CONSIDERATION OF BILL (REPORT STAGE)

ENERGY BILL [*LORDS*], AS AMENDED

NOTE

This document includes all amendments tabled to date and includes any withdrawn amendments at the end. The amendments have been arranged in accordance with the Energy Bill [*Lords*] Programme (No. 2) Motion to be proposed by Secretary Amber Rudd.

NEW CLAUSES RELATING TO WIND POWER; AMENDMENTS TO PART 5

Callum McCaig

NC2

To move the following Clause—

“Onshore wind power: renewables obligation

The power to make a renewables obligation closure order in respect of electricity generated by an onshore wind generating station in Scotland may only be exercised by Scottish Ministers.”

Member’s explanatory statement

This new clause would return to the Scottish Ministers the power to close the renewables obligation in relation to electricity generated by onshore wind generating stations in Scotland.

*NEW CLAUSES RELATING TO CARBON CAPTURE, EMISSIONS AND DECARBONISATION;
REMAINING NEW CLAUSES; REMAINING PROCEEDINGS ON CONSIDERATION*

Callum McCaig

NC3

To move the following Clause—

“Carbon capture and storage strategy for the energy industry

- (1) By June 2017, the Secretary of State must develop, promote and implement a comprehensive national strategy for carbon capture and storage (CCS) for the energy industry to deliver the emissions reductions required to meet the fifth and subsequent, carbon budgets at the scale and pace required.
- (2) In developing the strategy, the Secretary of State must consult—
 - (a) HM Treasury;
 - (b) the Department for Business, Innovation and Skills;
 - (c) the Oil and Gas Authority;
 - (d) the National Infrastructure Commission;
 - (e) Scottish Ministers;
 - (f) Welsh Ministers, and
 - (g) other relevant stakeholders including the CCS industry.
- (3) The strategy must include though shall not be restricted to—
 - (a) the development of infrastructure for carbon dioxide transport and storage;
 - (b) a funding strategy for implementation including provision of market signals sufficient to build confidence for private investment in the CCS industry;
 - (c) priorities for such action in the immediate future as may be necessary to allow the orderly and timely development and deployment of CCS after 2020;
 - (d) promotion of cost-effective innovation in CCS; and
 - (e) clarification of the responsibilities of government departments with respect to the implementation of the strategy.”
- (4) The Secretary of State must report to Parliament on the progress of its implementation of the strategy every three years starting in 2020.”

Member’s explanatory statement

This new clause would compel the Secretary of State to bring forward a strategy for carbon capture and storage for the energy industry.

☆ To move the following Clause—

“Zero net UK [carbon] emissions

- (1) The Climate Change Act 2008 is amended as follows.
- (2) After section (3) of the 2008 Act, insert the following—

3A Net UK carbon emissions target: zero emissions year

- (1) The Secretary of State shall set a date by which net UK emissions must be zero or lower (“the zero emissions year”) by order no later than 12 months from the date on which the Energy Act 2016 comes into force.
- (2) It is the duty of the Secretary of State to ensure that the net UK emissions for the zero emissions year and each year thereafter is zero or less.
- (3) If an annual statement of UK emissions under Section 16 for a year after the zero emissions year shows that net UK carbon emissions are more than zero, the Secretary of State must, as soon as reasonably practicable lay before Parliament a statement which—
 - (a) explains why the zero net emissions target has not been met, and
 - (b) sets out proposals and policies to ensure that the target will be met in subsequent years.
- (4) The Secretary of State may by order amend the zero emissions year.

Energy Bill [Lords], continued

- (5) The power in subsection (4) may only be exercised if it appears to the Secretary of State that it is appropriate to do so due to significant developments in—
 - (a) scientific knowledge about climate change, or
 - (b) European or international law or policy.
- (6) An order under subsections (1) or (4) may only be made by statutory instrument that has been laid in draft before, and approved by a resolution of, each House of Parliament.
- (7) Before laying a draft of a statutory instrument under subsection (6) the Secretary of State must obtain, and take into account, the advice of the Committee on Climate Change.
- (8) As soon as is reasonably practicable after giving its advice to the Secretary of State, the Committee shall publish its advice in such manner as it considers appropriate.
- (9) If an order under subsections (1) or (4) sets or amends the zero emissions year in a way that is different from the recommendation of the Committee under subsection (7), the Secretary of State must lay a statement before Parliament explaining his reasons for that decision.
- (10) When the Secretary of State comes to any decision under this section, or the Committee on Climate Change considers its advice in relation to any such decision—
 - (a) the matters listed in Section 10(2) must, and
 - (b) other matters may,
 be taken into account.”

☆ To move the following Clause—

“Strategy for a Just Transition away from fossil fuels

- (1) The Secretary of State must develop a comprehensive national strategy for the UK energy sector to move away from fossil fuels and towards 100% renewable energy by 2050, under the framework of a Just Transition outlined in subsection (5)(a).
- (2) The strategy must be developed by June 2017 and the Secretary of State must report to Parliament on the progress of its implementation every year thereafter.
- (3) The transition must ensure that UK carbon emission reductions make a fair contribution to the goals set out in the 2015 Paris Climate Change Agreement.
- (4) The strategy must be developed in consultation with—
 - (a) energy sector workers,
 - (b) trade unions,
 - (c) the Committee on Climate Change,
 - (d) HM Treasury,
 - (e) the Department for Business, Innovation and Skills,
 - (f) the Oil and Gas Authority,

Energy Bill [Lords], continued

- (g) the renewable energy industry,
 - (h) the National Infrastructure Commission,
 - (i) Scottish and Welsh Ministers,
 - (j) civil society organisations, and
 - (k) other relevant stakeholders.
- (5) The strategy must, amongst other things, include—
- (a) the adoption of the principles of Just Transition set out by national and international trade unions, including—
 - (i) full participation and engagement of workers, trades unions and communities most directly affected, and
 - (ii) training, education and skills policies to enable workers to make the transition to employment in sustainable, low carbon industries,
 - (b) an assessment of the proportion of existing UK oil and gas reserves that should remain unexploited,
 - (c) a strategy for redirecting all direct and indirect fossil fuel exploration and production subsidies into low carbon industry; and
 - (d) cooperation with EU institutions and EU member states to embed the principles of Just Transition at EU level.”

Member's explanatory statement

This new clause would require the Secretary of State to develop a strategy for a Just Transition away from fossil fuels and towards a renewable energy future.

NC1

To move the following Clause—

“Strategy for incentivising competitiveness of UK-registered companies in decommissioning contracts

- (1) By June 2017, the Secretary of State must develop a comprehensive strategy for the Department of Energy and Climate Change to incentivise the competitiveness of UK-registered companies in bidding for supply chain contracts associated with the decommissioning of oil and gas infrastructure (the strategy), which shall be reviewed annually thereafter.
- (2) In developing the strategy, the Secretary of State must consult—
 - (a) HM Treasury;
 - (b) the Department for Business, Innovation and Skills;
 - (c) the Oil and Gas Authority;
 - (d) Scottish Ministers, and
 - (e) any other relevant stakeholders that the Secretary of State thinks appropriate.
- (3) The strategy must include, though shall not be restricted to—
 - (a) an appraisal of tax incentives that can be extended to oil and gas operators to incentivise their use of UK-registered supply chain companies; and

Energy Bill [Lords], continued

- (b) an outline of other appropriate support that can be provided by the Government, or its agencies, to UK-registered companies which express interest in bidding for decommissioning contracts.”

Member’s explanatory statement

This new clause would compel the Secretary of State to bring forward a strategy for ensuring that UK-registered supply chain companies benefit from decommissioning contracts.

Callum McCaig

NC4

To move the following Clause—

“Contract for Difference

After section 13(3) of the Energy Act 2013 insert—

- (3A) An allocation round must be held at least once in each year which the carbon intensity of electricity generation in the United Kingdom exceeds 100 grams per kilowatt hour.”

Member’s explanatory statement

This new clause would compel the Secretary of State to hold a Contract for Difference allocation round at least once in each year that the carbon intensity of electricity generation in the UK exceeds 100g per kilowatt hour.

Mr Alistair Carmichael

To move the following Clause—

“Amendment to the Petroleum Act 1998: definition of “the principal objective”

In subsection 9A of the Petroleum Act 1998, leave out subsection (1) and insert—

- “(1) The “principal objective” is the objective of maximising the economic return of UK petroleum, while retaining oversight of the decommissioning of oil and gas infrastructure, and securing its reuse for transportation and storage of greenhouse gases, in particular through—
- (a) development, construction, deployment and use of equipment used in the petroleum industry (including upstream petroleum infrastructure), and
 - (b) collaboration among the following persons—
 - (i) holders of petroleum licences;
 - (ii) operators under petroleum licences;
 - (iii) owners of upstream petroleum infrastructure;

- ★ To move the following Clause—

“Establishment of Public Nuisance from Wind Farms Mandatory Liability Cover Scheme

- (1) The Secretary of State shall by regulations establish a scheme, to be known as the Wind Farm (Compulsory Financial Provision for Public Nuisance) Scheme, to require wind farm operators (“eligible entities”) to make provision for holding sufficient financial resources to meet potential liabilities arising from successful claims for public nuisance in respect of—
 - (a) noise pollution (including from amplitude modulation),
 - (b) light pollution,
 - (c) inadequate, incomplete or the absence of, decommissioning, or
 - (d) any other category of nuisance determined following consultation under NC14.
 - (2) The regulations under section 1 must provide that—
 - (a) eligible entities must monitor the noise emitted by wind farm stations and where amplitude modulation is found that affects inhabited dwellings, the station must be switched off until the amplitude modulation has dissipated. Any cost for monitoring noise should be borne by the station owner.
 - (b) Eligible entities must monitor the noise, turbine blade flicker and other forms of public nuisance caused by the generation station, and where it is found that they affect inhabited dwellings, the station must be switched off until nuisance has stopped. Any cost for monitoring nuisance should be borne by the station owner.”

- ★ To move the following Clause—

“Consultation on Public Nuisance from Wind Farms Mandatory Liability Cover Scheme

- (1) The Secretary of State shall, before making regulations under NC13 conduct a public consultation to inform his determination of elements of the scheme, including but not limited to—
 - (a) the entities, or categories of entity, that must be required to meet the obligations of the scheme,

Energy Bill [*Lords*], *continued*

- (b) the method by which sufficient financial resources required under NC13 are to be—
 - (i) calculated, and
 - (ii) uprated as necessary,
- (c) the account to be taken, in determining the sufficiency of the level of required financial resources, of—
 - (i) the number,
 - (ii) proximity to occupied properties,
 - (iii) size, and
 - (iv) noise emission profile
 of wind turbines operated by any one entity,
- (d) the extent to which the methods and instruments used to satisfy the obligations of the scheme should be specified in regulations,
- (e) the period of time allowable under the scheme between its introduction and the obligation to have the required financial resources in place,
- (f) the categories of public nuisance to be treated as being covered by the scheme; and
- (g) the potential impact of the scheme on—
 - (i) the cost of electricity,
 - (ii) the level of public expenditure allocated to supporting wind turbine electricity generation; and
 - (iii) the achievement of relevant targets for the generation of electricity from renewable resources.
- (2) The Secretary of State shall conduct and conclude the public consultation under this section within 12 months of this Act receiving Royal Assent.
- (3) The Secretary of State shall lay before each House of Parliament a report of the public consultation under this section alongside any statement he thinks appropriate, within 3 months of the closing date of the consultation.”

★ To move the following Clause—

“Regulations relating to Public Nuisance from Wind Farms Scheme

- (1) Regulations made under NC13 shall be made by statutory instrument, and may not be made unless a draft has been laid before and approved by a resolution of each House of Parliament.
- (2) The Secretary of State may by regulations—
 - (a) add entities or categories of entity to those entities subject to obligations under the scheme,
 - (b) add obligations to the scheme, or
 - (c) raise the appropriate level of financial resources required under NC13.
- (3) The Secretary of State may by regulations—
 - (a) exempt entities or categories of entity from obligations, in whole or in part, under the scheme,
 - (b) abolish obligations, or elements thereof, in the scheme, or
 - (c) reduce the appropriate level of financial resources required under NC13.
- (4) Regulations made under this clause, or including provisions falling under that Clause, shall be made by statutory instrument, and may not be made unless a draft has been laid before and approved by a resolution of each House of Parliament.”
