Clause 1, page 2, line 3, leave out subsection (4) and insert—

“(4) The second condition is that the service in question is—

- (a) pensionable service under a Chapter 1 legacy scheme,
- (b) pensionable service under a Chapter 1 new scheme that would have been pensionable service under a Chapter 1 legacy scheme but for the person’s failure to meet a condition relating to the person’s attainment of normal pension age, or another specified age, by a specified date, or
- (c) excess teacher service.

The second condition is met if all of the service in question falls within paragraphs (a) to (c) (even if it does not all fall within only one of those paragraphs).”

Member’s explanatory statement

This amendment updates the second condition in clause 1 so that it catches “excess teacher service” (a definition of which is inserted into clause 98 by a separate amendment) and clarifies that service meets that condition even if it falls within more than one of paragraphs (a) to (c).

Mr Simon Clarke

3

Clause 1, page 2, line 37, at end insert “, or

- (c) is, as a result of a local government contracting-out transfer, pensionable service under a pension scheme that offers pension arrangements that are broadly comparable with those offered to the person before the transfer.”

To move the following Clause—

“Operation of employer cost cap in relation to 2016/17 valuation

- (1) The requirement in provision made under section 12(5)(a) of PSPA 2013 that the cost of a section 1 scheme must remain within a margin above the employer cost cap of the scheme does not apply, and is treated as never having applied, in relation to the cost of the scheme that is calculated by reference to the scheme’s 2016/17 valuation.
- (2) Accordingly, provision made under section 12(6) of that Act does not apply, and is treated as never having applied, in relation to a case in which the cost of a section 1 scheme that is calculated by reference to the scheme’s 2016/17 valuation goes beyond a margin above the employer cost cap of the scheme.
- (3) In subsections (1) and (2) and this subsection—
 - (a) “section 1 scheme” means a scheme under section 1 of PSPA 2013;
 - (b) “the employer cost cap”, in relation to a section 1 scheme, has the same meaning as in section 12 of PSPA 2013;
 - (c) a reference to a section 1 scheme’s “2016/17 valuation” is to the scheme’s valuation under section 11 of PSPA 2013 the effective date of which is a date in 2016 or 2017.
- (4) The requirement in provision made under section 12(5)(a) of PSPA(NI) 2014 that the cost of a section 1 scheme must remain within a margin above the employer cost cap of the scheme does not apply, and is treated as never having applied, in relation to the cost of the scheme that is calculated by reference to the scheme’s 2016/17 valuation.
- (5) Accordingly, provision made under section 12(6) of that Act does not apply, and is treated as never having applied, in relation to a case in which the cost of a section 1 scheme that is calculated by reference to the

scheme's 2016/17 valuation goes beyond a margin above the employer cost cap of the scheme.

- (6) In subsections (4) and (5) and this subsection—
- (a) "section 1 scheme" means a scheme under section 1 of PSPA(NI) 2014;
 - (b) "the employer cost cap", in relation to a section 1 scheme, has the same meaning as in section 12 of PSPA(NI) 2014;
 - (c) a reference to a section 1 scheme's "2016/17 valuation" is to the scheme's valuation under section 11 of PSPA(NI) 2014 the effective date of which is a date in 2016 or 2017.
- (7) The actuarial valuation with an effective date of 31 March 2016 that was signed on 18 December 2018 under regulation 123 of the Local Government Pension Scheme Regulations (Northern Ireland) 2014 (S.R. (N.I.) 2014 No. 188) is of no effect."

Member's explanatory statement

This new clause reproduces, with technical changes, the effect of subsections (4), (8) and (9) of clause 86 as it currently stands in the Bill.

NC3

To move the following Clause—

"Meaning of "remediable service"

- (1) For the purposes of this Chapter any continuous period of service of a person in an employment or office is "remediable service" in that employment or office if the following four conditions are met.
- (2) In this section "the service in question" means the service mentioned in subsection (1).
- (3) The first condition is that the service in question takes place in the period—
 - (a) beginning with the day after the closing date, and
 - (b) ending with 31 March 2022 or, if earlier, the person's legacy scheme normal pension age.
- (4) The second condition is that the service in question is pensionable service under a local government new scheme (including where the service is excess teacher service that is so pensionable by virtue of section 2(1)).
- (5) The third condition is that the person was, on 31 March 2012 or any earlier day, in pensionable service under—
 - (a) a Chapter 1 legacy scheme (within the meaning of Chapter 1),
 - (b) a judicial legacy scheme (within the meaning of Chapter 2), or
 - (c) a local government legacy scheme.
- (6) The fourth condition is that there is no disqualifying gap in service falling within the period—
 - (a) beginning with the day after the most recent day in relation to which the third condition is met, and

- (b) ending with the day before the first day of the service in question.

(7) In subsection (3)—

“the closing date” means—

- (a) 31 March 2014 in relation to service which is pensionable service under regulations under section 7 of SA 1972 which relate to persons in England and Wales;
- (b) 31 March 2015 in relation to service which is pensionable service under any other local government new scheme;

“legacy scheme normal pension age” means the person’s normal pension age under the pension scheme in relation to which the third condition is met.

- (8) In subsection (6) “disqualifying gap in service” means a period longer than 5 years at no time during which is the person in service in an employment or office which—
 - (a) is pensionable service under—
 - (i) a Chapter 1 scheme (within the meaning of Chapter 1),
 - (ii) a judicial scheme (within the meaning of Chapter 2), or
 - (iii) a local government scheme,
 - (b) is, as a result of a Fair Deal transfer, pensionable service under a Fair Deal scheme, or
 - (c) is, as a result of a local government contracting-out transfer, pensionable service under a pension scheme that offers pension arrangements that are broadly comparable with those offered to the person before the transfer.”

Member’s explanatory statement

This new clause replaces clause 77 and refines the “remediable service” definition. Amongst other things, it ensures that the Chapter 3 remedy is available for persons in pensionable service under a legacy scheme on or before 31 March 2012 and those transferred to the private sector under certain arrangements.

To move the following Clause—

“Power to pay final salary benefits

- (1) Scheme regulations for a local government new scheme may make provision under which the benefits payable under the scheme, so far as they are determined by reference to a member’s remediable service in any employment or office, are final salary benefits.
- (2) The reference in subsection (1) to remediable service includes—
 - (a) remediable service within the meaning of Chapter 1 that has been transferred in from a Chapter 1 scheme, and
 - (b) remediable service within the meaning of Chapter 2 that has been transferred in from a judicial scheme.

- (3) Scheme regulations made by virtue of subsection (1) may, in particular, include provision under which final salary benefits are only payable under the scheme to or in respect of a person who has service in multiple employments or offices if—
 - (a) so much of the service as is otherwise pensionable under another local government scheme, or under a Chapter 1 scheme or a judicial scheme, is transferred in to the scheme, or
 - (b) the service is aggregated for the purposes of determining those benefits.
- (4) Scheme regulations for a local government new scheme may make provision under which the benefits payable under the scheme, so far as they are determined by reference to a member's final salary transferred-in service in any employment or office, are final salary benefits.
- (5) For the purposes of subsection (4) a member's service in an employment or office is "final salary transferred-in service" if—
 - (a) the service has been transferred in from another pension scheme, and
 - (b) before the transfer, the benefits payable under that other scheme, so far as determined by reference to the service, were final salary benefits.
- (6) Except as provided by the preceding provisions of this section, scheme regulations for a local government new scheme may not make provision under which the benefits payable under the scheme that are determined by reference to a member's pensionable service in an employment or office are final salary benefits."

Member's explanatory statement

This amendment replaces clause 78 with a new clause which enables a local government new scheme pay final salary benefits in a wider range of cases. It also clarifies that the scheme may require a person to transfer in or aggregate their service in order to receive final salary benefits.

To move the following Clause—

"Section (*Power to pay final salary benefits*): transitional provision

- (1) Any provision of scheme regulations that—
