PART 1

5

CHARGE TO VAT FOR ACQUISITIONS IN NORTHERN IRELAND FROM MEMBER STATES

*Charge to VAT*

- 1 (1) VAT is charged, in accordance with this Schedule, on the acquisition in Northern Ireland of goods from a member State – 10
- (a) by reference to the value of the acquisition as determined under Part 2 of this Schedule, and
  - (b) subject to paragraph 16, at the rate of VAT for the time being in force under section 2.
- (2) VAT charged on the acquisition of goods in Northern Ireland from a member State is a liability of the person who acquires the goods and (subject to provisions about accounting and payment) becomes due at the time of acquisition. 15
- (3) VAT charged on the acquisition of goods in Northern Ireland from a member State in accordance with this Schedule is referred to in this Schedule as “NI acquisition VAT”. 20
- (4) References to VAT (without more) in this Act include NI acquisition VAT.
- (5) The Commissioners may by regulations make provision about (including provision modifying) the application of provision that applies to value added tax made by or under any enactment (including provision made by or under this Act) to NI acquisition VAT or to goods acquired in Northern Ireland from a member State. 25

*Scope of NI acquisition VAT*

30

- 2 (1) NI acquisition VAT is charged on any acquisition from a member State of any goods where –
- (a) the acquisition is a taxable acquisition,
  - (b) it takes place in Northern Ireland,
  - (c) it is not in pursuance of a taxable supply (see section 4(2)), and 35
  - (d) the person who makes it is a taxable person or the goods acquired are subject to a duty of excise or consist in a new means of transport.
- (2) In this Act, a “taxable acquisition” means an acquisition of goods from a member State that – 40
- (a) is not an exempt acquisition (see paragraph 17(5)), and

- (b) falls within sub-paragraph (3) or is an acquisition of goods consisting in a new means of transport.
- (3) An acquisition of goods from a member State falls within this sub-paragraph if –
- (a) the goods are acquired in the course or furtherance of –
    - (i) any business carried on by any person, or
    - (ii) any activities carried on otherwise than by way of business by any body corporate or by any club, association, organisation or other unincorporated body,
  - (b) it is the person who carries on that business or those activities who acquires the goods, and
  - (c) the supplier –
    - (i) is taxable in a member State at the time of the transaction in pursuance of which the goods are acquired, and
    - (ii) in participating in that transaction, acts in the course or furtherance of a business carried on by the supplier.
- Meaning of acquisition of goods from a member State*
- 3 (1) References in this Act to the acquisition of goods from a member State are to an acquisition of goods in pursuance of a transaction that –
- (a) is a supply of goods (including anything treated for the purposes of this Act as a supply of goods), and
  - (b) involves the removal of the goods from a member State (whether by or under the direction of the supplier, the person who acquires the goods or any other person),
- and references in this Act, in relation to such an acquisition, to the supplier are to be construed accordingly.
- (2) Where the person with the property in any goods does not change in consequence of anything which is treated for the purposes of this Act as a supply of goods, that supply is to be treated for the purposes of this Act as a transaction in pursuance of which there is an acquisition by the person making the supply.
- (3) The Treasury may by regulations make provision about the circumstances in which an acquisition of goods is not to be treated as an acquisition of goods from a member State.
- Time of acquisition*
- 4 (1) For the purposes of this Act, the normal rule for determining the time that goods were acquired from a member State is that they are treated as being acquired on the earlier of –
- (a) the 15th day of the month after the month in which the first removal of the goods occurs, and
  - (b) the day a relevant invoice is issued in respect of the transaction in pursuance of which the goods were acquired.

- (2) But—
  - (a) different rules apply to acquisitions to which Part 4 of Schedule 9ZB applies (warehouses), and
  - (b) the Commissioners may by regulations provide for different rules to apply in any case described in those regulations. 5
- (3) Regulations under sub-paragraph (2)(b) may include provision treating an acquisition as a series of acquisitions taking place at different times.
- (4) In sub-paragraph (1) “relevant invoice” means an invoice of a description prescribed by regulations made by the Commissioners. 10
- (5) For the purposes of this Act “first removal”, in relation to goods acquired, means the first removal of the goods in the course of the transaction in pursuance of which they are acquired. 15

*Place of acquisition*

- 5 (1) For the purposes of this Act, the normal rule for determining whether goods are acquired in Northern Ireland is that they are treated as being acquired in Northern Ireland if—
  - (a) they are acquired in pursuance of a transaction which involves their removal from a member State to Northern Ireland and which does not involve their removal from Northern Ireland, or 20
  - (b) they are acquired by a person who, for the purposes of their acquisition, makes use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an NI VAT identifier (see paragraph 7). 25
- (2) But—
  - (a) goods are not treated as being acquired in Northern Ireland by virtue of sub-paragraph (1)(b) where it is established in accordance with regulations made by the Commissioners that VAT— 30
    - (i) has been paid in a member State on the acquisition of those goods, and
    - (ii) fell to be paid by virtue of provisions of the law of that member State corresponding, in relation to that member State, to the provision made by sub-paragraph (1)(a), and 35
  - (b) different rules apply to acquisitions to which paragraph 16 or 17 of Schedule 9ZB applies. 40
- (3) If an acquisition of goods is not treated, for the purposes of this Act, as taking place in Northern Ireland it is treated for those purposes as an acquisition taking place outside Northern Ireland.
- (4) The Commissioners may by regulations make provision—
  - (a) about the circumstances in which a person is to be treated as having made use of a number assigned to the person for the purposes of VAT in the United Kingdom along with an 45

- NI VAT identifier for the purposes of the acquisition of any goods, and
- (b) for the refund, in prescribed circumstances, of NI acquisition VAT paid on acquisitions of goods in relation to which the conditions in sub-paragraph (2)(a)(i) and (ii) are met. 5

*Acquisitions from persons belonging in member States*

- 6 (1) Sub-paragraph (2) applies where –
- (a) a person (“the original supplier”) makes a supply of goods to a person who belongs in a member State (“the intermediate supplier”), 10
- (b) that supply involves the removal of the goods from a member State and their removal to Northern Ireland but does not involve the removal of the goods from Northern Ireland, 15
- (c) both that supply and the removal of the goods to Northern Ireland are for the purposes of the making of a supply by the intermediate supplier to another person (“the customer”) who is registered under this Act,
- (d) neither of those supplies involves the removal of the goods from a member State in which the intermediate supplier is taxable at the time of the removal without also involving the previous removal of the goods to that member State, and 20
- (e) there would be a taxable acquisition by the customer if the supply to the customer involved the removal of goods from a member State to Northern Ireland. 25
- (2) Where this sub-paragraph applies –
- (a) the supply by the original supplier to the intermediate supplier is ignored for the purposes of this Act, and 30
- (b) the supply by the intermediate supplier to the customer is treated for the purposes of this Act, other than for the purposes of Part 8 of this Schedule, as if it did involve the removal of the goods from a member State to Northern Ireland. 35
- (3) For the purposes of this Act, other than for the purposes of Part 8 of this Schedule, a supply of goods is treated as involving their removal from a member State to Northern Ireland, and is treated as not being a taxable supply if –
- (a) the supply is made by a person belonging in a member State to a person who is registered under this Act, 40
- (b) the supply involves the installation or assembly of the goods at a place in Northern Ireland to which they are removed, and
- (c) were the supply to be treated as described in the words before paragraph (a), there would be a taxable acquisition by the registered person. 45
- (4) But neither sub-paragraph (2) nor sub-paragraph (3) applies in relation to a supply unless –

- (a) in the case of sub-paragraph (2), the intermediate supplier, or
  - (b) in the case of sub-paragraph (3), the person making the supply,complies with such requirements to provide information to the Commissioners or to the person supplied as may be specified in regulations made by the Commissioners. 5
- (5) The requirements to provide information that may be specified in regulations include –
  - (a) requirements to provide documents (for example, invoices); 10
  - (b) requirements to provide information or documents before a supply is made (as well as after);
  - (c) requirements as to the content and form of information or documents to be provided; 15
  - (d) requirements as to the manner in which information or documents are to be provided.
- (6) Where a taxable acquisition is treated as having been made by virtue of this paragraph, that acquisition is treated as taking place at the time referred to in paragraph 4(1)(b) (day on which invoice issued). 20
- (7) For the purposes of this paragraph a person belongs in a member State if –
  - (a) the person is taxable in a member State,
  - (b) the person does not have any business establishment or other fixed establishment in Northern Ireland, 25
  - (c) the person’s usual place of residence is not in Northern Ireland,
  - (d) the person is not identified for the purposes of VAT in Northern Ireland and is not required, as a result of regulations under paragraph 7, to make a request to be so identified, and 30
  - (e) the person does not have a VAT representative who is identified for the purposes of VAT in Northern Ireland in connection with acting on the person’s behalf, and is not for the time being required to appoint one who would be identified for those purposes. 35
- (8) In determining, for the purposes of sub-paragraph (7)(d), whether a person is required to be registered under this Act, ignore any supplies made by the person that would be ignored for the purposes of this Act if the person belonged in a member State and complied with the information requirements that would apply by virtue of sub-paragraph (4). 40
- (9) Where –
  - (a) any goods are acquired from a member State in a case which corresponds, in relation to another member State, to the case described in sub-paragraph (1) in relation to Northern Ireland, and 45
  - (b) the person who acquires the goods is registered under this Act, is identified for the purposes of VAT in Northern 50

Ireland and would be the intermediate supplier in relation to that corresponding case,  
the supply to that person of those goods and the supply by that person of those goods to the person who would be the customer in that corresponding case are to be ignored for the purposes of this Act. 5

- (10) References in this paragraph to a person being taxable in a member State do not include references to a person who is so taxable by virtue only of provisions of the law of that member State corresponding to the provisions of this Act by virtue of which a person who is not registered under this Act is a taxable person if the person is required to be so registered. 10

*Identification of persons for the purposes of VAT in Northern Ireland*

- 7 (1) The Commissioners may by regulations make provision for the identification of persons for the purposes of VAT in Northern Ireland. 15
- (2) In this Act “identified for the purposes of VAT in Northern Ireland” means identified in accordance with regulations under this paragraph.
- (3) A person may only be identified for the purposes of VAT in Northern Ireland if – 20
- (a) the person is registered under this Act, or
  - (b) the person acts on behalf of a person in relation to VAT in Northern Ireland as a VAT representative.
- (4) Regulations may make provision – 25
- (a) about the circumstances in which a person may request to be identified for the purposes of VAT in Northern Ireland;
  - (b) for a person to be required to request to be identified for the purposes of Northern Ireland VAT;
  - (c) about the circumstances in which the Commissioners may determine that a person is identified for the purposes of VAT in Northern Ireland otherwise than at the person’s request; 30
  - (d) requiring a person to notify the Commissioners of such matters as may be specified for the purpose of allowing the Commissioners to ascertain whether a person should be identified for the purposes VAT in Northern Ireland; 35
  - (e) about the circumstances in which a person is to be treated, for such purposes as may be specified, as if they were identified for the purposes of VAT in Northern Ireland (and which may include circumstances where the person is neither registered under this Act nor acting as a VAT representative); 40
  - (f) about the circumstances in which a person ceases to be identified for the purposes of VAT in Northern Ireland. 45
- (5) Regulations may also make provision –
- (a) about a specified means of communicating the fact of a person’s identification for the purposes of VAT in

- Northern Ireland (and that means is referred to in this Act as an “NI VAT identifier”);
- (b) about the circumstances in which a person may use, or is required to use, an NI VAT identifier (for example, in connection with the making of a transaction or return). 5
- (6) In this paragraph “specified” means specified in regulations.

## PART 2

### VALUATION OF ACQUISITIONS

#### *Valuation of acquisitions from member States*

- 8 (1) For the purposes of this Act the value of any acquisition of goods from a member State is taken to be the value of the transaction in pursuance of which they are acquired. 10

- (5) Section 1122 of the Corporation Tax Act 2010 (“connected” persons) applies for the purpose of determining whether a person is connected with another for the purposes of this paragraph.

*Foreign currency transactions*

- 12 (1) Subject to the following provisions of this paragraph, where –
- (a) goods are acquired from a member State, and
  - (b) any sum relevant for determining the value of the relevant transaction is expressed in a currency other than sterling, 35

- (2) Where the Commissioners have published a notice which, for the purposes of this paragraph, specifies –
- (a) rates of exchange, or

- (b) may not be withdrawn or varied except with the consent of the Commissioners and in such manner as they may require. 10
- (4) In specifying a method of determining a rate of exchange, a notice published by the Commissioners under sub-paragraph (2) may allow a person to apply to the Commissioners for the use, for the purpose of valuing some or all of the transactions in pursuance of which goods are acquired by the person from a member State, of a rate of exchange which is different from any which would otherwise apply. 15
- (5) On an application made in accordance with provision contained in a notice under sub-paragraph (4), the Commissioners may authorise the use with respect to the applicant of such a rate of exchange, in such circumstances, in relation to such transactions and subject to such conditions as they think fit. 20
- (6) A notice published by the Commissioners for the purposes of this paragraph may be withdrawn or varied by a subsequent notice published by the Commissioners. 25
- (7) Where goods are acquired from a member State, the appropriate rate of exchange is to be determined for the purpose of valuing the relevant transaction by reference to the relevant time; and, accordingly, the day on which that time falls is the relevant day for the purposes of sub-paragraph (1). 30

  - (b) in the case of a liability under sub-paragraph (2) of that paragraph, before the end of the period by reference to which the liability arises. 35
- (2) The Commissioners must register any such person (whether or not the person notifies them) with effect from the relevant time or from such earlier time as may be agreed between the Commissioners and the person. 40
- (3) In this paragraph "the relevant time" –
- (a) in a case falling within sub-paragraph (1)(a), means the end of the month following the month at the end of which the liability arose, and 45

- (b) in a case falling within sub-paragraph (1)(b), means the beginning of the period by reference to which the liability arose.

*Entitlement to be registered etc*

- 41 (1) Where a person who is not liable to be registered under this Act and is not already so registered satisfies the Commissioners that the person makes relevant acquisitions, the Commissioners must, if the person so requests, register the person with effect from the day on which the request is made or from such earlier date as may be agreed between the Commissioners and the person. 5  
10
- (2) Where a person who is not liable to be registered under this Act and is not already so registered –
  - (a) satisfies the Commissioners that the person intends to make relevant acquisitions from a specified date, and
  - (b) requests to be registered under this Part of this Schedule, the Commissioners may, subject to such conditions as they think fit to impose, register the person with effect from such date as may be agreed between the Commissioners and the person. 15
- (3) Conditions imposed under sub-paragraph (2) may –
  - (a) be so imposed wholly or partly by reference to, or without reference to, any conditions prescribed for the purposes of this paragraph, and
  - (b) be subsequently varied by the Commissioners (whenever the conditions were imposed). 20
- (4) Where a person who is entitled to be registered under paragraph 9 or 10 of Schedule 1 requests registration under this paragraph, the person is to be registered under that Schedule, and not under this Part of this Schedule. 25

*Notification of matters affecting continuance of registration*

- 42 (1) Any person registered under this Part of this Schedule who ceases to be registrable under this Act must notify the Commissioners of that fact within 30 days of the day on which the person ceases to be registrable. 30
- (2) A person registered under paragraph 41(2) must notify the Commissioners, within 30 days of the first occasion after the person's registration when the person makes a relevant acquisition, that the person has made that acquisition. 35
- (3) For the purposes of this paragraph a person ceases to be registrable under this Act where –
  - (a) the person ceases to be a person who would be liable or entitled to be registered under this Act if the person's registration and any enactment preventing a person from being liable to be registered under different provisions at the same time were disregarded, or
  - (b) in the case of a person who (having been registered under paragraph 41(2)) has not been such a person during the 40  
45

period of the person's registration, the person ceases to have any intention of making relevant acquisitions.

*Cancellation of registration*

- 43 (1) Where a person registered under this Part of this Schedule satisfies the Commissioners that the person is not liable to be so registered, the Commissioners must, if the person so requests, cancel that registration with effect from the day on which the request is made or from such later date as may be agreed between the Commissioners and the person. 5
- (2) Where the Commissioners are satisfied that a person registered under this Part of this Schedule has ceased since the person's registration to be registrable under this Part of this Schedule, they may cancel that registration with effect from the day on which the person so ceased or from such later date as may be agreed between the Commissioners and the person. 10  
15
- (3) Where the Commissioners are satisfied that a person who has been registered under paragraph 41(2) and is not for the time being liable to be registered under this Part of this Schedule –  
 (a) has not begun, by the date specified in the person's request to be registered, to make relevant acquisitions, or 20  
 (b) has contravened any condition of the person's registration, the Commissioners may cancel the person's registration with effect from the date so specified or, as the case may be, the date of the contravention or from such later date as may be agreed between the Commissioners and the person. 25
- (4) But the Commissioners may not, under sub-paragraph (1), (2) or (3), cancel a person's registration with effect from any time unless the Commissioners are satisfied that it is not a time when that person would be subject to a requirement, or in a case falling under sub-paragraph (2) or (3) a requirement or entitlement, to be registered under this Act. 30
- (5) Where the Commissioners are satisfied that, on the day on which a person was registered under this Part of this Schedule, the person –  
 (a) was not registrable under this Part of this Schedule, and 35  
 (b) in the case of a person registered under paragraph 41(2), did not have the intention by reference to which the person was registered,  
 the Commissioners may cancel that registration with effect from that day. 40
- (6) The registration of a person who –  
 (a) is registered under paragraph 41, or  
 (b) would not, if the person were not registered, be liable or entitled to be registered under any provision of this Act except that paragraph, 45  
 may not be cancelled with effect from any time before 1 January which is, or next follows, the second anniversary of the date on which the person's registration took effect.

- (7) But sub-paragraph (6) does not apply to cancellation under sub-paragraph (3) or (5).
- (8) In determining, for the purposes of sub-paragraphs (4) and (6), whether a person would be subject to a requirement, or would be entitled, to be registered at any time, so much of any provision of this Act as prevents a person from becoming liable or entitled to be registered when the person is already registered or when the person is so liable under any other provision is to be disregarded. 5
- (9) For the purposes of this paragraph, a person is registrable under this Part of this Schedule at any time when the person is liable to be registered under this Part of this Schedule or is a person who makes relevant acquisitions. 10

*Exemption from registration*

- 44 (1) Where a person who makes or intends to make relevant acquisitions satisfies the Commissioners that any such acquisition would be an acquisition in pursuance of a transaction which would be zero-rated if it were a taxable supply by a taxable person, the Commissioners may, if the person so requests and the Commissioners think fit, exempt the person from registration under this Part of this Schedule until it appears to the Commissioners that the request should no longer be acted upon or is withdrawn. 15 20
- (2) Where a person who is exempted under this paragraph from registration under this Part of this Schedule makes any relevant acquisition in pursuance of any transaction which would, if it were a taxable supply by a taxable person, be chargeable to VAT otherwise than as a zero-rated supply, the person must notify the Commissioners of the change within 30 days of the date the acquisition was made. 25

*Power to vary specified sums by regulations* 30

- 45 The Treasury may by regulations substitute for any of the sums for the time being specified in this Part of this Schedule such greater sums as the Treasury consider appropriate.

*Notifications*

- 46 Any notification required under this Part of this Schedule must be made in such form and manner and must contain such particulars as may be specified in regulations or by the Commissioners in accordance with regulations. 35

*Meaning of relevant supply*

- 47 For the purposes of this Part of this Schedule “relevant acquisition” means an acquisition that— 40
- (a) is a taxable acquisition (see paragraph 2(2)) of goods other than goods which are subject to a duty of excise or consist in a new means of transport, and

- (b) is otherwise than in pursuance of a taxable supply and is treated, for the purposes of this Act, as taking place in Northern Ireland.

- (2) A person who is not registered or liable to be registered as mentioned in sub-paragraph (1)(a) and (b) becomes liable to be registered under this Part of this Schedule where—

  - (b) the supplies to which the option relates involve the removal of goods from that member State and, apart from the exercise of the option, would be treated, in accordance with the law of that member State, as taking place in that member State, and 25
  - (c) the person makes a relevant supply at a time when the option is in force in relation to that person.
- (3) A person who is not registered or liable to be registered as mentioned in sub-paragraph (1)(a) and (b) above becomes liable to be registered under this Part of this Schedule if the person makes a supply that—

  - (b) involves the removal of the goods to Northern Ireland by or under the directions of the person making the supply, 35
  - (c) is a transaction in pursuance of which the goods are acquired in Northern Ireland from a member State by a person who is not a taxable person,
  - (d) is made in the course or furtherance of a business carried on by the supplier, and 40
  - (e) is not anything which is treated as a supply for the purposes of this Act by virtue only of paragraph 5(1) of Schedule 4 or paragraph 30 of Schedule 9ZB.
- (4) A person is treated as having become liable to be registered under this Part of this Schedule at any time when the person would have become so liable under the preceding provisions of this paragraph but for any registration which is subsequently cancelled under
- 45

paragraph 43(3) or 53(5) of this Schedule, paragraph 13(3) of Schedule 1, paragraph 11 of Schedule 1A, or paragraph 6(2) of Schedule 3A.

- (5) A person does not cease to be liable to be registered under this Part of this Schedule except in accordance with paragraph 49. 5
- (6) In determining for the purposes of this paragraph the value of any relevant supplies, so much of the consideration for any supply as represents any liability of the supplier, under the law of a member State, for VAT on that supply is to be disregarded.
- (7) For the purposes of sub-paragraphs (1) and (2), supplies to which section 18B(4) or paragraph 19(6) of Schedule 9ZB (last supply of goods before removal from fiscal warehousing) apply are to be disregarded. 10
- 49 (1) A person who has become liable to be registered under this Part of this Schedule ceases to be so liable if at any time – 15
- (a) the relevant supplies made by the person in the year ending with 31 December last before that time did not have a value exceeding £70,000 and did not include any supply in relation to which the conditions mentioned in paragraph 48(3) were satisfied, and 20
- (b) the Commissioners are satisfied that the value of the person's relevant supplies in the year immediately following that year will not exceed £70,000 and that those supplies will not include a supply in relation to which those conditions are satisfied. 25
- (2) But a person does not cease to be liable to be registered under this Part of this Schedule at any time when such an option as is mentioned in paragraph 48(2) above is in force in relation to that person.

*Notification of liability and registration* 30

- 50 (1) A person who becomes liable to be registered under this Part of this Schedule must notify the Commissioners of the liability within the period of 30 days after the day on which the liability arises.
- (2) The Commissioners must register any such person (whether or not the person has notified them) with effect from the day on which the liability arose or from such earlier time as may be agreed between the Commissioners and the person. 35

*Request to be registered*

- 51 (1) Where a person who is not liable to be registered under this Act and is not already so registered – 40
- (a) satisfies the Commissioners that the person intends –
- (i) to exercise an option such as is mentioned in paragraph 48(2) and, from a specified date, to make relevant supplies to which that option will relate, 45

- (ii) from a specified date to make relevant supplies to which any such option that the person has exercised will relate, or
- (iii) from a specified date to make supplies in relation to which the conditions mentioned in paragraph 48(3) will be satisfied, and 5
- (b) requests to be registered under this Part of this Schedule, the Commissioners may, subject to such conditions as they think fit to impose, register the person with effect from such date as may be agreed between the Commissioners and the person. 10
- (2) Conditions imposed under sub-paragraph (1) may –
- (a) be imposed wholly or partly by reference to, or without reference to, any conditions prescribed for the purposes of this paragraph, and
- (b) be subsequently varied by the Commissioners (whenever the conditions were imposed). 15
- (3) Where a person who is entitled to be registered under paragraph 9 or 10 of Schedule 1 requests registration under this paragraph, the person is to be registered under that Schedule, and not under this Part of this Schedule. 20

*Notification of matters affecting continuance of registration*

- 52 (1) Any person registered under this Part of this Schedule who ceases to be registrable under this Act must notify the Commissioners of that fact within 30 days of the day on which the person ceases to be registrable. 25
- (2) A person registered under paragraph 51 by reference to any intention to exercise any option or to make supplies of any description must notify the Commissioners within 30 days of exercising that option or, as the case may be, of the first occasion after registration when the person makes such a supply, that the person has exercised the option or made such a supply. 30
- (3) A person who has exercised an option mentioned in paragraph 48(2) which, as a consequence of the option's revocation or otherwise, ceases to have effect in relation to any relevant supplies by the person must notify the Commissioners, within 30 days of the option's ceasing so to have effect, that it has done so. 35
- (4) For the purposes of this paragraph, a person ceases to be registrable under this Act where –
- (a) the person ceases to be a person who would be liable or entitled to be registered under this Act if the person's registration and any enactment preventing a person from being liable to be registered under different provisions at the same time were disregarded, or 40
- (b) in the case of a person who (having been registered under paragraph 51) has not been such a person during the period of the person's registration, the person ceases to have any such intention as is mentioned in sub-paragraph (1)(a) of that paragraph. 45

*Cancellation of registration*

- 53 (1) Where a person registered under this Part of this Schedule satisfies the Commissioners that the person is not liable to be so registered, the Commissioners must, if the person so requests, cancel that registration with effect from the day on which the request is made or from such later date as may be agreed between the Commissioners and the person. 5
- (2) Where the Commissioners are satisfied that a person who has been registered under paragraph 51 and is not for the time being liable to be registered under this Part of this Schedule – 10
- (a) has not, by the date specified in the person’s request to be registered, begun to make relevant supplies, exercised the option in question or, as the case may be, begun to make supplies in relation to which the conditions mentioned in paragraph 48(3) are satisfied, or 15
- (b) has contravened any condition of the person’s registration, the Commissioners may cancel the person’s registration with effect from the date so specified or, as the case may be, the date of the contravention or from such later date as may be agreed between the Commissioners and the person. 20
- (3) But the Commissioners may not, under sub-paragraph (1) or (2), cancel a person’s registration with effect from any time unless the Commissioners are satisfied that it is not a time when that person would be subject to a requirement, or in a case falling under sub-paragraph (2) a requirement or entitlement, to be registered under this Act. 25
- (4) In determining for the purposes of sub-paragraph (3) whether a person would be subject to a requirement, or would be entitled, to be registered at any time, so much of any provision of this Act as prevents a person from becoming liable or entitled to be registered when the person is already registered or when the person is so liable under any other provision is to be disregarded. 30
- (5) Where the Commissioners are satisfied that, on the day on which a person was registered under this Part of this Schedule, the person – 35
- (a) was not liable to be registered under this Part of this Schedule, and
- (b) in the case of a person registered under paragraph 51, did not have the intention by reference to which the person was registered, 40
- the Commissioners may cancel that registration with effect from that day.
- (6) The registration of a person who has exercised an option mentioned in paragraph 48(2) may not be cancelled with effect from any time before the 1 January which is, or next follows, the second anniversary of the date on which the person’s registration took effect. 45

*Power to vary specified sums by regulations*

*Notifications*

5

- 55 Any notification required under this Part of this Schedule must be made in such form and manner and must contain such particulars as may be specified in regulations or by the Commissioners in accordance with regulations.

*Meaning of relevant supply*

10

- 56 For the purposes of this Part of this Schedule “relevant supply” means a supply of goods that—
- (a) involves the removal of the goods to Northern Ireland from a place outside the United Kingdom by or under the directions of the person making the supply, 15
  - (b) does not involve the installation or assembly of the goods at a place in Northern Ireland,
  - (c) is a transaction in pursuance of which goods are acquired in Northern Ireland from a member State by a person who is not a taxable person, 20
  - (d) is made in the course or furtherance of a business carried on by the supplier, and
  - (e) is neither an exempt supply nor a supply of goods which are subject to a duty of excise or consist in a new means of transport and is not anything which is treated as a supply for the purposes of this Act by virtue only of paragraph 5(1) of Schedule 4 or paragraph 30 of Schedule 9ZB. 25

PART 10

CALL-OFF STOCK ARRANGEMENTS

*Where this Part of this Schedule applies*

30

- 57 (1) This Part of this Schedule applies where—
- (a) goods forming part of the assets of any business are removed —
    - (i) from Northern Ireland for the purpose of being taken to a place in a member State, or 35
    - (ii) from a member State for the purpose of being taken to a place in Northern Ireland,
  - (b) the goods are removed in the course or furtherance of that business by or under the directions of the person carrying on that business (“the supplier”), 40
  - (c) the goods are removed with a view to their being supplied in the destination territory, at a later stage and after their arrival there, to another person (“the customer”),

- (d) at the time of the removal the customer is entitled to take ownership of the goods in accordance with an agreement existing between the customer and the supplier,
- (e) at the time of the removal the supplier does not have a business establishment or other fixed establishment in the destination territory, 5
- (f) at the time of the removal the customer is identified for the purposes of VAT in accordance with the law of the destination territory and both the identity of the customer and the number assigned to the customer for the purposes of VAT by the destination territory are known to the supplier, 10
- (g) as soon as reasonably practicable after the removal the supplier records the removal in the register provided for in Article 243(3) of Council Directive 2006/112/EC of 28 November 2006 on the common system of value added tax, and 15
- (h) the supplier includes the number mentioned in paragraph (f) in the recapitulative statement provided for in Article 262(2) of Council Directive 2006/112/EC. 20
- (2) For the purposes of this Part of this Schedule, where the destination territory is Northern Ireland, a customer is identified for the purposes of VAT in accordance with the law of the destination territory if the customer is registered under this Act and is identified for the purposes of VAT in Northern Ireland. 25
- (3) In this Part of this Schedule –
- “the destination territory” means –
- (a) in a case within paragraph (i) of sub-paragraph (1)(a), the member State concerned, and
- (b) in a case within paragraph (ii) of sub-paragraph (1)(a), Northern Ireland, and 30
- “the origin territory” means –
- (a) in a case within paragraph (i) of sub-paragraph (1)(a), Northern Ireland, and
- (b) in a case within paragraph (ii) of sub-paragraph (1)(a), the member State concerned. 35

*Removal of the goods not to be treated as a supply*

- 58 The removal of the goods from the origin territory is not to be treated by reason of paragraph 30 of Schedule 9ZB as a supply of goods by the supplier. 40

*Goods transferred to the customer within 12 months of arrival*

- 59 (1) The rules in sub-paragraph (2) apply if –
- (a) during the period of 12 months beginning with the day the goods arrive in the destination territory the supplier transfers the whole property in the goods to the customer, and 45

- (b) during the period beginning with the day the goods arrive in the destination territory and ending immediately before the time of that transfer no relevant event occurs.
- (2) The rules are that –
- (a) a supply of the goods in the relevant territory is deemed to be made by the supplier, 5
  - (b) the deemed supply is deemed to involve the removal of the goods from the origin territory at the time of the transfer mentioned in sub-paragraph (1),
  - (c) the consideration given by the customer for the transfer mentioned in sub-paragraph (1) is deemed to have been given for the deemed supply, and 10
  - (d) an acquisition of the goods by the customer in pursuance of the deemed supply is deemed to take place in the destination territory. 15
- (3) In sub-paragraph (2) and in paragraphs 60(2) and 61(2) “the relevant territory” means –
- (a) where the origin territory is Northern Ireland, the United Kingdom, or
  - (b) where the origin territory is a member State, that member State. 20
- (4) For the meaning of a “relevant event”, see paragraph 63.

*Relevant event occurs within 12 months of arrival*

- 60 (1) The rules in sub-paragraph (2) apply (subject to paragraph 62) if –
- (a) during the period of 12 months beginning with the day the goods arrive in the destination territory a relevant event occurs, and 25
  - (b) during the period beginning with the day the goods arrive in the destination territory and ending immediately before the time that relevant event occurs the supplier does not transfer the whole property in the goods to the customer. 30
- (2) The rules are that –
- (a) a supply of the goods in the relevant territory (see paragraph 59(3)) is deemed to be made by the supplier,
  - (b) the deemed supply is deemed to involve the removal of the goods from the origin territory at the time the relevant event occurs, and 35
  - (c) an acquisition of the goods by the supplier in pursuance of the deemed supply is deemed to take place in the destination territory. 40
- (3) For the meaning of a “relevant event”, see paragraph 63.

*Goods not transferred and no relevant event occurs within 12 months of arrival*

- 61 (1) The rules in sub-paragraph (2) apply (subject to paragraph 62) if during the period of 12 months beginning with the day the goods arrive in the destination territory the supplier does not transfer the 45

whole property in the goods to the customer and no relevant event occurs.

- (2) The rules are that—
- (a) a supply of the goods in the relevant territory (see paragraph 59(3)) is deemed to be made by the supplier, 5
  - (b) the deemed supply is deemed to involve the removal of the goods from the origin territory at the beginning of the day following the expiry of the period of 12 months mentioned in sub-paragraph (1), and
  - (c) an acquisition of the goods by the supplier in pursuance of the deemed supply is deemed to take place in the destination territory. 10
- (3) For the meaning of a “relevant event”, see paragraph 63.

*Exception to paragraphs 60 and 61: goods returned to origin territory*

- 62 The rules in paragraphs 60(2) and 61(2) do not apply if during the period of 12 months beginning with the day the goods arrive in the destination territory — 15
- (a) the goods are returned to the origin territory by or under the direction of the supplier, and
  - (b) the supplier records the return of the goods in the register provided for in Article 243(3) of Council Directive 2006/112/EC. 20

*Meaning of “relevant event”*

- 63 (1) For the purposes of this Part of this Schedule each of the following events is a relevant event — 25
- (a) the supplier forms an intention not to supply the goods to the customer (but see sub-paragraph (2)),
  - (b) the supplier forms an intention to supply the goods to the customer otherwise than in the destination territory,
  - (c) the supplier establishes a business establishment or other fixed establishment in the destination territory, 30
  - (d) the customer ceases to be identified for the purposes of VAT in accordance with the law of the destination territory,
  - (e) the goods are removed from the destination territory by or under the directions of the supplier otherwise than for the purpose of being returned to the origin territory, or 35
  - (f) the goods are destroyed, lost or stolen.
- (2) But the event mentioned in paragraph (a) of sub-paragraph (1) is not a relevant event for the purposes of this Part of this Schedule if— 40
- (a) at the time that the event occurs the supplier forms an intention to supply the goods to another person (“the substitute customer”),
  - (b) at that time the substitute customer is identified for the purposes of VAT in accordance with the law of the destination territory, 45

- (c) the supplier includes the number assigned to the substitute customer for the purposes of VAT by the destination territory in the recapitulative statement provided for in Article 262(2) of Council Directive 2006/112/EC, and
- (d) as soon as reasonably practicable after forming the intention to supply the goods to the substitute customer the supplier records that intention in the register provided for in Article 243(3) of Council Directive 2006/112/EC. 5
- (3) Where the destination territory is Northern Ireland, the reference in sub-paragraph (2)(c) to the number assigned to the substitute customer for the purposes of VAT is to the number assigned to the substitute customer for the purposes of VAT in the United Kingdom along with an NI VAT identifier. 10
- (4) In a case where sub-paragraph (2) applies, references in this Part of this Schedule to the customer are to be then read as references to the substitute customer. 15
- (5) In a case where the goods are destroyed, lost or stolen but it is not possible to determine the date on which that occurred, the goods are to be treated for the purposes of this Part of this Schedule as having been destroyed, lost or stolen on the date on which they were found to be destroyed or missing. 20

*Record keeping by the supplier*

- 64 In a case where the origin territory is Northern Ireland, any record made by the supplier in pursuance of paragraph 57(1)(g), 62(b) or 63(2)(d) must be preserved for such period not exceeding 6 years as the Commissioners may specify in writing. 25

*Record keeping by the customer*

- 65 (1) In a case where the destination territory is Northern Ireland, the customer must as soon as is reasonably practicable make a record of the information relating to the goods that is specified in Article 54A(2) of Council Implementing Regulation (EU) No. 282/2011 of 15 March 2011 laying down implementing measures for Directive 2006/112/EC on the common system of value added tax. 30
- (2) A record made under this paragraph must—
- (a) be made in a register kept by the customer for the purposes of this paragraph, and 35
- (b) be preserved for such period not exceeding 6 years as the Commissioners may specify in writing.

PART 1

IMPORTATIONS

*Importations*

- 1 (1) The importation of Union goods into the United Kingdom as a result of their entry into Northern Ireland is not an importation for the purposes of value added tax. 30
- (2) Accordingly, no charge to VAT occurs on the importation of Union goods into the United Kingdom as a result of their entry into Northern Ireland (but see paragraph 1 of Schedule 9ZA, which imposes a charge to VAT on the acquisition of goods in Northern Ireland from a member State). 35
- (3) VAT on the importation of any other goods imported into the United Kingdom as a result of their entry into Northern Ireland is to be charged and payable as if it were relevant NI import duty (instead of as provided under section 1(4)). 40
- (4) Sub-paragraph (3) is to be taken as applying, in relation to any VAT chargeable on the importation of such goods –

- (a) any provision of Union customs legislation that is relevant to the charging of relevant NI import duty, and
  - (b) any provision made by or under Part 1 of TCTA 2018 that is relevant to the charging of that duty.
- (5) Section 15 (meaning of “importation of goods” into the United Kingdom) applies to the importation of such goods as if –
  - (a) any reference to import duty were to relevant NI import duty; 5
  - (b) the references in subsections (2) and (3) to a Customs, storage, transit or inward processing procedure were to a procedure corresponding to such a procedure under Union customs legislation, and 10
  - (c) the reference in subsection (3)(b) to section 5(1) of, or paragraph 1(5) or 3(4) of Schedule 1 to, that Act included any provision (including any provision of Union customs legislation) corresponding to those provisions that may apply to those goods. 15
- (6) In section 16 (application of customs enactments) –
  - (a) subsection (1) applies to the importation of such goods as if the reference to “other enactments for the time being having effect generally in relation to duties of customs and excise charged by reference to the importation of goods into the United Kingdom” included any provision of Union customs legislation that applies in relation to relevant NI import duty, and 20

- (3) Subsections (2) to (7) of section 21 apply in relation to such goods (and sub-paragraph (1) is subject to those subsections) as if – 10

- (5) Where a consequential amendment notice reduces the amount which is chargeable on a company as the additional amount for a relevant accounting period— 45

- (a) an officer of HMRC must exercise the power in sub-paragraph (1) so as to secure, so far as reasonably practicable, that relevant reliefs are treated in the same way as they were treated before any steps were taken under this Schedule in relation to them, and 5
- (b) any amount which was overpaid must be repaid.
- (6) In sub-paragraph (5), “relevant reliefs” means so much of any reliefs previously taken into account in calculating the additional amount chargeable on the company for the relevant accounting period in question as are referable to the amount by which that additional amount is reduced. 10
