- (4) But the asset is not within subsection (3) if the person mentioned in that subsection (“the intermediary”) acquired the asset on or after 1 April 2002 from a person (“the third party”) who meets the conditions in subsections (5), (6) and (7). 5
- (5) The third party meets the condition in this subsection if— 10
- (a) the third party is not a company, or
- (b) the third party is a company in relation to which the intermediary is not a related party at the time of the intermediary’s acquisition.
- (6) The third party meets the condition in this subsection if at the time of the intermediary’s acquisition the third party is not a related party in relation to a company in relation to which the intermediary is a related party. 15 20
- (7) The third party meets the condition in this subsection if at the time of the acquisition of the asset by the company mentioned in subsection (1) the third party is not a related party in relation to that company. 25

  - (b) on the date the asset concerned was created that person was a related party in relation to a company, and 10
  - (c) the other asset would have been a pre-FA 2002 asset or a restricted asset in the hands of that company on the date the asset concerned was created had that company acquired the other asset from that person immediately before that date. 15
- (4) For the purposes of this section the cases in which the value of an asset may be derived from any other asset include any case where— 20
- (a) assets have been merged or divided,

5

*The special rules***900E Special rule: section 900B case**

- (1) This section applies in respect of a restricted asset of a company if it is a restricted asset by reason of section 900B.
- (2) If the company was the first company to acquire the asset on or after 1 July 2020, the relevant Chapters of this Part have effect as if the company acquired the asset at no cost.
- (3) If the company was not the first company to acquire the asset on or after 1 July 2020, the relevant Chapters of this Part have effect as if the company acquired the asset for the adjusted amount.
- (4) The adjusted amount is—

10

15

20

$$A - B$$

where—

25

*Part 1 — Income tax, corporation tax and capital gains*

- A is the amount of consideration—
- (a) for which the company actually acquired the asset, or
  - (b) if different, for which it would (ignoring this section) be treated for the purposes of the Taxes Acts as having acquired the asset, and
- 5
- B is the market value of the asset on the date it was first acquired by a company on or after 1 July 2020.
- 10
- (5) Where B is greater than A the adjusted amount is nil.
- (6) In this section—
- “market value”, in relation to an asset, means the price the asset might reasonably be expected to fetch on a sale in the open market, and
- 15
- “the relevant Chapters of this Part” means—
- 20
- (a) Chapter 3 (debits in respect of intangible fixed assets),
  - (b) Chapter 15 (adjustments on change of accounting policy),

- 30

**900F Special rule: section 900C or 900D case**

- (1) This section applies in respect of a restricted asset of a company if it is a restricted asset by reason of section 900C or 900D. 5
- (2) The relevant Chapters of this Part have effect as if the company acquired the asset for the adjusted amount.
- (3) The adjusted amount is calculated as follows— 10
- Step 1*
- Find the amount—
- (a) for which the company actually acquired the asset, or 15
- (b) if different, for which it would (ignoring this section) be treated for the purposes of the Taxes Acts as having acquired the asset.
- Step 2* 20
- Deduct from the amount found at Step 1 such proportion of the notional deduction amount for the relevant other asset or each relevant other asset as is just and reasonable in the circumstances. 25
- (4) Where the deduction at Step 2 results in a negative value the adjusted amount is nil.

*Part 1 — Income tax, corporation tax and capital gains*

(5) In subsection (3)—

“relevant other asset” means an asset by reference to which the conditions in paragraphs (c) and (d) of section 900C(2) or (as the case may be) the conditions in section 900D(2) were met, and

5

“the notional deduction amount”, in relation to a relevant other asset, means—

10

(a) in a case where section 900E(2) would have applied had the company acquired the relevant other asset instead of the restricted asset, an amount equal to the market value of the relevant other asset at the time the restricted asset was acquired, and

15

(b) in a case where section 900E(3) would have applied had the company acquired the relevant other asset instead of the restricted asset, an amount equal to the market value of the relevant other asset at the time it was first acquired by a company on or after 1 July 2020, and

20

(c) in a case where subsection (2) of this section would have

25

30

## Part 1 — Income tax, corporation tax and capital gains

applied had the company acquired the relevant other asset instead of the restricted asset, the amount that would have been deducted at step 2 of subsection (3) of this section if the company had acquired the relevant other asset instead of the restricted asset.

5

- (6) In this section “market value” and “the relevant Chapters of this Part” have the same meaning as in section 900E.

10

*Supplementary provisions***900G Meaning of “relieving acquisition”**

15

20

**900H Supplementary provision about when two persons are related**

- (1) A company that acquires an intangible fixed asset in pursuance of an unconditional obligation under a contract is to be treated for the purposes of this Chapter as having acquired the asset on the date on which the company became subject to that obligation or (if later) the date on which that obligation became unconditional. 20 25

- (5) Rule 2 is that assets realised earlier are identified before assets realised later.
- (6) Rule 3 is that assets acquired earlier are identified before assets acquired later. 15

**900N Debits in respect of a single asset comprising restricted assets**

### **43 Meaning of “user” and “UK user”**

*Charge to tax*

**45 Meaning of “the threshold conditions”**

- (1) For the purposes of this Part “the threshold conditions”, in relation to a group, for an accounting period are— 5
- (a) that the total amount of digital services revenues arising in that period to members of the group exceeds £500 million, and
- (b) that the total amount of UK digital services revenues arising in that period to members of the group exceeds £25 million. 10
- (2) But if the duration of the accounting period is less than a year, the amounts mentioned in subsection (1)(a) and (b) are proportionately reduced.

**46 Charge to DST** 15

- (1) This section applies where the threshold conditions are met in relation to a group for an accounting period.
- (2) Each person who was a member of the group in the accounting period (a “relevant person”) is liable to digital services tax in respect of UK digital services revenues arising in that period. 20
- (3) To find the liability of a relevant person to digital services tax in respect of the accounting period, take the following steps. 25
- Step 1*

Take the total amount of UK digital services revenues arising to members of the group in the accounting period.

*Step 2*

Deduct £25million from the amount found under step 1. 5

*Step 3*

Calculate 2% of the amount calculated under step 2.

The result is “the group amount”. 10

*Step 4*

The relevant person’s liability to digital services tax in respect of the accounting period is the appropriate proportion of the group amount.

(4) In this section “the appropriate proportion” means such proportion of the total amount of UK digital services revenues arising to members of the group in the accounting period as is attributable to the relevant person. 15

(5) If the duration of the accounting period is less than a year, the sum mentioned in step 2 of subsection (3) is proportionately reduced. 20

(6) This section is subject to section 47 (alternative basis of charge).

**47 Alternative basis of charge** 25

(1) This section applies if a valid election under this section in respect of an accounting period has been made in the group’s DST return for that period (whether as originally made or by amendment).

- (2) An election under this section is valid if it specifies the categories of revenues in relation to which it applies (or specifies that it applies in relation to all categories). 5
- (3) For this purpose, the categories of revenues are—
- (a) revenues arising in connection with any social media service;
  - (b) revenues arising in connection with any internet search engine; 10
  - (c) revenues arising in connection with any online marketplace.
- (4) To find the liability of a relevant person to digital services tax in respect of the accounting period, take the following steps (instead of the steps set out in section 46(3)). 15
- Step 1*
- Take the total amount of UK digital services revenues arising to members of the group in the accounting period. 20
- Step 2*
- Apportion the total amount found under step 1 between the three categories of revenues.
- Step 3*
- For each category of revenues, the “net revenues” 25  
is the amount by which the amount of revenues apportioned under step 2 exceeds the relevant proportion of £25million.
- “The relevant proportion” is—  
where— 30

$$\frac{R}{TR}$$

- (a) R is the amount of revenues apportioned under step 2 to the category, and
- (b) TR is the total amount found under step 1.

*Step 4*

For each specified category of revenues, calculate the operating margin.

5

“The operating margin” is—

$$\frac{R - E}{R}$$

where—

- (a) R has the same meaning as in step 3, and
- (b) E is the amount of relevant operating expenses of the group that are recognised in the accounting period (as to which, see section 48).

10

If R does not exceed E, the operating margin is nil.

15

*Step 5*

For each specified category of revenues, the taxable amount is 0.8 x the operating margin x the net revenues.

For any other category of revenues, the taxable amount is 2% of the net revenues.

*Step 6*

Add together the taxable amounts calculated under step 5. 5

The result is “the group amount”.

*Step 7*

The relevant person’s liability to digital services tax in respect of the accounting period is the appropriate proportion of the group amount. 10

(5) If the duration of the accounting period is less than a year, the sum mentioned in step 3 of subsection (4) is proportionately reduced.

(6) In this section—  
“the appropriate proportion” has the meaning given by section 46; 15

“relevant person” has the same meaning as in section 46;

“specified”, in relation to a category of revenues, means a category of revenues specified in the election. 20

**48 Section 47: meaning of “relevant operating expenses”**

(1) This section supplements section 47.

(2) The “relevant operating expenses” of a group, in relation to a specified category of revenues, means any expenses of a member of the group attributable to the earning of UK digital services 25

revenues within the specified category, except excluded expenses.

- (3) “Excluded expenses” means any expenses—
- (a) in respect of interest (or anything equivalent, from a commercial perspective, to interest), 5
  - (b) attributable to the acquisition of a business or part of a business,
  - (c) occurring otherwise than in the normal course of business,
  - (d) resulting from a change in the valuation of any tangible or intangible asset, or 10
  - (e) in respect of any tax (arising under the law of any territory).
- (4) Where expenses are attributable to—
- (a) the earning of UK digital services revenues within the specified category, and 15
  - (b) anything else,
- the expenses are to be treated as relevant operating expenses to such extent as is just and reasonable. 20
- (5) In this section “specified” has the meaning given by section 47.

#### **49 Relief for certain cross-border transactions**

- (1) This section applies if a claim under this section in respect of an accounting period has been included in the group’s DST return for that period (whether as originally made or by amendment). 25

- 
- (2) For the purposes of step 1 in section 46(3) or 47(4), disregard 50% of any UK digital services revenues arising to a member of the group in the accounting period in connection with a relevant cross-border transaction. 5
- (3) For the purposes of step 4 in section 47(4), disregard 50% of any relevant operating expenses of a member of the group recognised in the accounting period that result from a relevant cross-border transaction. 10

## PART 6

## HMRC ASSESSMENTS

*Assessments where loss of tax discovered*

19(1) If, in respect of an accounting period of a group,  
an officer of Revenue and Customs discovers  
that—

(a) an amount of tax that ought to have been  
assessed has not been assessed, or

(b) an assessment to tax is or has become  
insufficient,

the officer may make an assessment (a  
“discovery assessment”) in the amount or further  
amount which ought in the officer’s opinion to be  
charged in order to make good to the Crown the  
loss of tax.

(2) This is subject to the restrictions in paragraph 20.

*Restrictions on assessments*

20(1) If a DST return has been delivered in respect of  
the accounting period, the power to make a  
discovery assessment—

(a) may only be made in the two cases specified  
in sub-paragraphs (2) and (3), and

(b) may not be made in the circumstances  
specified in sub-paragraph (5).

(2) The first case is where the situation mentioned in  
paragraph 19(1) was brought about carelessly or  
deliberately on the part of—

(a) a relevant person, or

## Schedule 7 — Digital services tax: returns, enquiries,

- (b) a person acting on behalf of a relevant person.
- (3) The second case is where an officer of Revenue and Customs, at the time the officer—
- (a) ceased to be entitled to give a notice of enquiry into the return, or 5
  - (b) completed an enquiry into the return, could not have been reasonably expected, on the basis of the information made available to the officer before that time, to be aware of the situation mentioned in paragraph 19(1). 10
- (4) For this purpose information is regarded as made available to the officer of Revenue and Customs if—
- (a) it is contained in the DST return for the accounting period in question or either of the two immediately preceding accounting periods, 15
  - (b) it is contained in any documents produced or information provided by the responsible member for the purposes of an enquiry into any such return, or 20
  - (c) it is information the existence of which, and the relevance of which as regards the situation mentioned in paragraph 19(1)—
    - (i) could reasonably be expected to be inferred by the officer of Revenue and Customs from information falling within paragraph (a) or (b), or 25

*Schedule 7 — Digital services tax: returns, enquiries,*

(ii) are notified in writing to an officer of Revenue and Customs by the responsible member or another person acting on the responsible member's behalf.

5

(5) No discovery assessment may be made if—

(a) the situation mentioned in paragraph 19(1) is attributable to a mistake in the return as to the basis on which the tax liability ought to have been calculated, and

10

(b) the return was in fact made on the basis or in accordance with the practice generally prevailing at the time it was made.

*Time limits for discovery assessments*

15

21(1) The general rule is that no discovery assessment may be made more than 4 years after the end of the accounting period to which it relates.

(2) An assessment in a case involving a loss of tax brought about carelessly by a relevant person (or a person acting on their behalf) may be made at any time not more than 6 years after the end of the accounting period to which it relates.

20

(3) An assessment in a case involving a loss of tax—

(a) brought about deliberately by a relevant person (or a person acting on their behalf), or

(b) attributable to a failure by the responsible member to comply with an obligation under section 53,

25

*Schedule 7 — Digital services tax: returns, enquiries,*

may be made at any time not more than 20 years after the end of the accounting period to which it relates.

*Assessment procedure etc*

5

22(1) Where notice of a discovery assessment is issued, the notice must be served on the responsible member.

(2) The notice must state—

(a) the tax due,

10

(b) the date on which the notice is issued, and

(c) the time within which any appeal against the assessment must be made.

(3) After notice of the assessment has been served under this paragraph, the assessment may not be altered except as provided for by or under this Part of this Act.

15

(4) Where an officer of Revenue and Customs has—

(a) decided to make an assessment to tax, and

(b) taken all other decisions needed for arriving at the amount of the assessment,

20

the officer may entrust to some other officer of Revenue and Customs the responsibility for completing the assessing procedure, whether by means involving the use of a computer or otherwise, including responsibility for serving notice of the assessment.

25

*Schedule 7 — Digital services tax: returns, enquiries,*

*Liability to amounts charged by way of discovery  
assessment*

23(1) This paragraph applies where—

- (a) notice of a discovery assessment has been issued under paragraph 22, and 5
  - (b) no appeal has been brought against the assessment under paragraph 33(1)(c).
- (2) The responsible member is liable to the tax due, subject as follows.
- (3) The responsible member may make a request to an officer of Revenue and Customs for one or more other relevant persons to be liable to the tax due (or any part of it). 10
- (4) The request must be made within 30 days of the date of issue of the notice of assessment. 15
- (5) Within 30 days of receiving the request, the officer must—
- (a) either agree to the request or refuse it,
  - (b) notify the responsible member of the decision, and 20
  - (c) if the officer agrees to the request, give effect to it by making all necessary adjustments.
- (6) An officer may not agree to the request unless satisfied it is reasonable in all the circumstances. 25
- (7) A request or notification under this paragraph must be in writing.

## PART 7

## RELIEF IN CASE OF OVERPAID TAX

*Claim for relief for overpaid tax*

- 24(1) This paragraph applies where, in relation to a group, an amount has been paid by way of tax for an accounting period which was not tax due. 5
- (2) The responsible member may make a claim to the Commissioners for repayment of the amount.
- (3) The Commissioners must give effect to such a claim; but this is subject to— 10
- (a) paragraph 26 (cases where no liability to give effect to claim), and
- (b) paragraph 27 (power to enquire into claims).
- (4) Except as provided for by or under this Part of this Act, the Commissioners are not liable to repay any amount paid by way of tax by reason of the fact it was not tax due. 15
- (5) This paragraph is to be read with paragraph 25. 20

*Making a claim*

- 25(1) A claim under paragraph 24 may not be made— 25
- (a) if the amount paid is excessive by reason of a mistake in a DST return or returns, more than 4 years after the end of the accounting period to which the return (or, if more than one, the first return) relates, and

*Schedule 7 — Digital services tax: returns, enquiries,*

(b) otherwise, more than 4 years after the end of the accounting period in respect of which the amount was paid.

(2) A claim must—

- (a) be in the specified form, and
- (b) contain specified information.

5

(3) A claim may not be made by being included in a DST return.

(4) In this paragraph “specified” means specified in a notice published by HMRC.

*Cases in which Commissioners not liable to give effect to claim*

10

26(1) If, or to the extent that, a claim under paragraph 24 falls within any of Cases A to D, the Commissioners are not liable to give effect to the claim.

15

(2) Case A is where, in relation to the group, there is unpaid DST liability for the accounting period.

(3) Case B is where the responsible member is or will be able to seek relief by taking other steps under this Part of this Act.

20

(4) Case C is where the responsible member—

- (a) could have sought relief by taking such steps within a period that has now expired, and
- (b) knew, or ought reasonably to have known, before the end of that period that such relief was available.

25

(5) Case D is where—

*Schedule 7 — Digital services tax: returns, enquiries,*

(a) the amount paid is excessive by reason of a mistake in calculating the amount of tax payable by the group for the accounting period, and

(b) the amount was calculated in accordance with the practice generally prevailing at the time.

(6) In this paragraph “DST liability” has the same meaning as in section 65.

*Power to enquire into claims*

27(1) An officer of Revenue and Customs may enquire into a claim under paragraph 24 if the officer gives notice to the responsible member of the officer’s intention to do within the time allowed.

(2) The time allowed is the period ending with the quarter day next following the first anniversary of the day on which the claim was made.

The quarter days are the 31 January, 30 April, 31 July and 31 October.

(3) A claim enquired into under sub-paragraph (1) may not be the subject of a further notice under that sub-paragraph.

*Completion of enquiry into claim etc*

28(1) An enquiry under paragraph 27 is completed when the officer by notice (a “closure notice”) informs the responsible member that the enquiry is complete and states the conclusions reached in the enquiry.

*Schedule 7 — Digital services tax: returns, enquiries,*

- (2) A closure notice must either—
- (a) state that in the opinion of an officer of Revenue and Customs no amendment of the claim is required, or
  - (b) make the amendments of the claim required to give effect to the conclusions stated in the notice. 5
- (3) A closure notice takes effect when it is issued.
- (4) The officer must give effect to any amendments made by the closure notice by making such adjustments as may be necessary whether— 10
- (a) by way of assessment, or
  - (b) by discharge or repayment of tax.
- (5) The adjustments must be made within 30 days of the date of issue of the closure notice. 15
- (6) Paragraph 15 (direction to complete enquiry) applies in relation to an enquiry under paragraph 27 as it applies in relation to an enquiry under paragraph 6.

*Assessment for excessive repayment etc* 20

- 29(1) This paragraph applies where—
- (a) an amount has been paid by way of a repayment of tax, and
  - (b) the amount paid exceeded the amount which the Commissioners were liable at that time to repay. 25
- (2) The Commissioners may—

*Schedule 7 — Digital services tax: returns, enquiries,*

- (a) to the best of their judgment, assess the amount of the excess, and
- (b) notify the amount to the responsible member.

*Supplementary assessments*

5

30(1) This paragraph applies where—

- (a) an assessment has been notified under paragraph 29, and
- (b) it appears to the Commissioners that the amount which ought to have been assessed as due exceeds the amount that has already been assessed.

10

(2) The Commissioners may—

- (a) on or before the last day on which the assessment under paragraph 29 could have been made, make a supplementary assessment of the amount of tax due, and
- (b) notify the amount to the responsible member.

15

*Further provision about assessments under paragraph 29 and 30*

20

31(1) An amount assessed and notified under paragraph 29 or 30 counts as a liability to digital services tax for the purposes of this Part of this Act.

(2) But sub-paragraph (1) does not have effect if, or to the extent that, the assessment has been withdrawn or reduced.

25

*Schedule 7 — Digital services tax: returns, enquiries,*

*Time limits for assessments*

32 An assessment under paragraph 29 or 30 may not be made more than 4 years after the end of the accounting period in which evidence of facts sufficient in the opinion of the Commissioners to justify making the assessment comes to their knowledge.

5

PART 8

APPEALS AGAINST HMRC DECISIONS ON TAX

10

*Right of appeal*

33(1) An appeal may be brought against—

- (a) an amendment of a DST return under paragraph 8 (amendment during enquiry to prevent loss of tax);
- (b) an amendment made by a closure notice under paragraph 14;
- (c) a discovery assessment (under paragraph 19);
- (d) an amendment made by a closure notice under paragraph 28;
- (e) an assessment made under paragraph 29 or 30.

15

20

(2) Any such appeal is to be brought by the responsible member (“the appellant”).

25

(3) If an appeal under sub-paragraph (1)(a) against an amendment of a self-assessment is made while an enquiry into the return is in progress none of the steps mentioned in paragraph

*Schedule 7 — Digital services tax: returns, enquiries,*

36(2)(a) to (c) may be taken in relation to the appeal until the enquiry is completed.

*Notice of appeal*

34(1) Notice of appeal under paragraph 33 must be given to HMRC—

- (a) in writing,
- (b) within 30 days after the specified date.

(2) In sub-paragraph (1) “specified date” means—

(a) in relation to an appeal under paragraph 33(1)(a), the date on which the notice of amendment was issued;

(b) in relation to an appeal under paragraph 33(1)(b) or (d), the date on which the closure notice was issued;

(c) in relation to an appeal under paragraph 33(1)(c) or (e), the date on which the notice of assessment was issued.

(3) The notice of appeal must specify the grounds of appeal.

*Late notice of appeal*

35(1) This paragraph applies in a case where—

- (a) notice of appeal may be given to HMRC under this Schedule, but
- (b) no notice is given before the relevant time limit.

(2) Notice may be given after the relevant time limit if—

- (a) HMRC agree, or

*Schedule 7 — Digital services tax: returns, enquiries,*

(b) where HMRC do not agree, the tribunal gives permission.

(3) HMRC must agree to notice being given after the relevant time limit if the appellant has requested in writing that HMRC do so and HMRC are satisfied—

(a) that there was a reasonable excuse for not giving the notice before the relevant time limit, and

(b) that the request has been made without unreasonable delay.

(4) If a request of the kind mentioned in subparagraph (3) is made, HMRC must notify the appellant whether or not HMRC agree to the request.

(5) In this paragraph “relevant time limit”, in relation to notice of appeal, means the time before which the notice must be given (disregarding this paragraph).

*Steps that may be taken following notice of appeal*

36(1) This paragraph applies if notice of appeal has been given to HMRC.

(2) In such a case—

(a) the appellant may notify HMRC that the appellant requires HMRC to review the matter in question (see paragraph 37),

(b) HMRC may notify the appellant of an offer to review the matter in question (see paragraph 38), or

## Schedule 7 — Digital services tax: returns, enquiries,

(c) the appellant may notify the appeal to the tribunal.

(3) This paragraph does not prevent the matter in question from being dealt with in accordance with paragraph 44(1) and (2) (settling of appeals by agreement). 5

*Right of appellant to require review*

37(1) If the appellant notifies HMRC that it requires them to review the matter in question, HMRC must— 10

(a) notify the appellant of HMRC's view of the matter in question within the relevant period, and

(b) review the matter in question in accordance with paragraph 39. 15

(2) Sub-paragraph (1) does not apply if—

(a) the appellant has already given a notification under this paragraph in relation to the matter in question,

(b) HMRC have given a notification under paragraph 40 in relation to the matter in question, or 20

(c) the appellant has notified the appeal to the tribunal.

(3) In this paragraph “the relevant period” means— 25

(a) the period of 30 days beginning with the day on which HMRC receive the notification from the appellant, or

(b) such longer period as is reasonable.

*Schedule 7 — Digital services tax: returns, enquiries,*

*Offer of review by HMRC*

38(1) Sub-paragraphs (2) to (5) apply if HMRC notify the appellant of an offer to review the matter in question.

(2) The notification must include a statement of HMRC's view of the matter in question. 5

(3) If the appellant notifies HMRC within the acceptance period that it accepts the offer, HMRC must review the matter in question in accordance with paragraph 39. 10

(4) If the appellant does not accept the offer in accordance with sub-paragraph (3)—

(a) HMRC's view of the matter in question is treated as if it were contained in a settlement agreement (see paragraph 44(1)), but 15

(b) paragraph 44(3) (right to withdraw from agreement) does not apply in relation to that notional agreement.

(5) Sub-paragraph (4) does not apply to the matter in question if, or to the extent that, the appellant notifies the appeal to the tribunal under paragraph 42. 20

(6) HMRC may not take the action mentioned in sub-paragraph (1) at any time if before that time—

(a) HMRC have given a notification under this paragraph in relation to the matter in question, 25

*Schedule 7 — Digital services tax: returns, enquiries,*

- (b) the appellant has given a notification under paragraph 37 in relation to the matter in question, or
- (c) the appellant has notified the appeal to the tribunal.

(7) In this paragraph “acceptance period” means the period of 30 days beginning with the date of the document by which HMRC notify the appellant of the offer to review the matter in question.

*Nature of review*

39(1) This paragraph applies if HMRC are required by paragraph 37 or 38 to review the matter in question.

(2) The nature and extent of the review are to be such as appear appropriate to HMRC in the circumstances.

(3) For the purpose of sub-paragraph (2), HMRC must, in particular, have regard to steps taken before the beginning of the review—

- (a) by HMRC in deciding the matter in question, and
- (b) by any person in seeking to resolve disagreement about the matter in question.

(4) The review must take account of any representations made by the appellant at a stage which gives HMRC a reasonable opportunity to consider them.

(5) The review may conclude that HMRC’s view of the matter in question is to be—

*Schedule 7 — Digital services tax: returns, enquiries,*

- (a) upheld,
  - (b) varied, or
  - (c) cancelled.
- (6) HMRC must notify the appellant of the conclusions of the review and their reasoning within— 5
- (a) the period of 45 days beginning with the relevant day, or
  - (b) such other period as may be agreed.
- (7) In sub-paragraph (6) “relevant day” means— 10
- (a) in a case where the appellant required the review, the day when HMRC notified the appellant of HMRC’s view of the matter in question;
  - (b) in a case where HMRC offered the review, the day when HMRC received notification of the appellant’s acceptance of the offer. 15
- (8) If HMRC do not give notice of the conclusions of the review within the period specified in sub-paragraph (6), the review is treated as having concluded that HMRC’s view of the matter in question is upheld. 20
- (9) If sub-paragraph (8) applies, HMRC must notify the appellant of the conclusions which the review is treated as having reached. 25

*Effect of conclusions of review*

40(1) If HMRC give notice of the conclusions of a review (see paragraph 39)—

Schedule 7 — *Digital services tax: returns, enquiries,*

- (a) the conclusions are to be treated as if they were contained in a settlement agreement (see paragraph 44(1)), but
- (b) paragraph 44(3) (withdrawal from agreement) does not apply in relation to that notional agreement. 5

- (2) Sub-paragraph (1) does not apply to the matter in question if, or to the extent that, the appellant notifies the appeal to the tribunal (see paragraphs 41 and 42). 10

*Notifying appeal to tribunal after appellant has required review*

- 41(1) Where HMRC have notified an appellant under paragraph 37(1)(a) of their view of a matter to which an appeal under paragraph 33 relates, the appellant— 15

- (a) may not notify the appeal to the tribunal before the beginning of the post-review period;
- (b) may notify the appeal to the tribunal after the end of that period only if the tribunal gives permission. 20

- (2) Except where sub-paragraph (3) applies, the post-review period is the period of 30 days beginning with the date of the document in which HMRC give notice of the conclusions of the review in accordance with paragraph 39(6). 25

- (3) If the period specified in paragraph 39(6) ends without HMRC having given notice of the

*Schedule 7 — Digital services tax: returns, enquiries,*

conclusions of the review, the post-review period is the period that—

- (a) begins with the day following the last day of the period specified in paragraph 39(6), and
- (b) ends 30 days after the date of the document in which HMRC give notice of the conclusions of the review in accordance with paragraph 39(9).

5

*Notifying appeal to tribunal after HMRC have offered review*

10

42(1) Where HMRC have offered to review the matter to which a notice of an appeal under paragraph 33 relates, the right of the appellant at any time to notify the appeal to the tribunal depends on whether or not the appellant has accepted the offer at that time.

15

(2) If the appellant has accepted the offer, the appellant—

- (a) may not notify the appeal to the tribunal before the beginning of the post-review period;
- (b) may notify the appeal to the tribunal after the end of that period only if the tribunal gives permission.

20

(3) If the appellant has not accepted the offer, the appellant—

25

- (a) may notify the appeal to the tribunal within the acceptance period;

Schedule 7 — Digital services tax: returns, enquiries,

(b) may notify the appeal to the tribunal after the end of that period only if the tribunal gives permission.

(4) In this paragraph—

(a) “acceptance period” has the same meaning as in paragraph 38;

(b) “post-review period” has the same meaning as in paragraph 41.

*Interpretation of paragraphs 36 to 42*

43(1) In paragraphs 36 to 42—

(a) “matter in question” means the matter to which an appeal relates;

(b) a reference to a notification is to a notification in writing.

(2) In paragraphs 36 to 42, a reference to the appellant includes a person acting on behalf of the appellant except in relation to—

(a) notification of HMRC’s view under paragraph 37(1)(a);

(b) notification by HMRC of an offer of review (and of their view of the matter) under paragraph 38;

(c) notification of the conclusions of a review under paragraph 39(6) or (9).

(3) But if a notification falling within any of paragraphs (a) to (c) of sub-paragraph (2) is given to the appellant, a copy of the notification may also be given to a person acting on behalf of the appellant.

*Schedule 7 — Digital services tax: returns, enquiries,*

*Settling of appeals by agreement*

- 44(1) In relation to an appeal of which notice has been given under paragraph 34, “settlement agreement” means an agreement in writing between the appellant and an officer of Revenue and Customs that is— 5
- (a) entered into before the appeal is determined, and
  - (b) to the effect that the decision appealed against should be upheld without variation, varied in a particular manner or discharged or cancelled. 10
- (2) Where a settlement agreement is entered into in relation to an appeal, the consequences are to be the same (for all purposes) as if, at the time the agreement was entered into, the tribunal had decided the appeal and had upheld the decision without variation, varied it in that manner or discharged or cancelled it, as the case may be. 15
- (3) Sub-paragraph (2) does not apply if, within 30 days beginning with the date on which the settlement agreement was entered into, the appellant gives notice in writing to HMRC that it wishes to withdraw from the agreement. 20
- (4) Sub-paragraph (5) applies where notice of an appeal has been given under paragraph 34 and— 25
- (a) the appellant notifies HMRC, orally or in writing, that the appellant does not wish to proceed with the appeal, and

*Schedule 7 — Digital services tax: returns, enquiries,*

(b) HMRC do not, within 30 days after that notification, give the appellant notice in writing indicating that they are unwilling that the appeal should be withdrawn.

(5) Sub-paragraphs (1) to (3) have effect as if, at the date of the appellant's notification, the appellant and an officer of Revenue and Customs had agreed that the decision under appeal should be upheld without variation. 5

*Appeal does not postpone recovery of tax 10*

45(1) Where there is an appeal under paragraph 33, the tax in question remains due and payable as if there had been no appeal.

(2) That is subject to paragraphs 46 and 47. 15

*Application for payment of tax to be postponed*

46(1) If the appellant has grounds for believing that the amendment or assessment overcharges a relevant person to tax, the appellant may— 20

(a) first apply by notice in writing to HMRC within 30 days after the specified date for a determination by them of the amount of tax the payment of which should be postponed pending the determination of the appeal, and

(b) if the appellant does not agree with a determination made by HMRC under paragraph (a), refer the application for postponement to the tribunal within 30 days from the date of the document notifying HMRC's determination. 25

*Schedule 7 — Digital services tax: returns, enquiries,*

An application under paragraph (a) must state the amount believed to be overcharged to tax and the grounds for that belief.

- (2) An application under sub-paragraph (1) may be made more than 30 days after the specified date if there is a change in the circumstances of the case as a result of which the appellant has grounds for believing that the relevant person is overcharged to tax by the decision appealed against. 5
- (3) If, after an application under sub-paragraph (1) has been determined, there is a change in the circumstances of the case as a result of which either party has grounds for believing that the amount determined has become either excessive or insufficient, that party may (if the parties cannot agree on a revised determination) apply to the tribunal for a revised determination of that amount. 10
- (4) An application under sub-paragraph (3) may be made at any time before the determination of the appeal. 15
- (5) Paragraphs 35 (late notice of appeal) and 44 (settling of appeals by agreement) apply to an application under this paragraph as they apply to an appeal under paragraph 33, subject to any necessary modifications. 20
- (6) The amount of tax of which payment is to be postponed pending the determination of the appeal is the amount (if any) by which it appears 25

*Schedule 7 — Digital services tax: returns, enquiries,*

that there are reasonable grounds for believing that the relevant person is overcharged.

(7) A decision of the tribunal under this paragraph is final and conclusive (despite the provisions of sections 11 and 13 of the Tribunals, Courts and Enforcement Act 2007).

5

(8) In this paragraph “specified date” has the meaning given by paragraph 34.

*Agreement to postpone payment of tax*

10

47(1) If the appellant and HMRC agree that payment of an amount of tax should be postponed pending the determination of the appeal, the consequences are to be the same (for all purposes) as if the tribunal had, at the time when the agreement was entered into, made a direction to the same effect as the agreement.

15

This is without prejudice to the making of a further agreement or further direction.

(2) Where the agreement is not in writing—

20

(a) sub-paragraph (1) does not apply unless the fact that an agreement was entered into, and the terms agreed, are confirmed by notice in writing given by HMRC to the appellant or by the appellant to HMRC, and

25

(b) the reference in sub-paragraph (1) to the time when the agreement was entered into is to be read as a reference to the time when notice of confirmation was given.

30

*Schedule 7 — Digital services tax: returns, enquiries,*

- (3) References in this paragraph to an agreement being entered into with an appellant, and to the giving of notice to or by the appellant, include references to an agreement being entered into, or notice being given to or by, a person acting on behalf of the appellant in relation to the appeal. 5

*Assessments and self-assessments*

48(1) This paragraph applies where an appeal under paragraph 33 has been notified to the tribunal.

- (2) If the tribunal decides that a relevant person is overcharged by a self-assessment or any other assessment, the assessment must be reduced accordingly. 10

- (3) If the tribunal decides that a relevant person is undercharged to tax by a self-assessment or any other assessment, the assessment must be increased accordingly. 15

- (4) In a case where neither sub-paragraph (2) or (3) apply, the assessment is to stand good. 20

*Payment of tax where appeal has been determined*

49(1) This paragraph applies where an appeal under paragraph 33 has been notified to the tribunal.

- (2) On the determination of the appeal, any tax overpaid must be repaid. 25

- (3) On the determination of the appeal, section 50 has effect in relation to any relevant tax.

*Schedule 7 — Digital services tax: returns, enquiries,*

- (4) The reference to “relevant tax” is to any tax payable in accordance with the determination, so far as it is tax—
- (a) the payment of which had been postponed, or
  - (b) which would not have been charged by the amendment or assessment if there had been no appeal.

5

*Payment of tax where there is a further appeal*

50(1) Where a party to an appeal to the tribunal under paragraph 33 makes a further appeal, tax is to be payable or repayable in accordance with the determination of the tribunal or court (as the case may be), even though the further appeal is pending.

10

- (2) But if the amount charged by the assessment is altered by the order or judgment of the Upper Tribunal or court, then—
- (a) if too much tax has been paid, the amount overpaid must be refunded, with any interest allowed by the order or judgment, and
  - (b) if too little tax has been charged, section 50 has effect in relation to the amount undercharged.

15

20

*Tribunal determinations*

51 The determination of the tribunal in relation to any proceedings under this Part of this Schedule is final and conclusive except as otherwise provided in sections 9 to 14 of the Tribunals, Courts and Enforcement Act 2007 (or in this Part of this Act).

25

## Schedule 7 — Digital services tax: returns, enquiries,

## PART 9

## PENALTIES

*Failure to deliver return: flat-rate penalty*

52(1) A person who is required to file a DST return and fails to do so by the filing date is liable to a penalty under this paragraph.

The person may also be liable to a penalty under paragraph 53 (tax-related penalties).

- (2) The penalty is—
- (a) £100, if the return is delivered within 3 months after the filing date;
  - (b) £200, in any other case.
