This amendment removes the ability to designate the functions in clause 25 (rating the quality of, and standards applied to, higher education) to be performed by the designated body and ensures that only the functions in clause 23 (assessing the quality of, and standards applied to, higher education) can be designated. plan (see amendment 16). The second subsection would enable the OfS to refuse to renew a plan if a provider fails to meet the targets set by the Director of Fair Access and Participation.

Joseph Johnson

Clause 46, page 26, line 5, leave out “authorised taught awards and foundation degrees” and insert “taught awards and foundation degrees that the provider is authorised to grant”

Member’s explanatory statement
This amendment is technical and is needed because clause 46(5) defines “authorised” by reference to a registered higher education provider rather than a taught award or foundation degree.

Joseph Johnson

Clause 47, page 26, line 42, after “authorise” insert “authorised”

Member’s explanatory statement
This amendment and amendment 77 limit the power of the Secretary of State to make regulations allowing the OfS to authorise registered higher education providers to enter into validation arrangements on its behalf. The providers are required to be “authorised” (defined in the new subsection (6A) added by amendment 78), both to grant the taught awards or foundation degrees to which the arrangements relate, and to enter into the validation arrangements to which the arrangements relate.

Joseph Johnson

Clause 47, page 27, line 2, at end insert—
“(4A) But regulations under subsection (1) may not include power for the OfS to authorise a provider to enter on its behalf into validation arrangements which are—
(a) arrangements in respect of taught awards or foundation degrees that the provider is not authorised to grant, or
(b) arrangements that the provider is not authorised to enter into.”

Member’s explanatory statement
See the explanatory statement for amendment 76.

Joseph Johnson

Clause 47, page 27, line 11, at end insert—
“(6A) In this section, “authorised”, in relation to a registered higher education provider, means authorised to grant taught awards or foundation degrees, and to enter into validation arrangements, by—
(a) an authorisation given—
(i) under section 40(1),
(ii) by or under any other provision of an Act of Parliament, or
(iii) by Royal Charter, or
Higher Education and Research Bill, continued

(b) an authorisation varied under section 43(1).”

Member’s explanatory statement
This amendment defines “authorised” for the purposes of clause 47, using the same definition as is used in clause 46.

Joseph Johnson

Clause 49, page 28, line 18, at end insert—

“( ) In subsection (10)(a)—

(a) for “means” substitute “—

(i) means”, and

(b) after “outside the United Kingdom” insert “, and

(ii) includes the Office for Students”.

Member’s explanatory statement
This amendment extends the definition of “United Kingdom institution” in section 214 of the Education Reform Act 1988 to include the OfS and so ensures that the offence in that section relating to offering unrecognised awards granted by such an institution also covers awards granted by the OfS.

Joseph Johnson

Clause 50, page 28, line 36, at end insert—

“( ) For subsection (1) substitute—

“(1) The appropriate authority may by order designate each body which appears to the authority to be a recognised body within subsection (4)(a), (b) or (c).

(1A) For the purposes of sections 214 and 215, any body for the time being designated by an order under subsection (1) as a recognised body within subsection (4)(c) is conclusively presumed to be such a body.”

Member’s explanatory statement
This amendment and amendment 86 amend the power of the OfS, the Welsh Ministers and the Scottish Ministers under section 216(1) of the Education Reform Act 1988 to designate those bodies which appear to them to be authorised to grant degrees or other awards. In the case of bodies authorised under the Bill to grant awards (i.e. English higher or further education providers or the OfS) or bodies permitted to act on behalf of such bodies to grant awards, designation does not result in a conclusive presumption that they have power to do so. Whether an award granted by such a designated body is a “recognised award” and so exempt from the offence under section 214 of the 1988 Act will depend upon whether the body is authorised to grant the award in question.

Clause 50, page 29, line 16, leave out “that paragraph” and insert “subsection (4)(a)”

Member’s explanatory statement
This amendment is consequential on amendment 80.

Joseph Johnson

Clause 50, page 29, line 18, leave out from “body” to end of line 19

Member’s explanatory statement
This amendment amends one of the new requirements which clause 50 adds to section 216(3) of the Education Reform Act 1988 for being a body listed under subsection (2) of that section. The new requirement enables a body to be listed where it provides a course in preparation for a degree to be granted by a recognised body with degree awarding powers under the Bill. The course must be approved by the recognised body. The amendment removes the requirement that the approval has to be authorised by the recognised body’s degree awarding powers.

This amendment is consequential on amendment 80 and makes clear that no orders made under section 216 of the Education Reform Act 1988, whether by the Secretary of State, the Welsh Ministers or the Scottish Ministers, before the coming into force of clause 50 are affected by the amendments made by that clause.

Clause 65, page 39, line 19, after “interest” insert “, and (d) the retention of sums received”

**Member’s explanatory statement**

“Retention of sums received

(1) The OfS must pay the sums received by it by way of a requirement to pay costs under section 65 to the Secretary of State except to the extent that the Secretary of State, with the consent of the Treasury, directs otherwise.

(2) The OfS must pay the sums received by it by way of interest under paragraph 4 to the Secretary of State.”

**Member’s explanatory statement**

This amendment requires the OfS to pay the costs recovered by it under clause 65 to the Secretary of State except to the extent that the Secretary of State, with the consent of the Treasury, directs otherwise. It also requires the OfS to pay the interest which it receives on unpaid costs to the Secretary of State.

Clause 80, page 49, line 31, leave out “in relation to England”

Member’s explanatory statement
This amendment provides for new subsection (2A) of section 22 of the Teaching and Higher Education Act 1998 (which clause 80(2) inserts into that section) to apply to Wales as well as England.

Joseph Johnson

Schedule 8, page 89, line 3, leave out from beginning to end of line 10 and insert—
“(1A) The application of the seal of a higher education corporation in England must be authenticated by the signature of—
(a) the chair of the corporation or some other person authorised for that purpose by the corporation, and
(b) any other member of the corporation.

(1B) A document purporting to be duly executed under the seal of a higher education corporation in England or signed on the corporation’s behalf—
(a) is to be received in evidence, and
(b) is to be taken to be executed or signed in that way, unless the contrary is shown.”

Member’s explanatory statement
This amendment replaces the new section 124ZB(2) of the Education Reform Act 1988 with two new subsections. New subsection (1A) requires the seal of a higher education corporation in England to be authenticated by two signatories, the chair or other authorised person and one other member. This replicates the current requirement in paragraph 16 of Schedule 7 to the Education Reform Act 1988. Subsection (1B) replaces current subsection (2) with wording that is consistent with that used in Schedules 1 and 9 to the Bill.

It also amends the remainder of that section to remove the Higher Education Funding Council for England from its provisions, to make consequential changes and to update references to the Scottish Higher Education Funding Council and the National Assembly for Wales.

Member’s explanatory statement
This amendment is linked to amendment 109 (which provides for clause 80 to apply to Wales). It enables that clause, in so far as it relates to powers exercisable by the Welsh Ministers, to be brought into force by the Welsh Ministers rather than the Secretary of State.

It also requires the OfS to pay the penalties and interest imposed under those clauses to the Secretary of State.
