NEW CLAUSES AND NEW SCHEDULES RELATING TO PART 6

Secretary George Eustice

NC21

To move the following Clause—

“Habitats Regulations: power to amend general duties

(1) The Secretary of State may by regulations amend the Conservation of Habitats and Species Regulations 2017 (S.I. 2017/1012) (the “Habitats Regulations”), as they apply in relation to England, for the purposes in subsection (2).

(2) The purposes are—

(a) to require persons within regulation 9(1) of the Habitats Regulations to exercise functions to which that regulation applies—

(i) to comply with requirements imposed by regulations under this section, or

(ii) to further objectives specified in regulations under this section,

instead of exercising them to secure compliance with the requirements of the Directives;

(b) to require persons within regulation 9(3) of the Habitats Regulations, when exercising functions to which that regulation applies, to have regard to matters specified by regulations under this section instead of the requirements of the Directives.

5

10

15

- 20 (3) The regulations may impose requirements, or specify objectives or matters, relating to—
- (a) targets in respect of biodiversity set by regulations under section 1;
- 25 (b) improvements to the natural environment which relate to biodiversity and are set out in an environmental improvement plan.
- (4) The regulations may impose any other requirements, or specify any other objectives or matters, relating to the conservation or enhancement of biodiversity that the Secretary of State considers appropriate.
- 30 (5) Regulations under this section may also, in connection with provision made for the purposes in subsection (2), amend other provisions of the Habitats Regulations, as they apply in relation to England, which refer to requirements, objectives or provisions of the Directives.
- (6) In making regulations under this section the Secretary of State must have regard to the particular importance of furthering the conservation and enhancement of biodiversity.
- 35 (7) The Secretary of State may make regulations under this section only if satisfied that the regulations do not reduce the level of environmental protection provided by the Habitats Regulations.
- (8) Before making regulations under this section the Secretary of State must lay before Parliament, and publish, a statement explaining why the Secretary of State is satisfied as mentioned in subsection (7).
- 40 (9) Before making regulations under this section the Secretary of State must consult such persons as the Secretary of State considers appropriate.
- (10) Regulations under this section may not come into force before 1 February 45 2023.
- (11) In this section—

“the Directives” has the same meaning as in the Habitats Regulations (see regulation 3(1));

50 “England” includes the territorial sea adjacent to England, which for this purpose does not include—

- (a) any part of the territorial sea adjacent to Wales for the general or residual purposes of the Government of Wales Act 2006 (see section 158 of that Act), or
- 55 (b) any part of the territorial sea adjacent to Scotland for the general or residual purposes of the Scotland Act 1998 (see section 126 of that Act);

“environmental improvement plan” has the same meaning as in Part 1.

(12) Regulations under this section are subject to the affirmative procedure.”

Member’s explanatory statement

This new clause confers powers to amend the Habitats Regulations to require public authorities to comply with requirements or objectives, or have regard to matters, specified in regulations (for example requirements, objectives or matters relating to biodiversity targets under clause 1 or biodiversity aspects of the environmental improvement plan).

As Amendments to Secretary George Eustice’s New Clause (Habitats Regulations: power to amend general duties) (NC21):—

(a)

Caroline Lucas

Line 13, leave out “instead of” and insert “in addition to”

Member’s explanatory statement

This amendment would allow the Conservation of Habitats and Species Regulations 2017 to be amended to further new objectives in addition to existing objectives, rather than in place of existing objectives.

(b)

Caroline Lucas

Line 18, leave out “instead of” and insert “in addition to”

Member’s explanatory statement

This amendment would allow the Conservation of Habitats and Species Regulations 2017 to be amended to require people exercising functions under the regulations to have regard to new requirements in addition to existing requirements, rather than in place of them.

Secretary George Eustice

NC22

To move the following Clause—

“Habitats Regulations: power to amend Part 6

- (1) The Secretary of State may by regulations amend Part 6 of the Conservation of Habitats and Species Regulations 2017 (S.I. 2017/1012) (the “Habitats Regulations”) (assessment of plans and projects) as they apply in relation to England.
- (2) In making regulations under this section the Secretary of State must have regard to the particular importance of furthering the conservation and enhancement of biodiversity.
- (3) The Secretary of State may make regulations under this section only if satisfied that the regulations do not reduce the level of environmental protection provided by the Habitats Regulations.
- (4) Before making regulations under this section the Secretary of State must lay before Parliament, and publish, a statement explaining why the Secretary of State is satisfied as mentioned in subsection (3).
- (5) Before making regulations under this section the Secretary of State must consult such persons as the Secretary of State considers appropriate.
- (6) In this section “England” has the same meaning as in section (*Habitats Regulations: power to amend general duties*).
- (7) Regulations under this section are subject to the affirmative procedure.”

Member's explanatory statement

This new clause confers power to amend Part 6 of the Habitats Regulations.

Bill Wiggin

NC2

To move the following Clause—

“Assessment of Plans

- (1) The Conservation of Habitats and Species Regulations 2017/1012 are amended as follows.
- (2) In Regulation 63 (Assessment of implications for European sites and European offshore marine sites) the following are amended—
 - (a) in paragraph (1) for “must” substitute “may”;
 - (b) in paragraph (3) for “must” substitute “may”;
 - (c) in paragraph (4) for “must” substitute “may”;
 - (d) omit paragraph (5) and insert “In the light of the conclusions of the assessment, and subject to regulation 64, the competent authority may take the assessment into account in deciding whether it will agree to the plan or project”; and
 - (e) in paragraph (6) for “must” substitute “may”.”

To move the following Clause—

“Protected species: Hedgehog

- (1) The Wildlife and Countryside Act 1981 is amended in accordance with subsection (2).

(2) At the end of Schedule 5 (*Animals which are protected*) insert—

“hedgehog

Erinaceus europaeus”

Member’s explanatory statement

This new clause would add the hedgehog to the list of protected animals under the Wildlife and Countryside Act. This would introduce a legal imperative to search for hedgehogs in developments, and a legal imperative to mitigate for them.

To move the following Clause—

“Duty to prepare a Tree Strategy for England

- (1) The Government must prepare a Tree Strategy for England as set out in subsections (2), (3) and (4).
- (2) The strategy must set out the Government’s vision, objectives, priorities and policies for trees in England including individual trees, woodland and forestry, and set out other matters with respect to the promotion of sustainable management of trees in these contexts.
- (3) The Tree Strategy for England must include the Government’s targets and interim targets with respect to—
 - (a) the percentage of England under tree cover;
 - (b) hectares of new native woodland creation achieved by tree planting;
 - (c) hectares of new native woodland creation achieved by natural regeneration;
 - (d) the percentage of native woodland in favourable ecological condition;
 - (e) hectares of Plantations on Ancient Woodland Sites (PAWS) undergoing restoration;
 - (f) the condition of the England’s Long Established Woodlands; and
 - (g) hectares of Long Established Woodlands undergoing restoration.
- (4) The Tree Strategy for England must set out—
 - (a) locations of additional planting of 30,000 hectares of woodland in the UK each year, as set out in the England Trees Action Plan 2021-2024;
 - (b) a plan for the maintenance of the trees and woodlands planted under the England Trees Action Plan 2021-2024; and
 - (c) which authorities or individuals are responsible for the maintenance of the trees and woodlands planted under the England Trees Action Plan 2021-2024.

- (5) The Government must publish—
- (a) an annual statement on progress against the Tree Strategy for England; and
 - (b) any revisions of the Tree Strategy which may be necessary.
- (6) The Government must publish a revised Tree Strategy for England within the period of 10 years beginning with the day on which the strategy or its most recent revision was published.”

Member’s explanatory statement

The aim of this new clause is to ensure that the Government prepares a tree strategy for England. It will ensure that the Government has to produce targets for the protection, restoration and expansion of trees and woodland in England.

Bob Seely

NC26

To move the following Clause—

“Enforcement action against breaches of planning control in statutorily protected landscapes and areas of ancient woodland

In the Town and Country Planning Act 1990, after Section 171B(2), insert—

- “(2B)There is no restriction on when enforcement action may be taken in relation to a breach of planning control in respect—
- (a) a Site of Special Scientific Interest;
 - (b) an Area of Outstanding Natural Beauty;
 - (c) any other landscape that is statutorily protected for environmental reasons; or
 - (d) ancient woodland.”

Bob Seely

NC27

To move the following Clause—

“Tree preservation orders on statutorily protected landscapes

In the Town and Country Planning Act 1990, after Section 201, insert—

- “(201A)All trees shall automatically be subject to tree preservation orders if they are in any of the following areas—
- (a) a Site of Special Scientific Interest;
 - (b) an Area of Outstanding Natural Beauty;

- (c) a National Park; or
- (d) any other landscape that is statutorily protected for environmental reasons.”

Clause 95, page 97, line 1, leave out subsection (5) and insert—

“(5) After subsection (2) insert—

“(2A)The authority must act in accordance with any relevant local nature recovery strategy in the exercise of relevant functions, including—

- (a) land use planning and planning decisions;
- (b) spending decisions, including land management payments;
- (c) delivery of biodiversity gain; and
- (d) any other activities undertaken in complying with subsections (1) and (1A).”

Member’s explanatory statement

This amendment would require public authorities to exercise relevant functions in accordance with Local Nature Recovery Strategies. This would ensure that decisions that affect the natural environment such as planning decisions, net gain habitat enhancements and targeted investment in environmental land management are informed by the Strategies.

Schedule 16, page 229, line 30, at end insert—

“Regulated financial person

7A (1) A regulated financial person must not provide financial services for commercial enterprises engaging in the production, trade, transport or

use of a forest risk commodity unless relevant local laws are complied with in relation to that commodity.

- (2) A regulated financial person who provides financial services for commercial enterprises engaging in the production, trade, transport or use of a forest risk commodity must establish and implement a due diligence system in relation to the provision of those financial services.
- (3) A “due diligence system”, in relation to a regulated financial person, means a system for—
 - (a) identifying, and obtaining information about, the operations of a commercial enterprise engaging in the production, trade, transport or use of a forest risk commodity to which it provides financial services,
 - (b) assessing the risk that such a commercial enterprise is not complying with relevant local laws in relation to that commodity,
 - (c) assessing the risk that a commercial enterprise is not complying with paragraphs 2 and 3 of this Schedule, and
 - (d) mitigating that risk.
- (4) A regulated financial person must, for each reporting period, provide the relevant authority with a report on the actions taken by the regulated financial person to establish and implement a due diligence system as required by paragraph 3.
- (5) A “regulated financial person” means a person (other than an individual) who carries on financial services in the United Kingdom and—
 - (a) meets such conditions as may be specified in regulations made by the Secretary of State; or
 - (b) is an undertaking which is a subsidiary of another undertaking which meets those conditions.
- (6) In this paragraph—

“group” has the meaning given by section 474 of the Companies Act 2006;

“undertaking” has the meaning given by section 1161 of that Act,

“financial services” means—

- (a) the provision of banking services including the acceptance of deposits in the course of business;
- (b) the provision of loans in the course of a banking, credit or lending business, including by way of term loan, revolving credit facility, debentures and bonds; and
- (c) regulated activities as defined under section 22 of the Financial Services and Markets Act 2000 and the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 (SI 2001/544), in each case as amended, or
- (d) such other financial services as may be specified in regulations made by the Secretary of State.

“commercial enterprise” means a person (other than an individual) who carries on commercial activities in any jurisdiction relating to the production, trade, transport or use of forest risk commodities.”

Member’s explanatory statement

This amendment requires that persons who carry out financial services in the United Kingdom do not provide financial services to commercial enterprises engaged in the production, trade, transport or use of forest risk commodities unless they are complying with local relevant laws.

To move the following Clause—

“Well consents for hydraulic fracturing: cessation of issue and termination

- (1) No well consent which permits associated hydraulic fracturing may be issued by the Oil and Gas Authority (“OGA”).
- (2) Sections 4A and 4B of the Petroleum Act 1998 (as inserted by section 50 of the Infrastructure Act 2015), are repealed.
- (3) Any well consent which has been issued by the OGA which—

- (a) permits associated hydraulic fracturing, and
- (b) is effective on the day on which this Act receives Royal Assent shall cease to be valid three months after this Act receives Royal Assent.

(4) In this section—

“associated hydraulic fracturing” means hydraulic fracturing of shale or strata encased in shale which—

- (a) is carried out in connection with the use of the relevant well to search or bore for or get petroleum, and
- (b) involves, or is expected to involve, the injection of—
 - (i) more than 1,000 cubic metres of fluid at each stage, or expected stage, of the hydraulic fracturing, or
 - (ii) more than 10,000 cubic metres of fluid in total, or
 - (iii) acid intended to dissolve rock;

and “well consent” means a consent in writing of the OGA to the commencement of drilling of a well.”

Member’s explanatory statement

This new clause would prevent the Oil and Gas Authority from being able to provide licences for hydraulic fracturing, exploration or acidification, and would revoke current licences after a brief period to wind down activity.

- (2) That scheme must make provision for a kitemark indicating the environmentally sustainable origins of a food.
- (3) The kitemark may be applied to:—
 - (a) raw food commodities,
 - (b) processed food products, and
 - (c) the ingredients of processed food products.

- (4) The definition of “environmentally sustainable origins” under the scheme must incorporate an assessment of whether the agricultural or manufacturing processes involved in the production of a food—
 - (a) protect the habitats of species listed internationally as endangered,
 - (b) avoid biodiversity loss,
 - (c) avoid deforestation, and
 - (d) avoid significant increases in net carbon emissions.
- (5) The scheme may make provision for—
 - (a) enforcement, and

To move the following Clause—

“Prohibition on burning of peat in upland areas

- (1) A person must not burn specified vegetation on land in England which is within an upland area on peat.

(2) In this section—

“specified vegetation” means heather, rough grass, bracken, gorse or vaccinium, and

“upland area” means all the land shown coloured pink on the map marked as “Map of Upland Area in England” held by the Department for Environment, Food and Rural Affairs but does not include the land coloured pink in the Isles of Scilly(a).”

Member’s explanatory statement

The new clause extends the coverage of the peat burning ban from the 142,000 ha of upland peat currently covered to the full 355,000 ha of upland peat in England.

To move the following Clause—

“Labelling scheme for the informed purchase of environmentally sustainable food

- (1) The Secretary of State must by regulations make provision for a scheme requiring food manufacturers to label foods offered for sale in the United Kingdom to indicate the environmental sustainability of their origins.
- (2) The scheme in subsection (1) must make provision for a kitemark indicating the environmentally sustainable origins of a food.
- (3) The kitemark may be applied to—
 - (a) raw food commodities,
 - (b) processed food products, and
 - (c) the ingredients of processed food products.
- (4) Food labelling under the scheme must include a declaration about food miles, which is defined as the distance travelled from the country, or in the case of domestically produced food the region, of origin.
- (5) The declaration in subsection (4) must be given in words and numbers, but may also be presented using graphical forms or symbols provided that the graphical forms or symbols meet the following requirements—
 - (a) they are based on scientifically valid consumer research and do not mislead the consumer as referred to in Article 7 of the retained Regulation (EU) No 1169/2011 of the European Parliament and of the Council as amended in the Food (Amendment) (EU Exit) Regulations 2019;
 - (b) their development is the result of consultation with a wide range of stakeholder groups;

- (c) they aim to facilitate consumer understanding of the contribution or importance of the environmental impact of the food;
 - (d) they are supported by scientifically valid evidence showing that such forms of presentation are understood by the average consumer;
 - (e) they are objective and non-discriminatory; and
 - (f) their application does not create obstacles to the free movement of goods.
- (6) The scheme may recommend to food business operators the use of one or more additional forms of presentation of the environmental indications that they consider as best fulfilling the requirements laid down in paragraphs (a) to (f) of subsection (5).
- (7) The scheme may make provision for—
