NEW CLAUSES

Gavin Barwell

NC3

- ★ To move the following Clause—

“Content of development plan documents

- (1) In section 19 of the Planning and Compulsory Purchase Act 2004 (preparation of local development documents) after subsection (1A) insert—
- “(1B) Each local planning authority must identify the strategic priorities for the development and use of land in the authority’s area.
- (1C) Policies to address those priorities must be set out in the local planning authority’s development plan documents (taken as a whole).

Neighbourhood Planning Bill, *continued*

- (1D) Subsection (1C) does not apply in the case of a London borough council or a Mayoral development corporation if and to the extent that the council or corporation are satisfied that policies to address those priorities are set out in the spatial development strategy.
- (1E) If a combined authority established under section 103 of the Local Democracy, Economic Development and Construction Act 2009 has the function of preparing the spatial development strategy for the authority's area, subsection (1D) also applies in relation to—
- (a) a local planning authority whose area is within, or the same as, the area of the combined authority, and
 - (b) the spatial development strategy published by the combined authority.”
- (2) In section 35 of that Act (local planning authorities' monitoring reports) after subsection (3) insert—
- “(3A) Subsection (3B) applies if a London borough council or a Mayoral development corporation have determined in accordance with section 19(1D) that—
- (a) policies to address the strategic priorities for the development and use of land in their area are set out in the spatial development strategy, and
 - (b) accordingly, such policies will not to that extent be set out in their development plan documents.

- (a) indicate that such policies are set out in the spatial development strategy, and
 - (b) specify where in the strategy those policies are set out.
- (3C) If a combined authority established under section 103 of the Local Democracy, Economic Development and Construction Act 2009 has the function of preparing the spatial development strategy for the authority's area, subsections (3A) and (3B) also apply in relation to—
- (a) a local planning authority whose area is within, or the same as, the area of the combined authority, and
 - (b) the spatial development strategy published by the combined authority.””

This new clause requires a local planning authority to identify the strategic priorities for the development and use of land in the authority's area and to set out policies to address these in their development plan documents. The latter duty does not apply in the case of certain authorities to the extent that other documents set out the policies, but in that case the authority's monitoring reports must make that clear.
