*NEW CLAUSES AND NEW SCHEDULES RELATING TO PART 6*

Bill Wiggin

NC2

To move the following Clause—

#### **“Assessment of Plans**

- (1) The Conservation of Habitats and Species Regulations 2017/1012 are amended as follows.
- (2) In Regulation 63 (Assessment of implications for European sites and European offshore marine sites) the following are amended—
  - (a) in paragraph (1) for “must” substitute “may”;
  - (b) in paragraph (3) for “must” substitute “may”;
  - (c) in paragraph (4) for “must” substitute “may”;

---

**Environment Bill, *continued***

- (d) omit paragraph (5) and insert “In the light of the conclusions of the assessment, and subject to regulation 64, the competent authority may take the assessment into account in deciding whether it will agree to the plan or project”; and
- (e) in paragraph (6) for “must” substitute “may”.”

NC4

To move the following Clause—

**“Protected species: Hedgehog**

- (1) The Wildlife and Countryside Act 1981 is amended in accordance with subsection (2).
- (2) At the end of Schedule 5 (*Animals which are protected*) insert—

“hedgehog

Erinaceus europaeus”

***Member’s explanatory statement***

*This new clause would add the hedgehog to the list of protected animals under the Wildlife and Countryside Act. This would introduce a legal imperative to search for hedgehogs in developments, and a legal imperative to mitigate for them.*

NC7

To move the following Clause—

**“Duty to prepare a tree strategy for England**

- (1) The Government must prepare a tree strategy for England as set out in subsection (2) and (3).
- (2) The strategy must set out the Government’s vision, objectives, priorities and policies for trees in England including individual trees, woodland and forestry, and must set out other matters with respect to the promotion of sustainable management of trees in these contexts.
- (3) The tree strategy for England must include the Government’s targets and interim targets with respect to—
  - (a) the percentage of England under tree cover;
  - (b) hectares of new native woodland creation achieved by tree planting;
  - (c) hectares of new native woodland creation achieved by natural regeneration;
  - (d) the percentage of native woodland in favourable ecological condition; and
  - (e) hectares of Plantation on Ancient Woodland (PAWS) undergoing restoration.
- (4) The Government must keep the Tree Strategy for England under review, and may, if they consider it appropriate to do so, revise the strategy.
- (5) If the Government has not revised the Tree Strategy for England within the period of 10 years beginning with the day on which the strategy was last published, they must revise the strategy.”

***Member’s explanatory statement***

*The aim of this new clause is to ensure that the Government prepares a tree strategy for England. It will ensure that the Government has to produce targets for the protection, restoration and expansion of trees and woodland in England.*

NC16

To move the following Clause—

**“Protection of bio-diversity as condition of planning permission**

- (1) The Town and Country Planning Act 1990 is amended as set out in section (2).
- (2) After section 70(2), insert—
  - “(2A) Any grants of planning permission for residential development in England must be subject to a condition that such a development does not have a detrimental effect on the local levels of nature conservation and bio-diversity.””

29

Clause 95, page 96, line 19, leave out subsection (5) and insert—

“(5) After subsection (2) insert—

- “(2A) The authority must act in accordance with any relevant local nature recovery strategy in the exercise of relevant functions, including—
  - (a) land use planning and planning decisions;
  - (b) spending decisions, including land management payments;
  - (c) delivery of biodiversity gain; and
  - (d) any other activities undertaken in complying with subsections (1) and (1A).””

***Member’s explanatory statement***

*This amendment would require public authorities to exercise relevant functions in accordance with Local Nature Recovery Strategies. This would ensure that decisions that affect the natural environment such as planning decisions, net gain habitat enhancements and targeted investment in environmental land management are informed by the Strategies.*

 Sir Roger Gale

Schedule 15, page 223, line 41, at end insert— 41

*“Planning decisions, felling without a licence and failure to comply with restocking orders*

- 6A (1) The Town and Country Planning Act 1990 is amended as follows:  
 (2) In section 70(2) (Determination of applications: general considerations), after “material considerations” insert—  
 “including previous convictions held by the landowner for unlawful tree felling, and failure to comply with restocking and enforcement orders.”

*Member’s explanatory statement*  
*This amendment seeks to include a provision for local planning authorities to be able to take unlawful tree felling and a lack of compliance with Restocking and Enforcement Orders by landowners into account when considering planning applications.*

Schedule 16, page 228, line 30, at end insert—

*Regulated financial person*

- 7A (1) A regulated financial person must not provide financial services for commercial enterprises engaging in the production, trade, transport or use of a forest risk commodity unless relevant local laws are complied with in relation to that commodity.
- (2) A regulated financial person who provides financial services for commercial enterprises engaging in the production, trade, transport or use of a forest risk commodity must establish and implement a due diligence system in relation to the provision of those financial services.
- (3) A “due diligence system”, in relation to a regulated financial person, means a system for—
- (a) identifying, and obtaining information about, the operations of a commercial enterprise engaging in the production, trade, transport or use of a forest risk commodity to which it provides financial services,
  - (b) assessing the risk that such a commercial enterprise is not complying with relevant local laws in relation to that commodity,
  - (c) assessing the risk that a commercial enterprise is not complying with paragraphs 2 and 3 of this Schedule, and
  - (d) mitigating that risk.
- (4) A regulated financial person must, for each reporting period, provide the relevant authority with a report on the actions taken by the regulated financial person to establish and implement a due diligence system as required by paragraph 3.
- (5) A “regulated financial person” means a person (other than an individual) who carries on financial services in the United Kingdom and—

**Environment Bill, *continued***

- (a) meets such conditions as may be specified in regulations made by the Secretary of State; or
  - (b) is an undertaking which is a subsidiary of another undertaking which meets those conditions.
- (6) In this paragraph—
- “group” has the meaning given by section 474 of the Companies Act 2006;
  - “undertaking” has the meaning given by section 1161 of that Act,
  - “financial services” means—
    - (a) the provision of banking services including the acceptance of deposits in the course of business;
    - (b) the provision of loans in the course of a banking, credit or lending business, including by way of term loan, revolving credit facility, debentures and bonds; and
    - (c) regulated activities as defined under section 22 of the Financial Services and Markets Act 2000 and the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 (SI 2001/544), in each case as amended, or
    - (d) such other financial services as may be specified in regulations made by the Secretary of State.
  - “commercial enterprise” means a person (other than an individual) who carries on commercial activities in any jurisdiction relating to the production, trade, transport or use of forest risk commodities.”

***Member’s explanatory statement***

*This amendment requires that persons who carry out financial services in the United Kingdom do not provide financial services to commercial enterprises engaged in the production, trade, transport or use of forest risk commodities unless they are complying with local relevant laws.*

NC12

To move the following Clause—

**“Well consents for hydraulic fracturing: cessation of issue and termination**

- (1) No well consent which permits associated hydraulic fracturing may be issued by the Oil and Gas Authority (“OGA”).
- (2) Sections 4A and 4B of the Petroleum Act 1998 (as inserted by section 50 of the Infrastructure Act 2015), are repealed.
- (3) Any well consent which has been issued by the OGA which—
  - (a) permits associated hydraulic fracturing, and
  - (b) is effective on the day on which this Act receives Royal Assent shall cease to be valid three months after this Act receives Royal Assent.
- (4) In this section—
 

“associated hydraulic fracturing” means hydraulic fracturing of shale or strata encased in shale which—

  - (a) is carried out in connection with the use of the relevant well to search or bore for or get petroleum, and
  - (b) involves, or is expected to involve, the injection of—
    - (i) more than 1,000 cubic metres of fluid at each stage, or expected stage, of the hydraulic fracturing, or
    - (ii) more than 10,000 cubic metres of fluid in total, or
    - (iii) acid intended to dissolve rock;
 and “well consent” means a consent in writing of the OGA to the commencement of drilling of a well.”

***Member’s explanatory statement***

*This new clause would prevent the Oil and Gas Authority from being able to provide licences for hydraulic fracturing, exploration or acidification, and would revoke current licences after a brief period to wind down activity.*

NC19

To move the following Clause—

**“Labelling scheme for the environmental sustainability of food**

- (1) The Secretary of State must by regulations make provision for a scheme requiring food manufacturers to label foods offered for sale in the United Kingdom to indicate the environmental sustainability of their origins.
- (2) That scheme must make provision for a kitemark indicating the environmentally sustainable origins of a food.
- (3) The kitemark may be applied to:—
  - (a) raw food commodities,
  - (b) processed food products, and
  - (c) the ingredients of processed food products.
- (4) The definition of “environmentally sustainable origins” under the scheme must incorporate an assessment of whether the agricultural or manufacturing processes involved in the production of a food—
  - (a) protect the habitats of species listed internationally as endangered,
  - (b) avoid biodiversity loss,
  - (c) avoid deforestation, and
  - (d) avoid significant increases in net carbon emissions.
- (5) The scheme may make provision for—
  - (a) enforcement, and
  - (b) civil sanctions in relation to labelling and use of the kitemark.
- (6) Regulations under this section are subject to the affirmative procedure.
- (7) Before making regulations under this Act, the Secretary of State must consult—
  - (a) the Scottish Ministers,
  - (b) the Welsh Ministers, and
  - (c) the Department of Agriculture, Environment and Rural Affairs in Northern Ireland.
- (8) The Secretary of State must lay before Parliament a draft statutory instrument containing the proposed scheme before the end of the period of one year beginning with the day this Act receives Royal Assent.”
