“(3A) It is an offence for a person (A) to disclose an image of another person (B) recorded during the commission of an offence under subsection (2) if the disclosure is made without B’s consent.

(3B) It is a defence for a person (A) charged with an offence under subsection (3A) to prove—

**Voyeurism (Offences) (No. 2) Bill, *continued***

- (a) that disclosure of the image was necessary for the purposes of preventing or detecting crime, or
- (b) that A did not disclose the image with the intent of disclosing an image of another person's genitals, buttocks or underwear."

***Member's explanatory statement***

*As the Bill is currently drafted it would be an offence to take an upskirting picture but not necessarily an offence for it to be distributed (existing "intimate image" legislation does not outlaw the distribution in all cases). This amendment makes it an offence to distribute non-consensual "upskirting" images.*

- ★ Clause 2, page 2, line 6, leave out subsection (3)

***Member's explanatory statement***

*As drafted the Bill potentially does not outlaw "upskirting" in certain cases such as for purely financial motives; or where the motivation is "group bonding" where the identity of the victim is irrelevant. This amendment makes all "upskirting" an offence.*

Mrs Maria Miller
