B I L L

TO

Allow adults who are terminally ill, subject to safeguards and protections, to request and be provided with assistance to end their own life; and for connected purposes.

BE IT ENACTED by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

Eligibility to be provided with lawful assistance to voluntarily end own life

1 Assisted dying

- (1) A terminally ill person in England or Wales who—
- (a) has the capacity to make a decision to end their own life (see section 3), 5
 - (b) is aged 18 or over at the time the person makes a first declaration (see section 7),
 - (c) is ordinarily resident in England and Wales and has been so resident for at least 12 months ending with the date of the first declaration, and 10
 - (d) is registered as a patient with a general medical practice in England or Wales,
- may, on request, be provided in England or Wales with assistance to end their own life in accordance with sections 7 to 27.
- (2) Sections 7 to 27, in particular, require steps to be taken to establish that the person— 15
- (a) has a clear, settled and informed wish to end their own life, and
 - (b) has made the decision that they wish to end their own life voluntarily and has not been coerced or pressured by any other person into making it. 20
- (3) The steps to be taken under sections 7, 9, 10 and 17 must be taken—
- (a) when the terminally ill person is in England or Wales, and
 - (b) in the case of the steps under sections 9 and 10, by persons in England or Wales.

2 Terminal illness

- (1) For the purposes of this Act, a person is terminally ill if—
- (a) the person has an inevitably progressive illness or disease which cannot be reversed by treatment, and
 - (b) the person's death in consequence of that illness or disease can reasonably be expected within six months. 5
- (2) For the purposes of subsection (1), treatment which only relieves the symptoms of an inevitably progressive illness, disease or medical condition temporarily is not to be regarded as treatment which can reverse that illness or disease.
- (3) For the avoidance of doubt, a person is not to be considered to be terminally ill only because they are a person with a disability or mental disorder (or both). 10
- Nothing in this subsection results in a person not being regarded as terminally ill for the purposes of this Act if (disregarding this subsection) the person meets the conditions in paragraphs (a) and (b) of subsection (1). 15

3 Capacity

In this Act, references to a person having capacity are to be read in accordance with the Mental Capacity Act 2005.

Voluntary Assisted Dying Commissioner

4 Voluntary Assisted Dying Commissioner 20

- (1) There is to be a Voluntary Assisted Dying Commissioner.
- (2) The Commissioner is to be appointed by the Prime Minister.
- (3) The person appointed must hold or have held office as a judge of—
- (a) the Supreme Court,
 - (b) the Court of Appeal, or 25
 - (c) the High Court.
- (4) The Commissioner's principal functions are—
- (a) receiving documents made under this Act;
 - (b) making appointments to a list of persons eligible to sit on Assisted Dying Review Panels (see Schedule 2); 30
 - (c) making arrangements in relation to such panels and referring cases to them (see section 14);
 - (d) determining applications for reconsideration of panel decisions under section 16;
 - (e) monitoring the operation of this Act and reporting annually on it (see section 45). 35
- (5) In this Act “the Commissioner” means the Voluntary Assisted Dying Commissioner.
- (6) Schedule 1 makes provision about the Commissioner.

*Preliminary discussions***5 Preliminary discussions with registered medical practitioners**

- (1) No registered medical practitioner is under any duty to raise the subject of the provision of assistance in accordance with this Act with a person.
- (2) But nothing in subsection (1) prevents a registered medical practitioner exercising their professional judgement to decide if, and when, it is appropriate to discuss the matter with a person. 5
- (3) Where a person in England or Wales indicates to a registered medical practitioner their wish to seek assistance to end their own life in accordance with this Act, the registered medical practitioner may (but is not required to) conduct a preliminary discussion about the requirements that need to be met for such assistance to be provided. 10
- (4) If a registered medical practitioner conducts such a preliminary discussion with a person, the practitioner must first ensure the provision of adjustments for language and literacy barriers, including the use of interpreters. 15
- (5) If a registered medical practitioner conducts such a preliminary discussion with a person, the practitioner must explain to and discuss with that person—
- (a) the person’s diagnosis and prognosis;
 - (b) any treatment available and the likely effect of it;
 - (c) all appropriate palliative, hospice or other care, including symptom management and psychological support, and offer to refer them to a registered medical practitioner who specialises in such care for the purpose of further discussion. 20
- (Accordingly, such a preliminary discussion may not be conducted in isolation from an explanation of, and discussion about, the matters mentioned in paragraphs (a) to (c).) 25
- (6) A registered medical practitioner who is unwilling or unable to conduct the preliminary discussion mentioned under subsection (3) is not required to refer the person to another medical practitioner but must ensure that the person is directed to where they can obtain information and have the preliminary discussion. 30

6 Recording of preliminary discussion

- (1) This section applies where a registered medical practitioner (“the practitioner”) conducts a preliminary discussion with a person.
- (2) Where the practitioner is a practitioner with the person’s GP practice, they must, as soon as practicable, record the preliminary discussion in the person’s medical records. 35
- (3) In any other case—
- (a) the practitioner must, as soon as practicable, give a written record of the preliminary discussion to a registered medical practitioner with the person’s GP practice, and 40

- (b) that registered medical practitioner must, as soon as practicable, include the record in the person's medical records.

Procedure, safeguards and protections

12 Another independent doctor: second opinion

- (1) This section applies where the independent doctor has –
 - (a) carried out the second assessment, and
 - (b) made a report stating that they are not satisfied as to all of the matters mentioned in section 10(2)(a) to (e). 20
- (2) The coordinating doctor may, if requested to do so by the person who made the first declaration, refer that person to a different registered medical practitioner who meets the requirements of section 10(8) and is able and willing to carry out a further assessment of the kind mentioned in section 10(2). 25

- (4) Where a referral is made to a registered medical practitioner under subsection (2), that referral is treated as a referral under section 9(3)(c), the practitioner becomes the independent doctor (replacing the registered medical practitioner to whom a referral was originally made) and section 10 and 11 apply accordingly. 40

- (5) In consequence of a particular first declaration made by a person, the coordinating doctor may make only one referral for a second opinion under subsection (2); but this is subject to subsection (6).
- (6) Where—
- (a) a referral is made under subsection (2) to a practitioner, 5
 - (b) the practitioner dies or through illness is unable or unwilling to act as the independent doctor, and
 - (c) no report under section 10 has been made by virtue of the referral, a further referral may be made under subsection (2).

13 Replacing the coordinating doctor on death etc 10

- (2) Regulations under subsection (1) may, in particular, make provision— 15

- (2) The Commissioner must, as soon as reasonably practicable, refer the person's case to an Assisted Dying Review Panel for determination of the person's eligibility to be provided with assistance under section 23.
- (3) But where the Commissioner receives a notification that the first declaration has been cancelled— 35
- (a) the Commissioner must not refer the person's case to such a panel, and
 - (b) if the person's case has already been so referred, the Commissioner must notify the panel of the cancellation.
- (4) Schedule 2 makes provision about Assisted Dying Review Panels. 40

15 Determination by panel of eligibility for assistance

- (1) This section applies where a person's case is referred under section 14 or 16 to an Assisted Dying Review Panel ("the panel").
- (2) The panel's function is to determine whether it is satisfied of all of the following matters – 5
- (a) that the requirements of sections 7 to 11 have been met in relation to –
 - (i) the first declaration,
 - (ii) the first assessment and the report under section 9 on that assessment, and 10

- (3) Subject to the following and to Schedule 2, the panel may adopt such procedure as it considers appropriate for the case. 30
- (4) The panel –
- (a) must hear from, and may question, the coordinating doctor or the independent doctor (and may hear from and question both);
 - (b) must (subject to subsection (6)) hear from, and may question, the person to whom the referral relates; 35

 - (e) may ask any person appearing to it to have relevant knowledge or experience to report to it on such matters relating to the person to whom the referral relates as it considers appropriate. 40

In paragraphs (a) to (c) the reference to hearing from or questioning a person is to hearing from them, or questioning them, in person or by live video or audio link. 45

- (5) Where the panel considers it appropriate for medical reasons, it may make provision for the use of pre-recorded audio or video material for the purposes of subsection (4).
- (6) The duty under subsection (4)(b) to hear from the person to whom the referral relates does not apply if the panel is of the opinion that there are exceptional circumstances which justify not hearing from that person. 5

16 Reconsideration of panel decisions refusing certificate of eligibility

- (1) This section applies where –
- (a) a person’s case is referred under section 14 to an Assisted Dying Review Panel (“the first panel”), and 25
 - (b) the first panel refuses to grant a certificate of eligibility in respect of the person.
- (2) The person may apply to the Commissioner for their case to be reconsidered on the ground that the first panel’s decision –
- (a) contains an error of law, 30
 - (b) is irrational, or
 - (c) is procedurally unfair.
- (3) The Commissioner must consider an application without a hearing.
- (4) On the application –
- (a) if the Commissioner is satisfied that any of the grounds mentioned in subsection (2) applies, they must as soon as reasonably practicable refer the person’s case to a different Assisted Dying Review Panel for a fresh determination under section 15; 35
 - (b) in any other case, the Commissioner must dismiss the application.
- (5) The Commissioner must give reasons, in writing, for their decision. 40
