

Finance Bill – Analysis on the application of Standing Order No. 83L of the Standing Orders of the House of Commons relating to Public Business in respect of Government amendments tabled for Report stage

1. The following is the Department's assessment of the Bill and Government amendments tabled to the bill for consideration at Report stage.
2. No government amendments have been tabled at Report which affect the extent and application of the Bill.
3. Accordingly it remains the case that, in the view of HM Government, each of the clauses and Schedules of the Bill extends, and applies, to the whole of the United Kingdom.
