- (2) The statement in subsection (1) must be made within two months of the passing of this Act.
- (3) In this section, “homeless” is defined as set out in section 175 of the Housing Act 1996.

Member’s explanatory statement

This new clause is intended to ensure that the Office for National Statistics takes steps to increase the participation of homeless people in the Census so that data on sexual orientation and gender identity includes information from people who are currently homeless.
