To move the following Clause—

“Pre-commencement consultation

(1) Subsections (2) and (3) apply in relation to a provision of this Act under or by virtue of which the OfS has a function of consulting another person.

(2) At any time before the provision comes into force (and whether before or after the passing of this Act), the Secretary of State, the DFA or HEFCE or any of them acting jointly—

(a) may carry out any consultation that the OfS would have power or a duty to carry out after the provision comes into force, and

(b) for that purpose, may prepare drafts of any documents to which the consultation relates.

(3) At any time after the provision comes into force, the OfS may elect to treat any consultation carried out or other thing done under subsection (2) by the Secretary of State, the DFA or HEFCE (or any of them acting jointly) as carried out or done by the OfS.

(7) In this section—

“the DFA” means the Director of Fair Access to Higher Education;

“HEFCE” means the Higher Education Funding Council for England.”

Member’s explanatory statement

This clause, which is for insertion after clause 106, enables the OfS to rely upon consultation carried out by the Secretary of State, the DFA or HEFCE before the consultation provisions of the Bill come into force as if that consultation were carried out by the OfS under those provisions. It also enables UKRI to rely upon consultation carried out by the Secretary of State or HEFCE before the consultation provisions come into force as if the consultation were carried out by UKRI.

Joseph Johnson

To move the following Clause—

“Advice to Northern Ireland departments

(a) persons who are enrolled on a course at the institution,
(b) persons who are likely to enrol on a course at the institution, or
(c) employees of the institution,

in connection with the taking of any decisions affecting them.

(2) The governing body consults in accordance with sub-section (1) if it consults a number of persons within a prescribed group that, taken together, appear to the governing body to represent, or promote the interests of, a broad and diverse range of persons within that group.

(3) Any guidance under this section about consultation with persons falling within paragraphs (1)(a) or (1)(b) must provide for the views of such a person to be considered in light of his or her age and understanding.

(4) For the purposes of subsection (1), “course” includes any graduate or postgraduate course.”

**Member’s explanatory statement**

This new clause would place a duty on governing bodies of registered higher education providers to consult students, prospective students and employees in connection with the taking of any decisions that affect them.

____
“De-registration: notification of students

(1) The governing body of a higher education provider must inform all students enrolled on a course if it—

(a) the suspension takes effect,

(b) the de-registration takes effect, whether enforced or voluntary, or

(c) the expiry date of any existing access and participation plan that will not be renewed and the period of time for which approval of a new plan will be refused, whichever is applicable.”

Member’s explanatory statement

This amendment would require that any students still undertaking courses at that provider are notified if the provider becomes deregistered.

(b) particular uses of its powers under section 40(1) of this Act; and

(c) particular uses of its powers under section 77 of the Further and Higher Education Act 1992.

(3) The OfS must seek the advice of the Committee before—

(a) authorising a registered higher education provider or qualifying further education provider to grant taught awards, research awards or foundation degrees under section 40(1) of this Act;

(b) varying any authorisation made under section 40(1) of this Act so as to authorise a registered higher education provider or qualifying further education provider to grant a category of award or degree that, prior to the variation of the authorisation, it was not authorised to grant; and
Higher Education and Research Bill, continued

(c) providing consent under section 77 of the Further and Higher Education Act 1992 for an education institution or body corporate to change its names so as to include the word “university” in the name of the institution or body corporate.

(4) The OfS must also seek the advice of UKRI before authorising a registered higher education provider or qualifying further education provider to grant research awards under section 40(1) of this Act.

(5) The OfS does not need to seek the advice of the Committee before—

(a) revoking an authorisation to grant taught awards, research awards or foundation degrees; or

(b) varying any authorisation to grant taught awards, research awards, or foundation degrees so as to revoke the authorisation of a registered higher education provider or qualifying further education provider to grant a category of award that, prior to the variation of the authorisation, it was authorised to grant.

(6) Subsection (4) applies whether the authorisation being revoked or varied was given—

(a) by an order made under section 40(1) of this Act;

(b) by or under any Act of Parliament, other than under section 40(1) of this Act; or

(c) by Royal Charter.

(7) In providing its advice to the OfS, the Committee must in particular consider the need for students, employers and the public to have confidence in the higher education system and the awards which are granted by it.

(8) The OfS must have regard to the advice given to it by the Committee on both the general exercise of its functions referred to in subsection 2 and any particular uses of its powers referred to in subsection 3.

(9) The majority of the members of the Committee must be individuals who appear to the OfS to have experience of providing higher education on behalf of an English higher education provider or being responsible for the provision of higher education by such a provider.

(10) In appointing members of the Committee who meet these criteria, the OfS must have regard to the desirability of their being currently engaged at the time of their appointment in the provision of higher education or in being responsible for such provision.

(11) The majority of the members of the Committee must be individuals who are not members of the OfS.

(12) Schedule 1 applies to the Committee on Degree Awarding Powers and University Title as it applies to committees established under paragraph 8 of that Schedule.”

Member’s explanatory statement

This new clause would create a committee of the OfS which fulfils much the same functions as the current Advisory Committee on Degree Awarding Powers.
To move the following Clause—

“Revocation of the Education (Student Support) (Amendment) Regulations 2015

The Education (Student Support) (Amendment) Regulations 2015 (Statutory Instrument no. 1951/2015) are revoked.”

Member’s explanatory statement
This new clause would revoke the Education (Student Support) (Amendment) Regulations 2015, which moved support for students from a system of maintenance grants to loans.

To move the following Clause—

“Automatic review of authorisation

(1) The OfS must review an authorisation given by a previous order under section 40(1) if—
   (a) the ownership of the registered provider is transferred to another legal person; or
   (b) the owner of the registered provider has had restrictions placed on its degree-awarding powers in another jurisdiction, or
   (c) for any other reason it would be in the student or public interest to do so.

(2) In this section “review” means consider whether to vary or revoke authorisation within the meaning of section 42.”

Member’s explanatory statement
This new Clause would ensure that a review of a provider’s degree awarding power would be triggered if the ownership of a provider changes, if the owner of the registered provider faces restrictions to its degree awarding powers in another jurisdiction or if the OfS deems a review necessary to protect students or the wider public interest.

To move the following Clause—

“Impact of changes to financial support for students on access and participation

(1) The OfS must, within six months of the day on which this Act is passed, report to the Secretary of State an assessment of the impact of changes to student financial support arrangements made within the previous twenty-four months on access and participation, and make recommendations.
Higher Education and Research Bill, continued

(2) The OfS may, in making the assessment of such changes as specified in section (1), make recommendations to the Secretary of State about further necessary changes to student support to enhance or mitigate the impact of that change on access and participation.

(3) The OfS must, within twelve months of any change to student financial support arrangements coming into force and after two twelve month periods thereafter, report to the Secretary of State an assessment of the impact of the change on access and participation and make recommendations.

(4) The OfS may, in making the assessment of such changes as specified in section (3), make recommendations to the Secretary of State about further necessary changes to student support to enhance or mitigate the impact of that change on access and participation.

(5) The Secretary of State must lay the reports specified in subsections (1) and (3) before both Houses of Parliament.”

**Member’s explanatory statement**
This new Clause would require the OfS to report to the Secretary of State on the impact of changes to student funding on access and participation.

Paul Blomfield

To move the following Clause—

“Access to support for modular study

The Secretary of State must, within six months of the day on which this Act is passed, set out arrangements in regulations made under sections 22 and 42 of the Teaching and Higher Education Act 1998, as amended, to provide support for students studying for institutional credits, as distinct from working towards a full qualification.”

**Member’s explanatory statement**
This new Clause would require the Secretary of State to provide for module-specific loans, rather than requiring people to be working towards a full qualification to qualify for access to financial support.

Paul Blomfield

To move the following Clause—

“Access to support for students recognised as needed protection

(1) The Secretary of State must, within six months of the day on which this Act is passed, set out in regulations to apply across the UK the availability of financial support for higher education courses to students with certain immigration statuses.

Higher Education and Research Bill, continued

and their family members to access student loans on the same basis as refugees recognised in-country; and,

(b) make provision for those who have claimed asylum and been granted a form of leave to remain in the UK to be eligible—

(i) for home fees for a higher education course if they have been ordinarily resident in the United Kingdom and Islands since being granted leave; and,

(ii) for student loans for a higher education course, if they have been ordinarily resident in the United Kingdom and Islands since being granted leave and are ordinarily resident in the United Kingdom and Islands on the first day of the first academic term of that course.
