#### After Clause 9

LORD BERKELEY

227BB★

Insert the following new Clause—

#### “Recreational boating

- (1) Before exit day, a Minister of the Crown must lay before both Houses of Parliament a report setting out the extent to which, and how, the rights currently enjoyed by recreational boaters from the United Kingdom in the EU will be maintained after exit day.
- (2) The report under subsection (1) must include consideration of—
  - (a) the ability of recreational craft to retain Union Goods status;

**After Clause 9 - continued**

- (b) the ability of UK recreational craft that do not have Union Goods status to continue to be able to visit the EU without being subject to an 18-month restriction on Temporary Admission procedures for relief on customs duties and VAT provided they do not change ownership;
- (c) the ability of recreational craft to travel between the United Kingdom and the EU without being subject to border controls;
- (d) the ability of UK citizens who are accredited as Royal Yachting Association instructors to continue to work on a seasonal basis in EU member States for such purposes.”
