BE IT ENACTED by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART 1**FUNCTIONS EXERCISABLE ON BEHALF OF
PUBLIC AUTHORITIES****CHAPTER 1****KEY CONCEPTS** 5**1 Core functions of the Minister for the

 - (d) providing support to public authorities in relation to preventing and tackling fraud against them. 20
- (2) The amounts are—
- (a) payments made as a result of fraud or error that—
 - (i) the Minister has identified or confirmed during the course of an investigation in respect of 25

- suspected fraud against a public authority, and
 - (ii) the public authority is entitled to recover,
 - (b) any other amount that a public authority is entitled to recover in respect of fraud, and 5
 - (c) any interest that a public authority is entitled to recover in respect of an amount within paragraph (a) or (b). 10
- (3) In this Part, amounts within subsection (2) are referred to as “recoverable amounts”.

2 Interaction with other public authorities etc

- (1) The Minister is to— 15
 - (a) investigate or take enforcement action in respect of suspected fraud against another public authority, or

 - (a) the Secretary of State with responsibility for social security, or 25
 - (b) His Majesty’s Revenue and Customs.

- (3) The Minister may charge another public authority a fee in relation to the exercise of functions under this Part on behalf of, or in relation to, the public authority.
- (4) References in this Part to any public authority include the Minister in any case relating to—
 - (a) fraud or suspected fraud against the Minister, or
 - (b) the recovery of money for the Minister. 10
- (5) Nothing in this Part affects—
 - (a) whether a public authority is entitled to recover an amount, or
 - (b) functions that a public authority has in respect of fraud and the recovery of money, 15otherwise than by virtue of this Part.

CHAPTER 2

Information 20

3 Information notices

- (1) The Minister may require a person (“P”) to give specified information to the Minister where the Minister considers that—

- (a) it is necessary and proportionate to do so for the purpose of exercising the Minister's functions under section 1(1)(a) to (c), and
 - (b) the information relates to a person (whether or not P) whom the Minister has reasonable grounds to suspect has committed fraud against a public authority. 5
- (2) The power conferred by subsection (1) is to be exercised by giving P a notice (an "information notice"). 10
- (3) An information notice must identify (by name or description) the person suspected of having committed fraud as mentioned in subsection (1)(b). 15
- (4) An information notice must set out—
 - (a) how, where and the period within which the information must be given to the Minister in order for the recipient of the notice to avoid being liable to a penalty under section 53; 20
 - (b) information about the consequences of not complying with the notice.
- (5) The period mentioned in subsection (4)(a) must not be less than 10 working days beginning with the day after the day on which the information notice is given. 25

- (a) take copies of or extracts from information; 5
 - (b) require P to provide information in a specified form;
 - (c) require P to retain information that P would not otherwise retain;
 - (d) if any specified information is not given to the Minister, require P to state, to the best of P’s knowledge and belief, both where that information is and why it has not been given to the Minister. 10
- (7) An information notice under this section may not require the giving of— 15
- (a) excluded material, or
 - (b) special procedure material, within the meaning of the Police and Criminal Evidence Act 1984 (see sections 11 to 14 of that Act; see section 7(2)(b) of this Act for provision about production orders). 20

- (6) Where an information notice is upheld or varied on a review, the period mentioned in section 3(4)(a) is to be treated as beginning on the day after the day on which the outcome of the review is notified to the person to whom the information notice was given. 5

5 Information sharing

CHAPTER 3

RIGHTS TO RECOVER 10

Recovery of recoverable amounts

10 Acting for another public authority

- (1) The Minister may act under this Part on behalf of another public authority in relation to the recovery of a recoverable amount, including by— 15
- (a) bringing or continuing proceedings in a court or tribunal for an amount (a “claimed amount”) which the Minister reasonably believes to be a recoverable amount, and 20
 - (b) exercising the powers in Chapter 4 to recover a recoverable amount.
- (2) Where the Minister recovers an amount under this Part on behalf of another public authority, the Minister must transfer that 25

amount to the public authority unless the public authority agrees that the Minister may retain some or all of the amount.

11 Recovery notices

- (1) Before bringing proceedings in a court or tribunal for a claimed amount on behalf of another public authority, the Minister must give the person from whom the Minister reasonably believes the amount is recoverable (the “liable person”) a notice (a “recovery notice”). 5 10
- (2) A recovery notice must—
- (a) state that the Minister intends to bring proceedings for the claimed amount,
 - (b) state the amount of the claimed amount, 15
 - (c) provide the Minister’s reasons for believing that amount to be a recoverable amount,
 - (d) invite the liable person to discharge the person’s liability in respect of the claimed amount by agreement with the Minister, and set out how this can be done, 20
 - (e) set out the further action that may be taken by the Minister under this Part in respect of the claimed amount, including if the liable person’s liability 25

- for the amount is not settled by agreement, and
- (f) state a period during which the Minister will not bring proceedings for the claimed amount in order to give the liable person an opportunity to settle their liability in respect of the claimed amount by agreement. 5
- (3) The period mentioned in subsection (2)(f) must not be less than 28 days beginning with the day after the day on which the recovery notice is given. 10
- (4) The giving of a recovery notice has effect as the bringing of an action for the recovery of a claimed amount for the purposes of any time limit that would apply in relation to that amount. 15

12 Restriction on availability of powers

- The Minister may use the methods of recovery in Chapter 4 to recover a claimed amount from a liable person only so far as— 20
- (a) the liable person agrees, or
- (b) there has been a final determination by a court or tribunal, 25
- that the amount is a recoverable amount.

Recovery of other amounts

13 Penalties etc

- (1) The Minister may exercise the powers in Chapter 4 to recover amounts due in respect of— 5
- (a) a penalty under Chapter 5, and
 - (b) relevant costs.
- (2) For the purposes of this Part, references to—
- (a) an “amount due in respect of a penalty under Chapter 5” include late payment interest due in respect of a penalty (see section 61), and 10
 - (b) “relevant costs” are to—
 - (i) costs that are awarded by a court or tribunal on or in relation to a claim for a recoverable amount, and 15
 - (ii) costs that are reasonably incurred by the Minister in exercising the powers in Chapter 4. 20

14 Restriction on availability of powers

The Minister may exercise the powers in Chapter 4 to recover an amount due in respect of a penalty only when— 25

- (a) the time for appealing against the penalty has passed without an appeal being brought (see section 60), or
 - (b) any appeal against the penalty has been finally determined (see section 70(3)).
- 5

CHAPTER 4

METHODS OF RECOVERY

Introduction

15 Payable amounts 10

In this Part, references to a “payable amount” are to—

- (a) a recoverable amount (see section 1(3)), or
 - (b) an amount within section 13(1).
- 15

Recovery as if payable under a court order

16 Recovery orders

- (1) The Minister may apply to the county court for a recovery order in respect of a payable amount. 20
- (2) A recovery order is an order providing that the payable amount is recoverable—
 - (a) under section 85 of the County Courts Act 1984, or

- (b) otherwise as if it were payable under an order of the court.

*Recovery from bank accounts etc***17 Direct deduction orders**

- (1) Where a payable amount is recoverable from a liable person who holds an account with a bank, the Minister may make an order (a “direct deduction order”) in respect of that account. 5
- (2) A direct deduction order must be given to the bank with which the account is held. 10
- (3) A direct deduction order may be—
 (a) a regular direct deduction order, or
 (b) a lump sum direct deduction order.
- (4) A regular direct deduction order is an order requiring the bank—
 (a) to make regular deductions from the liable person’s account, and
 (b) to pay the amounts deducted to the Minister. 15
 20
- (5) A lump sum direct deduction order is an order requiring the bank—
 (a) to deduct from the liable person’s account an amount specified in the order, and
 (b) to pay that amount to the Minister. 25

- (6) The Minister may give a regular direct deduction order and a lump sum direct deduction order in respect of the same account.
- (7) The Minister must give a copy of a direct deduction order to—
 - (a) the liable person, and
 - (b) in the case of a joint account, each of the other account holders.
- (8) Sections 19 to 21 set out steps that the Minister must take before making a direct deduction order.

18 Accounts which may be subject to a direct deduction order

- (1) The Minister may make a direct deduction order in respect of any account which—
 - (a) is held by a liable person, and
 - (b) contains an amount in which the Minister considers the liable person has a beneficial interest.
- (2) The Minister may make a direct deduction order in respect of a joint account only if the liable person does not hold a sole account in respect of which a deduction order may be made which would be likely to result in the recovery of the payable amount within a reasonable period of time.

- (3) But sub-paragraph (2) does not apply if all the joint account holders are liable persons in relation to the same payable amount.

19 Requirement for banks to provide information

5

- (1) Before the Minister makes a direct deduction order in respect of a liable person's account, the Minister must obtain and consider bank statements for the account covering a period of at least three months. 10
- (2) To obtain the statements, the Minister must give the bank with which the Minister believes the liable person holds the account a notice (an "account information notice") requiring the bank to give the Minister statements for the account covering— 15
- (a) the three months immediately before the notice is given, or
- (b) such longer period, ending immediately before the notice is given, as may be specified in the notice. 20
- (3) An account information notice must— 25
- (a) contain the name of the liable person, and
- (b) identify the account (for example, by number and sort code).

- (4) The Minister may give an account information notice relating to an account only for the purpose of determining whether to make a direct deduction order in respect of the account. 5

- (5) At any time, for the purposes of determining whether to make a direct deduction order in relation to a liable person, the Minister may give a notice (a “general information notice”) to a bank requiring the bank to— 10
 - (a) identify every account that the liable person holds with the bank,
 - (b) for each identified account, give the Minister the following information— 15
 - (i) a description of the type of account,
 - (ii) identifiers for the account,
 - (iii) if the account is a sole account, the balance of the account at the time that it is identified, and
 - (iv) if the account is a joint account, the name of each other account holder, and 20
 - (c) give the Minister—
 - (i) the correspondence address that the bank holds for the liable person, and 25
 - (ii) in the case of a joint account, the correspondence address that the

bank holds for each other account holder.

- (6) The Minister may give—
- (a) more than one account information notice, or general information notice, in relation to the same payable amount; 5
 - (b) more than one account information notice in respect of the same account.
- (7) A notice under this section must—
- (a) set out how and when the bank is to comply with the notice, and 10
 - (b) explain that the bank may be liable to a penalty under section 53 if it fails to do so without reasonable excuse.
- (8) The bank must comply with a notice given under this section. 15
- (9) A bank that is given an account information notice, or a general information notice, must not notify any of the following people that the notice has been given— 20
- (a) the liable person,
 - (b) any other holder of the account in respect of which an account information notice is given;
 - (c) any other holder of an account identified in accordance with a general information notice. 25

- (10) Information given to the Minister in response to a notice under this section may be used by the Minister for the purpose of exercising the core functions but not for any other purpose.

5

20 Joint accounts

- (1) Before making a direct deduction order in respect of a joint account, the Minister must make an assessment of the liable person's beneficial interest in the amounts which are or may be in the account from time to time.

10

- (2) The Minister must presume that the liable person's beneficial interest entitles them to the following share in the amounts which are or may be in the account from time to time—

15

$$\frac{1}{N}$$

where "N" is the number of account holders.

- (3) But the presumption does not apply where the Minister has reason to believe that the liable person's beneficial interest is different from the presumed share.

20

- (4) In making an assessment under subsection (1), the Minister must have regard to—

- (a) the bank statements obtained for the account under section 19, and
- (b) any responses to a notice under section 21.

21 Further requirements before making a direct deduction order 5

- (1) Before making a direct deduction order, the Minister must give the bank where the account in question is held, the liable person, and, in the case of a joint account, each of the other account holders, a notice—
 - (a) identifying the account that would be subject to the proposed order, 10
 - (b) stating the amount that would be recoverable under the proposed order, 15
 - (c) setting out the terms of the proposed order, and
 - (d) if the account is a joint account, setting out the Minister’s duty to make an assessment as to the liable person’s beneficial interest and the presumption that applies (see section 20). 20
- (2) The notice must invite the liable person and, in the case of a joint account, each other account holder— 25
 - (a) to make representations about the terms of the proposed order, and

- (b) in the case of a joint account, to make representations about the liable person's beneficial interest in amounts in the account.
- (3) The notice must set out the means by which, and the period within which, representations may be made. 5
- (4) The period must be at least 28 days beginning with the day after the day on which the notice is given. 10
- (5) The Minister must—

(b) in consequence of the misrepresentation or failure, P or another person receives a non-benefit payment, or an amount of a non-benefit payment, (whether directly or indirectly) that they would not otherwise have received, and the “overpayment” is that payment or amount. 20

or

 - (d) set out P’s right to seek a review of the notice and the right to appeal

the outcome of that review (see section 71ZK).

- (b) recover the overpayment (if P agrees to pay such a penalty, or is convicted of an offence, in relation to the overpayment). 10

Power to require information by way of an eligibility verification notice

- 1 (1) The Secretary of State may, for the purposes of identifying, or assisting in identifying, incorrect payments of a relevant benefit, give a person of a type mentioned in paragraph 2 a notice (an “eligibility verification

notice”) requiring the person to take the following steps.

- (2) The first step is to identify relevant accounts (see paragraph 20(1)) which—
 - (a) the person provides, and
 - (b) are accounts—
 - (i) into which a specified relevant benefit has been paid, or are accounts linked to such accounts, and
 - (ii) which meet specified criteria (“eligibility indicators”) whether alone or with other accounts within paragraph (a) and sub-paragraph (i) of this paragraph.
- (3) The second step is to give to the Secretary of State the following information for each identified account—
 - (a) specified details about the account (for example, sort code and account number),
 - (b) specified details about the account holders (for example, their names and dates of birth), and

- (c) specified details about how the account meets the eligibility indicators.
- (4) Information that amounts to transaction information or special category data—
 - (a) may not be required by the Secretary of State by way of an eligibility verification notice, and
 - (b) must not be given to the Secretary of State in response to such a notice.
- (5) But the prohibition against the requiring and giving of special category data does not prohibit the requiring and giving of data to establish that an individual is in receipt of the specified relevant benefit.
- (6) A person given an eligibility verification notice is not required to carry out the steps set out in sub-paragraphs (2) and (3) in relation to any account that is held outside the United Kingdom.
- (7) In this paragraph the reference to an account which is linked to an account into which a specified

relevant benefit is paid is to an account held by the same person who holds the account into which that benefit is paid.

- (8) In this Schedule, references to an incorrect payment of a benefit—
- (a) are references to a payment of an amount in respect of that benefit which is not equal to the amount for which the benefit recipient is eligible, and
 - (b) include references to payments that have been made or that may be made.

- 2 (1) The types of persons referred to in paragraph 1(1) are persons—
- (a) to whom sub-paragraph (2) applies, or
 - (b) who are described in regulations.
- (2) This sub-paragraph applies to persons who—
- (a) are authorised—
 - (i) to accept deposits, or
 - (ii) to issue electronic money, and

- (b) in the course of that activity, provide relevant accounts into which a relevant benefit may be paid.
- (3) Regulations under sub-paragraph (1)(b) may describe only types of person who provide accounts which are, or correspond to, relevant accounts (including accounts that operate by reference to cryptoassets or any similar asset).

- (5) For the purposes of sub-paragraph (2)(a)(i) —
 - (a) the reference to accepting deposits is to carrying on the regulated activity of accepting deposits for the purposes of the Financial Services and Markets Act 2000 (see section 22 of that Act and article 5 of the Financial Services and Markets Act 2000 (Regulated Activities) Order 2001 (S.I. 2001/544)), and
 - (b) a person is authorised to accept deposits if they are an

authorised person or an exempt person in relation to the carrying on of that activity for the purposes of the Financial Services and Markets Act 2000.

- (6) For the purposes of sub-paragraph (2)(a)(ii), a person is authorised to issue electronic money if the person—
- (a) is an electronic money institution, and
 - (b) the person is authorised or registered under Part 2 of the Electronic Money Regulations 2011 (S.I. 2011/99) in relation to carrying on the activity of issuing electronic money.
- (7) In this paragraph, “electronic money” and “electronic money institution” have the meanings given by regulation 2(1) of those Regulations (and references to the issue of electronic money are to be construed in accordance with those Regulations).

Eligibility indicators

- 3(1) The eligibility indicators in an eligibility verification notice must be

criteria which indicate that the specified relevant benefit may have been, or may be, incorrectly paid.

- (3) The eligibility indicators must not include personal data.

 - (b) the right to appeal against the notice under paragraph 14, and

- (c) the penalties that may be imposed under Part 2 of this Schedule.
- (4) An eligibility verification notice (a “periodic eligibility verification notice”) may require a person to take the steps set out in paragraph 1(2) and (3) at specified intervals within a period not exceeding one year from the date of the notice.
- (5) If it does so, the eligibility verification notice must set out the periods within which the person must comply with the eligibility verification notice for each specified interval.
- (6) Each such period must not be less than 14 days.
- (7) An eligibility verification notice may not require a person to examine historic data, except for the purpose set out in sub-paragraph (9).

- (2) But the powers conferred, and the requirements imposed, by the Schedule are to be taken into account in determining whether the processing of information would contravene the data protection legislation.
- (3) Any processing of information carried out in accordance with this Schedule (as read subject to sub-paragraph (1)) does not breach—
- (a) any obligation of confidence owed by the person processing the information, or
 - (b) any other restriction on the processing of information (however imposed).

PART 2

- 1 (1) Where, on an application by an authorised investigator, a sheriff is satisfied that the condition in sub-paragraph (3) is met, the sheriff may grant a specific premises warrant.
- (2) A specific premises warrant is a warrant to exercise the powers described in paragraph 2 in relation to premises specified in the application.
- (3) The condition in this sub-paragraph is that there are reasonable grounds for believing—
 - (a) that a DWP offence which is an indictable offence has been committed,

- (b) there is material on premises to which the application relates which is likely to be of substantial value (whether by itself or with other material) to the investigation of the offence,
- (c) the material is likely to be relevant evidence,
- (d) the material does not consist of or include items subject to legal privilege, excluded material or special procedure material, and
- (e) any of the following applies—
 - (i) it is not practicable to communicate with a person entitled to grant entry to the premises;
 - (ii) it is not practicable to communicate with a person entitled to grant access to the material (if different from the person entitled to grant entry);
 - (iii) entry to the premises will not be granted unless a warrant is produced;
 - (iv) the purpose of a search may be frustrated or seriously prejudiced unless an

authorised investigator arriving at the premises can secure immediate access to them.

- (4) The power to issue a warrant under paragraph 1 is in addition to any other power to issue a warrant in relation to entry to or search of premises.

Powers exercisable under a warrant

- 2(1) The powers granted by a warrant under paragraph 1 are powers to—
- (a) enter the premises;
 - (b) search the premises;

 - (d) seize any document, equipment or other item or material on the premises and remove it;

information contained in or accessible by means of any such document, equipment, item or material;

(f) require any person on the premises to provide information or assistance for the purpose of—

(i) enabling or facilitating the exercise of the powers described in paragraphs (a) to (e), or

(ii) allowing anything inspected, seized or recorded in the exercise of those powers to be better understood.

(2) A person may exercise those powers only so far as the person considers it necessary to do so for the purposes of investigating a DWP offence.

(3) A person may not exercise the power to seize and remove an item unless the person considers that exercising the power to take a copy or record it would be insufficient.

(4) A person may not exercise the power to seize and remove an item subject to legal privilege, excluded

material or special procedure material.

- (5) The powers granted by a warrant under paragraph 1 may be subject to conditions or limitations.

Execution of warrants

3 (1) A warrant under paragraph 1 may be executed by any authorised investigator.

(2) An authorised investigator may take other persons, equipment and materials onto the premises for the purposes of assisting in the exercise of the powers granted by the warrant.

(3) A person so taken onto the premises may also exercise the powers granted by the warrant if the person is in the company, and under the supervision, of an authorised investigator.

(4) The powers granted by a warrant under paragraph 1 may be exercised—

(a) only at a reasonable hour, unless it appears to the investigator executing the

- warrant that the purpose of a search may be frustrated on an entry at a reasonable hour, and
- (b) only within the period of three months beginning with the day on which it is issued.
- (5) When premises are entered in reliance on a warrant under paragraph 1, the authorised investigator executing the warrant—
- (a) must give a copy of the warrant to any person appearing to be in charge of the premises at the earliest opportunity (if possible before entering the premises);
 - (b) if no such copy is given during the period of entry on the premises, must leave a copy of the warrant in a prominent place on the premises;
 - (c) must produce, on request by any person appearing to be in charge of the premises, proof of the person's identity and status as an authorised investigator;
 - (d) if no person appearing to be in charge of the premises is present when the person executing the warrant is on the

premises, must leave the premises as effectively secured against trespassers as that person found them.

- (6) A person exercising powers granted by a warrant under paragraph 1 may use reasonable force if necessary, except to enforce the requirement described in paragraph 2(1)(f).

Seizure of items

- 4 (1) This section applies where a person exercises the power of seizure and removal described in paragraph 2(1)(d).
- (2) The person must, on request by any person appearing to be in charge of the premises—
- (a) give a receipt for the thing seized, and
 - (b) in the case of a document readily capable of being copied, give a copy of it.
- (3) The thing seized may be retained in the possession of the Secretary of State for so long as the Secretary of State considers necessary for the purposes of investigating any DWP

offence (irrespective of the purpose for which it was initially obtained).

- (4) For any such purpose, a person acting on behalf of the Secretary of State may—
 - (a) examine the thing seized (using reasonable force if necessary), and
 - (b) record (in whatever form) any information obtained from the thing seized.
- (5) Sub-paragraph (6) applies where—
 - (a) an item has been seized and removed, and
 - (b) a person who had custody or control of the item before it was seized, or a person acting on behalf of such a person, requests access to it.
- (6) An authorised investigator must give the person access to the item under the investigator's supervision, unless the investigator has reasonable grounds for believing that doing so would prejudice—
 - (a) an investigation of a DWP offence, or

- (b) criminal proceedings relating to a DWP offence.

Return of warrant etc

- 5 (1) If a warrant under paragraph 1 is executed, the person who executed it must return it to the court from which it was issued as soon as reasonably practicable with an endorsement summarising the exercise of the powers in paragraph 2.
- (2) If a warrant under paragraph 1 is not executed, the Secretary of State must return it to the court from which it was issued as soon as reasonably practicable with an endorsement stating that it was not executed.
- (3) A warrant must be retained for 12 months by the court to which it is returned.

Authorised investigators

- 6 (1) In this Schedule, an authorised investigator is an individual who is authorised by the Secretary of State to exercise the powers conferred by this Schedule.

- 7 (1) Where, on an application by an authorised investigator, a sheriff is satisfied that the condition in sub-paragraph (4) is met, the sheriff may grant a production order.
- (2) A production order is an order requiring the person who appears to the sheriff to be in possession of material specified in the application to—
- (a) give the material to an authorised investigator, or
 - (b) give an authorised investigator access to the material.

- (3) A person must comply with a production order within—
 - (a) the period of 7 days beginning with the day on which the order is made, or
 - (b) such longer period as may be specified in the order.
- (4) The condition in this sub-paragraph is that there are reasonable grounds for believing that—
 - (a) a DWP offence which is an indictable offence has been committed,
 - (b) material which is specified in the application is likely to be of substantial value (whether by itself or with other material) to the investigation of the offence,
 - (c) the material consists of or includes—
 - (i) personal records, or
 - (ii) confidential professional material,
 - (d) the material is likely to be relevant evidence,
 - (e) other methods of obtaining the material—
 - (i) have been tried without success, or

- (ii) have not been tried because it appeared that they were bound to fail, and
- (f) it is in the public interest that the material should be given, or that access to it should be given, having regard to—
 - (i) the benefit likely to accrue to the investigation if the material is obtained, and
 - (ii) the circumstances under which the person in possession of the material holds it.
- (5) Where the material consists of information stored in an electronic form—
 - (a) a production order under sub-paragraph (2)(a), requires the material to be given in a form in which—
 - (i) it can be taken away, and
 - (ii) in which it is visible and legible or from which it can readily be produced in a visible and legible form, and
 - (b) a production order under sub-paragraph (2)(b), requires an authorised investigator to be

given access to the material in a form in which it is visible and legible.

- (6) Paragraph 4 applies in relation to material given to an authorised investigator under a production order as it applies to material seized and removed under the power described in paragraph 2(1)(d).

Warrants

- 8 (1) On an application by an authorised investigator, a sheriff may grant a specific premises warrant within the meaning of paragraph 1(2) where the sheriff is satisfied that—
- (a) a production order could be issued in relation to material (see paragraph 7(4)), and
 - (b) sub-paragraphs (2) and (3) of this paragraph apply.
- (2) This sub-paragraph applies where there are reasonable grounds for believing that the material is on the premises specified or described in the application.
- (3) This sub-paragraph applies where any of the following apply—

- (a) it is not practicable to communicate with a person entitled to grant entry to the premises;
- (b) it is not practicable to communicate with a person entitled to grant access to the material (if different from the person entitled to grant entry);
- (c) a production order relating to the material has not been complied with;
- (d) entry to the premises will not be granted unless a warrant is produced;
- (e) the purpose of a search may be frustrated or seriously prejudiced unless an authorised investigator arriving at the premises can secure immediate access to them;
- (f) the material contains information disclosure of which, in the absence of a warrant, would be a breach of a restriction on disclosure, or an obligation of secrecy, contained in any enactment whenever passed.

- (4) The provisions of Part 1 of this Schedule that apply in relation to a specific premises warrant apply to a specific premises warrant under this paragraph as if, at the end of paragraph 2(4), there were inserted “other than confidential professional material or personal records”.

PART 1

DEDUCTIONS FROM ACCOUNTS

Direct deduction orders

- 1 (1) Where an amount is recoverable from a liable person who holds an account with a bank, the Secretary of State may make an order (a “direct deduction order”) in respect of that account.
- (2) A direct deduction order must be given to the bank with which the account is held.
- (3) A direct deduction order may be—
 - (a) a regular direct deduction order;
 - (b) a lump sum direct deduction order.
- (4) A regular direct deduction order is an order requiring the bank—

- (a) to make regular deductions from the liable person's account, and
 - (b) to pay the amounts deducted to the Secretary of State.
- (5) A lump sum direct deduction order is an order requiring the bank—
 - (a) to deduct from the liable person's account an amount specified in the order, and
 - (b) to pay that amount to the Secretary of State.
- (6) The Secretary of State may give a regular direct deduction order and a lump sum direct deduction order in respect of the same account.
- (7) The Secretary of State must give a copy of a direct deduction order to—
 - (a) the liable person, and
 - (b) in the case of a joint account, each of the other account holders.
- (8) Paragraphs 3 to 5 set out steps that the Secretary of State must take before making a direct deduction order.

Accounts which may be the subject of a direct deduction order

- 2 (1) The Secretary of State may make a direct deduction order in respect of any account which—
 - (a) is held by a liable person, and
 - (b) contains an amount in which the Secretary of State considers the liable person has a beneficial interest.
- (2) The Secretary of State may make a direct deduction order in respect of a joint account only if the liable person does not hold a sole account in respect of which a direct deduction order may be made which would be likely to result in the recovery of the recoverable amount within a reasonable period of time.
- (3) But sub-paragraph (2) does not apply if all the holders of a joint account are liable persons in relation to the same recoverable amount.

Requirement for banks to provide information

- 3 (1) Before the Secretary of State makes a direct deduction order in respect of a liable person's account, the Secretary of State must obtain and consider bank statements

for the account covering a period of at least three months.

- (2) To obtain the statements, the Secretary of State must give the bank with which the Secretary of State believes the liable person holds the account a notice (an “account information notice”) requiring the bank to give the Secretary of State statements for the account covering—
 - (a) the three months immediately before the notice is given, or
 - (b) such longer period, ending immediately before the notice is given, as may be specified in the notice.
- (3) An account information notice must—
 - (a) contain the name of the liable person, and
 - (b) identify the account (for example, by number and sort code).
- (4) The Secretary of State may give an account information notice relating to an account only for the purpose of determining whether to make a direct deduction order in respect of the account.
- (5) At any time, for the purposes of determining whether to make a direct deduction order in relation to a liable person, the Secretary of State may give

a notice (“a general information notice”) to a bank requiring the bank to—

- (a) identify every account that the liable person holds with the bank,
- (b) for each identified account, give the Secretary of State the following information—
 - (i) a description of the type of account,
 - (ii) identifiers for the account,
 - (iii) if the account is a sole account, the balance of the account at the date that it is identified, and
 - (iv) if the account is a joint account, the name of each other account holder, and
- (c) give the Secretary of State—
 - (i) the correspondence address that the bank holds for the liable person, and
 - (ii) in the case of a joint account, the correspondence address that the bank holds for each other account holder.

(6) The Secretary of State may give—

- (a) more than one account information notice, or general information notice, in relation to the same recoverable amount;

- (b) more than one account information notice in respect of the same account.
- (7) A notice under this paragraph must—
 - (a) set out how and when the bank must comply with the notice, and
 - (b) explain that the bank may be liable to a penalty under paragraph 20 if it fails to do so without reasonable excuse.
- (8) The bank must comply with a notice given under this paragraph.
- (9) A bank that is given an account information notice, or a general information notice, must not notify any of the following people that the notice has been given—
 - (a) the liable person;
 - (b) any other holder of the account in respect of which an account information notice is given;
 - (c) any other holder of an account identified in accordance with a general information notice.
- (10) Information given to the Secretary of State in response to a notice under this paragraph may be used by the Secretary of State for purposes connected with the Secretary of State's functions under this Part of this Act, but not for any other purpose.

Joint accounts

4 (1) Before making a direct deduction order in respect of a joint account, the Secretary of State must make an assessment of the liable person's beneficial interest in the amounts which are or may be in the account from time to time.

(2) The Secretary of State must presume that the liable person's beneficial interest entitles them to the following share in any amounts which are or may be in the account from time to time—

$$\frac{1}{N}$$

where "N" is the number of account holders.

(3) But the presumption does not apply where the Secretary of State has reason to believe that the liable person's beneficial interest is different from the presumed share.

(4) In making an assessment under sub-paragraph (1), the Secretary of State must have regard to—

- (a) the bank statements obtained for the account under paragraph 3, and
- (b) any responses to a notice under paragraph 5.

Further requirements before making a direct deduction order

- 5 (1) Before making a direct deduction order, the Secretary of State must give the liable person, and, in the case of a joint account, each of the other account holders, a notice—
- (a) identifying the account that would be subject to the proposed order,
 - (b) stating the amount that would be recoverable under the proposed order,
 - (c) setting out the terms of the proposed order,
 - (d) if the account is a joint account, setting out the Secretary of State's duty to make an assessment as to the liable person's beneficial interest and the presumption that applies (see paragraph 4), and
 - (e) identifying, for the benefit of the liable person, the recoverable amount to which the order relates.

- (2) The notice must invite the liable person and, in the case of a joint account, each other account holder—
 - (a) to make representations about the terms of the proposed order, and
 - (b) in the case of a joint account, to make representations about the liable person's beneficial interest in amounts in the account.
- (3) The notice must set out the means by which, and the period within which, representations may be made.
- (4) The period must be a period of at least one month beginning with the day after the day on which the notice is given.
- (5) The Secretary of State must—
 - (a) consider representations made in accordance with the notice, and
 - (b) in light of those representations —
 - (i) in the case of a joint account, make the assessment required under paragraph 4(1), and
 - (ii) in any case, decide whether, and in what terms, to make a direct deduction in respect of the account.
- (6) A notice under sub-paragraph (1) may be given to the bank, including before it is

given to the persons to whom it is required to be given under that sub-paragraph (and for the effect of giving the notice to the bank see paragraph 11 (restrictions on accounts)).

- (7) Where a notice is given to the bank before it is given to the person to whom it is required to be given, in reliance on sub-paragraph (6), the notice must be given to the other persons as soon as reasonably practicable after being given to the bank.
- (8) If, following the giving of a notice under this paragraph, the Secretary of State decides not to make a direct deduction order, the Secretary of State must, as soon as reasonably practicable, notify every person given a notice under sub-paragraph (1) of the decision.

Amounts of deductions

- 6 (1) The Secretary of State may make a direct deduction order only if satisfied on the basis of information received by virtue of paragraphs 3 and 5 that the terms of the order—
 - (a) will not cause the liable person, any other account holder, or any person within sub-paragraph (2) to suffer

- hardship in meeting essential living expenses, and
 - (b) are otherwise fair in all the circumstances.
- (2) A person is within this subsection if—
- (a) they live with the liable person, or any other account holder, for some or all of the time, or
 - (b) they are financially dependent on the liable person or any other account holder.
- (3) The total amount of deductions to be made under a regular direct deduction order in relation to any period of one month must not exceed 40% of the amounts credited to the account in the relevant period.
- (4) The “relevant period” is the period of three months mentioned in paragraph 3(2)(a) (and if more than one notice is given under paragraph 3 in relation to the same direct deduction order, the reference in paragraph 3(2)(a) to “the notice” is to be read as a reference to the most recent of those notices).
- (5) The Secretary of State must ensure that the amount to be deducted and paid to the Secretary of State under a direct

deduction order does not exceed the recoverable amount to which the order relates.

Content and effect of direct deduction orders

7 (1) A regular direct deduction order must specify—

- (a) the amounts, or a method for calculating the amounts, to be deducted (see paragraph 6),
- (b) when those amounts are to be deducted and paid to the Secretary of State, and
- (c) the penalties that may be imposed for a failure to comply (see paragraph 20).

(2) A regular direct deduction order may specify different amounts, or different methods for calculating the amounts, to be deducted at different times.

(3) A lump sum direct deduction order must specify—

- (a) the amount, or method for calculating the amount, to be deducted,
- (b) when the amount is to be deducted and paid to the Secretary of State, and

- (c) the penalties that may be imposed for a failure to comply (see paragraph 20).
- (4) A direct deduction order may not require an amount to be deducted from a person's bank account before the end of the period of one month beginning with the day after the day on which the Secretary of State complies with paragraph 1(7).
- (5) A bank must comply with a direct deduction order.

Bank's administrative costs

- 8(1) A direct deduction order may include provision for the bank to deduct from the liable person's account an amount specified in, or calculated in accordance with, the order, for the purposes of meeting costs reasonably incurred by the bank in complying with the order.
- (2) A bank may deduct the costs to which they are entitled under a direct deduction order immediately prior to making the deduction which is to be paid to the Secretary of State under the order.
- (3) In complying with paragraph 6(1) and (3) in relation to a direct deduction order the Secretary of State must take account of

any deductions to be made under the order by virtue of sub-paragraph (1).

Insufficient funds

9 (1) Where the amount in an account is lower than the amount to be deducted in accordance with a lump sum direct deduction order at the time that the bank is (apart from this sub-paragraph) required to make the deduction—

- (a) no deduction is to be made, and
- (b) the bank must notify the Secretary of State as soon as possible.

(2) Where the amount in an account is lower than the amount to be deducted in accordance with a regular direct deduction order at the time that the bank is (apart from this sub-paragraph) required to make the deduction—

- (a) the order is to be read as requiring the deduction and payment to the Secretary of State to take place on the same day the following week, and
- (b) if, on that day, the amount in the account is lower than the amount to be deducted in accordance with the order—
 - (i) no deduction is to be made, and

- (ii) the bank must notify the Secretary of State as soon as possible.
- (3) References in this paragraph to the amount to be deducted in accordance with a direct deduction order include any amounts to be deducted in respect of a bank's costs by virtue of provision under paragraph 8(1).

Non-working days

- 10 (1) If (apart from this paragraph) a bank would be required to make a deduction and payment under a direct deduction order on a day that is not a working day, the obligation to make the deduction and payment applies in relation to the next working day after that day.
- (2) In this paragraph, "working day" means any day other than—
 - (a) Saturday or Sunday, or
 - (b) a day which is a bank holiday under the Banking and Financial Dealings Act 1971 in any part of the United Kingdom.

Restrictions on accounts

- 11 (1) Where a notice under paragraph 5 (a "first notice"), or a direct deduction order under paragraph 1, is given to a bank in

relation to a liable person's account, the bank must—

- (a) ensure that the account is not closed at the request of an account holder, and
- (b) if the notice relates to a proposed lump sum direct deduction order, or the order is a lump sum direct deduction order—
 - (i) secure that no transaction takes place (except for any deduction under the order) which would result in the amount in the account falling below the specified amount or, if the amount in the account is already below that amount, falling any further, or
 - (ii) take the action set out in sub-paragraph (2).

(2) The action is to—

- (a) transfer the specified amount, or the amount in the account if that is less than the specified amount, from the account into a different account (a “hold account”) created by the bank for the sole purpose of holding that transferred amount, and
- (b) secure that no transaction takes place (except for any deduction under the

order) which would result in the amount in the hold account falling below the amount transferred.

- (3) Where a bank takes the action set out in sub-paragraph (2) in relation to a lump sum direct deduction order, the order is to be read as if it required deductions to be made from the hold account.
- (4) A bank must ensure that taking the action set out in sub-paragraph (2) does not cause any disadvantage to the liable person, and in the case of a joint account, any other account holder, that the liable person, and any other account holder, would not have experienced if the bank had instead acted in accordance with sub-paragraph (1)(b)(i).
- (5) The requirements in sub-paragraph (1) cease to apply when—
 - (a) in relation to a first notice, a notice is given to the bank under paragraph 5(8) (notice of decision not to make a direct deduction order) or a direct deduction order is given to the bank under paragraph 1;
 - (b) in relation to a direct deduction order—
 - (i) all the deductions under the order have been made, or

(ii) the order is revoked.

- (6) In this paragraph, “specified” means specified in, or calculated in accordance with, a first notice or direct deduction order.

Applications to vary

- 12 (1) Any holder of an account to which a direct deduction order applies may apply to the Secretary of State to vary the order.
- (2) The Secretary of State must give any other holders of the account an opportunity to make representations in relation to the application.
- (3) The Secretary of State must notify the applicant and any other account holders of the Secretary of State’s decision on the application.

Variation

- 13 (1) The Secretary of State may vary a direct deduction order (whether after an application by an account holder or otherwise).
- (2) The provisions in this paragraph apply in relation to any variation of a direct deduction order, including one that results from a review under paragraph 18.

- (3) Where the Secretary of State proposes to vary a direct deduction order other than under sub-paragraph (7), the Secretary of State must give—
 - (a) the liable person, and
 - (b) in the case of a joint account, each of the other account holders,an opportunity to make representations about the proposed variation.
- (4) The Secretary of State may comply with sub-paragraph (3) at the same time as complying with paragraph 12(2).
- (5) A variation to a direct deduction order takes effect when the Secretary of State gives the varied order to the bank or, if later, in accordance with the terms of the order as varied.
- (6) The Secretary of State must give a copy of the varied order to the liable person and, in the case of a joint account holder, each other account holder.
- (7) The Secretary of State may vary a direct deduction order so that the order applies to another account held by the liable person (including an account administered by a different bank) only if—
 - (a) the variation is requested by the liable person, and

(b) if the other account is a joint account, each of the other account holders consents.

(8) Where a direct deduction order is varied under sub-paragraph (7)—

(a) if the order is varied so that it applies to an account administered by another bank—

(i) the reference in sub-paragraph (5) to “the bank” is to the bank which administers that account,

(ii) paragraph 7(5) applies to the order as varied as it applied to the original order, and

(iii) the Secretary of State must notify the bank given the original order of the effect of the variation, and

(b) if the order is varied so that it applies to a joint account—

(i) the requirement in sub-paragraph (6) is to give a copy of the order to each other holder of that joint account, and

(ii) if the original order applied to a joint account, the Secretary of State must notify each other holder of that joint account of the effect of the variation.

- (9) The steps set out in paragraphs 3 to 5 do not apply to a decision to vary a direct deduction order.

Revocation of direct deduction order

14 (1) The Secretary of State may revoke a direct deduction order.

(2) The Secretary of State must revoke a direct deduction order as soon as reasonably practicable after becoming aware that—

- (a) the recoverable amount has been recovered, or
- (b) the liable person to whom the order relates has died.

(3) Where the Secretary of State revokes a direct deduction order, the Secretary of State must give a notice of the revocation to—

- (a) the bank to which the order was given,
- (b) the liable person (apart from in a case within sub-paragraph (2)(b)), and
- (c) in the case of a joint account, each of the other account holders.

Further information notices

15 (1) For the purposes of determining whether to revoke or vary a direct deduction order,

the Secretary of State may give a bank a notice (a “further information notice”) requiring the bank—

(a) to give the Secretary of State statements for an account held by the liable person covering—

(i) the three months immediately before the notice was given, or

(ii) such longer period, ending immediately before the notice was given, as may be specified in the notice;

(b) to take the steps set out in paragraphs (a) to (c) of paragraph 3(5).

(2) Sub-paragraphs (6), (7) and (10) of paragraph 3 apply in relation to a further information notice as they apply in relation to a notice under that paragraph.

(3) Before giving a further information notice to a bank requiring statements to be given in respect of a joint account, the Secretary of State must notify each account holder other than the liable person—

(a) that the notice will be given, and

(b) of the effect of the notice.

(4) A further information notice may be given to the bank before, at the same time as

or after the Secretary of State complies with paragraph 13(3).

Suspending of direct deduction orders

- 16 (1) The Secretary of State may suspend and re-start the requirement to make deductions and payments under a regular direct deduction order at any time by notifying the bank to which the order was given.
- (2) The Secretary of State must notify the liable person and, in the case of a joint account, each other account holder, if the requirement is suspended or re-started under this paragraph.

Cessation on death of liable person
