PART 1

PRIMATES

CHAPTER 1

KEEPING PRIMATES

Licensing requirement

5

1 Prohibition on keeping primates without a licence

- (1) A person may not keep a primate unless authorised to do so under a licence under this Chapter (a “primate licence”).
- (2) A person who contravenes subsection (1) commits an offence.
- (3) Subsection (1) does not apply where a primate is kept in—
 - (a) a zoo within the meaning of the Zoo Licensing Act 1981 for which a licence is in force under that Act;
 - (b) a place specified in a licence under section 2C of the Animals (Scientific Procedures) Act 1986.
- (4) Subsection (1) is also subject to—
 - (a) a direction under section 15 (primates kept unlawfully), and
 - (b) Schedule 1 (which contains transitional provision).
- (5) A person who commits an offence under this section is liable on summary conviction to a fine.

10

15

- (6) Schedule 2 confers powers on local authorities to issue fixed penalty notices in relation to offences under this Part.

Primate licences: introductory

2 Primate licences

- (1) A primate licence authorises its holder to keep, during the period for which the licence has effect, such number of primates of such species at such premises as the licence may specify. 5
- (2) A primate licence has effect for a period of six years from the date on which it comes into force, subject to the following provisions of this Chapter.

3 Licensing standards and other requirements 10

- (1) The appropriate national authority must by regulations make provision requiring the holder of a primate licence to meet standards specified in the regulations for the care and management of primates kept under the licence (“licensing standards”).
- (2) The licensing standards may include standards about— 15
- (a) the environment and accommodation that primates need;
 - (b) their diet;
 - (c) provision for their behavioural needs;
 - (d) their handling;
 - (e) their transportation; 20
 - (f) protecting them from pain, suffering, injury and disease.
- (3) The appropriate national authority may by regulations make provision imposing requirements on the holder of a primate licence in relation to—
- (a) information to be supplied to a local authority in relation to any primate kept under the licence (for example, where a primate dies, gives birth or is transferred to another person); 25
 - (b) microchipping of any primate kept under the licence.
- (4) Before making regulations under subsection (1) the appropriate national authority must consult such persons as the appropriate national authority considers appropriate. 30

Primate licences: operation

4 Applications

- (1) An individual who keeps or proposes to keep a primate in any premises may apply for a primate licence to the local authority in whose area the premises are situated. 35
- (2) An application may not be made by an individual—

- (a) who is under the age of 18, or
 - (b) who is disqualified from keeping primates.
- (3) The application must specify –
- (a) the name and address of the applicant,
 - (b) the species of primate, and the number of primates of each species, to be kept under the licence, 5
 - (c) the premises where the primate or primates is or are to be kept, and
 - (d) the date from which the applicant proposes that the licence should have effect.
- (4) The application must specify, in relation to each primate proposed to be kept under the licence – 10
- (a) its name and sex,
 - (b) its species, and
 - (c) its date of birth.
- (5) The application must specify such other information, and be in such form, as the local authority may reasonably require. 15
- (6) For the purposes of this section an individual is disqualified from keeping primates if the individual is disqualified from keeping primates of any description under –
- (a) section 34(2) of the Animal Welfare Act 2006, 20
 - (b) section 1 of the Protection of Animals (Amendment) Act 1954,
 - (c) section 40(1) of the Animal Health and Welfare (Scotland) Act 2006 (asp 11), or
 - (d) section 33(1) of the Welfare of Animals Act (Northern Ireland) 2011 (c. 16). 25

5 Determination of applications

- (1) Before determining whether to grant an application for a primate licence, the local authority to which the application is made must arrange for a veterinary surgeon to inspect the premises specified in the application to determine whether the licensing standards would be met if the application were granted. 30
- (2) If following an inspection under subsection (1) the local authority is satisfied that, if the application were granted, all the licensing standards would be met from the time the primate licence came into force, the local authority must grant the licence to the applicant with effect from such date as it may determine. 35
- (3) If following an inspection under subsection (1) the local authority –
- (a) is not satisfied that a licensing standard would be met from the time the licence came into force, but
 - (b) considers that, if the applicant were to take certain steps, that standard would be met within a reasonable time after the licence came into force, 40

the local authority must grant the licence to the applicant, with effect from such date as it may determine, subject to a rectification condition (as to which, see section 6).

- (4) In any other circumstances the local authority must refuse the application.
- (5) For the purposes of subsections (2) and (3) a local authority may take into account – 5
 - (a) any previous failure by the applicant to meet the licensing standards, and
 - (b) any other conduct of the applicant that is relevant.
- (6) Schedule 3 contains provision for representations and appeals in relation to decisions of local authorities under this Chapter. 10

6 Conditions

- (1) A local authority must attach the general licence condition to any primate licence that it grants.
- (2) The general licence condition is a condition requiring the holder of the licence to – 15
 - (a) meet the licensing standards, and
 - (b) comply with any requirements in regulations under section 3(3).
- (3) Where a local authority grants a primate licence under section 5(3), the local authority must also attach one or more rectification conditions to the licence. 20
- (4) A rectification condition is a condition requiring the holder of a primate licence to take, within a period specified in the condition, such steps as the local authority considers necessary for the purpose of ensuring that a licensing standard is met.
- (5) Where a primate licence includes a rectification condition, the general licence condition does not have effect during the period specified, so far as relating to the licensing standard to which the rectification condition relates. 25

7 Variation and surrender

- (1) The holder of a primate licence may apply to the local authority that granted it to vary the licence so as to – 30
 - (a) reduce or increase the number of primates of any species specified in the licence as authorised to be kept under it,
 - (b) add or remove a species of primate specified in the licence, or
 - (c) change the premises specified in the licence to other premises in the area of the same local authority. 35
- (2) On an application under subsection (1) the local authority –
 - (a) must grant the application and vary the licence as requested, if the application is to remove a species of primate kept under the licence, and

- (b) in other circumstances may grant the application and vary the licence to any extent as requested.
- (3) Before determining whether to vary a licence under subsection (2)(b) a local authority –
 - (a) may request further information from the licence-holder; 5
 - (b) in the case of an application under subsection (1)(a) or (b), may arrange for the premises specified in the licence to be inspected by a veterinary surgeon;
 - (c) in the case of an application under subsection (1)(c), must arrange for the proposed new premises to be so inspected. 10
- (4) A primate licence may be surrendered by its holder at any time.
- (5) See also Schedule 3 (representations and appeals).

8 Renewal

- (1) The holder of a primate licence may apply for renewal of the licence to the local authority that granted the licence. 15
- (2) The application must be made in the first six months of the final year for which the licence has effect.
- (3) The application must specify such information, and be in such form, as the local authority may determine.
- (4) Before determining whether to grant the application, the local authority must arrange for a veterinary surgeon to inspect the premises specified in the licence to determine whether the licensing standards would continue to be met if the application were granted. 20
- (5) If following an inspection under subsection (4) the local authority is satisfied that, if the application were granted, all the licensing standards would continue to be met, the local authority must grant the application and renew the licence for a further period of six years. 25
- (6) If following an inspection under subsection (4) the local authority –
 - (a) is not satisfied that a licensing standard would continue to be met, but 30
 - (b) considers that, if the applicant were to take certain steps, that standard would be met within a reasonable time after the licence was renewed, the local authority must grant the application and renew the licence for a further period of six years subject to such rectification conditions as the local authority may determine. 35
- (7) In any other circumstances the local authority must refuse the application.
- (8) For the purposes of subsections (5) and (6) a local authority may take into account –

- (a) any previous failure by the applicant to meet the licensing standards, and
 - (b) any other conduct of the applicant that is relevant.
- (9) See also Schedule 3 (representations and appeals).
- (10) Where a primate licence is renewed under this section, the renewal has effect from the end of the six-year period for which it previously had effect. 5
- (11) A primate licence may be renewed under this section any number of times.

9 Death of licence-holder

- (1) This section applies where the holder of a primate licence dies during the period for which the licence has effect. 10
- (2) The licence is deemed to be granted to the licence-holder's personal representatives.
- (3) If the personal representatives do not notify the local authority of the death within the period of 28 days beginning with the date of death, the licence deemed to be granted under subsection (2) expires at the end of that period. 15
- (4) If the personal representatives do notify the local authority of the death within that 28-day period –
- (a) the licence deemed to be granted to them expires at the end of the period of three months beginning with the date of the licence-holder's death, 20
 - (b) the local authority may on application by the personal representatives extend the period for which the licence has effect for a further period of up to three months if satisfied that it is appropriate to do so in all the circumstances, and
 - (c) if before the time when the licence would otherwise expire by virtue of paragraph (a) or (b) any of the personal representatives applies for a new licence under section 4, the licence continues to have effect until the application is determined. 25

10 Inspections of licensed premises 30

- (1) A local authority that has granted a primate licence –

- (2) A rectification notice must –
 - (a) state that the local authority considers that the licence-holder is failing to meet a licensing standard, and why,
 - (b) specify the steps that the local authority considers the licence-holder needs to take to meet the standard, 25
 - (c) specify a period not exceeding two years for the taking of those steps (“the rectification period”), and
 - (d) explain the effect of subsection (3).
- (3) Where a licence-holder is given a rectification notice –
 - (a) no proceedings for an offence under section 12 may be instituted, and no fixed penalty notice under Schedule 2 relating to such an offence may given, before the end of the rectification period in respect of the non-compliance which gave rise to the notice or any continuation of it, and 30
 - (b) if the steps specified in the notice are taken before the end of the rectification period, no such proceedings or notice may be instituted or given in respect of the non-compliance which give rise to the notice or any continuation of it prior to the taking of those steps. 35

- 8 A person taken on to the premises under paragraph 6(b) may exercise any power conferred on an inspector by paragraph 7 if the person is in the company and under the supervision of an inspector exercising a power of entry. 25
