*“Small claims treatment***357BNA Small claims treatment**

- (1) This section applies where—
  - (a) a company carries on only one trade during an accounting period,
  - (b) section 357BF applies for the purposes of determining the relevant IP profits of the trade for the accounting period, and
  - (c) the qualifying residual profit of the trade for the accounting period does not exceed whichever is the greater of—
    - (i) £1,000,000, and
    - (ii) the relevant maximum for the accounting period.
- (2) The company may make any of the following elections for the accounting period—
  - (a) a notional royalty election (see section 357BNB),
  - (b) a small claims figure election (see section 357BNC), and
  - (c) a global streaming election (see section 357BND).

This is subject to subsections (3) and (4).

**Finance Bill, continued**

- (3) The company may not make a notional royalty election, a small claims figure election or a global streaming election for the accounting period if—
- the qualifying residual profit of the trade for the accounting period exceeds £1,000,000,
  - section 357BF applied for the purposes of determining the relevant IP profits of the trade for any previous accounting period beginning within the relevant 4-year period, and
  - the company did not make a notional royalty election, a small claims figure election or (as the case may be) a global streaming election for that previous accounting period.
- (4) The company may not make a small claims figure election for the accounting period if—
- the qualifying residual profit of the trade for the accounting period exceeds £1,000,000,
  - section 357C or 357DA applied for the purposes of determining the relevant IP profits of the trade for any previous accounting period beginning within the relevant 4-year period, and
  - the company did not make an election under section 357CL for small claims treatment for that previous accounting period.
- (5) In subsections (3) and (4) “the relevant 4-year period” means the period of 4 years ending with the beginning of the accounting period mentioned in subsection (1)(a).
- (6) For the purposes of this section, the “qualifying residual profit” of a trade of a company for an accounting period is the amount which (assuming the company did not make an election under this section) would be equal to the aggregate of the relevant IP income sub-streams established at Step 2 in section 357BF(2) in determining the relevant IP profits of the trade for the accounting period, following the deductions from those sub-streams required by Step 4 in section 357BF(2) (ignoring the amount of any sub-stream which is not greater than nil following those deductions).
- (7) For the purposes of this section, the “relevant maximum” for an accounting period of a company is—
- in a case where no company is a related 51% group company of the company in the accounting period, £3,000,000;
  - in a case where one or more companies are related 51% group companies of the company in the accounting period, the amount given by the formula—
- $$\frac{\pounds 3,000,000}{1 + N}$$
- where N is the number of those related 51% group companies in relation to which an election under section 357A(1) has effect for the accounting period.
- (8) For an accounting period of less than 12 months, the relevant maximum is proportionally reduced.

**357BNB Notional royalty election**

- Subsection (2) applies where a company has made a notional royalty election for an accounting period under section 357BNA(2)(a).
- In its application for the purposes of determining the relevant IP profits of the trade of the company for the accounting period, section 357BHA (notional royalty) has effect as if—
  - in subsection (2) for “the appropriate percentage” there were substituted “75%”, and

Finance Bill, *continued*

- (b) subsections (3) to (6) were omitted.

**357BNC Small claims figure election**

- (1) Subsection (2) applies where a company has made a small claims figure election for an accounting period under section 357BNA(2)(b).
- (2) In its application for the purposes of determining the relevant IP profits of the trade of the company for the accounting period, section 357BF(2) (steps for calculating relevant IP profits) has effect as if in Step 6—
  - (a) for “marketing assets return figure” there was substituted “small claims figure”, and
  - (b) for “(see section 357BL)” there was substituted “(see section 357BNC(3))”.
- (3) Subsections (4) to (9) apply for the purpose of calculating the small claims figure for a relevant IP income sub-stream established at Step 2 in section 357BF(2) in determining the relevant IP profits of a trade of a company for an accounting period.
- (4) If 75% of the qualifying residual profit of the trade for the accounting period is lower than the small claims threshold, the small claims figure for the sub-stream is 25% of the amount of the sub-stream following Step 4 in section 357BF(2).
- (5) If 75% of the qualifying residual profit of the trade for the accounting period is higher than the small claims threshold, the small claims figure for the sub-stream is the amount given by—

$$A - \left( \frac{A}{\text{QRP}} \times \text{SCT} \right)$$

where—

A is the amount of the sub-stream following the deductions required by Step 4 in section 357BF(2),

QRP is the qualifying residual profit of the trade of the company for the accounting period, and

SCT is the small claims threshold.

- (6) If no company is a related 51% group company of the company in the accounting period, the small claims threshold is £1,000,000.
- (7) If one or more companies are related 51% group companies of the company in the accounting period, the small claims threshold is—

$$\frac{\pounds 1,000,000}{1 + N}$$

where N is the number of those related 51% group companies in relation to which an election under section 357A(1) has effect for the accounting period.

- (8) For an accounting period of less than 12 months, the small claims threshold is proportionately reduced.
- (9) Subsection (6) of section 357BNA (meaning of “qualifying residual profit”) applies for the purposes of subsection (4) and (5) of this section.

**357BND Global streaming election**

- (1) Subsection (2) applies where a company has made a global streaming election for an accounting period under section 357BNA(2)(c).
- (2) In its application for the purpose of determining the relevant IP profits of the trade of the company for the accounting period, this Chapter has effect with the following modifications.
- (3) In subsection (2) of section 357BF (relevant IP profits)—
  - (a) omit Step 2,

**Finance Bill, continued**

    - (ii) for “sub-stream”, in each place it occurs, substitute “stream”,
  - (d) in Step 6—

    - (iii) for “sub-stream”, in the second place it occurs, substitute “stream”,
  - (e) in Step 7—
    - (i) for “each relevant IP income sub-stream” substitute “the relevant IP income stream”,
    - (ii) for “sub-stream”, in the second place it occurs, substitute “stream”,
  - (f) omit Step 8, and
  - (g) in Step 9 for “given by Step 8” substitute “of the relevant IP income stream following Step 7”.
- (4) In subsection (3) of that section for “given by” substitute “of the relevant IP income stream following the Steps in”.
  - (5) In subsection (4) of that section for “given by” substitute “of the relevant IP income stream following the Steps in”.
  - (6) Omit subsections (5), (5A) and (6) of that section.
  - (7) In section 357BIA(3) (certain amounts not to be deducted from sub-streams at Step 4 of section 357BF)—
    - (a) for “a relevant IP income sub-stream” substitute “the relevant IP income stream”;
    - (b) for “sub-stream”, in the second and third places it occurs, substitute “stream”.

Clause 90, page 145, line 33, leave out subsections (1) to (3) and insert—

“(1) Two or more companies which are not charities form a “company unit” for a tax year (and are the “members” of that unit) if—

- (a) they are connected with one another at the beginning of the tax year, and
- (b) each of them is entitled to a levy allowance for the tax year.

(2) The members of a company unit must determine what amount of levy allowance each of them is to be entitled to for the tax year (and the determination must comply with subsections (3) and (3A)).  
But see subsections (3C) and (3H).

(3) A member’s levy allowance for a tax year may be zero (but not a negative amount).

(3A) The total amount of the levy allowances to which the members of a company unit are entitled for a tax year must equal £15,000.

(3B) A determination made under subsection (2) (with respect to a tax year) cannot afterwards be altered by the members concerned (but this does not prevent the correction of a failure to comply with subsection (3A)).

(3C) If subsection (3E) applies—

- (a) HMRC must determine in accordance with subsection (3D) what amount of levy allowance each of the relevant members (see subsection (3E)(a)) of the unit concerned is to be entitled to for the tax year, and

**Finance Bill, continued**

- (b) accordingly subsection (2) is treated as never having applied in relation to that company unit and that tax year.
- (3D) The determination is to be made by multiplying the amount of levy allowance set out in each relevant return (see subsection (3E)(a)) by—

$$\frac{15,000}{T}$$

where T is the total of the amounts of levy allowance set out in the relevant returns.

The result is, in each case, the amount of the levy allowance to which the relevant member in question is entitled for the tax year (but amounts may be rounded up or down where appropriate provided that subsection (3A) is complied with).

- (3E) This subsection applies if—
- (a) HMRC is aware—
    - (i) that two or more members of a company unit (“the relevant members”) have made apprenticeship levy returns (“the relevant returns”) on the basis mentioned in subsection (3F), and
    - (ii) that those returns, together, imply that the total mentioned in subsection (3A) is greater than £15,000,
  - (b) HMRC has notified the relevant members in writing that HMRC is considering taking action under subsection (3C), and
  - (c) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (3F) The basis in question is that the member making the return is entitled to a levy allowance (whether or not of zero) for the tax year concerned.
- (3G) If any member of the company unit mentioned in subsection (3E)(a) is not a relevant member, that member is entitled to a levy allowance of zero for the tax year.
- (3H) If subsection (3J) applies—
- (a) HMRC must determine in accordance with subsection (3I) what amount of levy allowance each of the members of the unit concerned is to be entitled to for the tax year, and
  - (b) accordingly subsection (2) is treated as never having applied in relation to that company unit and that tax year.
- (3I) Each member of the unit is to be entitled to a levy allowance for the tax year equal to—

$$\frac{£15,000}{N}$$

where N is the number of the members of the company unit for the tax year.

Amounts determined in accordance with the formula in this subsection may be rounded up or down where appropriate provided that subsection (3A) is complied with.

- (3J) This subsection applies if—
- (a) the total amount paid by the members of a company unit in respect of apprenticeship levy for a tax year or any period in a tax year is less than

**Finance Bill, continued**

- the total of the amounts due and payable by them for the tax year or other period concerned,
- (b) either the members of the unit have made no apprenticeship levy returns for any period in the tax year concerned or the returns that have been made do not contain sufficient information to enable HMRC to determine how the whole of the £15,000 mentioned in subsection (3A) is to be used by the members of the unit for the tax year,
  - (c) HMRC has notified all the members of the unit in writing that HMRC is considering taking action under subsection (3H), and
  - (d) the remedial action specified in the notice has not been taken within the period specified in the notice.
- (3K) Subsection (3A) is to be taken into account in calculating the total of the amounts due and payable as mentioned in subsection (3J)(a).
- (3L) The Commissioners may by regulations provide that in circumstances specified in the regulations the members of a company unit may alter a determination made under subsection (2) (despite subsection (3B)).

- (3) In section 88 (which relates to the calculation of taxable diverted profits), for subsection (5) substitute—
  - “(5) “Notional PE profits”, in relation to an accounting period, means an amount equal to the sum of—
    - (a) the amount of profits (if any) which would have been the chargeable profits of the foreign company for that period, attributable (in accordance with sections 20 to 32 of CTA 2009) to the avoided PE, had the avoided PE been a permanent establishment in the United Kingdom through which the foreign company carried on the trade mentioned in section 86(1)(b), and
    - (b) an amount equal to the total of royalties or other sums which are paid by the foreign company during that period in connection with that trade in circumstances where the payment avoids the application of section 906 of ITA 2007 (duty to deduct tax).
- (5A) For the purposes of subsection (5)(b) a payment of a royalty or other sum avoids the application of section 906 of ITA 2007 if—
  - (a) that section does not apply in relation to the payment, but

**Finance Bill, continued**

- (b) that section would have applied in relation to the payment had the avoided PE been a permanent establishment in the United Kingdom through which the foreign company carried on the trade mentioned in section 86(1)(b).”
- (4) In section 100 (credit for UK or foreign tax on same profits), for the heading substitute “Credits for tax on the same profits”.
- (5) In section 100, after subsection (2) insert—

- (6) In section 100, after subsection (4) insert—
- “(4A) Subsection (4B) applies where—
- (a) a company’s notional PE profits for an accounting period include an amount under section 88(5)(b) determined by reference to a royalty or other sum,
- (b) the company’s liability to diverted profits tax for the accounting period is determined by reference to taxable diverted profits calculated under section 91(4) or (5), and
- (c) those taxable diverted profits include an amount of relevant taxable income referred to in section 91(4)(b) or (5)(b) determined by reference to the same royalty or other sum.
- (4B) A credit equal to the company’s liability to diverted profits tax for that accounting period which arises by virtue of section 88(5)(b) in respect of the royalty or other sum, to the extent that it is included in relevant taxable income for the purposes of section 91(4)(b) or (5)(b), is allowed against the company’s total liability to diverted profits tax for that period.
- (4C) Subsection (4D) applies where—
- (a) by reason of the payment of a royalty or other sum a company’s liability to diverted profits tax for an accounting period includes liability arising by virtue of section 88(5)(b),
- (b) the royalty or other sum is paid to a person who is resident in a country or territory outside the United Kingdom, and
- (c) under any relevant provision relief would have been due to that person had the avoided PE been a permanent establishment in the United Kingdom through which the company carried on the trade mentioned in section 86(1)(b).
- (4D) Such credit as is just and reasonable having regard to the amount of the relief referred to in subsection (4C)(c) is allowed against the company’s liability to diverted profits tax.
- (4E) In subsection (4C)(c) “relevant provision” means—

- (7) The amendments made by this section have effect in relation to accounting periods ending on or after 28 June 2016.
- (8) For the purposes of section 88(5)(b) of FA 2015 as inserted by this section, a royalty or other sum which would not otherwise be regarded as paid during an accounting period ending on or after 28 June 2016 is to be regarded as so paid if—

- (5) In determining whether section 906 of ITA 2007 applies to a payment, no regard is to be had to any arrangements the main purpose of which, or one of the main purposes of which, is to avoid the effect of the amendments made by this section.
- (6) Where arrangements are disregarded under subsection (5) in relation to a payment which—
- (a) is made before 28 June 2016, and
  - (b) is due on or after that day,
- the payment is to be regarded for the purposes of section 906 of ITA 2007 as made on the date on which it is due.

**“Receipts from intellectual property: territorial scope**

- (1) In section 577 of ITTOIA 2005 (territorial scope of Part 5 charges), at the end insert—
- “(5) See also section 577A (territorial scope of Part 5 charges: receipts from intellectual property).”
- (2) After that section insert—

**“577A Territorial scope of Part 5 charges: receipts from intellectual property**

- (1) References in section 577 to income which is from a source in the United Kingdom include income arising where—
- (a) a royalty or other sum is paid in respect of intellectual property by a person who is non-UK resident, and
  - (b) the payment is made in connection with a trade carried on by that person through a permanent establishment in the United Kingdom.
- (2) Subsection (3) applies where a royalty or other sum is paid in respect of intellectual property by a person who is non-UK resident in connection with a trade carried on by that person only in part through a permanent establishment in the United Kingdom.
- (3) The payment referred to in subsection (2) is to be regarded for the purposes of subsection (1)(b) as made in connection with a trade carried on through a permanent establishment in the United Kingdom to such extent as is just and reasonable, having regard to all the circumstances.

---

**Finance Bill, continued**

- (4) In determining for the purposes of section 577 whether income arising is from a source in the United Kingdom, no regard is to be had to arrangements the main purpose of which, or one of the main purposes of which, is to avoid the effect of the rule in subsection (1).
- (5) In this section—  
“arrangements” includes any agreement, understanding, scheme, transaction or series of transactions (whether or not legally enforceable);  
“intellectual property” has the same meaning as in section 579;  
“permanent establishment”—  
(a) in relation to a company, is to be read (by virtue of section 1007A of ITA 2007) in accordance with Chapter 2 of Part 24 of CTA 2010, and  
(b) in relation to any other person, is to be read in accordance with that Chapter but as if references in that Chapter to a company were references to that person.”
- (3) The amendments made by subsections (1) and (2) have effect in relation to royalties or other sums paid in respect of intellectual property on or after 28 June 2016.
- (4) It does not matter for the purposes of subsection (4) of section 577A of ITTOIA 2005 (as inserted by this section) whether the arrangements referred to in that subsection are entered into before, or on or after, 28 June 2016.
- (5) Where arrangements are disregarded under subsection (4) of section 577A of ITTOIA 2005 (as inserted by this section) in relation to a payment of a royalty or other sum which—  
(a) is made before 28 June 2016, but  
(b) is due on or after that day,  
the payment is to be regarded for the purposes of subsection (1) of that section as made on the date on which it is due.
- (6) In determining the date on which a payment is due for the purposes of subsection (5), disregard the arrangements referred to in that subsection.
- (7) Where—  
(a) an intellectual property royalty payment within the meaning of section 917A of ITA 2007 is made on or after 28 June 2016,  
(b) the payment is made under arrangements (within the meaning of that section) entered into before that day,  
(c) the arrangements are not DTA tax avoidance arrangements for the purposes of that section,  
(d) it is reasonable to conclude that the main purpose, or one of the main purposes, of the arrangements was to obtain a tax advantage by virtue of any provisions of a foreign double taxation arrangement, and  
(e) obtaining that tax advantage is contrary to the object and purpose of those provisions,  
the arrangements are to be regarded as DTA tax avoidance arrangements for the purposes of section 917A of ITA 2007 in relation to the payment.
- (8) In subsection (7)—  
“foreign double taxation arrangement” means an arrangement made by two or more territories outside the United Kingdom with a view to affording relief from double taxation in relation to tax chargeable on income (with or without other tax relief);  
“tax advantage” is to be construed in accordance with section 208 of FA 2013 but as if references in that section to “tax” were references to tax

chargeable on income under the law of a territory outside the United Kingdom.

- (9) Where—
- (a) a royalty is paid on or after 28 June 2016,
  - (b) the right in respect of which the royalty is paid was created or assigned before that day,
  - (c) section 765(2) of ITTOIA 2005 does not apply in relation to the payment, and
  - (d) it is reasonable to conclude that the main purpose, or one of the main purposes, of any person connected with the creation or assignment of the right was to take advantage, by means of that creation or assignment, of the law of any territory giving effect to Council Directive 2003/49/EC of 3rd June 2003 on a common system of taxation applicable to interest and royalty payments made between associated companies of different member States,
- section 758 of ITTOIA 2005 does not apply in relation to the payment.”

- (a) that issue of shares to the shareholders of company B would be the only consideration for the acquisition by the acquiring company of the whole of the issued share capital of company B,
- (b) the conditions in section 77(3)(c) and (e) would be met in relation to that acquisition (if that acquisition were made in accordance with the arrangements), and
- (c) the conditions in paragraphs (f) to (h) of section 77(3) would be met in relation to that acquisition if—
  - (i) that acquisition were made in accordance with the arrangements, and

- ★ To move the following Clause—

**“Corporation tax: transactions in UK land**

- (1) In CTA 2010, after Part 8ZA insert—

“PART 8ZB

TRANSACTIONS IN UK LAND

*Introduction***356OA Overview of Part**

This Part contains provision about the corporation tax treatment of certain profits and gains realised from disposals concerned with land in the United Kingdom.

*Amounts treated as profits of a trade***356OB Disposals of land in the United Kingdom**

- (1) Section 356OC(1) applies (subject to subsection (3) of that section) if—
- (a) a person within subsection (2)(a), (b) or (c) realises a profit or gain from a disposal of any land in the United Kingdom, and
  - (b) any of conditions A to D is met in relation to the land.
- (2) The persons referred to in subsection (1) are—
- (a) the person acquiring, holding or developing the land,
  - (b) a person who is associated with the person in paragraph (a) at a relevant time, and
  - (c) a person who is a party to, or concerned in, an arrangement within subsection (3).
- (3) An arrangement is within this subsection if—
- (a) it is effected with respect to all or part of the land, and
  - (b) it enables a profit or gain to be realised—
    - (i) by any indirect method, or
    - (ii) by any series of transactions.
- (4) Condition A is that the main purpose, or one of the main purposes, of acquiring the land was to realise a profit or gain from disposing of the land.

---

**Finance Bill, *continued***

- (5) Condition B is that the main purpose, or one of the main purposes, of acquiring any property deriving its value from the land was to realise a profit or gain from disposing of the land.
- (6) Condition C is that the land is held as trading stock.
- (7) Condition D is that (in a case where the land has been developed) the main purpose, or one of the main purposes, of developing the land was to realise a profit or gain from disposing of the land when developed.
- (8) In this section “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal mentioned in subsection (1).
- (9) In this section “the project” means all activities carried out for any of the following purposes—
  - (a) the purposes of dealing in or developing the land, and
  - (b) any other purposes mentioned in Conditions A to D.
- (10) For the purposes of this section a person (“A”) is associated with another person (“B”) if—
  - (a) A is connected with B by virtue of any of subsections (5) to (7) of section 1122 (read in accordance with section 1123), or
  - (b) A is related to B (see section 356OT).

**356OC Disposals of land: profits treated as trading profits**

- (1) The profit or gain is to be treated for corporation tax purposes as profits of a trade carried on by the chargeable company (see section 356OG).
- (2) If the chargeable company is non-UK resident, that trade is the company’s trade of dealing in or developing UK land (as defined in section 5B of CTA 2009).
- (3) But subsection (1) does not apply to a profit or gain so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
  - (a) for corporation tax purposes, or
  - (b) for income tax purposes.
- (4) The profits are treated as arising in the accounting period of the chargeable company in which the profit or gain is realised.
- (5) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

**356OD Disposals of property deriving its value from land in the United Kingdom**

- (1) Section 356OE applies (subject to subsection (3) of that section) if—
  - (a) a person realises a profit or gain from a disposal of any property which (at the time of the disposal) derives at least 50% of its value from land in the United Kingdom,
  - (b) the person is a party to, or concerned in, an arrangement concerning some or all of the land mentioned in paragraph (a) (“the project land”), and
  - (c) the arrangement meets the condition in subsection (2).

**Finance Bill, *continued***

- (2) The condition is that the main purpose, or one of the main purposes, of the arrangement is to—
  - (a) deal in or develop the project land, and
  - (b) realise a profit or gain from a disposal of property deriving the whole or part of its value from that land.

**356OE Disposals within section 356OD: profits treated as trading profits**

- (1) The relevant amount is to be treated for corporation tax purposes as profits of a trade carried on by the chargeable company.
- (2) If the chargeable company is non-UK resident, that trade is the company's trade of dealing in or developing UK land.
- (3) But subsection (1) does not apply to an amount so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
  - (a) for corporation tax purposes, or
  - (b) for income tax purposes.
- (4) The profits are treated as arising in the accounting period of the chargeable company in which the profit or gain is realised.
- (5) In this section the “relevant amount” means so much (if any) of the profit or gain mentioned in section 356OD(1) as is attributable, on a just and reasonable apportionment, to the relevant UK assets.
- (6) In this section “the relevant UK assets” means any land in the United Kingdom from which the property mentioned in section 356OD(1) derives any of its value (at the time of the disposal mentioned in that subsection).
- (7) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

**356OF Profits and losses**

- (1) Sections 356OB to 356OE have effect as if they included provision about losses corresponding to the provision they make about profits and gains.
- (2) Accordingly, in the following sections of this Part references to a “profit or gain” include a loss.

*Person to whom profits attributed***356OG The chargeable company**

- (1) For the purposes of sections 356OC and 356OE the general rule is that the “chargeable company” is the company (“C”) that realises the profit or gain (as mentioned in section 356OB(1) or 356OD(1)).
- (2) The general rule in subsection (1) is subject to the special rules in subsections (4) to (6).
- (3) But those special rules do not apply in relation to a profit or gain to which section 356OH(3) (fragmented activities) applies.
- (4) If all or any part of the profit or gain accruing to C is derived from value provided directly or indirectly by another person (“B”) which is a company, B is the “chargeable company”.

---

**Finance Bill, *continued***

- (5) Subsection (4) applies whether or not the value is put at the disposal of C.
- (6) If all or any part of the profit or gain accruing to C is derived from an opportunity of realising a profit or gain provided directly or indirectly by another person (“D”) which is a company, D is “the chargeable company” (unless the case falls within subsection (4)).
- (7) For the meaning of “another person” see section 356OO.

*Anti-fragmentation***356OH Fragmented activities**

- (1) Subsection (3) applies if—
  - (a) a company (“C”) disposes of any land in the United Kingdom,
  - (b) any of conditions A to D in section 356OB is met in relation to the land, and
  - (c) a person (“R”) who is associated with C at a relevant time has made a relevant contribution to activities falling within subsection (2).
- (2) The following activities fall within this subsection—
  - (a) the development of the land,
  - (b) any other activities directed towards realising a profit or gain from the disposal of the land.
- (3) For the purposes of this Part, the profit or gain (if any) realised by C from the disposal is to be taken to be what that profit or gain would be if R were not a distinct person from C (and, accordingly, as if everything done by or in relation to R had been done by or in relation to C).
- (4) Subsection (5) applies to any amount which is paid (directly or indirectly) by R to C for the purposes of meeting or reimbursing the cost of corporation tax which C is liable to pay as a result of the application of subsection (3) in relation to R and C.
- (5) The amount—
  - (a) is not to be taken into account in calculating profits or losses of either R or C for the purposes of income tax or corporation tax, and
  - (b) is not for any purpose of the Corporation Tax Acts to be regarded as a distribution.
- (6) In subsection (1) “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal.
- (7) For the purposes of this section any contribution made by R to activities falling within subsection (2) is a “relevant contribution” unless the profit made or to be made by R in respect of the contribution is insignificant having regard to the size of the project.
- (8) In this section “contribution” means any kind of contribution, including, for example—
  - (a) the provision of professional or other services, or
  - (b) a financial contribution (including the assumption of a risk).

**Finance Bill, continued**

- (9) For the purposes of this section R is “associated” with C if—
- (a) R is connected with C by virtue of any of subsections (5) to (7) of section 1122 (read in accordance with section 1123), or
  - (b) R is related to C (see section 356OT).
- (10) In this section “the project” means all activities carried out for any of the following purposes—

*Calculation of profit or gain on disposal***356OI Calculation of profit or gain on disposal**

For the purposes of this Part, the profit or gain (if any) from a disposal of any property is to be calculated according to the principles applicable for calculating the profits of a trade under Part 3 of CTA 2009, subject to any modifications that may be appropriate (and for this purpose the same rules are to apply in calculating losses from a disposal as apply in calculating profits).

**356OJ Apportionments**

Any apportionment (whether of expenditure, consideration or any other amount) that is required to be made for the purposes of this Part is to be made on a just and reasonable basis.

*Arrangements for avoiding tax***356OK Arrangements for avoiding tax**

- (1) Subsection (3) applies if an arrangement has been entered into the main purpose or one of the main purposes of which is to enable a company to obtain a relevant tax advantage.
- (2) In subsection (1) the reference to obtaining a relevant tax advantage includes obtaining a relevant tax advantage by virtue of any provisions of double taxation arrangements, but only in a case where the relevant tax advantage is contrary to the object and purpose of the provisions of the double taxation arrangements (and subsection (3) has effect accordingly, regardless of anything in section 6(1) of TIOPA 2010).
- (3) The tax advantage is to be counteracted by means of adjustments.
- (4) For this purpose adjustments may be made (whether by an officer of Revenue and Customs or by the company) by way of an assessment, the modification of an assessment, amendment or disallowance of a claim, or otherwise.
- (5) In this section “relevant tax advantage” means a tax advantage in relation to corporation tax charged (or which would, if the tax advantage were not obtained, be charged) in respect of amounts treated as profits of a trade by virtue of this Part.

**Finance Bill, *continued***

- (6) In this section—

*Exemption***356OL Profits attributable to period before relevant activities etc began**

- (1) Subsection (2) applies if—
- (a) subsection (1) of section 356OC applies because Condition D in section 356OB is met (land developed with purpose of realising a gain from its disposal when developed), and
  - (b) part of the profit or gain mentioned in that subsection is fairly attributable to a period before the intention to develop was formed.
- (2) Section 356OC(1) has effect as if the person mentioned in section 356OB(1) had not realised that part of the profit or gain.
- (3) Subsection (4) applies if—
- (a) section 356OE(1) applies, and
  - (b) part of the profit or gain mentioned in section 356OE(5) is fairly attributable to a period before the person mentioned in section 356OD(1) was a party to, or concerned in, the arrangement in question.
- (4) Section 356OE has effect as if the person had not realised that part of the profit or gain.
- (5) In applying this section account must be taken of the treatment under Part 3 of CTA 2009 (trading income) of a company which appropriates land as trading stock.

*Other supplementary provisions***356OM Tracing value**

- (1) This section applies if it is necessary to determine the extent to which the value of any property or right is derived from any other property or right for the purposes of this Part.
- (2) Value may be traced through any number of companies, partnerships, trusts and other entities or arrangements.

  - (a) any property or right is transferred or transmitted, or
  - (b) the value of any property or right is enhanced or diminished.
- (2) Accordingly—
  - (a) the occasion of the transfer or transmission of any property or right, however indirect, and
  - (b) the occasion when the value of any property or right is enhanced, may be an occasion on which section 356OC(1) or 356OE(1) applies.
- (3) Subsections (1) and (2) apply in particular—
  - (a) to sales, contracts and other transactions made otherwise than for full consideration or for more than full consideration,

- (2) For the purposes of subsection (1), if, for example by a premature sale, a person (“A”) directly or indirectly transmits the opportunity of realising a profit or gain to another person (“B”), A realises B’s profit or gain for B.

- ★ To move the following Clause—

**“Income tax: transactions in UK land**

- (1) In ITA 2007, after Part 9 insert—

“PART 9A

TRANSACTIONS IN UK LAND

*Introduction***517A Overview of Part**

This Part contains provision about the income tax treatment of certain profits and gains realised from disposals concerned with land in the United Kingdom.

*Amounts treated as profits of a trade***517B Disposals of land in the United Kingdom**

- (1) Section 517C(1) applies (subject to subsection (3) of that section) if—
- (a) a person within subsection (2)(a), (b) or (c) realises a profit or gain from a disposal of any land in the United Kingdom, and
  - (b) any of conditions A to D is met in relation to the land.
- (2) The persons referred to in subsection (1) are—
- (a) the person acquiring, holding or developing the land,
  - (b) a person who is associated with the person in paragraph (a) at a relevant time, and
  - (c) a person who is a party to, or concerned in, an arrangement within subsection (3).
- (3) An arrangement is within this subsection if—
- (a) it is effected with respect to all or part of the land, and
  - (b) it enables a profit or gain to be realised—
    - (i) by any indirect method, or
    - (ii) by any series of transactions.

**Finance Bill, *continued***

- (4) Condition A is that the main purpose, or one of the main purposes, of acquiring the land was to realise a profit or gain from disposing of the land.
- (5) Condition B is that the main purpose, or one of the main purposes, of acquiring any property deriving its value from the land was to realise a profit or gain from disposing of the land.
- (6) Condition C is that the land is held as trading stock.
- (7) Condition D is that (in a case where the land has been developed) the main purpose, or one of the main purposes, of developing the land was to realise a profit or gain from disposing of the land when developed.
- (8) In this section “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal mentioned in subsection (1).
- (9) In this section “the project” means all activities carried out for any of the following purposes—
  - (a) the purposes of dealing in or developing the land, and
  - (b) any other purposes mentioned in Conditions A to D.
- (10) For the purposes of this section a person (“A”) is associated with another person (“B”) if—
  - (a) A is connected with B by virtue of any of subsections (2) to (4) of section 993 (read in accordance with section 994), or
  - (b) A is related to B (see section 517U).

**517C Disposals of land: profits treated as trading profits**

- (1) The profit or gain is to be treated for income tax purposes as profits of a trade carried on by the chargeable person.
- (2) If the chargeable person is non-UK resident, that trade is the person’s trade of dealing in or developing UK land (as defined in section 6B of ITTOIA 2005).
- (3) But subsection (1) does not apply to a profit or gain so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
  - (a) for income tax purposes, or
  - (b) for corporation tax purposes.
- (4) The profits are treated as arising in the tax year in which the profit or gain is realised.
- (5) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

**517D Disposals of property deriving its value from land in the United Kingdom**

- (1) Section 517E(1) applies (subject to subsection (3) of that section) if—
  - (a) a person realises a profit or gain from a disposal of any property which (at the time of the disposal) derives at least 50% of its value from land in the United Kingdom,

**Finance Bill, *continued***

- (b) the person is a party to, or concerned in, an arrangement concerning some or all of the land mentioned in paragraph (a) (“the project land”), and
  - (c) the arrangement meets the condition in subsection (2).
- (2) The condition is that the main purpose, or one of the main purposes, of the arrangement is to—
- (a) deal in or develop the project land, and
  - (b) realise a profit or gain from a disposal of property deriving the whole or part of its value from that land.

**517E Disposals within section 517D: profits treated as trading profits**

- (1) The relevant amount is to be treated for income tax purposes as profits of a trade carried on by the chargeable person.
- (2) If the chargeable person is non-UK resident, that trade is the chargeable person’s trade of dealing in or developing UK land.
- (3) But subsection (1) does not apply to an amount so far as it would (apart from this section) be brought into account as income in calculating profits (of any person)—
  - (a) for income tax purposes, or
  - (b) for corporation tax purposes.
- (4) The profits are treated as arising in the tax year in which the profit or gain is realised.
- (5) In this section the “relevant amount” means so much (if any) of the profit or gain mentioned in section 517D(1) as is attributable, on a just and reasonable apportionment, to the relevant UK assets.
- (6) In this section “the relevant UK assets” means any land in the United Kingdom from which the property mentioned in section 517D(1) derives any of its value (at the time of the disposal mentioned in that subsection).
- (7) This section applies in relation to gains which are capital in nature as it applies in relation to other gains.

**517F Profits and losses**

- (1) Sections 517B to 517E have effect as if they included provision about losses corresponding to the provision they make about profits and gains.
- (2) Accordingly, in the following sections of this Part references to a “profit or gain” include a loss.

*Person to whom profits attributed***517G The chargeable person**

- (1) For the purposes of sections 517C and 517E the general rule is that the “chargeable person” is the person (“P”) that realises the profit or gain (as mentioned in section 517B(1) or 517D(1)).
- (2) The general rule in subsection (1) is subject to the special rules in subsections (4) to (6).
- (3) But those special rules do not apply in relation to a profit or gain to which section 517H(3) (fragmented activities) applies.

**Finance Bill, continued**

- (4) If all or any part of the profit or gain accruing to P is derived from value provided directly or indirectly by another person (“B”), B is the “chargeable person”.
- (5) Subsection (4) applies whether or not the value is put at the disposal of P.
- (6) If all or any part of the profit or gain accruing to P is derived from an opportunity of realising a profit or gain provided directly or indirectly by another person (“D”) which is a company, D is “the chargeable person” (unless the case falls within subsection (4)).
- (7) For the meaning of “another person” see section 517P.

*Anti-fragmentation***517H Fragmented activities**

- (1) Subsection (3) applies if—
  - (a) a person (“P”) disposes of any land in the United Kingdom,
  - (b) any of conditions A to D in section 517B is met in relation to the land, and
  - (c) a person (“R”) who is associated with P at a relevant time has made a relevant contribution to activities falling within subsection (2).
- (2) The following activities fall within this subsection—
  - (a) the development of the land,
  - (b) any other activities directed towards realising a profit or gain from the disposal of the land.
- (3) For the purposes of this Part, the profit or gain (if any) realised by P from the disposal is to be taken to be what that profit or gain would be if R were not a distinct person from P (and, accordingly, as if everything done by or in relation to R had been done by or in relation to P).
- (4) Subsection (5) applies to any amount which is paid (directly or indirectly) by R to P for the purposes of meeting or reimbursing the cost of income tax which P is liable to pay as a result of the application of subsection (3) in relation to R and P.
- (5) The amount—
  - (a) is not to be taken into account in calculating profits or losses of either R or P for the purposes of income tax or corporation tax, and
  - (b) is not for any purpose of the Corporation Tax Acts to be regarded as a distribution.
- (6) In subsection (1) “relevant time” means any time in the period beginning when the activities of the project begin and ending 6 months after the disposal.
- (7) For the purposes of this section any contribution made by P to activities falling within subsection (2) is a “relevant contribution” unless the profit made or to be made by P in respect of the contribution is insignificant having regard to the size of the project.
- (8) In this section “contribution” means any kind of contribution, including, for example—

**Finance Bill, continued**

- (a) the provision of professional or other services, or
  - (b) a financial contribution (including the assumption of a risk).
- (9) For the purposes of this section R is “associated” with P if—
- (a) R is connected with P by virtue of any of subsections (2) to (4) of section 993 (read in accordance with section 994), or
  - (b) R is related to C (see section 517U).
- (10) In this section “the project” means all activities carried out for any of the following purposes—
- (a) the purposes of dealing in or developing the land, and
  - (b) any other purposes mentioned in Conditions A to D in section 517B.

*Calculation of profit or gain on disposal***517I Calculation of surplus on a disposal of land**

For the purposes of this Part, the profit or gain (if any) from a disposal of any property is to be calculated according to the principles applicable for calculating the profits of a trade under Part 2 of ITTOIA 2005, subject to any modifications that may be appropriate (and for this purpose the same rules are to apply in calculating losses from a disposal as apply in calculating profits).

**517J Apportionments**

Any apportionment (whether of expenditure, consideration or any other amount) that is required to be made for the purposes of this Part is to be made on a just and reasonable basis.

*Arrangements for avoiding tax***517K Arrangements for avoiding tax**

- (1) Subsection (3) applies if an arrangement has been entered into the main purpose or one of the main purposes of which is to enable a person to obtain a relevant tax advantage.
- (2) In subsection (1) the reference to obtaining a relevant tax advantage includes obtaining a relevant tax advantage by virtue of any provisions of double taxation arrangements, but only in a case where the relevant tax advantage is contrary to the object and purpose of the provisions of the double taxation arrangements (and subsection (3) has effect accordingly, regardless of anything in section 6(1) of TIOPA 2010).
