☆ To move the following Clause—

**“Treatment of retained law**

- (1) Following the commencement of this Act, no modification may be made to retained EU law save by primary legislation, or by subordinate legislation made under this Act.
- (2) By regulation, the Minister may establish a Schedule listing technical provisions of retained EU law that may be amended by subordinate legislation.
- (3) Regulations made under subsection (2) will be subject to an enhanced scrutiny procedure including consultation with the public and relevant stakeholders.
- (4) Regulations may only be made under subsection (2) to the extent that they will have no detrimental impact on the UK environment.
- (5) Delegated powers may only be used to modify provisions of retained EU law listed in any Schedule made under subsection (2) to the extent that such modification will not limit the scope or weaken standards of environmental protection.”

☆ To move the following Clause—

**“Institutional arrangements**

- (1) Before exit day a Minister of the Crown must make provision that all powers and functions relating to the environment or environmental protection that were exercisable by EU entities or other public authorities anywhere in the United Kingdom before exit day which do not cease to have effect as a result of the withdrawal agreement (“relevant powers and functions”) will—
  - (a) continue to be carried out by an EU entity or public authority;
  - (b) be carried out by an appropriate existing or newly established entity or public authority in the United Kingdom; or
  - (c) be carried out by an appropriate international entity or public authority.
- (2) For the purposes of this section, relevant powers and functions relating to the UK exercisable by an EU entity or public authority include, but are not limited to—
  - (a) monitoring and measuring compliance with legal requirements,
  - (b) reviewing and reporting on compliance with legal requirements,
  - (c) enforcement of legal requirements,
  - (d) setting standards or targets,
  - (e) co-ordinating action,
  - (f) publicising information including regarding compliance with environmental standards.
- (3) Within 12 months of exit day, the Government shall consult on and bring forward proposals for the creation by primary legislation of—
  - (a) a new independent body or bodies with powers and functions at least equivalent to those of EU entities and public authorities in Member States in relation to environment; and
  - (b) a new domestic framework for environmental protection and improvement.
- (4) Responsibility for any functions or obligations arising from retained EU law for which no specific provision has been made immediately after commencement of this Act will belong to the relevant Minister until such a time as specific provision for those functions or obligations has been made.”

☆ To move the following Clause—

**“Scrutiny of statutory instruments**

- (1) A Parliamentary Committee shall determine the form and duration of parliamentary and public scrutiny for every statutory instrument proposed to be made under this Act.
- (2) Where the relevant Committee decides that the statutory instrument will be subject to enhanced parliamentary scrutiny the Committee shall have the power—
  - (a) to require a draft of the proposed statutory instrument be laid before Parliament;
  - (b) to require the relevant Minister to provide further evidence or explanation as to the purpose and necessity of the proposed instrument;
  - (c) to make recommendations to the relevant Minister in relation to the text of the draft statutory instrument;
  - (d) to recommend to the House that “no further proceedings be taken” in relation to the draft statutory instrument.
- (3) Where an instrument is subject to enhanced scrutiny, the relevant Minister must have regard to any recommendations made by the Parliamentary Committee pursuant to subparagraph (c) above before laying a revised draft instrument before each House of Parliament.
- (4) Where an instrument is subject to public consultation, the relevant Minister must have regard to the results of the consultation before laying a revised draft instrument before each House of Parliament or making a Written Statement explaining why no revision is necessary.”

***Member’s explanatory statement***

*This new clause seeks to ensure that a Parliamentary Committee rather than ministers should decide what is the appropriate level of scrutiny for regulations made under the Act and that the Parliamentary Committee has the power to require enhanced scrutiny in relation to regulations that it considers to be particularly significant or contentious.*

☆ Schedule 7, page 39, line 13, leave out sub-paragraphs (1) to (3) and insert—

- “(1) If a Minister considers it appropriate to proceed with the making of regulations under section 7, the Minister shall lay before Parliament—
- (a) draft regulations,
  - (b) an explanatory document and
  - (c) a declaration under sub-paragraph (3).
- (2) The explanatory document must—
- (a) introduce and explain the amendment made to retained EU law by each proposed regulation, and
  - (b) set out the reason why each such amendment is necessary (or, in the case where the Minister is unable to make a statement of necessity under subparagraph (3)(a), the reason why each such amendment is nevertheless considered appropriate).

**European Union (Withdrawal) Bill, *continued***

- (3) The declaration required in sub-paragraph (1) must either—
  - (a) state that, in the Minister’s view, the provisions of the draft regulations do not exceed what is necessary to prevent, remedy or mitigate any deficiency in retained EU law arising from the withdrawal of the United Kingdom from the EU (a “statement of necessity”); or
  - (b) include a statement to the effect that although the Minister is unable to make a statement of necessity the Government nevertheless proposes to exercise the power to make the regulations in the form of the draft.
- (4) Subject as follows, if after the expiry of the 21-day period a joint committee of both Houses of Parliament appointed to consider draft regulations under this Schedule (“the joint committee”) has not reported to both Houses a resolution in respect of the draft regulations laid under sub-paragraph (1), the Minister may proceed to make a statutory instrument in the form of the draft regulations.
- (5) A statutory instrument containing regulations under sub-paragraph (4) shall be subject to annulment in pursuance of a resolution of either House of Parliament.
- (6) The procedure in sub-paragraphs (7) to (9) shall apply to the proposal for the draft regulations instead of the procedure in sub-paragraph (4) if—
  - (a) either House of Parliament so resolves within the 21-day period,
  - (b) the joint committee so recommends within the 21-day period and neither House by resolution rejects the recommendation within that period, or
  - (c) the draft regulations contain provision to—
    - (i) establish a public authority in the United Kingdom,
    - (ii) provide for any function of an EU entity or public authority in a member State to be exercisable instead by a public authority in the United Kingdom established by regulations under section 7, 8 or 9 or Schedule 2,
    - (iii) provides for any function of an EU entity or public authority in a member State of making an instrument of a legislative character to be exercisable instead by a public authority in the United Kingdom,
    - (iv) imposes, or otherwise relates to, a fee in respect of a function exercisable by a public authority in the United Kingdom,

- (7) The Minister must have regard to—
  - (a) any representations,
  - (b) any resolution of either House of Parliament, and
  - (c) any recommendations of a committee of either House of Parliament charged with reporting on the proposal for the draft regulations, made during the 60-day period with regard to the draft regulations.
- (8) If after the expiry of the 60-day period the draft regulations are approved by a resolution of each House of Parliament, the Minister may make regulations in the form of the draft.
- (9) If after the expiry of the 60-day period the Minister wishes to proceed with the draft regulations but with material changes, the Minister may lay before Parliament—
  - (a) revised draft regulations, and
  - (b) a statement giving a summary of the changes proposed.
- (10) If the revised draft regulations are approved by a resolution of each House of Parliament, the Minister may make regulations in the terms of the revised draft.

**European Union (Withdrawal) Bill, *continued***

- (11) For the purposes of sub-paragraphs (1) to (10) regulations are made in the terms of draft regulations or revised draft regulations if they contain no material change to their provisions.
- (12) In sub-paragraphs (1) to (10), references to the “21-day” and “60-day” periods in relation to any draft regulations are to the periods of 21 and 60 days beginning with the day on which the draft regulations were laid before Parliament.

☆ Schedule 7, page 39, line 13, leave out sub-paragraphs (1) to (3) and insert—

*“Scrutiny procedure: introductory*

- 3 A statutory instrument containing regulations under section 7 may not be made by a Minister of the Crown unless it complies with the procedures in this Part.

*Determination of scrutiny procedure*

- 4 (1) The explanatory document laid with a statutory instrument or draft statutory instrument containing regulations under section 7 must contain a recommendation by the Minister as to which of the following should apply in relation to the making of an order pursuant to the draft order—
  - (a) the negative resolution procedure;
  - (b) the affirmative resolution procedure;
  - (c) the super-affirmative procedure.
- (2) The explanatory document must give reasons for the Minister’s recommendation.
- (3) Where the Minister’s recommendation is that the negative resolution procedure should apply, that procedure shall apply unless, within the 30-day period—
  - (a) either House of Parliament requires that the super-affirmative procedure shall apply, in which case that procedure shall apply; or
  - (b) in a case not falling within paragraph (a), either House of Parliament requires that the affirmative resolution procedure shall apply, in which case that procedure shall apply.
- (4) Where the Minister’s recommendation is that the affirmative resolution should apply, that procedure shall apply unless, within the 30-day period, either House of Parliament requires that the super-affirmative resolution procedure shall apply, in which case the super-affirmative resolution procedure shall apply.
- (5) Where the Minister’s recommendation is that the super-affirmative procedure should apply, that procedure shall apply.
- (6) For the purposes of this paragraph a House of Parliament shall be taken to have required a procedure within the 30-day period if—
  - (a) that House resolves within that period that that procedure shall apply; or
  - (b) in a case not falling within paragraph (a), a committee of that House charged with reporting on the draft order has recommended within that

**European Union (Withdrawal) Bill, *continued***

period that that procedure shall apply and the House has not by resolution rejected that recommendation within that period.

*Super-affirmative procedure*

- 5 (1) for the purposes of this Part of this Schedule, the “super-affirmative resolution procedure” is as follows.
- (2) The Minister must have regard to—
  - (a) any representations,
  - (b) any resolution of either House of Parliament, and
  - (c) any recommendations of a committee of either House of Parliament charged with reporting on the draft order,  
made during the 60-day period with regard to the draft order.
- (3) If, after the expiry of the 60-day period, the Minister wishes to make an order in the terms of the draft, he or she must lay before Parliament a statement—
  - (a) stating whether any representations were made; and
  - (b) if any representations were so made, giving details of them.
- (4) The Minister may after the laying of such a statement make an order in the terms of the draft if it is approved by a resolution of each House of Parliament.
- (5) However, a committee of either House charged with reporting on the draft order may, at any time after the laying of a statement under subparagraph (3) and before the draft order is approved by that House under subparagraph (4), recommend under this subparagraph that no further proceedings be taken in relation to the draft order.
- (6) Where a recommendation is made by a committee of either House under subparagraph (5) in relation to a draft statutory instrument, no proceedings may be taken in relation to the draft statutory instrument in that House unless the recommendation is, in the same Session, rejected by resolution of that House.
- (7) If, after the expiry of the 60-day period, the Minister wishes to make an order consisting of a version of the draft statutory instrument with material changes, he or she must lay before Parliament—
  - (a) a revised draft statutory instrument; and
  - (b) a statement giving details of—
    - (i) any representations made; and
    - (ii) the revisions proposed.
- (8) The Minister may after laying a revised draft statutory instrument and statement under subparagraph (7) make regulations in the terms of the revised statutory instrument if it is approved by a resolution of each House of Parliament.
- (9) However, a committee of either House charged with reporting on the revised draft statutory instrument may, at any time after the revised draft statutory is laid under subparagraph (7) and before it is approved by that House under subparagraph (8), recommend under this subparagraph that no further proceedings be taken in relation to the revised draft statutory instrument.
- (10) Where a recommendation is made by a committee of either House under subparagraph (9) in relation to a revised draft statutory instrument, no proceedings may be taken in relation to the revised draft statutory instrument in that House under subsection (8) unless the recommendation is, in the same Session, rejected by resolution of that House.

**European Union (Withdrawal) Bill, continued**

(11) In this Part—

- (a) the “30-day period” means the period of 30 days beginning with the day on which the draft statutory instrument was laid before Parliament;
- (b) the “60-day period” means the period of 60 days beginning with the day on which the draft statutory instrument was laid before Parliament;
- (c) the “affirmative resolution procedure” has the same meaning as in section 17 of the Legislative and Regulatory Reform Act 2006;
- (d) the “negative resolution procedure” has the same meaning as in section 16 of the Legislative and Regulatory Reform Act 2006.”

**Member’s explanatory statement**

*This amendment would ensure Parliament has the power to determine, following recommendations by the Minister, which parliamentary procedure should be used to scrutinise statutory instruments containing regulations that deal with deficiencies arising from EU withdrawal. It also provides for use of the “super-affirmative resolution procedure” whereby a committee of either House can recommend that no further proceedings be taken in relation to a draft order, which can only be over-turned by a resolution of that House.*
