

Under the 'English votes for English laws' procedure, the Speaker certifies Bills, or provisions of Bills, as relating exclusively to England, and/or to England and Wales. In relation to Finance Bills, the Speaker may certify founding financial motions, or clauses or schedules, as relating exclusively to England, Wales and Northern Ireland. The text of certificates issued by the Speaker, and information prepared by the Government on how government amendments affect the territorial application of provisions of the bill, will be available here. (Similar information about the resolutions and the bill itself can be found in the Explanatory Notes – see above.).
