- (3) Regulations made under subsection (2) will be subject to an enhanced scrutiny procedure including consultation with the public and relevant stakeholders.
- (4) Regulations may only be made under subsection (2) to the extent that they will have no detrimental impact on the UK environment.

modification will not limit the scope or weaken standards of environmental protection.”

To move the following Clause—

“Institutional arrangements

- (1) Before exit day a Minister of the Crown must make provision that all powers and functions relating to the environment or environmental protection that were exercisable by EU entities or other public authorities anywhere in the United Kingdom before exit day which do not cease to have effect as a result of the withdrawal agreement (“relevant powers and functions“) will—
 - (a) continue to be carried out by an EU entity or public authority;
 - (b) be carried out by an appropriate existing or newly established entity or public authority in the United Kingdom; or
 - (c) be carried out by an appropriate international entity or public authority.
- (2) For the purposes of this section, relevant powers and functions relating to the UK exercisable by an EU entity or public authority include, but are not limited to—
 - (a) monitoring and measuring compliance with legal requirements,
 - (b) reviewing and reporting on compliance with legal requirements,
 - (c) enforcement of legal requirements,
 - (d) setting standards or targets,
 - (e) co-ordinating action,
 - (f) publicising information including regarding compliance with environmental standards.
- (3) Within 12 months of exit day, the Government shall consult on and bring forward proposals for the creation by primary legislation of—

 - (b) a new domestic framework for environmental protection and improvement.
- (4) Responsibility for any functions or obligations arising from retained EU law for which no specific provision has been made immediately after commencement of

To move the following Clause—

“Regulations (publication of list)

- (1) Within 1 month of this Act receiving Royal Assent, the Secretary of State must publish a draft list of regulations that the Government intends to make under section 7.
- (2) A list under subsection (1) must include—
 - (a) the proposed title of the regulation,
 - (b) the area of retained EU law it is required to correct,
 - (c) the Government Department who has responsibility for the regulation, and
 - (d) the proposed month in which the regulation will be tabled.
- (3) The Secretary of State must ensure that a list published under subsection (1) is updated within one month from the day it was published, and within one month of every subsequent update, to include any regulations that the Government has since determined it intends to make.”

Member’s explanatory statement

This new clause would require the Government to produce a list of regulations it intends to make under the Bills correcting powers, and to update that list each month, in order to provide clarity about when, and in which areas, it believes the power will be necessary.

☆ To move the following Clause—

“Dealing with deficiencies arising from withdrawal in relation to child refugee family reunion

- (1) In the exercise of powers under section 7 (Dealing with deficiencies arising from withdrawal) the Secretary of State must in particular make regulations amending the Immigration Rules in order to preserve the effect in the United Kingdom of Commission Regulation (EU) No. 604/2013 (establishing the criteria and mechanisms for determining the Member State responsible for examining an application for international protection lodged in one of the Member States by a third-country national or a stateless person).
- (2) In particular, the regulations made under subsection (1) must provide for an unaccompanied minor who has a family member in the United Kingdom who is a refugee or has been granted humanitarian protection to have the same family reunion rights to be reunited in the United Kingdom with that family member as they would have had under Commission Regulation (EU) No. 604/2013.
- (3) The regulations under subsection (1) must require an assessment of the best interests of the minor, taking into account possibilities for family reunification, the minor’s well-being and social development, safety and security considerations, and the view of the minor.
- (4) Regulations under this section must be made within six months of this Act receiving Royal Assent.
- (5) For the purpose of this section “family member” in relation to the unaccompanied minor, means—
 - (a) their parents;
 - (b) their adult siblings;
 - (c) their aunts and uncles;
 - (d) their grandparents.”

Member’s explanatory statement

This new clause is intended to provide for refugee family reunion in the UK in place of the family reunion aspects of the Dublin III Regulation, allowing adult refugees in the UK to sponsor relatives who are unaccompanied children to come to the UK from around the world.

 - (b) an explanatory document and
 - (c) a declaration under sub-paragraph (3).
- (2) The explanatory document must—
- (a) introduce and explain the amendment made to retained EU law by each proposed regulation, and
 - (b) set out the reason why each such amendment is necessary (or, in the case where the Minister is unable to make a statement of necessity under sub-paragraph (3)(a), the reason why each such amendment is nevertheless considered appropriate).
- (3) The declaration required in sub-paragraph (1) must either—
- (a) state that, in the Minister's view, the provisions of the draft regulations do not exceed what is necessary to prevent, remedy or mitigate any deficiency in retained EU law arising from the withdrawal of the United Kingdom from the EU (a “statement of necessity”); or
 - (b) include a statement to the effect that although the Minister is unable to make a statement of necessity the Government nevertheless proposes to exercise the power to make the regulations in the form of the draft.
- (4) Subject as follows, if after the expiry of the 21-day period a joint committee of both Houses of Parliament appointed to consider draft regulations under this Schedule (“the joint committee”) has not reported to both Houses a resolution in respect of the draft regulations laid under sub-paragraph (1), the Minister may proceed to make a statutory instrument in the form of the draft regulations.
- (5) A statutory instrument containing regulations under sub-paragraph (4) shall be subject to annulment in pursuance of a resolution of either House of Parliament.
- (6) The procedure in sub-paragraphs (7) to (9) shall apply to the proposal for the draft regulations instead of the procedure in sub-paragraph (4) if—
- (a) either House of Parliament so resolves within the 21-day period,
 - (b) the joint committee so recommends within the 21-day period and neither House by resolution rejects the recommendation within that period, or
 - (c) the draft regulations contain provision to—

- (9) If after the expiry of the 60-day period the Minister wishes to proceed with the draft regulations but with material changes, the Minister may lay before Parliament—
- (a) revised draft regulations, and
 - (b) a statement giving a summary of the changes proposed.
- (10) If the revised draft regulations are approved by a resolution of each House of Parliament, the Minister may make regulations in the terms of the revised draft.
- (11) For the purposes of sub-paragraphs (1) to (10) regulations are made in the terms of draft regulations or revised draft regulations if they contain no material change to their provisions.
- (12) In sub-paragraphs (1) to (10), references to the “21-day” and “60-day” periods in relation to any draft regulations are to the periods of 21 and 60 days beginning with the day on which the draft regulations were laid before Parliament.

Schedule 7, page 39, line 13, leave out paragraphs 1 to 3 and insert—

“Scrutiny procedure: introductory

- 1 A statutory instrument containing regulations under section 7 may not be made by a Minister of the Crown unless it complies with the procedures in this Part.

Determination of scrutiny procedure

- 2 (1) The explanatory document laid with a statutory instrument or draft statutory instrument containing regulations under section 7 must contain a recommendation by the Minister as to which of the following should apply in relation to the making of an order pursuant to the draft order—
- (a) the negative resolution procedure;
 - (b) the affirmative resolution procedure;
 - (c) the super-affirmative procedure.
- (2) The explanatory document must give reasons for the Minister’s recommendation.
- (3) Where the Minister’s recommendation is that the negative resolution procedure should apply, that procedure shall apply unless, within the 30-day period—
- (a) either House of Parliament requires that the super-affirmative procedure shall apply, in which case that procedure shall apply; or
 - (b) in a case not falling within paragraph (a), either House of Parliament requires that the affirmative resolution procedure shall apply, in which case that procedure shall apply.
- (4) Where the Minister’s recommendation is that the affirmative resolution should apply, that procedure shall apply unless, within the 30-day period, either House of Parliament requires that the super-affirmative resolution procedure shall apply, in which case the super-affirmative resolution procedure shall apply.
- (5) Where the Minister’s recommendation is that the super-affirmative procedure should apply, that procedure shall apply.
- (6) For the purposes of this paragraph a House of Parliament shall be taken to have required a procedure within the 30-day period if—
- (a) that House resolves within that period that that procedure shall apply; or
 - (b) in a case not falling within paragraph (a), a committee of that House charged with reporting on the draft order has recommended within that period that that procedure shall apply and the House has not by resolution rejected that recommendation within that period.

Super-affirmative procedure

- 3 (1) for the purposes of this Part of this Schedule, the “super-affirmative resolution procedure” is as follows.

European Union (Withdrawal) Bill, *continued*

- (2) The Minister must have regard to—
 - (a) any representations,
 - (b) any resolution of either House of Parliament, and
 - (c) any recommendations of a committee of either House of Parliament charged with reporting on the draft order, made during the 60-day period with regard to the draft order.
- (3) If, after the expiry of the 60-day period, the Minister wishes to make an order in the terms of the draft, he or she must lay before Parliament a statement—
 - (a) stating whether any representations were made; and
 - (b) if any representations were so made, giving details of them.
- (4) The Minister may after the laying of such a statement make an order in the terms of the draft if it is approved by a resolution of each House of Parliament.
- (5) However, a committee of either House charged with reporting on the draft order may, at any time after the laying of a statement under sub-paragraph (3) and before the draft order is approved by that House under sub-paragraph (4), recommend under this subparagraph that no further proceedings be taken in relation to the draft order.
- (6) Where a recommendation is made by a committee of either House under subparagraph (5) in relation to a draft statutory instrument, no proceedings may be taken in relation to the draft statutory instrument in that House unless the recommendation is, in the same Session, rejected by resolution of that House.
- (7) If, after the expiry of the 60-day period, the Minister wishes to make an order consisting of a version of the draft statutory instrument with material changes, he or she must lay before Parliament—
 - (a) a revised draft statutory instrument; and
 - (b) a statement giving details of—
 - (i) any representations made; and
 - (ii) the revisions proposed.
- (8) The Minister may after laying a revised draft statutory instrument and statement under sub-paragraph (7) make regulations in the terms of the revised statutory instrument if it is approved by a resolution of each House of Parliament.
- (9) However, a committee of either House charged with reporting on the revised draft statutory instrument may, at any time after the revised draft statutory is laid under sub-paragraph (7) and before it is approved by that House under sub-paragraph (8), recommend under this sub-paragraph that no further proceedings be taken in relation to the revised draft statutory instrument.
- (10) Where a recommendation is made by a committee of either House under subparagraph (9) in relation to a revised draft statutory instrument, no proceedings may be taken in relation to the revised draft statutory instrument in that House under subsection (8) unless the recommendation is, in the same Session, rejected by resolution of that House.
- (11) In this Part—
 - (a) the “30-day period” means the period of 30 days beginning with the day on which the draft statutory instrument was laid before Parliament;
 - (b) the “60-day period” means the period of 60 days beginning with the day on which the draft statutory instrument was laid before Parliament;
 - (c) the “affirmative resolution procedure” has the same meaning as in section 17 of the Legislative and Regulatory Reform Act 2006;

European Union (Withdrawal) Bill, continued

- (d) the “negative resolution procedure” has the same meaning as in section 16 of the Legislative and Regulatory Reform Act 2006.”

Member’s explanatory statement

This amendment would ensure Parliament has the power to determine, following recommendations by the Minister, which parliamentary procedure should be used to scrutinise statutory instruments containing regulations that deal with deficiencies arising from EU withdrawal. It also provides for use of the “super-affirmative resolution procedure” whereby a committee of either House can recommend that no further proceedings be taken in relation to a draft order, which can only be over-turned by a resolution of that House.

☆ To move the following Clause—

“Duty to secure safe harbour

- (1) It shall be the duty of the Prime Minister to seek to secure the United Kingdom’s continued membership of the Single Market and of the Customs Union until such time as the Prime Minister is satisfied that the conditions in subsections (2) and (3) are met.
- (2) The condition in this subsection is that the United Kingdom and the European Union have reached an agreement on the future trading relationship between the United Kingdom and the European Union.
- (3) The condition in this subsection is that the United Kingdom has developed a satisfactory framework for immigration controls in respect of nationals of European Union Member States not resident in the United Kingdom on the date on which the United Kingdom ceases to belong to the European Union.”

★ To move the following Clause—

“implementation and transition

- (1) Her Majesty’s Government shall seek to secure a transition period prior to the implementation of the withdrawal agreement of not less than two years in duration, during which—
 - (a) access between EU and UK markets should continue on the terms existing prior to exit day,
 - (b) the structures of EU rules and regulations existing prior to exit day shall be maintained,
 - (c) the UK and EU shall continue to take part in the level of security cooperation existing prior to exit day,
 - (d) new processes and systems to underpin the future partnership between the EU and UK can be satisfactorily implemented, including a new immigration system and new regulatory arrangements,
 - (e) financial commitments made by the United Kingdom during the course of UK membership of the EU shall be honoured.
- (2) No Minister of the Crown shall appoint exit day if the implementation and transition period set out in subsection (1) does not feature in the withdrawal arrangements between the UK and the European Union”

Member’s explanatory statement

This new clause would ensure that the objectives set out by the Prime Minister in her Florence speech are given the force of law and, if no implementation and transition period is achieved in negotiations, then exit day may not be triggered by a Minister of the Crown. The appointment of an ‘exit day’ would therefore require a fresh Act of Parliament in such circumstances.
