Clause 12, page 7, line 38, after “security” insert “and provide safeguards against hacking”

**Member’s explanatory statement**

This amendment clarifies that smart charge points must have measures in place to safeguard against the risk of being hacked.

Clause 15, page 9, line 1, leave out from “consult” to end and insert—

“(a) the National Grid,
(b) large fuel retailers and service area operators as defined under section 10, and
(c) any other such persons as the Secretary of State considers appropriate.”

**Member’s explanatory statement**

This amendment would require the Secretary of State to consult specifically with the National Grid, large fuel retailers and service area operators before introducing regulations.
Clause 15, page 9, leave out line 14

**Member’s explanatory statement**

This amendment makes the first regulations made under section 12 subject to an affirmative resolution.

---

Clause 16, page 11, line 31, at end insert—

“(5) Within five years of this Act receiving Royal Assent, the Secretary of State must conduct a review of the process for appealing against modification of licence conditions.”

**Member’s explanatory statement**

This amendment requires the Secretary of State to review the modification appeals process within five years.

---

Schedule 1, page 22, line 17, at end insert—

“(3A) An owner or manager whose interests are materially affected under subsection (2)(c) may be defined by regulations made by the Secretary of State following consultation on and publication of the criteria used to determine whether such persons are deemed materially affected.”

**Member’s explanatory statement**

This amendment would require the Government to clarify what other persons or parties they intend to permit to appeal, who are not directly affected by licence modifications but may be considered materially affected.
Clause 18, page 13, line 20, at end insert—
“(4) The Government must publish a review within one year of this Act receiving Royal Assent the impact on UK consumers using EU-based companies affected by changes to consumer protection introduced by this section.”

*Member’s explanatory statement*
This amendment requires the Government to regularly review the impact of the new regulation to ensure that it is working and not adversely affecting UK consumers using EU-based companies.

---

Clause 19, page 14, line 5, after “unless” insert “a full impact assessment and consultation is published and a”

*Member’s explanatory statement*
This amendment requires the Government to undertake a full impact assessment and consultation before bringing forward regulations to create any new air travel trusts through an affirmative resolution.

---

Clause 21, page 16, line 5, at end insert—
“(c) must be accompanied by an assessment of how the designation would affect existing DVSA testing facilities and staff.”

*Member’s explanatory statement*
This amendment requires the Government to review and report how any new designated premises may adversely impact existing DVSA testing facilities and staff.

---

Clause 22, page 16, line 39, leave out from “and” to end of the subsection and insert “or (b) he or she shines or directs a laser beam at a fixed installation involved in traffic control.”
Vehicle Technology and Aviation Bill, continued

Member’s explanatory statement

This amendment would ensure the act of shining a laser itself is the offence without the need for explicitly proving persons with control of a vehicle were dazzled. The replacement lines also ensure that it is an offence for persons shining a laser at traffic control towers.

Mr Steve Baker

Clause 22, page 17, line 9, leave out “five” and insert “ten”

Member’s explanatory statement

This amendment would increase the maximum term of imprisonment from five years to 10 years for conviction on indictment for the offence of shining or directing a laser at a vehicle.

Andy McDonald
Richard Burden
Vicky Foxcroft

Clause 22, page 17, line 17, after “take-off,” insert “including during taxiing”

Member’s explanatory statement

This amendment clarifies that shining a laser at a plane while it is being taxied around an airport is covered under the offence.

Andy McDonald
Richard Burden
Vicky Foxcroft

Clause 22, page 17, leave out lines 19 to 23.

Member’s explanatory statement

Consequential amendment following amendment 25 to Clause 22.

Richard Burden
Andy McDonald
Vicky Foxcroft

Clause 23, page 18, line 22, at end insert—

“(6A) The Secretary of State must collect and publish quarterly statistics relating to fixed penalty notices and diversionary courses, including—
(a) the number of persons issued with a fixed penalty notice after attending a diversionary course,
(b) a breakdown of the number of persons under subsection 6A(a) by police and crime commissioner geographical area.

(6B) The Secretary of State must publish a review into the diversionary courses in place of the issuance of fixed penalty notices, which includes—
(a) effectiveness in improving driver education,
(b) impact on road safety and incidents.”
NEW CLAUSES

Sir Greg Knight
Mr Steve Baker

NC1

To move the following Clause—

“Automated vehicles and criminal liability

(1) Where a road traffic offence is committed by an automated vehicle which is
driving itself, neither the owner of the vehicle nor the occupant who would be
deemed to be in charge of the vehicle, shall be liable for the offence unless the
following condition applies.

(2) The condition is that the owner or occupant of the vehicle knew, or ought
reasonably to have known, before the journey began that an offence was likely to
be committed.”

Sir Greg Knight
Mr Steve Baker

NC2

To move the following Clause—

“Access to driving log and recorded data

(1) The Secretary of State must set out in regulations a system for owning, recording,
monitoring and accessing data produced by automated vehicles.

(2) These regulations must make provision for—

(a) the format and content of the data recorded by automated vehicles,

(b) how such data may be shared between interested parties, and

(c) any limitation that should be placed on how that data can be shared or
used.

(3) Where a statutory instrument contains the first regulations made under this
section, the instrument may not be made unless a draft of it has been laid before
Parliament and approved by a resolution of each House.

(4) A statutory instrument containing regulation under this section, that is not the first
such regulation made under this section, is subject to annulment in pursuance of
a resolution of either House of Parliament.”
“Strategy for encouraging uptake of electric vehicles

The Secretary of State must, within 12 months, lay a report before Parliament setting out a strategy to further encourage the uptake of electric vehicles in the United Kingdom.”

Member’s explanatory statement

This new clause would require the Secretary of State to bring forward a broader Government strategy to address the issue of encouraging the uptake of electric vehicles in the United Kingdom.

“Air pollution and vehicle technology

The Secretary of State must, within 12 months, lay a report before Parliament setting out a strategy for using vehicle technologies, including electric vehicles, to contribute to meeting Government ambitions relating to air pollution and the UK’s climate change obligations.”

Member’s explanatory statement

This new clause would require the Secretary of State to bring forward a strategy for using vehicle technology to address the issue of air pollution in the UK.

“Review of regulations in Part 2

(1) Within 12 months, and once in each 12 month period thereafter, the Secretary of State must lay a report before Parliament on the regulations made using powers granted in Part 2 of this Act.

(2) The report must consider—

(a) the effectiveness of the regulations,
(b) the impact the regulations are having on public charge point operators,
(c) the impact the regulations are having on fuel retailers,
(d) the impact the regulations are having on the National Grid, and
Vehicle Technology and Aviation Bill, continued

(e) how the regulations are impacting on the uptake of electric vehicles.”

Member’s explanatory statement
This new clause would require the Secretary of State to lay a report before Parliament each year assessing the effectiveness and impact of the regulations in Part 2.

Richard Burden
Andy McDonald
Vicky Foxcroft

To move the following Clause—

“Licensing and accreditation scheme for technicians working on automated and electric vehicles

(1) The Secretary of State must by regulations establish a scheme for the licensing and accreditation of technicians working on automated and electric vehicles.

(2) The scheme must include details of—

(a) which professional body will operate the licensing and accreditation of technicians,

(b) how the licensing and accreditation scheme will operate,

(c) a minimum level of training for technicians working on automated and electric vehicles, and

(d) how a list of accredited individuals will be prepared and kept up-to-date.

(3) In this section “working on automated and electric vehicles” includes isolating, inspecting, repairing and maintaining vehicles that are listed under section 1 of this Act.”

Member’s explanatory statement
This new clause would require the Government to bring forward regulations for technicians working on automated and electric vehicles in order to ensure they are properly trained, accredited and licensed to carry out that work. This would be regulated by a professional body who would operate a licensing scheme for those technicians.

Richard Burden
Andy McDonald
Vicky Foxcroft

To move the following Clause—

“Cyber Security and hacking of automated and electric vehicles

The Secretary of State must, within the next 12 months, consult with such persons as the Secretary of State considers appropriate on what steps will be required for
Vehicle Technology and Aviation Bill, continued

the effective cyber security of automated and electric vehicles to protect those vehicles against hacking.”

Member’s explanatory statement
This new clause would require the Government to consult on the risks of automated and electric vehicles being hacked and to ensure that measures are in place to address this.

Andy McDonald
Richard Burden
Vicky Foxcroft

To move the following Clause—

“Consultation on the collection and use of data from automated and electric vehicles

The Secretary of State must consult with such persons as the Secretary of State considers appropriate on the collection and use of data from automated and electric vehicles. The consultation must address—

(a) who is responsible for collecting data from automated and electric vehicles and from any associated charging or network infrastructure used by such vehicles,

(b) how the data is shared between different parties, and

(c) any limitations on the use of such data.”

Member’s explanatory statement
This new clause would require the Government to consult on how that data should be handled, who should own the data and what it should be used for.

Andy McDonald
Richard Burden
Vicky Foxcroft

To move the following Clause—

“Updates to software and operation of automated vehicles

The Secretary of State must bring forward regulations to require that automated vehicles cannot operate in automated mode on public roads unless the application software relating to the vehicle’s automated function is up to date.”

Member’s explanatory statement
This new clause would require the Government to introduce regulations that require automated vehicles to be up to date in order for them to utilise automated functions on public roads.
To move the following Clause—

“Membership of European Aviation Safety Agency

Within three months of this Bill receiving Royal Assent the Government must publish a report setting out its preferred option on the future of the UK’s membership of the European Aviation Safety Agency.”

Member’s explanatory statement
This new clause requires the Government to set out its position on UK membership of the European Aviation Safety Agency after leaving the European Union.

To move the following Clause—

“Single European Skies Movement Research project

Within three months of this Bill receiving Royal Assent the Government must publish a report setting out its position on the Single European Skies Air Traffic Movement Research (SESAR) project.”

Member’s explanatory statement
This new clause will require the Government to set out its position on the Single European Skies Air Traffic Movement Research project (SESAR) after leaving the European Union.

To move the following Clause—

“Membership of the European Common Aviation Area

Within three months of this Bill receiving Royal Assent the Government must publish a report setting out its preferred option on the future of the UK’s membership of the European Common Aviation Area.”

Member’s explanatory statement
This new clause requires the Government to set out its position on UK membership of the European Common Aviation Area (ECAA) and maintaining current access with the EU and third party countries after the UK leaves the EU.
To move the following Clause—

“Safe use of unmanned aerial vehicles (UAVs) in the UK

(1) The Secretary of State must bring forward regulations on the safe use of Unmanned Aerial Vehicles (UAVs) in the UK within six months of the Bill receiving Royal Assent.

(2) The regulations may include, but are not limited to, measures which—
   (a) require all new UAVs sold in the UK to have inbuilt geofencing,
   (b) establish the Civil Aviation Authority, as UAV regulator, to be the official authority on approving—permitting exemption—of “restricted areas” applied to geofencing, and
   (c) establish the formulation of a registration system—considering exemptions for members of model aircraft organisations.

(3) In subsection (1) an Unmanned Aerial Vehicle (UAV) refers to an aircraft without a human pilot on board with a weight of no more than 20kg without its fuel but including any articles or equipment installed in or attached to the aircraft at the commencement of its flight, and whose flight is controlled either autonomously or under the remote control of a pilot on the ground or in another vehicle.

(4) In subsection (2)(a) geofencing refers to the use of GPS or radio frequency technology to create a virtual geographic boundary, enabling software to trigger a response when a mobile device enters or leaves a particular area.”

Member’s explanatory statement
This new clause instructs the Government to bring forward regulation on the safe use of UAVs in the UK, which could include: mandatory geofencing, and establishing a responsibility for the CAA as existing UAV regulator to approve restricted areas.

To move the following Clause—

“Power of constable to stop and search: lasers

In section 1 of the Police and Criminal Evidence Act 1984, after subsection 8C insert—

“(8D) This subsection applies to any article in relation to which a person has committed, or is committing or is going to commit an offence under section 22 of the Vehicle Technology and Aviation Bill.”
Vehicle Technology and Aviation Bill, continued

Member’s explanatory statement
This new clause would give the police the power to stop and search persons who they believed were carrying lasers that have been, or are intended to be, used to commit an offence of shining or directing a light at a vehicle.

Andy McDonald
Richard Burden
Vicky Foxcroft

NC16

To move the following Clause—

“Review of Part 1

(1) By September 2019, the Secretary of State must lay a report before Parliament assessing the effectiveness of the system for defining and insuring automated vehicles introduced by Part 1 of this Act.

(2) The report must consider—
(a) the impact on the insurance industry,
(b) the impact on the cost of insurance premiums for automated vehicles,
(c) the impact on the uptake of automated vehicles, and
(d) the levels of disagreement between manufacturers and insurers on liability.”

Member’s explanatory statement
This new clause would require the Government to lay a report before Parliament assessing the effectiveness and impact of the system introduced in Part 1.
