 #TradeBill

When the 1-hour “knife” is reached, the Question before the House “That the Amendment be made” will be disposed of, followed by the Question on the main Question (as amended, or not amended, as the case may be).

If the main Question is not amended and the main Question is then agreed to, a Reasons Committee will be appointed.

If the main Question is amended and the main Question as amended is then agreed to, there will be no further proceedings on this Bill.
