Secretary Chris Grayling

*Agreed to* **NC1**

To move the following Clause—

**“Transmission of data relating to charge points**

- (1) Regulations may make provision for the purpose of ensuring the ongoing transmission of charge point data to a prescribed person or to persons of a prescribed description.
- (2) “Charge point data” means prescribed information relating to a charge point (which may include information about energy consumption and geographical information).
- (3) Regulations under subsection (1) may impose requirements—
  - (a) on operators of charge points that are public charging points, and
  - (b) in relation to charge points that are not public charging points, on prescribed persons or persons of a prescribed description.

---

**Automated and Electric Vehicles Bill, *continued***

- (4) Regulations under subsection (1) may make provision about when, how and in what form charge point data is to be transmitted.”

Wera Hobhouse

*Not called* NC2

To move the following Clause—

**“Public facility operators: provision of public charging points**

- (1) Regulations may impose requirements on owners and operators of public facilities falling within a prescribed description, in connection with the provision on their premises of public charging points.
- (2) Regulations under subsection (1) may, for example—
- (a) require owners and operators of public facilities to provide public charging points;
  - (b) require owners and operators of public facilities to work with local authorities on the provision of public charging points;
  - (c) require public charging points to be available for use at prescribed times; and
  - (d) require services or facilities prescribed by the regulations to be provided in connection with public charging points.
- (3) In this section “public facilities” means—
- (a) supermarkets;
  - (b) public car parks;
  - (c) airports;
  - (d) train stations; and
  - (e) such other public facilities as prescribed in regulations.”
