“Demesne land

- 3 (1) Where land belongs to Her Majesty in right of the Crown but is not held for an estate in fee simple absolute in possession—
- (a) Her Majesty in right of the Crown is to be regarded for the purposes of Part 7 and this Schedule as holding an estate in fee simple absolute in possession in the land, and
 - (b) any estate granted or created out of the land is to be regarded for those purposes as derived from that estate in fee simple.
- (2) The land referred to in sub-paragraph (1) does not include land which becomes subject to escheat on the determination of an estate in fee simple absolute in possession in the land if—
- (a) it is land to which an obligation under a conservation covenant related when the estate determined, or
 - (b) it is not land to which such an obligation related at that time and Her Majesty in right of the Crown has not taken possession or control of the land, or entered into occupation of it.

Land subject to escheat

- 3A (1) This paragraph applies where land becomes subject to escheat on the determination of an estate in fee simple absolute in possession in land to which an obligation under a conservation covenant relates.
- (2) The conservation covenant is not terminated on the determination of that estate, even though the appropriate authority has no liability in respect of the obligation unless and until the Crown—
- (a) takes possession or control of the land, or enters into occupation of it, or
 - (b) becomes the holder of—
 - (i) an estate granted by the Crown out of the land, or
 - (ii) an estate in land derived (whether immediately or otherwise) from an estate falling within sub-paragraph (i).
- (3) If the Crown takes possession or control of the land, or enters into occupation of it—
- (a) the Crown is to be regarded for the purposes of Part 7 and this Schedule as holding an estate in fee simple in possession in the land, and
 - (b) that estate is to be regarded for those purposes as immediately derived from the determined estate.

- (5) But if the Crown grants an estate out of the land without having previously taken possession or control of the land, or entered into occupation of it—
- (a) the acts of the Crown in granting that estate are not to be regarded for the purposes of Part 7 and this Schedule as taking possession or control of the land, or entering into occupation of it, and

Environment Bill, *continued*

- (b) the new estate is to be regarded for those purposes as immediately derived from the determined estate.
- (6) In this paragraph and paragraph 3B “the Crown” means Her Majesty in right of the Crown or of the Duchy of Lancaster, or the Duchy of Cornwall, as the case may be.”

Bona vacantia

- 3B (1) This paragraph applies where an estate in land to which an obligation of the landowner under a conservation covenant relates vests in the Crown as bona vacantia.
- (2) The appropriate authority has no liability in respect of the obligation in relation to any period before the Crown takes possession or control of the land or enters into occupation of it.”
