PART 1

LOCAL GOVERNMENT

CHAPTER 1

GENERAL POWERS OF AUTHORITIES

1 Local authority’s general power of competence

(1) A local authority has power to do anything that individuals generally may do.

(2) Subsection (1) applies to things that an individual may do even though they are in nature, extent or otherwise—
   (a) unlike anything the authority may do apart from subsection (1), or
   (b) unlike anything that other public bodies may do.

(3) In this section “individual” means an individual with full capacity.

(4) Where subsection (1) confers power on the authority to do something, it confers power (subject to sections 2 to 4) to do it in any way whatever, including—
Localism Bill (Volume I)
Part 1 – Local Government
Chapter 1 – General powers of authorities

(a) power to do it anywhere in the United Kingdom or elsewhere,
(b) power to do it for a commercial purpose or otherwise for a charge, or without charge, and
(c) power to do it for, or otherwise than for, the benefit of the authority, its area or persons resident or present in its area.

(5) The generality of the power conferred by subsection (1) (“the general power”) is not limited by the existence of any other power of the authority which (to any extent) overlaps the general power.

(6) Any such other power is not limited by the existence of the general power (but see section 5(2)).

(7) Schedule 1 (consequential amendments) has effect.

2 Boundaries of the general power

(1) If exercise of a pre-commencement power of a local authority is subject to restrictions, those restrictions apply also to exercise of the general power so far as it is overlapped by the pre-commencement power.

(2) The general power does not enable a local authority to do—
(a) anything which the authority is unable to do by virtue of a pre-commencement limitation, or
(b) anything which the authority is unable to do by virtue of a post-commencement limitation which is expressed to apply—
(i) to the general power,
(ii) to all of the authority’s powers, or
(iii) to all of the authority’s powers but with exceptions that do not include the general power.

(3) The general power does not confer power to—
(a) make or alter arrangements of a kind which may be made under Part 6 of the Local Government Act 1972 (arrangements for discharge of authority’s functions by committees, joint committees, officers etc);
(b) make or alter arrangements of a kind which are made, or may be made, by or under Part 1A of the Local Government Act 2000 (arrangements for local authority governance in England);
(c) make or alter any contracting-out arrangements, or other arrangements within neither of paragraphs (a) and (b), that authorise a person to exercise a function of a local authority.

(4) In this section—
“post-commencement limitation” means a prohibition, restriction or other limitation expressly imposed by a statutory provision that—
(a) is contained in an Act passed after the end of the Session in which this Act is passed, or
(b) is contained in an instrument made under an Act and comes into force on or after the commencement of section 1;
“pre-commencement limitation” means a prohibition, restriction or other limitation expressly imposed by a statutory provision that—
(a) is contained in this Act, or in any other Act passed no later than the end of the Session in which this Act is passed, or
(b) is contained in an instrument made under an Act and comes into force before the commencement of section 1;

“pre-commencement power” means power conferred by a statutory provision that—

(a) is contained in this Act, or in any other Act passed no later than the end of the Session in which this Act is passed, or

(b) is contained in an instrument made under an Act and comes into force before the commencement of section 1.

3 Limits on charging in exercise of general power

(1) Subsection (2) applies where—

(a) a local authority provides a service to a person otherwise than for a commercial purpose, and

(b) its providing the service to the person is done, or could be done, in exercise of the general power.

(2) The general power confers power to charge the person for providing the service to the person only if—

(a) the service is not one that a statutory provision requires the authority to provide to the person,

(b) the person has agreed to its being provided, and

(c) ignoring this section and section 93 of the Local Government Act 2003, the authority does not have power to charge for providing the service.

(3) The general power is subject to a duty to secure that, taking one financial year with another, the income from charges allowed by subsection (2) does not exceed the costs of provision.

(4) The duty under subsection (3) applies separately in relation to each kind of service.

4 Limits on doing things for commercial purpose in exercise of general power

(1) The general power confers power on a local authority to do things for a commercial purpose only if they are things which the authority may, in exercise of the general power, do otherwise than for a commercial purpose.

(2) Where, in exercise of the general power, a local authority does things for a commercial purpose, the authority must do them through a company.

(3) A local authority may not, in exercise of the general power, do things for a commercial purpose in relation to a person if a statutory provision requires the authority to do those things in relation to the person.

(4) In this section “company” means—

(a) a company within the meaning given by section 1(1) of the Companies Act 2006, or

(b) a society registered or deemed to be registered under the Co-operative and Community Benefit Societies and Credit Unions Act 1965 or the Industrial and Provident Societies Act (Northern Ireland) 1969.
5  Powers to make supplemental provision

(1) If the Secretary of State thinks that a statutory provision (whenever passed or made) prevents or restricts local authorities from exercising the general power, the Secretary of State may by order amend, repeal, revoke or disapply that provision.

(2) If the Secretary of State thinks that the general power is overlapped (to any extent) by another power then, for the purpose of removing or reducing that overlap, the Secretary of State may by order amend, repeal, revoke or disapply any statutory provision (whenever passed or made).

(3) The Secretary of State may by order make provision preventing local authorities from doing, in exercise of the general power, anything which is specified, or is of a description specified, in the order.

(4) The Secretary of State may by order provide for the exercise of the general power by local authorities to be subject to conditions, whether generally or in relation to doing anything specified, or of a description specified, in the order.

(5) The power under subsection (1), (2), (3) or (4) may be exercised in relation to—
   (a) all local authorities,
   (b) particular local authorities, or
   (c) particular descriptions of local authority.

(6) The power under subsection (1) or (2) to amend or disapply a statutory provision includes power to amend or disapply a statutory provision for a particular period.

(7) Before making an order under subsection (1), (2), (3) or (4) the Secretary of State must consult—
   (a) such local authorities,
   (b) such representatives of local government, and
   (c) such other persons (if any),
   as the Secretary of State considers appropriate.

(8) Before making an order under subsection (1) that has effect in relation to Wales, the Secretary of State must consult the Welsh Ministers.

6  Limits on power under section 5(1)

(1) The Secretary of State may not make provision under section 5(1) unless the Secretary of State considers that the conditions in subsection (2), where relevant, are satisfied in relation to that provision.

(2) Those conditions are that—
   (a) the effect of the provision is proportionate to the policy objective intended to be secured by the provision;
   (b) the provision, taken as a whole, strikes a fair balance between the public interest and the interests of any person adversely affected by it;
   (c) the provision does not remove any necessary protection;
   (d) the provision does not prevent any person from continuing to exercise any right or freedom which that person might reasonably expect to continue to exercise;
   (e) the provision is not of constitutional significance.
(3) An order under section 5(1) may not make provision for the delegation or transfer of any function of legislating.

(4) For the purposes of subsection (3) a “function of legislating” is a function of legislating by order, rules, regulations or other subordinate instrument.

(5) An order under section 5(1) may not make provision to abolish or vary any tax.

7 Procedure for orders under section 5

(1) If, as a result of any consultation required by section 5(7) and (8) with respect to a proposed order under section 5(1), it appears to the Secretary of State that it is appropriate to change the whole or any part of the Secretary of State’s proposals, the Secretary of State must undertake such further consultation with respect to the changes as the Secretary of State considers appropriate.

(2) If, after the conclusion of the consultation required by section 5(7) and (8) and subsection (1), the Secretary of State considers it appropriate to proceed with the making of an order under section 5(1), the Secretary of State must lay before Parliament—

(a) a draft of the order, and
(b) an explanatory document explaining the proposals and giving details of—

(i) the Secretary of State’s reasons for considering that the conditions in section 6(2), where relevant, are satisfied in relation to the proposals,
(ii) any consultation undertaken under section 5(7) and (8) and subsection (1),
(iii) any representations received as a result of the consultation, and
(iv) the changes (if any) made as a result of those representations.

(3) Sections 15 to 19 of the Legislative and Regulatory Reform Act 2006 (choosing between negative, affirmative and super-affirmative parliamentary procedure) are to apply in relation to an explanatory document and draft order laid under subsection (2) but as if—

(a) section 18(11) of that Act were omitted,
(b) references to section 14 of that Act were references to subsection (2), and
(c) references to the Minister were references to the Secretary of State.

(4) Provision under section 5(2) may be included in a draft order laid under subsection (2) and, if it is, the explanatory document laid with the draft order must also explain the proposals under section 5(2) and give details of any consultation undertaken under section 5(7) with respect to those proposals.

(5) Section 5(7) does not apply to an order under section 5(3) or (4) which is made only for the purpose of amending an earlier such order—

(a) so as to extend the earlier order, or any provision of the earlier order, to a particular authority or to authorities of a particular description, or
(b) so that the earlier order, or any provision of the earlier order, ceases to apply to a particular authority or to authorities of a particular description.
8 Interpretation of Chapter

(1) In this Chapter—

"the general power" means the power conferred by section 1(1);

(b) a district council,
(c) a London borough council,
(d) the Common Council of the City of London in its capacity as a local authority,

(2) A parish council is “eligible” for the purposes of this Chapter if the council meets the conditions prescribed by the Secretary of State by order for the purposes of this section.

CHAPTER 2

FIRE AND RESCUE AUTHORITIES

9 General powers of certain fire and rescue authorities

(1) In Part 1 of the Fire and Rescue Services Act 2004 (fire and rescue authorities) after section 5 insert—

“5A Powers of certain fire and rescue authorities

(1) A relevant fire and rescue authority may do—

(a) anything it considers appropriate for the purposes of the carrying-out of any of its functions (its “functional purposes”),
(b) anything it considers appropriate for purposes incidental to its functional purposes,
(c) anything it considers appropriate for purposes indirectly incidental to its functional purposes through any number of removes,
(d) anything it considers to be connected with—

(i) any of its functions, or
(ii) anything it may do under paragraph (a), (b) or (c), and
(e) for a commercial purpose anything which it may do under any of paragraphs (a) to (d) otherwise than for a commercial purpose.

(2) A relevant fire and rescue authority’s power under subsection (1) is in addition to, and is not limited by, the other powers of the authority.

(3) In this section “relevant fire and rescue authority” means a fire and rescue authority that is—

(a) a metropolitan county fire and rescue authority,
(b) the London Fire and Emergency Planning Authority,
(c) constituted by a scheme under section 2, or
(d) constituted by a scheme to which section 4 applies.

5B Boundaries of power under section 5A

(1) Section 5A(1) does not enable a relevant fire and rescue authority to do—
   (a) anything which the authority is unable to do by virtue of a pre-commencement limitation, or
   (b) anything which the authority is unable to do by virtue of a post-commencement limitation which is expressed to apply—
      (i) to its power under section 5A(1),
      (ii) to all of the authority’s powers, or
      (iii) to all of the authority’s powers but with exceptions that do not include its power under section 5A(1).

(2) If exercise of a pre-commencement power of a relevant fire and rescue authority is subject to restrictions, those restrictions apply also to exercise of the power conferred on the authority by section 5A(1) so far as it is overlapped by the pre-commencement power.

(b) the provision, taken as a whole, strikes a fair balance between the public interest and the interests of any person adversely affected by it;

(3) Sections 15 to 19 of the Legislative and Regulatory Reform Act 2006 (choosing between negative, affirmative and super-affirmative parliamentary procedure) are to apply in relation to an explanatory document and draft order laid under subsection (2) but as if—
(a) section 18(11) of that Act were omitted,
(b) references to section 14 of that Act were references to subsection (2), and

(a) the negative resolution procedure (see section 5H),

(b) the affirmative resolution procedure (see section 5J), or

(c) the super-affirmative resolution procedure (see section 5K).

(2) The explanatory document must give reasons for the Welsh Ministers’ recommendation.
(3) Where the Welsh Ministers’ recommendation is that the negative resolution procedure should apply, that procedure applies unless, within the 30-day period—
   (a) the National Assembly for Wales requires the application of the super-affirmative resolution procedure, in which case that procedure applies, or
   (b) in a case not within paragraph (a), the Assembly requires the application of the affirmative resolution procedure, in which case that procedure applies.

(4) Where the Welsh Ministers’ recommendation is that the affirmative resolution procedure should apply, that procedure applies unless, within the 30-day period, the National Assembly for Wales requires the application of the super-affirmative resolution procedure, in which case the super-affirmative resolution procedure applies.

(5) Where the Welsh Ministers’ recommendation is that the super-affirmative resolution procedure should apply, that procedure applies.

(6) For the purposes of this section, the National Assembly for Wales is to be taken to have required the application of a procedure within the 30-day period if—

(5) Where a committee of the National Assembly for Wales makes a recommendation under subsection (4) in relation to a draft order, the Welsh Ministers may not make an order in the terms of the draft order unless the recommendation is, in the same Assembly, rejected by resolution of the Assembly.

(3) However, a committee of the National Assembly for Wales charged with reporting on the draft order may, at any time after the expiry of the 30-day period and before the expiry of the 40-day period, recommend under this subsection that no further proceedings be taken in relation to the draft order.

(4) Where a committee of the National Assembly for Wales makes a recommendation under subsection (3) in relation to a draft order, no proceedings may be taken in relation to the draft order in the Assembly under subsection (2) unless the recommendation is, in the same Assembly, rejected by resolution of the Assembly.

   (a) stating whether any representations were made under subsection (2)(a), and
   (b) if any representations were so made, giving details of them.

(4) The Welsh Ministers may after the laying of such a statement make an order in the terms of the draft order if it is approved by a resolution of the National Assembly for Wales.

(5) However, a committee of the National Assembly for Wales charged with reporting on the draft order may, at any time after the laying of a statement under subsection (3) and before the draft order is approved by the Assembly under subsection (4), recommend under this subsection that no further proceedings be taken in relation to the draft order.

(6) Where a committee of the National Assembly for Wales makes a recommendation under subsection (5) in relation to a draft order, no proceedings may be taken in relation to the draft order in the Assembly under subsection (4) unless the recommendation is, in the same Assembly, rejected by resolution of the Assembly.

        there is an issue about the validity of a decision of a relevant authority,
        and
    (b) it is relevant to that issue whether the decision-maker, or any of the
        decision-makers, had or appeared to have had a closed mind (to any
        extent) when making the decision.

(2) A decision-maker is not to be taken to have had, or to have appeared to have
    had, a closed mind when making the decision just because—
    (a) the decision-maker had previously done anything that directly or
        indirectly indicated what view the decision-maker took, or would or
        might take, in relation to a matter, and
    (b) the matter was relevant to the decision.

(3) Subsection (2) applies in relation to a decision-maker only if that decision-
    maker—
    (a) is a member (whether elected or not) of the relevant authority, or
    (b) is a co-opted member of that authority.

(4) In this section—

(a) is a member of any committee or sub-committee of the authority, or
(b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority,
and who is entitled to vote on any question which falls to be decided at any meeting of the committee or sub-committee;

(g) a National Park authority,
(h) the Broads Authority,
(i) the Council of the Isles of Scilly,
(j) a parish council, or
(k) a community council.

(5) This section applies only to decisions made after this section comes into force, but the reference in subsection (2)(a) to anything previously done includes things done before this section comes into force.

CHAPTER 5
STANDARDS

15 Amendments of existing provisions
Schedule 4 (which amends the existing provisions relating to the conduct of local government members and employees in England and makes related provision) has effect.

16 Duty to promote and maintain high standards of conduct
(1) A relevant authority must promote and maintain high standards of conduct by members and co-opted members of the authority.
(2) In this Chapter “co-opted member”, in relation to a relevant authority, means a person who is not a member of the authority but who—
   (a) is a member of any committee or sub-committee of the authority, or
   (b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority,
and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee.

(3) The reference in subsection (2) to a joint committee or joint sub-committee of a relevant authority is a reference to a joint committee on which the authority is represented or a sub-committee of such a committee.

(4) In this Chapter “relevant authority” means—
   (a) a county council in England,
   (b) a district council,
   (c) a London borough council,
   (d) a parish council,

   (l) a joint authority established by Part 4 of the Local Government Act 1985,
   (m) an economic prosperity board established under section 88 of the Local Democracy, Economic Development and Construction Act 2009,
   (n) a combined authority established under section 103 of that Act,
   (o) the Broads Authority, or

(5) Any reference in this Chapter to a member of a relevant authority—
   (a) in the case of a relevant authority to which Part 1A of the Local Government Act 2000 applies, includes a reference to an elected mayor;
   (b) in the case of the Greater London Authority, is a reference to the Mayor of London or a London Assembly member.

(6) Functions that are conferred by this Chapter on a relevant authority to which Part 1A of the Local Government Act 2000 applies are not to be the responsibility of an executive of the authority under executive arrangements.

(7) Functions that are conferred by this Chapter on the Greater London Authority are to be exercisable by the London Assembly acting on behalf of the Authority.
17 Voluntary codes of conduct

(1) A relevant authority may adopt a code dealing with the conduct that is expected of members and co-opted members of the authority when they are acting in that capacity (referred to in this section as a “code of conduct”).

(2) A relevant authority may—
   (a) revise its existing code of conduct,
   (b) adopt a code of conduct to replace its existing code of conduct, or
   (c) withdraw its existing code of conduct without replacing it.

(3) If a written allegation is made to a relevant authority that a member or co-opted member of the authority has failed, or may have failed, to comply with its code of conduct, it must—
   (a) consider whether it is appropriate to investigate the allegation, and
   (b) if it decides that an investigation is appropriate, investigate the allegation in such manner as it thinks fit.

(4) If a relevant authority finds that a member or co-opted member of the authority has failed to comply with its code of conduct (whether or not the finding is made following an investigation under this section) it may have regard to the failure in deciding—
   (a) whether to take action in relation to the member or co-opted member, and
   (b) what action to take.

(5) A relevant authority must publicise its adoption, revision or withdrawal of a code of conduct in such manner as it considers is likely to bring the adoption, revision or withdrawal of the code of conduct to the attention of persons who live in its area.

(6) A relevant authority’s function of adopting, revising or withdrawing a code of conduct under this section may be discharged only by the authority.

(7) Accordingly—
   (a) in the case of an authority to whom section 101 of the Local Government Act 1972 (arrangements for discharge of functions) applies, the function is not a function to which that section applies;
   (b) in the case of the Greater London Authority, the function is not a function to which section 54 of the Greater London Authority Act 1999 (discharge of Assembly functions by committees or single members) applies.

18 Disclosure and registration of members’ interests

(1) The Secretary of State may by regulations make provision for or in connection with requiring the monitoring officer of a relevant authority to establish and maintain a register of interests of the members and co-opted members of the authority.

(2) Regulations under this section may, in particular, make provision—
   (a) specifying the financial and other interests that are to be registered in the register;
   (b) requiring any member or co-opted member of a relevant authority who has an interest of a specified kind to disclose that interest before taking part in business of the authority relating to the interest;
(c) preventing or restricting the participation of a member or co-opted member of a relevant authority in any business of the authority to which an interest disclosed by virtue of paragraph (b) relates;

(d) for a relevant authority to grant dispensations in specified circumstances from a prohibition imposed by virtue of paragraph (c);

(e) about the sanctions that a relevant authority may impose on a member or co-opted member for failure to comply with regulations under this section;

(f) requiring a relevant authority to make copies of the register available to the public and to inform the public that copies are available.

(3) The provision that may be made by virtue of subsection (2)(e) does not include provision—

(a) for the suspension or partial suspension of a person from being a member or co-opted member of the authority, or

(b) for the disqualification of a person for being or becoming (by election or otherwise) a member or co-opted member of that or any other relevant authority.

(4) The reference in subsection (1) to a monitoring officer of a relevant authority includes, in relation to a relevant authority that is a parish council, such person as may be specified.

(5) In this section “specified” means specified in regulations under this section.

19 Offence of breaching regulations under section 18

(1) A person who is a member or co-opted member of a relevant authority commits an offence if, without reasonable excuse, the person—

(c) takes part in business of the authority to which an interest disclosed by virtue of such regulations relates contrary to a prohibition or restriction imposed by such regulations.

(2) A person who is guilty of an offence under this section is liable on summary conviction to a fine not exceeding level 5 on the standard scale.

(3) Where a person is convicted of an offence under this section, the court may by order disqualify the person, for a period not exceeding five years, for being or becoming (by election or otherwise) a member or co-opted member of the relevant authority in question or any other relevant authority.

(4) A prosecution for an offence under this section is not to be instituted except by or on behalf of the Director of Public Prosecutions.

(5) Proceedings for an offence under this section may be brought within a period of 12 months beginning with the date on which evidence sufficient in the opinion of the prosecutor to warrant the proceedings came to the prosecutor’s knowledge.

(6) But no such proceedings may be brought more than three years—

(a) after the commission of the offence, or
(b) in the case of a continuous contravention, after the last date on which
the offence was committed.

(7) A certificate signed by the prosecutor and stating the date on which such
evidence came to the prosecutor’s knowledge is conclusive evidence of that
fact; and a certificate to that effect and purporting to be so signed is to be
treated as being so signed unless the contrary is proved.

20 Amendment of section 16 following abolition of police authorities

In section 16(4) (which defines “relevant authority” for the purposes of this
Chapter) omit—
(a) paragraph (f) (the Metropolitan Police Authority), and
(b) paragraph (k) (police authorities).

21 Transitional provision

(1) An order under section 214(2) may, in particular, provide for any provision
made by or under Part 3 of the Local Government Act 2000 to have effect with
modifications in consequence of any partial commencement of any of the
amendments to, or repeals of, provisions of that Part made by Schedule 4.

(2) An order under section 214(2) may, in particular, make provision for an
allegation or a case that is being investigated under Part 3 of the Local
Government Act 2000 by the Standards Board for England or an ethical
standards officer—
(a) to be referred to an authority of a kind specified in or determined in
accordance with the order;
(b) to be dealt with in accordance with provision made by the order.

(3) The provision that may be made by virtue of subsection (2)(b) includes—
(a) provision corresponding to any provision made by or under Part 3 of
the Local Government Act 2000;

PART 2
EU FINES

31 Power to require local or public authorities to make payments in respect of certain EU financial sanctions

(1) In this Part “EU financial sanction” means a lump sum or penalty payment (or both) imposed after the commencement of this Part by the Court of Justice of the European Union under Article 260(2) of the Treaty on the Functioning of the European Union.

(2) A Minister of the Crown may require a local or public authority to make a payment of an amount determined by the Minister in respect of any EU financial sanction imposed on the United Kingdom.

(3) The requirement to make a payment under this Part must be imposed—
   (a) by an EU financial sanction notice under section 33 given by the Minister to the authority concerned after complying with the requirements of section 32; or
   (b) in the case of an EU financial sanction that is or includes a penalty payment, by a further EU financial sanction notice under section 35 given by the Minister to that authority after complying with the requirements of section 34.

(4) The Secretary of State must publish (and may from time to time revise and republish) a statement of policy with respect to the imposition of requirements to make payments under this Part and the determination of the amount of the sums required to be paid.

(5) In deciding how to exercise functions under this Part in relation to an EU financial sanction imposed on the United Kingdom the Minister must have regard to the statement of policy most recently published at the time when the EU financial sanction was imposed.

(6) If an EU financial sanction notice is registered in accordance with rules of court or any practice direction, it is enforceable in the same manner as an order of the High Court.

(7) Any sums paid by a local or public authority under this Part are to be paid into the Consolidated Fund.

32 Warning notices

(1) Before imposing a requirement on a local or public authority to make a payment under this Part in respect of an EU financial sanction imposed on the United Kingdom, a Minister of the Crown must give a warning notice to the authority and follow the procedures set out in that notice (subject to any changes to those procedures made under subsection (7).

(2) A warning notice is a notice stating that the Minister, having regard to the judgment of the Court of Justice of the European Union imposing the Article 260(2) financial sanction, believes—
   (a) that acts of the authority may have caused or contributed to the infraction of EU law for which the EU financial sanction was imposed, and
(b) that, if acts of the authority did cause or contribute to that infraction of
EU law, it would be appropriate to consider requiring the authority to
make a payment under this Part in respect of that financial sanction.

(3) The warning notice must also—

(a) set out the Minister’s reasons for making the statements mentioned in
subsection (2);

(b) set out the Minister’s proposed criteria for determining—

(i) whether the authority’s acts did cause or contribute to the
infraction of EU law concerned;

(ii) whether the authority should be required to make a payment in
respect of the EU financial sanction; and

(iii) the amount of any payment the authority is to be required to
make;

(c) set out the Minister’s proposed procedures for determining those
matters (which must allow for representations to be made by the
authority);

(d) invite the authority to submit representations to the Minister—

(i) about the matters mentioned in subsection (2) and the reasons
given under paragraph (a) above;

(ii) about the matters mentioned in paragraphs (b), (c) and (e) of
this subsection;

(iii) as to whether the authority’s acts did cause or contribute to the
infraction of EU law concerned, whether it should be required
to make a payment in respect of the EU financial sanction and
the amount of any payment the authority is to be required to
make; and

(iv) in response to any representations made by another local or
public authority with an interest in the outcome of the
determination of those matters (including representations
made in relation to any other warning notice given in respect of
the same EU financial sanction); and

(e) set out a timetable for allowing those representations to be made by the
authority and considered.

(4) If the EU financial sanction to which the warning notice relates is or includes a
penalty payment, the sanction is to be treated for the purposes of the warning
notice as excluding any periodic payment which falls due from the United
Kingdom on or after a date specified in the warning notice.

(5) The date so specified must not be later than the day on which the warning
notice is given to the authority in question.

(6) The warning notice may contain other such information as the Minister
considers appropriate.

(7) The Minister may, after considering any representations made by the authority
under subsection (3)(d)(ii) but before the matters mentioned in subsection
(3)(b) are determined, give the authority a notice stating any changes that the
Minister has decided to make to the criteria, procedures or timetable as
originally set out in the warning notice under subsection (3)(b), (c) or (e).

(8) A warning notice given to a local or public authority may be withdrawn at any
time before the matters mentioned in subsection (3)(b) are determined, but this
33 **EU financial sanction notices**

(1) A Minister of the Crown may give an EU financial sanction notice to a local or public authority in relation to an EU financial sanction imposed on the United Kingdom only if the Minister is satisfied that acts of the authority caused or contributed to the infraction of EU law for which that financial sanction was imposed.

(2) An EU financial sanction notice must—
   a) specify the amount required to be paid by the authority,
   b) specify the EU financial sanction to which the notice relates and the total amount of that sanction,
   c) specify any act of the authority which is regarded as having caused or contributed to the infraction of EU law for which that financial sanction was imposed,
   d) set out the Minister’s reasons—
      i) for requiring the authority to make a payment in respect of that financial sanction, and
      ii) for specifying the amount required to be paid,
   e) specify how and to whom the payment must be made, and
   f) specify the period within which the payment is required to be made.

(3) If the EU financial sanction to which the notice relates is or includes a penalty payment, the sanction is to be treated for the purposes of the notice as excluding any periodic payment which falls due from the United Kingdom on or after the date specified under section 32(4) in the warning notice given to the authority.

(4) Subject to subsection (6), the amount required to be paid by the authority must not exceed the total amount of the EU financial sanction.

(5) Where the Minister is satisfied that acts of any person or body other than the authority to whom the notice is addressed also caused or contributed to the infraction of EU law concerned, the amount specified in the notice must not exceed the proportion of that total amount which the Minister considers fairly reflects the authority’s share of the responsibility for that infraction.

(6) In deciding—
   a) whether to give the authority an EU financial sanction notice, and
   b) if such a notice is to be given, the amount it is to be required to pay,
the Minister must have regard to the effect on the authority’s finances of any amount it may be required to pay.

34 **Further warning notices**

(1) This section applies to a local or public authority which has been given a notice under section 33 in respect of an EU financial sanction which is or includes a penalty payment.

(2) Before imposing a requirement on a local or public authority to which this section applies to make a further payment under this Part, a Minister of the Crown must give a further warning notice to the authority and follow the...
procedures set out in that notice (subject to any changes to those procedures made under subsection (8)).

(3) A further warning notice is a notice stating that the Minister believes—
(a) that acts of that authority may have caused or contributed to the continuing infraction of EU law for which the EU financial sanction in question was imposed; and
(b) that, if acts of that authority did cause or contribute to that continuing infraction of EU law, it would be appropriate to consider requiring the authority to make a further payment under this Part in respect of any relevant periodic payments.

(4) In this section “relevant periodic payments” means periodic payments falling due from the United Kingdom as part of the EU financial sanction in question which—
(a) have not already been the subject of an EU financial sanction notice given to the authority; and
(b) fall due before a date specified in the further warning notice.

(5) The date so specified must not be later than the day on which the further warning notice is given to the authority in question.

(6) The warning notice must also—
(a) set out the Minister’s reasons for making the statements mentioned in subsection (3);
(b) if the Minister thinks it appropriate to do so, specify the amount of the payment the Minister considers the authority would be required to pay on the assumption that the relevant circumstances have not changed since the most recent EU financial sanction notice was given to the authority;
(c) set out the procedures for determining—
(i) whether the authority should be required to make a payment in respect of any relevant periodic payments, and
(ii) the amount of any payment the authority is to be required to make;
(d) invite the authority to make representations to the Minister about—
(i) any change of circumstances since the most recent EU financial sanction notice, or
(ii) anything else that may be relevant to the determination of the matters mentioned in paragraph (c)(i) and (ii).

(7) The further warning notice may contain such other information as the Minister considers appropriate (including, in particular, anything of a description mentioned in section 32(3)(b) to (e)).

(8) The Minister may, before the matters mentioned in subsection (6)(c)(i) and (ii) are determined, give the authority a notice stating any changes that the Minister has decided to make to any procedures or other information set out in the further warning notice.

(9) A further warning notice given to a local or public authority may be withdrawn at any time before the matters mentioned in subsection (6)(c)(i) and (ii) are determined, but this does not prevent another further warning notice being given to the authority.
35 Further EU financial sanction notices

(1) A Minister of the Crown may give a further EU financial sanction notice to a local or public authority to which section 34 applies in respect of any relevant periodic payments (within the meaning of that section).

(2) A further EU financial sanction notice may be given only if the Minister is satisfied that acts of that authority have caused or contributed to the continuing infraction of EU law for which the EU financial sanction in question was imposed.

(3) Section 33(2) and (4) to (6) apply to a further EU financial sanction notice as they apply to an EU financial sanction notice under section 33.

(4) In the application of those provisions to a further EU financial sanction notice, references to the total amount of the sanction are to be read as referring to the total amount of the relevant periodic payments that are the subject of the notice.

36 Meaning of “local or public authority”

(1) In this Part “local or public authority” means—

Triggers for local referendum

43 Petition for local referendum

(1) A petition complies with this section if—
   (a) it requests the principal local authority to hold a local referendum in a
       relevant area of that authority,
   (b) it is duly signed by the required percentage of local government
       electors in that area, taken as a whole (see section 44), and
   (c) it states the question that the petitioners want to be asked in the
       referendum.

(2) A principal local authority may determine in a particular case that a petition is
    to be treated as complying with this section even though it is not duly signed
    by the required percentage of local government electors in the area to which it
    relates.

(3) For the purposes of this section a petition is duly signed by a person if—
   (a) the person dates the signature,
   (b) the date falls within the period of six months ending with the date on
       which the petition is received by the authority, and
   (c) the petition states the person’s name, and the person’s address within
       the relevant area.

(4) A principal local authority may provide a facility for making petitions under
    this section in electronic form to the authority.

(5) In the case of a petition made to a principal local authority in electronic form—
   (a) references in this section to signing or signature, or to dating a
       signature, are to authentication or dating in a manner that complies
       with specifications made by the authority;
   (b) references in this Chapter to the date on which the petition is received
       by the authority is to such date after the petition is opened for signature
       as is determined in accordance with those specifications.

(6) Specifications under subsection (5) must be published in such manner as the
    authority thinks fit.

(7) In this Chapter “relevant area”, in relation to a principal local authority,
    means—
   (a) the whole of the authority’s area, or
   (b) in the case of an authority other than the Greater London Authority, a
       part of the authority’s area consisting of—
       (i) a single electoral area, or
       (ii) two or more electoral areas, each of which adjoins at least one
           other electoral area in the part.

(8) In section 10 of the Local Democracy, Economic Development and
    Construction Act 2009 after subsection (2) insert—

    “(2A) This section does not apply to a petition under section 43 of the
    Localism Act 2011 (petitions for local referendums).”
44 The required percentage

(1) Subject as follows “the required percentage” in section 43(1)(b) means 5%.

(2) The Secretary of State may by order amend subsection (1) to specify a higher or lower percentage than the percentage for the time being specified in that subsection.

45 Request for referendum

(1) A request to a principal local authority complies with this section if—
   (a) it requests the principal local authority to hold a local referendum in a relevant area of that authority,
   (b) each member who requests the local referendum is a member for an electoral area in that relevant area,
   (c) in the case of an electoral area with more than one member, all of the members or a majority of the members for the area make the request,
   (d) the request is made to the proper officer of the authority, and

(2) A member of the Greater London Authority may not request a referendum under this section.

46 Duty to determine appropriateness of referendum

(1) This section applies if—
   (a) a principal local authority receives a petition that complies with section 43, or
   (b) a principal local authority receives a request that complies with section 45.

(2) The principal local authority must determine whether it is appropriate to hold a local referendum in response to the petition or request.

(3) But subsection (2) does not apply to a petition or request if—
   (a) it is received by a district council whose area is part of the area of a county council, and
   (b) the district council thinks the question stated in the petition or request relates (in whole or in part) to the functions of a partner authority of the county council other than the district council.

(4) In such a case—
   (a) the district council must refer the petition or request to the county council,
   (b) the county council must consider a petition so referred as if it had received it from the petitioners,
   (c) the county council must consider a request so referred as if it had been made to the county council in accordance with section 45, and

40

(5) Subsection (4)(b) applies in relation to an electronic petition regardless of whether an electronic petition, or an electronic petition in that form, could have been made to the county council.

47 Grounds for determination

(1) A principal local authority may only determine that it is not appropriate to hold a local referendum in response to a petition or request on one or more of the following grounds.

(2) The first ground is that the authority thinks that action taken to promote or oppose the referendum question is likely to lead to contravention of an enactment or a rule of law.

(3) The second ground is that the authority thinks that the matter to which the referendum question relates is not a local matter—
   (a) over which the authority has an influence or (in the case of a principal local authority other than a non-unitary district council or the Greater London Authority) any of its partner authorities has an influence, or
   (b) which affects the authority’s area or the inhabitants of that area.

(4) For the purposes of this Chapter—
   (a) a matter is a “local matter” if—
      (i) it relates to the economic, social or environmental well-being of the area in which the referendum is proposed to be held, and
      (ii) it has a particular connection with that area;
   (b) a principal local authority or a partner authority has an influence over a matter if the authority can affect that matter by the exercise of any of its general or particular functions.

(5) The third ground is that the referendum question relates to a matter specified by order by the Secretary of State.

(6) The fourth ground is that the principal local authority thinks the petition or request is vexatious or abusive.

(7) In this section “the referendum question” means—
   (a) the question stated in the petition or request, or
   (b) where the authority thinks that it is likely to exercise its power under section 51(3) (substitution of question) if the local referendum takes place, the question it thinks it is likely to substitute.

48 Action following determination in response to petition

(1) Where a principal local authority has made a determination under section 46 as to whether it is appropriate to hold a local referendum in response to a petition, it must—
   (a) notify the petition organiser of the determination, and
   (b) publish the determination in such manner as it thinks fit.

(2) The notification must be made in writing, but may not be made by means of an electronic communication unless—
   (a) the petition organiser has agreed to accept the notification by such means, or
   (b) the petition was made to the authority in electronic form.

Part 4 — Community empowerment

Chapter 1 — Local referendums

(3) If the determination is that it is appropriate to hold the referendum, the authority must make arrangements for the referendum to take place in accordance with sections 51 to 54.

(4) If the determination is that it is not appropriate to hold the referendum—
   (a) the notification must give the reasons for the determination, and
   (b) subject to subsection (5), the authority must publish those reasons when it publishes the determination.

(5) A principal local authority is not obliged to publish those reasons if it thinks that in all the circumstances it would be inappropriate to do so.

(6) In this Chapter “petition organiser”, in relation to a petition, means—
   (a) the person designated in the petition as the person with whom the authority may deal in relation to the petition, or
   (b) the person appearing to the authority to be the person with whom it may deal in relation to the petition.

49 Action following determination in response to request

(1) Where a principal local authority has made a determination under section 46 as to whether it is appropriate to hold a local referendum in response to a request, it must publish the determination in such manner as it thinks fit.

(2) If the determination is that it is appropriate to hold the referendum, the proper officer of the authority must arrange for a meeting to decide on a resolution that the referendum should be held.

(3) The meeting must be held as soon as is reasonably practicable after the determination is made.

(4) If the authority resolves at the meeting that the referendum should be held, it must make arrangements for the referendum to take place in accordance with sections 51 to 54.

(5) Subject to subsection (6), if the determination is that it is not appropriate to hold the referendum, the authority must publish the reasons for the determination when it publishes the determination.

(6) A principal local authority is not obliged to publish those reasons if it thinks that in all the circumstances it would be inappropriate to do so.

50 Resolution for local referendum

(1) A resolution complies with this section if—
   (a) it resolves that the principal local authority should hold a local referendum throughout the area of that authority, and
   (b) it states the question that is proposed be asked in the referendum.

(2) If the authority passes a resolution that complies with this section, it must make arrangements for the referendum to take place in accordance with sections 51 to 54.

(3) If another referendum (whether or not a local referendum) or an election is to be held in the whole or part of the authority’s area within the period of six months beginning with the trigger date, the local referendum is to be held on the same date as the other referendum or election.
(4) Subsection (3) does not apply if the authority thinks that in all the circumstances it would be inappropriate for the local referendum to be held on that date.
(5) The local referendum must be held within the period of 12 months beginning with the trigger date.
(6) In this section “the trigger date” means the date on which—
   (a) the petition that led to the referendum was received by the authority,

(1) The persons entitled to vote in a local referendum held by a principal local authority are those who, on the day of the referendum—
(a) would be entitled to vote as electors at an election for members for an electoral area which is situated in the area in which the referendum is to be held (“the referendum area”), and
(b) are registered in the register of local government electors at an address within the referendum area.

(2) The Secretary of State may by regulations make provision as to the conduct of local referendums.

(4) If the aggregate calculated under subsection (2) above exceeds that calculated under subsection (3) above, the authority must calculate the amount equal to the difference; and the amount so calculated is to be its council tax requirement for the year.

(5) In making the calculation under subsection (2) above the authority must ignore payments which must be met from its collection fund under section 90(2) of the 1988 Act or from a trust fund.

(6) In estimating under subsection (2)(a) above the authority must take into account—

(a) the amount of any expenditure which it estimates it will incur in the year in making any repayments of grants or other sums paid to it by the Secretary of State, and

(b) the amount of any precept issued to it for the year by a local precepting authority and the amount of any levy or special levy issued to it for the year.

(7) But (except as provided by regulations under section 41 above or regulations under section 74 or 75 of the 1988 Act) the authority must not anticipate a precept, levy or special levy not issued.

(8) For the purposes of subsection (2)(c) above an authority’s estimated future expenditure is—

(10) The Secretary of State may by regulations do either or both of the following—
(a) alter the constituents of any calculation to be made under subsection (2) or (3) above (whether by adding, deleting or amending items);
(b) alter the rules governing the making of any calculation under subsection (2) or (3) above (whether by deleting or amending subsections (5) to (9) above, or any of them, or by adding other provisions, or by a combination of those methods).

(11) Calculations to be made in relation to a particular financial year under this section must be made before 11th March in the preceding financial year, but they are not invalid merely because they are made on or after that date.

(12) This section is subject to section 52ZS below (which requires a direction to a billing authority that the referendum provisions in Chapter 4ZA are not to apply to the authority for a financial year to state the amount of the authority’s council tax requirement for the year).

(13) In this section “BID Revenue Account” has the same meaning as in Part 4 of the Local Government Act 2003.

T is the amount which is calculated by the authority as its council tax base for the year and, where one or more major precepting authorities have power to issue precepts to it, is notified by it to those authorities (“the major precepting authorities concerned”) within the prescribed period.

(2) Where the aggregate calculated (or last calculated) by the authority for the year under subsection (2) of section 31A above does not exceed that
so calculated under subsection (3) of that section, the amount for item K in subsection (1) above is to be nil.

(3) The Secretary of State must make regulations containing rules for making for any year the calculation required by item T in subsection (1) above; and a billing authority must make the calculation for any year in accordance with the rules for the time being effective (as regards the year) under the regulations.

(4) Regulations prescribing a period for the purposes of item T in subsection (1) above may provide that, in any case where a billing authority fails to notify its calculation to the major precepting authorities concerned within that period, that item must be determined in the prescribed manner by such authority or authorities as may be prescribed.

(5) The Secretary of State may by regulations do either or both of the following—

(a) alter the constituents of any calculation to be made under subsection (1) above (whether by adding, deleting or amending items);

(3) The authority must calculate the aggregate of—

(6) For the purposes of subsection (5) “voluntary body” means a body, other than a public or local authority, the activities of which are not carried on for profit.

(8) For the purposes of subsection (5) “community body” means a body that carries on activities primarily for the benefit of the community.

(9) The Secretary of State may by regulations—

(2) If the relevant authority accepts the expression of interest it must carry out a procurement exercise relating to the provision on behalf of the authority of the relevant service to which the expression of interest relates.

(3) The exercise required by subsection (2) must be such as is appropriate having regard to the value and nature of the contract that may be awarded as a result of the exercise.

(4) The Secretary of State may by regulations specify—
   (a) the minimum period that must elapse between the date of the relevant authority’s decision to accept an expression of interest and the date on which it begins the exercise referred to in subsection (2), and
   (b) the maximum period that may elapse between those dates.

(5) A relevant authority must, in considering an expression of interest, consider whether acceptance of the expression of interest would promote or improve the social, economic or environmental well-being of the authority’s area.

(6) A relevant authority must, in carrying out the exercise referred to in subsection (2), consider how it might promote or improve the social, economic or environmental well-being of the authority’s area by means of that exercise.

(8) The relevant authority may reject the expression of interest only on one or more grounds specified by the Secretary of State by regulations.

71 Consideration of expression of interest: further provisions

   (b) the relevant body agrees to the modification.

(3) A relevant authority must make a decision in respect of an expression of interest within such time as may be specified by the Secretary of State by regulations.

(4) The relevant authority must—
   (a) notify the relevant body in writing of the decision within such time as may be specified by the Secretary of State by regulations, and
   (b) if the authority’s decision is to modify or reject the expression of interest, give reasons for that decision in the notification.

(5) The relevant authority must publish the notification in such manner as it thinks fit (which must include publication on the authority’s website).

(6) A relevant body may withdraw an expression of interest after submitting it to a relevant authority (whether before or after a decision has been made by the authority in respect of the expression of interest).

(7) The withdrawal of an expression of interest, or the refusal of a relevant body to agree to modification of an expression of interest, does not prevent the relevant...
authority from proceeding as described in section 70(2) if the relevant authority thinks that it is appropriate to do so.

72 Supplementary

(1) The Secretary of State may by regulations make further provision about the consideration by a relevant authority of an expression of interest submitted by a relevant body.

(2) A relevant authority must, in exercising its functions under or by virtue of this Chapter, have regard to guidance issued by the Secretary of State.

(5) In this section—

(2) The list maintained under subsection (1) by a local authority is to be known as its list of assets of community value.

(3) Where land is included in a local authority’s list of assets of community value, the entry for that land is to be removed from the list with effect from the end of the period of 5 years beginning with the date of that entry (unless the entry has been removed with effect from some earlier time in accordance with provision in regulations under subsection (5)).

(4) The appropriate authority may by order amend subsection (3) for the purpose of substituting, for the period specified in that subsection for the time being, some other period.

(2) After section 70B insert—

“70C Power to decline to determine retrospective application

granting planning permission for the development would involve granting, whether in relation to the whole or any part of the land to which an enforcement notice relates, planning permission in respect of the whole or any part of the matters specified in the enforcement notice as constituting a breach of planning control.”

(3) In section 78(2)(aa) (which refers to an authority not having given notice that it has exercised its power under section 70A or 70B to decline to determine an application) after “or 70B” insert “or 70C”.

(4) In section 174 (appeal against enforcement notice) after subsection (2) insert—

(ii) before the end of the period applicable under section 78(2) in the case of that application.

(2B) An application for planning permission for the development of any land is, for the purposes of subsection (2A), related to an enforcement notice if granting planning permission for the development would involve granting planning permission in respect of the matters specified in the enforcement notice as constituting a breach of planning control.”

(5) In section 177 (grant or modification of planning permission on appeals against enforcement notice) after subsection (1B) insert—

“(1C) If the land to which the enforcement notice relates is in England, subsection (1)(a) applies only if the statement under section 174(4) specifies the ground mentioned in section 174(2)(a).”

(a) the land to which the enforcement notice relates is in Wales, or
(b) that land is in England and the statement under section 174(4) specifies the ground mentioned in section 174(2)(a),

109 Time limits for enforcing concealed breaches of planning control

(1) In the Town and Country Planning Act 1990 after section 171B insert—

“171BA Time limits in cases involving concealment

(1) Where it appears to the local planning authority that there may have been a breach of planning control in respect of any land in England, the authority may apply to a magistrates’ court for an order under this
subsection (a “planning enforcement order”) in relation to that apparent breach of planning control.

(2) If a magistrates’ court makes a planning enforcement order in relation to an apparent breach of planning control, the local planning authority may take enforcement action in respect of—
   (a) the apparent breach, or
   (b) any of the matters constituting the apparent breach, at any time in the enforcement year.

(3) “The enforcement year” for a planning enforcement order is the year that begins at the end of 22 days beginning with the day on which the court’s decision to make the order is given, but this is subject to subsection (4).

(4) If an application under section 111(1) of the Magistrates’ Courts Act 1980 (statement of case for opinion of High Court) is made in respect of a planning enforcement order, the enforcement year for the order is the year beginning with the day on which the proceedings arising from that application are finally determined or withdrawn.

(5) Subsection (2)—
   (a) applies whether or not the time limits under section 171B have expired, and
   (b) does not prevent the taking of enforcement action after the end of the enforcement year but within those time limits.

171BB Planning enforcement orders: procedure

(1) An application for a planning enforcement order in relation to an apparent breach of planning control may be made within the 6 months beginning with the date on which evidence of the apparent breach of planning control sufficient in the opinion of the local planning authority to justify the application came to the authority’s knowledge.

(2) For the purposes of subsection (1), a certificate—
   (a) signed on behalf of the local planning authority, and
   (b) stating the date on which evidence sufficient in the authority’s opinion to justify the application came to the authority’s knowledge,

is conclusive evidence of that fact.

(3) A certificate stating that matter and purporting to be so signed is to be deemed to be so signed unless the contrary is proved.

(4) Where the local planning authority apply to a magistrates’ court for a planning enforcement order in relation to an apparent breach of planning control in respect of any land, the authority must serve a copy of the application—
   (a) on the owner and on the occupier of the land, and
   (b) on any other person having an interest in the land that is an interest which, in the opinion of the authority, would be materially affected by the taking of enforcement action in respect of the apparent breach.
(5) The persons entitled to appear before, and be heard by, the court hearing an application for a planning enforcement order in relation to an apparent breach of planning control in respect of any land include—
   (a) the applicant,

(6) In this section “planning enforcement order” means an order under section 171BA(1).

171BC Making a planning enforcement order

(1) A magistrates’ court may make a planning enforcement order in relation to an apparent breach of planning control only if—

    For this purpose “procedure” includes all aspects of the allocation
    process, including the persons or descriptions of persons by whom
    decisions are taken.

(2) The scheme must include a statement of the authority’s policy on
    offering people who are to be allocated housing accommodation—

    (b) the opportunity to express preferences about the housing
        accommodation to be allocated to them.

    (b) people who are owed a duty by any local housing authority
        under section 190(2), 193(2) or 195(2) (or under section 65(2) or

    particular descriptions of people within this subsection (being
    descriptions of persons with urgent housing needs).

(i) how his application is likely to be treated under the scheme (including in particular whether he is likely to be regarded as a member of a group of people who are to be given preference by virtue of subsection (3)); and
(ii) whether housing accommodation appropriate to his needs is likely to be made available to him and, if so, how long it is likely to be before such accommodation becomes available for allocation to him;

(b) has the right to request the authority to inform him of any decision about the facts of his case which is likely to be, or has been, taken into account in considering whether to allocate housing accommodation to him; and

(c) has the right to request a review of a decision mentioned in paragraph (b), or in section 160ZA(9), and to be informed of the decision on the review and the grounds for it.

(10) As regards the procedure to be followed, the scheme must be framed in accordance with such principles as the Secretary of State may prescribe by regulations.
(11) Subject to the above provisions, and to any regulations made under them, the authority may decide on what principles the scheme is to be framed.

(6) The court may refuse to grant an order for possession under this section if—

(a) the tenant has in accordance with section 107E requested a review of the landlord’s proposal not to grant another tenancy on the expiry of the flexible tenancy, and

(b) the court is satisfied that the landlord has failed to carry out the review in accordance with provision made by or under that section or that the decision on the review is otherwise wrong in law.
(7) If a court refuses to grant an order for possession by virtue of subsection (6) it may make such directions as to the holding of a review or further review under section 107E as it thinks fit.

(8) This section has effect notwithstanding that, on the coming to an end of the flexible tenancy, a periodic tenancy arises by virtue of section 86.

(9) Where a court makes an order for possession of a dwelling-house by virtue of this section, any periodic tenancy arising by virtue of section 86 on the coming to an end of the flexible tenancy comes to an end (without further notice and regardless of the period) in accordance with section 82(2).

(4) The Secretary of State may by regulations make provision about the procedure to be followed in connection with a review under this section.

(7) If the decision is to confirm the original decision, the landlord must also notify the tenant of the reasons for the decision.
