- (1C) Policies to address those priorities must be set out in the local planning authority’s development plan documents (taken as a whole).
- (1D) Subsection (1C) does not apply in the case of a London borough council or a Mayoral development corporation if and to the extent that the council or corporation are satisfied that policies to address those priorities are set out in the spatial development strategy.
- (1E) If a combined authority established under section 103 of the Local Democracy, Economic Development and Construction Act 2009 has the function of preparing the spatial development strategy for the authority’s area, subsection (1D) also applies in relation to—
- (a) a local planning authority whose area is within, or the same as, the area of the combined authority, and

Neighbourhood Planning Bill, continued

- (b) the spatial development strategy published by the combined authority.”

- “(3A) Subsection (3B) applies if a London borough council or a Mayoral development corporation have determined in accordance with section 19(1D) that—
