Amendments or New Clauses may be grouped for debate with Clauses, Amendments or new Clauses on the same topic when that topic first comes up for debate.

But decisions on any Amendments or New Clauses selected by the Chair for separate decision must be taken in accordance with the order of consideration in the programme motion.

Therefore, some Amendments or New Clauses may come up for decision on a later day than that the one on which they were debated.

After the Bill is reported from the Committee of the whole House as amended, there will be a report (consideration) stage.

The Programme Order [14 September] provides for two days (Monday 28 and Tuesday 29 September) for report (consideration) stage and Third Reading.
