★ To move the following Clause—

- (2) A telecommunications service provider under subsection (1) must not begin to supply a contracted service to an end-user unless the end-user has either—

★ To move the following Clause—

“Responsibility for policy and funding of TV licence fee concessions

After section 365(5) of the Communications Act 2003 insert—

“(5A) It shall be the responsibility of the Secretary of State to—

- (a) specify the conditions under which concessions are entitled, and
- (b) provide the BBC with necessary funding to cover the cost of concessions,

and this responsibility shall not be delegated to any other body.”

Member’s explanatory statement

This new clause seeks to enshrine in statute that it should be the responsibility of the Government to set the entitlement for any concessions and to cover the cost of such concession. This new clause will ensure the entitlement and cost of over-75s TV licences remain with the Government. It would need to be agreed with Clause 76 not standing part of the Bill.
