To move the following Clause—

“Review of effective delivery

- (1) The Secretary of State must appoint an independent person to carry out reviews of the effectiveness of Great British Energy in—
 - (a) delivering its objects under section 3,
 - (b) meeting its strategic priorities under section 5, and
 - (c) complying with any directions given under section 6.
- (2) After each review, the independent person must—
 - (a) prepare a report of the review, and
 - (b) submit the report to the Secretary of State, as soon as is reasonably practicable after the completion of the review.
- (3) The independent person must submit to the Secretary of State—
 - (a) the first report under this section within the period of 12 months beginning on the day on which this Act comes into force, and
 - (b) subsequent reports at intervals of no more than 12 months thereafter.
- (4) On receiving the report, the Secretary of State must, as soon as is reasonably practicable in each case—
 - (a) publish the report,

- (b) lay a copy of the report before Parliament, and
 - (c) prepare and lay before Parliament a response to the report's findings.
- (5) In this section, references to an "independent person" are to a person who appears to the Secretary of State to be independent of—
- (a) the Secretary of State, and
 - (b) Great British Energy."

☆ To move the following Clause—

"Nature Recovery Duty

- (1) In exercising its functions, Great British Energy must take all reasonable steps to contribute to the achievement of targets set under sections 1–3 of the Environment Act 2021.
- (2) Under the duty set under subsection (1), Great British Energy must consider opportunities to incorporate nature-based solutions in—
 - (a) the design and maintenance of any assets in its ownership, and
 - (b) its investment decisions."

Member's explanatory statement

This new clause would give Great British Energy a new duty, requiring it to contribute to the achievement of Environment Act targets. The duty specifies the incorporation of nature-based solutions (including nature friendly design and building measures) in all assets owned by and invested in by Great British Energy.

☆ To move the following Clause—

"Prohibition of investments which would increase greenhouse gas emissions

- (1) Prior to making any investment, Great British Energy must publish an assessment of the impact of the investment decision on—
 - (a) greenhouse gas emissions and
 - (b) the production or combustion of fossil fuels.
- (2) Where the assessment carried out under subsection (1) showed that the investment was expected to contribute to an increase in greenhouse gas emissions, Great British Energy must not make that investment."

Member's explanatory statement

This new clause would require Great British Energy to publish an assessment of potential investments on greenhouse gas emissions and the production or combustion of fossil fuels. Any investment which the assessment showed was expected to increase greenhouse gas emissions would be prohibited.
