★ To move the following Clause—

“Zero-rate contributions for employees of green manufacturing companies

(1) This section applies where—

(a) a secondary Class 1 contribution is payable as mentioned in section 6(1)(b) of the 1992 Act in respect of earnings paid in a tax week in respect of an employment,

(b) the green manufacturing condition is met (see section [Green manufacturing condition]),

(c) the employer (or, if different, the secondary contributor) elects that this section is to apply in relation to the contribution for the purposes of section 9(1) of the 1992 Act instead of section 9(1A) of that Act or section 1 of this Act.

(2) For the purposes of section 9(1) of whichever of the 1992 Acts would otherwise apply—

(a) the relevant percentage in respect of any earnings paid in the tax week up to or at the upper secondary threshold is 0%, and

(b) the relevant percentage in respect of any earnings paid in the tax week above that threshold is the secondary percentage.

(3) The upper secondary threshold (or the prescribed equivalent in relation to earners paid otherwise than weekly) is the amount specified in regulations under section 8.

(4) For the purposes of the 1992 Acts a person is still to be regarded as being liable to pay a secondary Class 1 contribution even if the amount of the contribution is £0 as a result of this section.
(5) The Treasury may by regulations make provision about cases in which subsection (2) is to be treated as applying in relation to contributions payable in respect of a tax week in a given tax year only when—
(a) that tax year has ended, and
(b) all contributions payable in respect of a tax week in that tax year have been paid.”

★ Clause 2, page 2, line 26, at end insert—

“(e) the employer pays, as a minimum, a living wage, to all staff it employs, and

(f) the businesses operating in the freeport in which the employer has business premises have collectively—

(i) put in place a strategy setting out how the freeport will contribute to the target for net UK emissions of greenhouse gases in 2050 as set out in the Climate Change Act 2008 as amended by the Climate Change Act (2050 Target Amendment) Order 2019,

(ii) put in place a strategy setting out how the businesses will ensure that no goods passing through the freeport are the products of slave labour, and

(g) carried out an environmental impact assessment of the operation of the freeport.”
