★ Clause 28, page 17, line 16, at end insert—

“( ) The OfS must, in deciding whether to approve a plan, have regard to whether the

governing body of an institution has consulted with relevant student

representatives in producing its plan.

( ) In this section “relevant student representatives” means representatives who may

be deemed to represent students on higher education courses provided by the

institution including, but not limited to, persons or bodies as described by Part 2

of the Education Act 1994.”

Member’s explanatory statement
This amendment would ensure that when higher education providers produce an Access and

Participation Plan, they must consult with students and student representatives, including – but

not limited to – the students’ union at that higher education provider.
Wes Streeting

Clause 31, page 18, line 22, at end insert—
“(1A) The regulations made under sub-section (1)(a) shall include goals for ensuring fair access and widening participation, to which a provider will be considered in agreement to achieving once a plan has been approved under section 28.”

**Member’s explanatory statement**
This amendment would require an access and participation plan to include specific goals for ensuring fair access and wider participation.

Clause 31, page 19, line 7, after “include” insert “education provided by means of”

**Member’s explanatory statement**
This amendment makes the language used in clause 31(5)(b) (the definition of references to “higher education” in that clause) consistent with that used in the definition of “higher education” in clause 75(1).

Wes Streeting

Clause 32, page 19, line 12, at end insert—
“( ) The regulations may include a designation of power to the Director of Fair Access and Participation to set specific targets for a higher education provider where the Secretary of State is of the view that the provider is failing to meet the fair access and widening participation goals under section 31(1A).

( ) Where such powers are exercised, the specific targets for a provider set by the Director of Fair Access and Participation shall be considered a general provision of the plan for the purposes of section 21 (refusal to renew an access and participation plan).”

**Member’s explanatory statement**
This amendment would enable the Secretary of State to give power to the Director of Fair Access and Participation to set specific targets when it has been deemed that the institution is failing to meet the goals relating to fair access and wider participation set out in its access and participation plan (see amendment 16). The second subsection would enable the OfS to refuse to renew a plan if a provider fails to meet the targets set by the Director of Fair Access and Participation.
Clause 46, page 26, line 5, leave out “authorised taught awards and foundation degrees” and insert “taught awards and foundation degrees that the provider is authorised to grant”

Member’s explanatory statement
This amendment is technical and is needed because clause 46(5) defines “authorised” by reference to a registered higher education provider rather than a taught award or foundation degree.

Clause 47, page 26, line 42, after “authorise” insert “authorised”

Member’s explanatory statement
This amendment and amendment 77 limit the power of the Secretary of State to make regulations allowing the OfS to authorise registered higher education providers to enter into validation arrangements on its behalf. The providers are required to be “authorised” (defined in the new subsection (6A) added by amendment 78), both to grant the taught awards or foundation degrees to which the arrangements relate, and to enter into the validation arrangements to which the arrangements relate.

Clause 47, page 27, line 2, at end insert—
“(4A) But regulations under subsection (1) may not include power for the OfS to authorise a provider to enter on its behalf into validation arrangements which are—
(a) arrangements in respect of taught awards or foundation degrees that the provider is not authorised to grant, or
(b) arrangements that the provider is not authorised to enter into.”

Member’s explanatory statement
See the explanatory statement for amendment 76.

Clause 47, page 27, line 11, at end insert—
“(6A) In this section, “authorised”, in relation to a registered higher education provider, means authorised to grant taught awards or foundation degrees, and to enter into validation arrangements, by—
(a) an authorisation given—
(i) under section 40(1),
(ii) by or under any other provision of an Act of Parliament, or
(iii) by Royal Charter, or
(b) an authorisation varied under section 43(1).”

Member’s explanatory statement
This amendment defines “authorised” for the purposes of clause 47, using the same definition as is used in clause 46.
Joseph Johnson

Clause 49, page 28, line 18, at end insert—
   “( ) In subsection (10)(a)—
      (a) for “means” substitute “—
         (i) means”, and
      (b) after “outside the United Kingdom” insert “, and
         (ii) includes the Office for Students.”

Member’s explanatory statement
This amendment extends the definition of “United Kingdom institution” in section 214 of the Education Reform Act 1988 to include the OfS and so ensures that the offence in that section relating to offering unrecognised awards granted by such an institution also covers awards granted by the OfS.

Joseph Johnson

Clause 50, page 28, line 36, at end insert—
   “( ) For subsection (1) substitute—
      “(1) The appropriate authority may by order designate each body which appears to the authority to be a recognised body within subsection (4)(a), (b) or (c).

      (1A) For the purposes of sections 214 and 215, any body for the time being designated by an order under subsection (1) as a recognised body within subsection (4)(c) is conclusively presumed to be such a body.”

Member’s explanatory statement
This amendment and amendment 86 amend the power of the OfS, the Welsh Ministers and the Scottish Ministers under section 216(1) of the Education Reform Act 1988 to designate those bodies which appear to them to be authorised to grant degrees or other awards. In the case of bodies authorised under the Bill to grant awards (i.e. English higher or further education providers or the OfS) or bodies permitted to act on behalf of such bodies to grant awards, designation does not result in a conclusive presumption that they have power to do so. Whether an award granted by such a designated body is a “recognised award” and so exempt from the offence under section 214 of the 1988 Act will depend upon whether the body is authorised to grant the award in question.

Member’s explanatory statement
This amendment is consequential on amendment 80.

Clause 50, page 29, line 18, leave out from “body” to end of line 19

Member’s explanatory statement
This amendment amends one of the new requirements which clause 50 adds to section 216(3) of the Education Reform Act 1988 for being a body listed under subsection (2) of that section. The new requirement enables a body to be listed where it provides a course in preparation for a degree to be granted by a recognised body with degree awarding powers under the Bill. The course must be approved by the recognised body. The amendment removes the requirement that the approval has to be authorised by the recognised body’s degree awarding powers.

Clause 50, page 29, line 20, leave out “falling within paragraph (a) or (b) of section 214(2)” and insert “within subsection (4)(c)”

Member’s explanatory statement
This amendment is consequential on amendment 80.

Clause 50, page 29, line 22, leave out from “subsection (4),” to the end and insert “—
(a) a body which is authorised to grant awards by—
(i) an authorisation given under section 40(1) of the Higher Education and Research Act 2016 (“the 2016 Act”),
(ii) an authorisation varied under section 43(1) of the 2016 Act, or
(iii) regulations under section 47(1) of the 2016 Act,
(b) a body for the time being permitted by a body within paragraph (a) to act on its behalf in the granting of awards where the grant of the awards by that other body on its behalf is authorised by the authorisation or regulations mentioned in paragraph (a), or
(c) “”

Clause 50, page 29, line 33, leave out “by the Secretary of State”

*Member’s explanatory statement*
This amendment is consequential on amendment 80 and makes clear that no orders made under section 216 of the Education Reform Act 1988, whether by the Secretary of State, the Welsh Ministers or the Scottish Ministers, before the coming into force of clause 50 are affected by the amendments made by that clause.

(2) The OfS must pay the sums received by it by way of interest under paragraph 4 to the Secretary of State.”

**Member’s explanatory statement**

This amendment requires the OfS to pay the costs recovered by it under clause 65 to the Secretary of State except to the extent that the Secretary of State, with the consent of the Treasury, directs otherwise. It also requires the OfS to pay the interest which it receives on unpaid costs to the Secretary of State.

**Member’s explanatory statement**

This replicates the current requirement in paragraph 16 of Schedule 7 to the Education Reform Act 1988. Member’s explanatory statement
This amendment provides for clauses 78 and 79 (financial support for students: alternative payments) to be brought into force by the Welsh Ministers, so far as relating to powers exercisable by them; by the Secretary of State after consulting the Welsh Ministers, so far as relating to powers exercisable by the Secretary of State and Welsh Ministers concurrently, or by the Secretary of State in relation to Wales; and otherwise by the Secretary of State.

Clause 112, page 61, line 40, at end insert—
“( ) Section 80 comes into force—
(a) so far as relating to powers exercisable by the Welsh Ministers, on such day as the Welsh Ministers may by regulations made by statutory instrument appoint, and
(b) so far as relating to other matters, on such day as the Secretary of State may by regulations made by statutory instrument appoint.”

Member’s explanatory statement
This amendment is linked to amendment 109 (which provides for clause 80 to apply to Wales). It enables that clause, in so far as it relates to powers exercisable by the Welsh Ministers, to be brought into force by the Welsh Ministers rather than the Secretary of State.

Clause 112, page 62, line 3, leave out subsection (3)

Member’s explanatory statement
This amendment is consequential on amendment 116.
To move the following Clause—

“Retention of fee related income

(1) The OfS must pay its fee income to the Secretary of State except to the extent that the Secretary of State, with the consent of the Treasury, directs otherwise.

(2) “Fee income” means the sums received by the OfS by way of—
   (a) fees charged under section 63 (registration fees) or 64 (other fees), or
   (b) costs recovered by virtue of regulations made under section 63(2)(f) or 64(2)(g).

(3) The OfS must pay its other fee related income to the Secretary of State.

(4) “Other fee related income” means the sums received by the OfS by way of—
   (a) penalties imposed by virtue of regulations made under section 63(2)(g) or 64(2)(h), or
   (b) interest charged by virtue of regulations made under section 63(2)(i) or 64(2)(j).”

Member’s explanatory statement
This clause, which is for insertion after clause 64, requires the OfS to pay the fees which it receives under clauses 63 and 64, and the costs which it recovers in recovering those fees, to the Secretary of State except to the extent that the Secretary of State, with the consent of the Treasury, directs otherwise. It also requires the OfS to pay the penalties and interest imposed under those clauses to the Secretary of State.

To move the following Clause—

“Joint working

(1) A relevant authority may exercise any of its functions jointly with another relevant authority if the condition in subsection (2) is met.

(2) The condition is that it appears to the relevant authorities concerned that exercising the function jointly—
   (a) will be more efficient, or
   (b) will enable them more effectively to exercise any of their functions.

(3) In this section “relevant authority” means—
   (a) the OfS,
   (b) UKRI, but only in relation to functions exercisable by Research England pursuant to arrangements made under section 89,
   (c) the Higher Education Funding Council for Wales,
   (d) the Scottish Further and Higher Education Funding Council,
   (e) the Secretary of State to the extent that the Secretary of State is exercising functions under section 14 of the Education Act 2002 (power to give financial assistance for purposes related to education or children etc),
Higher Education and Research Bill, continued

(f) the Welsh Ministers to the extent that they are exercising their functions under Part 2 of the Learning and Skills Act 2000 (further and sixth form education in Wales), or

(g) the Department for the Economy in Northern Ireland, or the Department of Agriculture, Environment and Rural Affairs in Northern Ireland, in relation to funding higher education, or research, in Northern Ireland but only to the extent that the Department is exercising functions in connection with such funding.

(4) For the purposes of subsection (3)(g) “higher education” has the same meaning as in Article 2(2) of the Further Education (Northern Ireland) Order 1997 (S.I. 1997/1772 (N.I. 15)).”

Member’s explanatory statement
This clause, which is for insertion in Part 4 of the Bill, allows relevant authorities to work together if it appears to them to be more efficient or would allow any of the authorities to exercise their functions more effectively.

Joseph Johnson

To move the following Clause—

“Advice to Northern Ireland departments

(1) The OfS may provide such advisory services as the Department for the Economy in Northern Ireland or the Department of Agriculture, Environment and Rural Affairs in Northern Ireland may require in connection with the discharge of the Department’s functions relating to higher education in Northern Ireland.

(2) The services may be provided on such terms as may be agreed.

(3) For the purposes of this section “higher education” has the same meaning as in Article 2(2) of the Further Education (Northern Ireland) Order 1997 (S.I. 1997/1772 (N.I. 15)).”

Member’s explanatory statement
This clause, which is for insertion in Part 4 of the Bill, makes provision for the OfS similar to the provision made in section 69(3) of the Further and Higher Education Act 1992 regarding the Higher Education Funding Council for England and allows for the provision of advice to the Department for the Economy in Northern Ireland or the Department of Agriculture, Environment and Rural Affairs in Northern Ireland.

To move the following Clause—

“Consultation

(1) In exercising its functions the governing body of a registered higher education provider must have regard to any guidance given from time to time by the OfS about consultation with—

(a) persons who are enrolled on a course at the institution,

(b) persons who are likely to enrol on a course at the institution,
Higher Education and Research Bill, continued

(c) employees of the institution,
in connection with the taking of any decisions affecting them.

(2) The governing body consults in accordance with sub-section (1) if it consults a
number of persons within a prescribed group that, taken together, appear to the
governing body to represent, or promote the interests of, a broad and diverse
range of persons within that group.

(3) Any guidance under this section about consultation with persons falling within
paragraphs (1)(a) or (1)(b) must provide for the views of such a person to be
considered in light of his or her age and understanding.

(4) For the purposes of subsection (1), “course” includes any graduate or
postgraduate course.”

Member’s explanatory statement
This new clause would place a duty on governing bodies of registered higher education providers
to consult students, prospective students and employees in connection with the taking of any
decisions that affect them.

Dr Roberta Blackman-Woods

★ To move the following Clause—

“De-registration: notification of students

(1) The governing body of a higher education provider must inform all students
enrolled on a course if it—

(a) is notified by the OfS of its intention to suspend the provider’s
registration under section 17(1),

(b) is notified by the OfS of its intention to remove it from the register under
section 19(1),

(c) is notified by the OfS that it will refuse to approve a new access and
participation plan under section 21(2), or

(d) has applied to be removed from the register under section 22(1),

(2) The governing body of an institution must notify students under subsection (1) by
the date on which—

(a) the suspension takes effect,

(b) the de-registration takes effect, whether enforced or voluntary, or

(c) the expiry date of any existing access and participation plan that will not
be renewed and the period of time for which approval of a new plan will
be refused,

whichever is applicable.”

Member’s explanatory statement
This amendment would require that any students still undertaking courses at that provider are
notified if the provider becomes deregistered.
