Schedule 7, page 169, line 7, at end insert—

- “(7) If the qualifying lease is a shared ownership lease, the right to a peppercorn rent applies only in relation to rent payable in respect of the tenant’s share in the demised premises (and, accordingly, any rent which is payable in respect of the landlord’s share in the demised premises is not affected by this Schedule).
- (8) For that purpose, if the qualifying lease does not reserve separate rents in respect of the tenant’s share in the demised premises and the landlord’s share in the demised premises, any rent reserved is to be treated as reserved in respect of the landlord’s share.
- (9) In this paragraph—
 - (a) “shared ownership lease” means a lease of premises—
 - (i) granted on payment of a premium calculated by reference to a percentage of the value of the premises or of the cost of providing them, or
 - (ii) under which the tenant (or the tenant’s personal representatives) will or may be entitled to a sum calculated by reference, directly or indirectly, to the value of the premises;
 - (b) in relation to a shared ownership lease—
 - (i) “tenant’s share” means the tenant’s initial share in the premises demised by the lease, plus any additional share or shares in those demised premises which the tenant has acquired;
 - (ii) “landlord’s share” means the share in the premises demised by the lease which is not comprised in the tenant’s share.”

Member's explanatory statement

This provides that, where the rent under a shared ownership lease is reduced under Schedule 7 to the Bill, only the rent payable in respect of the tenant’s share will be reduced to a peppercorn rent.

Gov 70

Schedule 7, page 173, line 16, after “payable” insert “(whether or not any shares of the premium that may be payable under paragraph 8(8A) have been determined)”

Member's explanatory statement

This makes clear that it is not necessary for shares of the premium (where there are intermediate landlords) to have been calculated for the rent variation notice to be enforceable.

Secretary Michael Gove

Gov 71

Schedule 7, page 174, line 36, at end insert—

“(8A) Each eligible landlord is entitled to be paid a share of the required premium (see paragraph 7).

(8B) An eligible landlord’s share of the required premium is to be determined using this formula—

$$\text{required premium} \times \frac{\text{loss suffered by the eligible landlord}}{\text{total losses suffered by all eligible landlords}}$$

where the loss suffered by an eligible landlord is the loss which that landlord suffers as a result of the relevant reduction in the rent of the lease by virtue of which they are an eligible landlord (taking into account any relevant reduction in the rent of a lease of which they are the tenant).”

Member's explanatory statement

This would enable the premium payable for a rent reduction to be divided among the various landlords where there are leases that are superior to the lease in respect of which the rent variation notice is given.

Gov 72

Schedule 7, page 174, line 37, at end insert—

“Jurisdiction of the appropriate tribunal in relation to paragraph 8

- 8A (1) The appropriate tribunal may determine any matter arising under paragraph 8 (reduction of rent under intermediate leases on grant of a new lease), including what rent under an intermediate lease is apportioned to the qualifying property (see paragraph 2(6)).
- (2) In relation to paragraph 8—
- (a) if the landlord under a qualifying intermediate lease cannot be found or their identity cannot be ascertained, the appropriate tribunal may make such order as it thinks fit, including—
 - (i) an order dispensing with the requirement to give notice under paragraph 8(3) to that landlord, or
 - (ii) an order that such a notice has effect and has been properly served even though it has not been served on that landlord;
 - (b) make an order appointing a person to vary a lease in accordance with paragraph 8 on behalf of the landlord or tenant;
 - (c) if the appropriate tribunal makes a determination that a notice under paragraph 8(3) was of no effect, it may—
 - (i) determine whether another landlord or tenant could have given such a notice, and
 - (ii) if it determines that they could have done so, order that paragraph 8 is to apply as if they had done so.
- (3) The variation of a lease on behalf of a party in consequence of an order under sub-paragraph (2)(b) has the same force and effect (for all purposes) as if it had been executed by that party.”

Member's explanatory statement

This gives the appropriate tribunal jurisdiction in relation to disputes and other matters arising in relation to paragraph 8.

- (10) The court or the appropriate tribunal may order the immediate landlord to pay to any affected other landlord the costs, or a contribution to the costs, incurred by that affected other landlord in obtaining from the appropriate

tribunal money that has been paid into it in compliance with a requirement imposed under sub-paragraph (6)(c) if—
