***Member’s explanatory statement***

*This new clause transfers the EU Protocol on animal sentience set out in Article 13 of Title II of the 2009 Lisbon Treaty into UK law, so that the obligation on the Government and the devolved administrations to pay due regard to the welfare requirements of animals as sentient beings when formulating law and policy is not lost when the UK leaves the EU.*

To move the following Clause—

**“Saving of acquired rights: Anguilla**

- (1) Nothing in this Act is to be construed as removing, replacing, altering or prejudicing the exercise of an acquired right.
- (2) Any power, howsoever expressed, contained in this Act may not be exercised if the exercise of that power is likely to or will remove, replace or alter or prejudice the exercise of an acquired right.
- (3) In subsection (2) a reference to a power includes a power to make regulations.
- (4) In this section an acquired right means a right that existed immediately before exit day—
  - (a) whereby a person from or established in Anguilla could exercise that right (either absolutely or subject to any qualification) in the United Kingdom; and
  - (b) whereby the right arose in the context of the United Kingdom’s membership of the European Union and Anguilla’s status as a territory for whose external relations the United Kingdom is responsible.
- (5) Nothing in this section prevents the use of the powers conferred by this Act to the extent that acquired rights are not altered or otherwise affected to the detriment of persons enjoying such rights.”

***Member’s explanatory statement***

*The intention of this new clause is to mitigate the impact of Brexit on the British territory of Anguilla which is dependent on frictionless movement between Anguilla and adjacent French and Dutch possessions of St Martin/Sint Maarten that are EU territories.*

  - (b) be carried out by an appropriate existing or newly established entity or public authority in the United Kingdom; or
  - (c) be carried out by an appropriate international entity or public authority.
- (2) For the purposes of this section, relevant powers and functions relating to the UK exercisable by an EU entity or public authority include, but are not limited to—
- (a) monitoring and measuring compliance with legal requirements;
  - (b) reviewing and reporting on compliance with legal requirements;
  - (c) enforcement of legal requirements;
  - (d) setting standards or targets;
  - (e) co-ordinating action;
  - (f) publicising information.
- (3) Responsibility for any functions or obligations arising from retained EU law for which no specific provision has been made immediately after commencement of this Act will belong to the relevant Minister until such a time as specific provision for those functions or obligations has been made.”

***Member’s explanatory statement***

*This new clause would ensure that substantive rights and protections cannot be removed by the “back door”, and that the institutions and agencies that protect EU derived rights and protections are replaced to a sufficient standard so those rights and protections will still be enjoyed in practice.*

☆ To move the following Clause—

**“Meaningful vote on deal or no deal**

- (1) The Prime Minister must publish and lay before both Houses of Parliament an assessment of the impact on the economy of the United Kingdom, and on each nation, province or region of the United Kingdom, of any unratified agreement between the United Kingdom and the EU under Article 50(2) of the Treaty on European Union which sets out the arrangements for the United Kingdom’s withdrawal from the EU.
- (2) Any agreement between the United Kingdom and the EU under Article 50(2) of the Treaty on European Union which sets out the arrangements for the United Kingdom’s withdrawal from the EU may not be ratified unless—
  - (a) subsection (1) has been complied with,
  - (b) the House of Lords has considered a motion relating to the unratified agreement,

**European Union (Withdrawal) Bill, *continued***

- (c) the House of Commons has approved the unratified agreement by resolution,
  - (d) the statute mentioned in section 9 (approving the final terms of withdrawal of the United Kingdom from the European Union) has been passed, and
  - (e) any other legislative provision to enable ratification has been passed or made.
- (3) If no agreement has been reached by 31 December 2018 between the United Kingdom and the EU under Article 50(2) of the Treaty on European Union setting out the arrangements for the United Kingdom’s withdrawal from the EU, the Prime Minister must publish and lay before both Houses of Parliament within one month an assessment of the impact on the economy of the United Kingdom, and on each nation, province or region of the United Kingdom, of leaving the EU under Article 50(3) of the Treaty on European Union without an agreement.
- (4) If no agreement has been reached by 31 January 2019 between the United Kingdom and the EU under Article 50(2) of the Treaty on European Union setting out the arrangements for the United Kingdom’s withdrawal from the EU,
- (a) a Minister of the Crown must propose a motion in the House of Lords relating to the lack of an agreement, and
  - (b) a Minister of the Crown must propose a motion in the House of Commons approving the intention of the United Kingdom to leave the EU under Article 50(3) of the Treaty on European Union without a withdrawal agreement.
- (5) Unless the House of Commons approves by resolution after 31 January 2019 the intention of the United Kingdom to leave the EU under Article 50(3) of the Treaty on European Union without a withdrawal agreement, the Prime Minister must either —
- (a) reach an agreement before exit day between the United Kingdom and the EU under Article 50(2) of the Treaty on European Union which sets out the arrangements for the United Kingdom’s withdrawal from the EU, or
  - (b) request the European Council for an extension of negotiation under Article 50(3) of the Treaty on European Union, or
  - (c) rescind the notice of intention under Article 50(2) of the Treaty on European Union to withdraw from the EU given in accordance with the European Union (Notice of Withdrawal) Act 2017 and request the European Council to accept that rescission.’

***Member’s explanatory statement***

*This New Clause would ensure that the Government assesses the impact of either an agreement or no deal on the UK economy and regions before a meaningful vote, and that if Parliament does not agree to the agreement or to no deal, then the Government must request a revocation or extension of Article 50.*

**NC12**

☆ To move the following Clause—

**“Environmental protection after EU exit**

- (1) Before any exit day, the Secretary of State must publish a report detailing all EU environmental protections, powers and functions.

**European Union (Withdrawal) Bill, *continued***

- (2) The report pursuant to subsection (1) shall specify—
  - (a) all environmental legal protections which derive from EU law;
  - (b) the powers and functions relating to environmental protection or improvement exercised by EU institutions;
  - (c) the empowering provisions in EU law relating to those functions; and
  - (d) any loss of environmental protection, or the monitoring and enforcement of environmental protections, which may arise as a result of the UK's exit from the EU.
- (3) Before any exit day the Secretary of State must publish proposals for primary legislation (the “Draft Environmental Protection Bill”).
- (4) The Draft Environmental Protection Bill must include provisions which would —
  - (a) ensure that the level of environmental protection provided by EU law on the day this Act receives Royal Assent is maintained or enhanced;
  - (b) make provision to remedy any loss of environmental protection, or the monitoring and enforcement of environmental protections, established in the report pursuant to subsection (1);
  - (c) create a statutory corporation (to be called “the Environmental Protection Agency”) with operational independence from Ministers of the Crown to monitor environmental targets previously set by EU law relating to environmental protection and other such environmental targets that may be set by Ministers of the Crown and international treaties to which the United Kingdom is party;
  - (d) require the statutory corporation in (4)(c) to report to Parliament every year on progress in meeting those targets and to make recommendations for remedial action where appropriate;
  - (e) allow the statutory corporation in (4)(c) to publish additional reports identifying action or omissions on the part of Ministers of the Crown that is likely to result in targets not being met; and
  - (f) extend to the whole of the United Kingdom.
- (5) The Secretary of State must publish annual reports to Parliament on how environmental protections and the monitoring and enforcement of environmental protections have been affected by the United Kingdom's exit from the EU.
- (6) Before publishing a report pursuant to subsection (5) the Secretary of State must hold a public consultation on the effect of leaving the EU on environmental protection.
- (7) The Secretary of State must publish and lay before each House of Parliament the first report pursuant to subsection (5) no later 29 March 2020 and each subsequent report must be published no later than the period of one year after the publication of the previous report.”

***Member's explanatory statement***

*This new clause would require the Secretary of State to produce a report on the loss of environmental protection as a result of the UK's exit from the EU, and to prepare an Environmental Protection Bill to make up for any loss of environmental protections, and the monitoring and enforcement of environmental protections. It would also require the Secretary of State to produce annual reports which make an assessment of the impact of the UK's withdrawal from the EU on UK environmental protection.*

**European Union (Withdrawal) Bill, *continued***

- (3) A deficiency within the meaning of subsection (1) includes any failure or other deficiency arising from the United Kingdom's withdrawal from the EU together with the operation of any provision, or the interaction between any provisions, made by or under this Act, but does not include any modification of EU law which is adopted or notified, comes into force or applies only on or after exit day.
- (4) Where this section applies, the retained EU law in respect of which the deficiency arises is to be interpreted in accordance with subsections (5) to (9).
- (5) The retained EU law does not allow, prevent, require or otherwise apply to acts or omissions outside the United Kingdom.

- (8) Any provision which requires or would, apart from subsection (7), require a UK body to—

- “an EU body” means the EU, an EU entity (other than the European Court), a member State or a public authority in a member State;

- (3) But retained EU law is not deficient merely because it does not contain any modification of EU law which is adopted or notified, comes into force or only applies on or after exit day.
- (4) Regulations under this section may make any provision that could be made by an Act of Parliament.
- (5) Regulations under this section may provide for—
