Member’s explanatory statement

This new Clause is intended to replace Clause 33, inserted by opposition amendment in the Lords. The changes are intended to achieve what the Government understands is the intended effect of the Lords amendment, namely to ensure that the Pubs Code will require pub-owning businesses to offer tied pub tenants a market rent only option in connection with a rent assessment (including a rent assessment required at a scheduled rent review) whether the rent proposed is an increase, a decrease or is unchanged.

(b) is unfair.””

Member’s explanatory statement

This new Clause is intended to replace Clause 34, inserted by opposition amendment in the Lords. The changes are intended to clarify the effect of the Lords amendment. Instead of containing freestanding provision, the new clause inserts provision into Part 4 of the Small Business, Enterprise and Employment Act 2015. There are small changes to the detail of the drafting, principally to clarify that it applies to all regulations made under Part 4 of the 2015 Act and that the Adjudicator can report on business practices engaged in after royal assent of that Act.
