers,

 - (d) a body with which the Secretary of State has made arrangements for the passing of information between HMRC and registered providers.
- (3) The Secretary of State may by regulations—
 - (a) give a public body the function mentioned in subsection (2)(c), and
 - (b) make provision about the carrying out of that function.
- (4) The Secretary of State must obtain HMRC’s consent before making—
 - (a) arrangements under subsection (2)(d), or
 - (b) regulations under subsection (3).
- (5) Information disclosed under this section to the Secretary of State or to a body mentioned in subsection (2)(c) or (d) may be passed on to a registered provider for which it is intended.
- (6) Information disclosed under this section may not otherwise be further disclosed without authorisation from HMRC.
- (7) Where a person contravenes subsection (6) by disclosing any revenue and customs information relating to a person whose identity—
 - (a) is specified in the disclosure, or
 - (b) can be deduced from it,
 section 19 of the Commissioners for Revenue and Customs Act 2005 (wrongful disclosure) applies in relation to that disclosure as it applies in relation to a disclosure of such information in contravention of section 20(9) of that Act.
- (8) In this section—
 - “HMRC” means the Commissioners for Her Majesty’s Revenue and Customs;
 - “relevant”, in relation to a private registered provider’s policy about levels of rent for high income social tenants in England, means a policy that—
 - “(a) has been published as required by section (*Private providers: policies for high income social tenants*), and
 - (b) complies with any requirements imposed under subsection (2) of that section;

NC39

To move the following Clause—

“Living Rent Commission

- (1) The Secretary of State shall appoint a body, to be known as “the Living Rent Commission”, to discharge the functions conferred under this section.
- (2) The Secretary of State shall refer to the Living Rent Commission to determine a definition of “affordability”, based on which it shall make recommendations on rent levels for all housing provided by local authorities and private registered providers in England, at a level of locality considered appropriate and practicable by the Commission.
- (3) Before arriving at the recommendations to be included in the report produced under subsection (4), the Living Rent Commission shall consult—
 - (a) such organisations representative of providers of affordable housing as they think fit;
 - (b) such organisations representative of affordable housing occupants as they think fit; and
 - (c) if they think fit, any other body or person.
- (4) The Living Rent Commission shall, after considering the matter referred to it under subsection (2), make a report to the Prime Minister and the Secretary of State which shall contain the Commission’s recommendations regarding affordable rents.
- (5) The Secretary of State may by regulations implement the Commission’s recommendations on affordable rents for private registered providers and local authority provided housing.
- (6) If, following the report of the Living Rent Commission under subsection (4) above, the Secretary of State decides—
 - (a) not to make any regulations implementing the Commission’s recommendation, or
 - (b) to make regulations which do not relate to a recommendation of the Commission,

the Secretary of State shall lay a report before each House of Parliament containing a statement of the reasons for the decision.
- (7) The definitions determined and recommendations made under subsection (2) shall be reviewed annually by the Living Rent Commission.”

Page 28, line 16, leave out Clause 64

Member’s explanatory statement

Clause 64 amends legislation that requires private registered providers to obtain consent before disposing of property. The purpose of the clause was to allow a disposal to refer to the right to buy agreement. This clause is no longer needed because NS1 removes the general requirements for private registered providers to obtain consent before disposing of property. This explanation was previously mistakenly given for amendment 4, which leaves out clause 78.

(1B) Interest on compensation that is paid after entry, but was not due in advance of entry, shall be paid at 4% above the Bank of England base rate.”

Member’s explanatory statement

This amendment would set the interest rate on compensation that was due before entry, but not paid on time, at 8% above the base rate, in line with the interest rate on late commercial payments. Any compensation which is paid after entry but was not quantifiable at the time of entry would attract an interest rate of 4% above the base rate, in line with commercial lending rates.
