NOTE

This document includes all amendments tabled to date and includes any withdrawn amendments at the end. The amendments have been arranged in the order in which they relate to the Bill.

NEW CLAUSES

Secretary Sajid Javid

NC6

To move the following Clause—

“Compensation for temporary severance of land after vesting declaration

In Schedule A1 to the Compulsory Purchase (Vesting Declarations) Act 1981 (counter-notice requiring purchase of land not in general vesting declaration), in paragraph 16, after sub-paragraph (3) insert—

- “(4) If the vesting date for the specified land is after the vesting date for any land proposed to be acquired, the Upper Tribunal’s power to award compensation under section 7 of the Compulsory Purchase Act 1965 includes power to award compensation for any loss suffered by the

owner by reason of the temporary severance of the land proposed to be acquired from the specified land.””

Member’s explanatory statement

This amendment ensures that, when an acquiring authority is required to take more land than it had planned to take when it executed a general vesting declaration and the additional land vests in the authority after the land which it had planned to take, the Upper Tribunal may require it to pay compensation for the temporary severance of the land it had planned to take from the additional land.

“Guidance on clustering of betting offices and pay day loan shops

- (1) Before exercising his powers under section 36(1) the Secretary of State must issue guidance to local authorities on the granting of planning for permission change of use to betting offices and pay day loan shops.
- (2) This guidance must set out the manner in which policies in neighbourhood plans and local plans about the number, density and impact of betting offices and pay day loan shops shall be taken into account when determining applications for change of use, to prevent a deleterious effect of the neighbourhood or local area.”

NC2

To move the following Clause—

“Planning Applications: award of costs

- (1) Where a planning application for development meets the terms of subsection (2), and is—
 - (a) refused by a local authority, or
 - (b) an appeal under section 78 of the TCPA 1990 which is dismissed,
 the planning authority may apply to the Secretary of State for an award of costs to reimburse the expenses incurred by individuals who submitted objections to the unsuccessful application or appeal.
 - (2) A planning authority may only use this power if the following conditions are met—
 - (a) the unsuccessful application or appeal concerned a new commercial or residential development; and
 - (b) the application or appeal was unsuccessful, at least in part, due to its incompatibility with the relevant approved neighbourhood development plan.”

NC4

To move the following Clause—

“Sustainable development and placemaking

- (1) The Secretary of State must issue guidance setting out how the principles of sustainable development and placemaking can be—
 - (a) reflected in neighbourhood development plans;
 - (b) used by local authorities to support neighbourhood planning.
- (2) “Sustainable development and placemaking” means managing the use, development and protection of land and natural resources in a way which enables people and communities to provide for their legitimate social, economic and cultural wellbeing while sustaining the potential of future generations to meet their own needs.
- (3) To support this aim the local planning authority should—
 - (a) identify suitable land for development in line with the economic, social and environmental objectives so as to improve the quality of life, wellbeing and health of people and the community;
 - (b) contribute to the sustainable economic development of the community;
 - (c) contribute to the vibrant cultural and artistic development of the community;

 - (h) ensure that assets are managed for long-term interest of the community.”

Member’s explanatory statement

This new clause would clarify in statute that neighbourhood planning should be focused on the public interest and in achieving quality outcomes including placemaking.

NC5

To move the following Clause—

“Neighbourhood Planning: Payments to support production of plans

- (1) Where a parish is designated as a neighbourhood area under the Neighbourhood Planning (General) Regulations 2012, and where the parish council agrees to forego some or all of the relevant Community Infrastructure Levy Monies, the Local Planning Authority may make available the amounts foregone to support the parish council in the production of a Neighbourhood Plan or a Neighbourhood Development Order.
- (2) For the purposes of subsection (1) the relevant Community Infrastructure Levy Monies are those that will be payable to the Local Planning Authority under Regulation 8 of the CIL (Amendment) Regulations 2013 if the Neighbourhood Plan or Neighbourhood Development Order, when made—
 - (a) provides for the number of houses specified for development in that neighbourhood area under the relevant Local Plan, and
 - (b) those houses are built.”

Member’s explanatory statement

This amendment would require Local Planning Authorities to make advances available to parish councils to support the production of Neighbourhood Plan or a Neighbourhood Development Order. The advances will equal the amount of income that the parish council agrees to forego out of the CIL revenues that would otherwise be paid to them by the Local Planning Authority once the housing specified in the Plan or Order is built.

“Planning decisions: involvement of neighbourhood planning bodies

In place of section 75ZB of the Town and Country Planning Act 1990 (as inserted by section 156 of the Housing and Planning Act 2016) insert—

“75ZB Responsibilities of decision-makers in respect of Neighbourhood Development Plans in the exercise of planning functions

- (1) In considering whether to grant planning permission or permission in principle for development which affects land all or part of which is included within the area covered by a made or emerging Neighbourhood Development Plan, the local planning authority must—
 - (a) have regard to the desirability of upholding the policies and proposals contained in the Neighbourhood Development Plan;

Neighbourhood Planning Bill, *continued*

- (b) send a copy of the application to the relevant neighbourhood planning body;
 - (c) allow the relevant neighbourhood planning body a period of 21 days from receipt of the application to make recommendations about how the application should be determined; and
 - (d) take into account any recommendations made under paragraph (c).
- (2) Where a neighbourhood planning body recommended against the application, under subsection (1), and the following conditions are met, the local planning authority may not approve the application without first consulting with the Secretary of State.
- (3) The conditions mentioned in subsection (2) are—
- (a) the development is not classed as a householder development;
 - (b) the development is not on a site identified for the proposed development in the relevant neighbourhood development plan.
- (4) Consultations with the Secretary of State under subsection (2) must follow the procedures set out in provisions 10 to 12 of the Town & Country Planning (Consultation) (England) Direction 2009.
- (5) In this section—
- “emerging Neighbourhood Development Plan” means a Neighbourhood Development Plan that has been examined, is being examined, or is due to be examined, having met the public consultation requirements necessary to proceed to this stage.
 - “householder development” means proposals to alter or enlarge a single house, including works within the curtilage (boundary/garden) of the house.
 - “neighbourhood planning body” means a town or parish council or neighbourhood forum, as defined in section 61F of the 1990 Act (authorisation to act in relation to neighbourhood areas).”

Member’s explanatory statement

This new clause would require planning authorities to consult neighbourhood planning bodies on decisions to grant planning permission. Where a planning authority wants to approve a major development against the wishes of a neighbourhood planning body, the planning authority will be required to consult the Secretary of State before granting permission.

☆ To move the following Clause—

“Delivery of housing development

After section 74 of the Town and Country Planning Act 1990 insert—

“74A Delivery of housing development

- (1) The Secretary of State may make provision, by a development order, for regulating the manner in which applications for planning permission for housing development are to be determined by local planning authorities with regard to the assessment of a five year supply of housing land.
- (2) A development order issued under subsection (1) may in particular—
 - (a) define a methodology to be used by local planning authorities to assess a deliverable five-year supply of housing land, including confirmation of types of sites that may be included;
 - (b) specify the minimum period of time after which, if a local authority has not demonstrated a five-year supply of housing land, the presumption in favour of sustainable development should be applied in accordance with paragraph 49 of the National Planning Policy Framework;
 - (c) set out the desirability of upholding policies and proposals of made or emerging neighbourhood plans, where these are positive towards housing development, notwithstanding any lack of a five-year supply of housing land in the local authority area in which the neighbourhood plan is wholly or partly situated.
- (3) In this section “five year supply of housing land” means specified deliverable sites identified as sufficient to provide five years’ worth of housing against the area’s housing requirements (see paragraph 47 of the National Planning Policy Framework).”

Member’s explanatory statement

The proposal would empower the Secretary of State to issue a development order to: clarify the means by which housing land supply is assessed; define the minimum amount of time before a local planning authority’s failure to meet its housing targets results in its local plan being “out of date”; and specify that neighbourhood plans should be taken into account notwithstanding the lack of a five-year supply of housing land.

- (3) In the Schedule, leave out the paragraph starting “Class A4. Drinking Establishments”
- (4) The Town and Country Planning (General Permitted Development) Order 1995 (SI1995/418) is amended as follows.
- (5) In Part 3 of Schedule 2—
 - (a) in Class A: Permitted development, leave out “A4 (drinking establishments)”.
 - (b) In Class AA: Permitted development, leave out “Class A4 (drinking establishments)”.
 - (c) in Class C: Permitted development, leave out “Class A4 (drinking establishments)”.
- (6) In Part 31 of Schedule 2 under A.1 at end insert—
“*()* the building subject to demolition is classed as a drinking establishment”.”

Member’s explanatory statement

The purpose of this amendment is to ensure that any proposed demolition of or change of use to public houses and other drinking establishments would be subject to planning permission. Currently such buildings, unless they have been listed as Assets of Community Value with the local authority, can be demolished or have their use changed without such permission being granted.

 - (a) adequately resourced; and
 - (b) adequately funded
 so that they are able to undertake the additional work.

Neighbourhood Planning Bill, *continued*

- (2) In any instance where that is not the case, an independent review of additional cost must be conducted to set out the level of resource required to allow planning authorities to fulfil any new statutory duties.”

- ★ To move the following Clause—

“Rates of interest and advance payments

Within 14 days of the Neighbourhood Planning Bill receiving Royal Assent the Secretary of State for Communities and Local Government and the Chancellor of the Exchequer must bring forward outstanding regulations relating to Clauses 192 to 198 of the Housing and Planning Act 2016 and Clauses 19 to 21 and 33 to 35 of the Neighbourhood Planning Bill.”

Member’s explanatory statement

The Housing and Planning Act includes measures requiring further regulations in order to come into force. This new clause requires that, once the Neighbourhood Planning Bill receives Royal Assent, these regulations should be brought into force to ensure that all farmers, business owners and landowners benefit from the Government’s commitment to improve interest rates on late payments as soon as possible.

Dr Roberta Blackman-Woods

(bb) prioritised financial assistance is defined to mean that no less than 50 per cent of the total value of the financial assistance provided under this section is provided to deprived communities.”

Member’s explanatory statement

Dr Roberta Blackman-Woods

11

Clause 12, page 11, line 18, leave out subsection (2)(a)

Dr Roberta Blackman-Woods

12

Clause 12, page 11, line 27, leave out subsections (4) to (7)

- (ii) an estimate as to how many homes the development will deliver; and
- (iii) a consultation with the local authority regarding the effect of the change of use on any urban regeneration plans.”

Member’s explanatory statement

This amendment would ensure monitoring of the impact of permitted right of demolition on offices on urban regeneration that requires office space and on the provision of housing.

Secretary Sajid Javid

20

Clause 13, page 13, line 21, at end insert—

“() A development order—

Member’s explanatory statement

This amendment applies to a development order which makes provision about the information to be contained in a planning register about prior approval applications or notifications of proposed development. It confirms that the order may make different provision for different kinds of application or notification or provision that applies only in relation to particular kinds of application or notification.

26

★ Clause 15, page 14, line 12, leave out “as well as, or instead of, compulsory acquisition” and insert “or compulsory acquisition, but not both”

Member’s explanatory statement

This amendment would ensure that where an acquiring authority seeks temporary possession rights it cannot at the same time also seek permanent possession rights. It would not stop the acquiring authority at a later date seeking permanent acquisition rights via a fresh compulsory purchase order should it be required to complete the project.

Neighbourhood Planning Bill, *continued*

21

- Clause 23, page 19, line 45, at end insert “, and

 - (a) “acquiring authority” means a person who could be authorised to acquire compulsorily the land to which the proposal mentioned in subsection (1) relates (regardless of whether the proposal is to acquire an interest in or a right over the land or to take temporary possession of it), and
 - (b) “owner” has the meaning given in section 7 of the Acquisition of Land Act 1981.””

Member’s explanatory statement

This amendment ensures that the term “acquiring authority” in section 172 of the Housing and Planning Act 2016 has the same meaning that it has in clause 14 of the Bill, so that the power of entry in section 172 is available in relation to all proposals to take temporary possession of land under clause 14.

Robert Neill
Geoffrey Clifton-Brown

27

- ★ Page 25, line 36, leave out Clause 28

Member’s explanatory statement

This would remove changes which would prevent landowners who have land compulsorily purchased for a particular purpose seeking additional compensation should the land end up being used for a different purpose. It ensures that, where the original calculation of compensation that was paid did not take into account the possibility of the development that the land is now being used for, the claimant receives the correct level of compensation.
