TO

Make provision about pension schemes.

BE IT ENACTED by the Queen’s most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:—

PART 1

COLLECTIVE MONEY PURCHASE BENEFITS

Definitions

1 Collective money purchase benefits and schemes

- (1) For the purposes of this Part, a benefit provided under a pension scheme is a “collective money purchase benefit” if— 5
- (a) the benefit is a qualifying benefit (see section 2), and
 - (b) the scheme is a qualifying scheme (see sections 3 and 4).
- (2) In this Part “collective money purchase scheme” means— 10
- (a) a qualifying scheme, or
 - (b) a section of a qualifying scheme (see sections 3(6) to (9) and 5(1)),
under which all of the benefits that may be provided are qualifying benefits.

2 Qualifying benefits

- (1) A benefit provided under a pension scheme is a “qualifying benefit” if— 15
- (a) the benefit is provided out of the available assets of the scheme,
 - (b) under the rules of the scheme, the rate or amount of the benefit is subject to periodic adjustments designed to achieve a balance between the value of the available assets of the scheme and the required amount, and
 - (c) the benefit is not of a description specified in regulations made by the Secretary of State. 20

- (2) In subsection (1) –
- “the available assets of the scheme” means all the assets that –
- (a) arise or derive from the payments made by or in respect of members of the scheme, and
 - (b) are available (subject to any deductions that fall to be made in respect of administrative expenses or commission) for the provision of benefits to or in respect of the members of the scheme collectively; 5
- “the required amount” means the amount expected to be required, applying appropriate actuarial assumptions, for the purpose of providing benefits under the scheme to or in respect of the members of the scheme collectively. 10
- (3) Regulations under subsection (1)(c) are subject to affirmative resolution procedure.
- (4) Where a scheme is divided into sections, this section has effect as if – 15
- (a) the reference to the scheme in subsection (1)(a) were a reference to a section of the scheme, and
 - (b) the other references to the scheme were references to that section of it.

3 Qualifying schemes

- (1) A pension scheme is a “qualifying scheme” if it meets the requirements in this section. 20
- (2) The scheme must be an occupational pension scheme established under an irrevocable trust by a person or persons to whom section 1(2)(a) (employer) of the Pension Schemes Act 1993 applied when the scheme was established (without other persons). 25
- (3) The scheme must be used, or intended to be used, only by –
- (a) a single employer, or
 - (b) two or more employers that are connected with each other.
- (4) The scheme must not be a relevant public service pension scheme (see section 4). 30
- (5) The qualifying benefits provided under the scheme must consist of or include the payment of a pension.
- (6) If the scheme provides both qualifying benefits and other benefits, there must be appropriate separation of the qualifying benefits.
- (7) There is “appropriate separation” of qualifying benefits and other benefits if (and only if) – 35
- (a) the scheme is divided into sections,
 - (b) none of the sections under which qualifying benefits are provided provides other types of benefit,
 - (c) payments made by or in respect of a member or members of the scheme for the purpose of providing qualifying benefits under a section of the scheme are allocated to that section, and 40
 - (d) a proportion of the assets of the scheme is attributable to each section of the scheme and cannot be used for the purposes of any other section.

-
- (8) If the scheme provides a combination of qualifying benefits with different characteristics that is described in regulations made by the Secretary of State, there must be appropriate separation of those qualifying benefits.
- (9) There is “appropriate separation” of qualifying benefits with different characteristics if (and only if) – 5
- (a) the scheme is divided into sections,
 - (b) each of the different types of qualifying benefit is provided under a different section,
 - (c) payments made by or in respect of a member or members of the scheme for the purpose of providing qualifying benefits under a section of the scheme are allocated to that section, and 10
 - (d) a proportion of the assets of the scheme is attributable to each section of the scheme and cannot be used for the purposes of any other section.
- (10) Regulations under subsection (8) are subject to negative resolution procedure.
- 4 Qualifying schemes: supplementary 15**
- (1) For the purposes of section 3(4) a pension scheme is a relevant public service pension scheme if it is –
- (a) a public service pension scheme within the meaning of the Pension Schemes Act 1993 (see section 1(1) of that Act),
 - (b) a scheme under section 1 of the Public Service Pensions Act 2013 (new public service schemes), 20
 - (c) a new public body pension scheme as defined in section 30 of that Act, or
 - (d) a statutory pension scheme that is connected with a scheme referred to in paragraph (b) or (c). 25
- (2) In subsection (1)(d) “connected” and “statutory pension scheme” have the same meaning as in the Public Service Pensions Act 2013 (see sections 4(6) and 37 of that Act).
- (3) The reference to a pension in section 3(5) does not include income withdrawal or dependants’ income withdrawal within the meaning of paragraphs 7 and 21 of Schedule 28 to the Finance Act 2004. 30
- 5 Schemes divided into sections**
- (1) The Secretary of State may by regulations make provision about when a pension scheme is or is not divided into sections for the purposes of this Part.
- (2) The Secretary of State may by regulations provide that, where a collective money purchase scheme that is not divided into sections (an “undivided scheme”) becomes a collective money purchase scheme that is divided into sections, an authorisation previously granted in respect of the undivided scheme applies to any of those sections that – 35
- (a) is a collective money purchase scheme by reason of section 1(2)(b), and 40
 - (b) satisfies conditions specified in the regulations.
- (3) For the purposes of this Part, where –
- (a) a qualifying scheme is divided into sections, and
 - (b) each of those sections is a collective money purchase scheme by reason of section 1(2)(b), 45

the qualifying scheme (taken as a whole) is to be treated as if it were not a collective money purchase scheme.

- (4) Regulations under subsection (1) are subject to negative resolution procedure.
- (5) Regulations under subsection (2) are subject to affirmative resolution procedure.

5

6 Amendment of definitions of “money purchase benefits” etc

- (1) Schedule 1 contains amendments of definitions of “money purchase benefits” in –

- (c) Part 1 of the Pensions Act 2008 (pension scheme membership for jobholders).

10

 - (b) if the triggering event is an item 3 triggering event.
- (4) In those cases, the trustees must pursue continuity option 1 even if—

PART 3

THE PENSIONS REGULATOR 10

Contribution notices where avoidance of employer debt etc

103 Grounds for issuing a section 38 contribution notice

- (1) The Pensions Act 2004 is amended as follows.
- (2) In section 38 (contribution notices where avoidance of employer debt) – 15
- (a) in subsection (5)(a) –
- (i) after “test” insert “, the employer insolvency test or the employer resources test”;
- (ii) for “section 38A)” substitute “sections 38A, 38C and 38E”;
- (b) in subsection (12)(c), after “test” insert “, the employer insolvency test or the employer resources test”. 20
- (3) After section 38B insert –

“38C Section 38 contribution notice: meaning of “employer insolvency test”

- (1) For the purposes of section 38 the employer insolvency test is met in relation to an act or failure to act if the Regulator is of the opinion – 25
- (a) that, immediately after the relevant time, the value of the assets of the scheme was less than the amount of the liabilities of the scheme, and
- (b) that, if a debt under section 75(4) of the Pensions Act 1995 (deficiencies in scheme assets: employer insolvency etc) had fallen due from the employer to the scheme immediately after the relevant time, the act or failure would have materially reduced the amount of the debt likely to be recovered by the scheme. 30
- (2) For the purposes of subsection (1) – 35
- (a) the value of the assets of the scheme immediately after the relevant time is the value which the Regulator estimates to be their value,
- (b) the amount of the liabilities of the scheme immediately after the relevant time is the amount which the Regulator estimates to be the amount of those liabilities, and 40
- (c) the amount of the debt is the amount which the Regulator estimates to be the amount of the debt under section 75(4) of the

	Pensions Act 1995 that would have fallen due immediately after the relevant time.	
(3)	When estimating the value and the amounts referred to in subsection (2), the Regulator must take into account how liabilities and assets are determined and calculated for the purposes of section 75(4) of the Pensions Act 1995.	5
(4)	When estimating –	
	(a) the value of the assets of the scheme immediately after the relevant time, and	
	(b) the amount of the debt under section 75(4) of the Pensions Act 1995 falling due immediately after the relevant time,	10
	the Regulator must disregard the amount of any debt due immediately after the relevant time from the employer under section 75 of the Pensions Act 1995.	
(5)	In this section “the relevant time” means –	15
	(a) in the case of an act, the time of the act, or	
	(b) in the case of a failure to act –	
	(i) the time when the failure occurred, or	
	(ii) where the failure continued for a period of time, the time which the Regulator determines and which falls within that period;	20
	and, in the case of acts or failures to act forming part of a series, any reference in this subsection to an act or failure to act is a reference to the last of the acts or failures in that series.	
38D	Section 38 contribution notice issued by reference to employer insolvency test: defence	25
(1)	This section applies where –	
	(a) a warning notice is given to any person (“P”) in respect of a contribution notice under section 38, and	
	(b) the contribution notice under consideration would be issued wholly or partly by reference to the Regulator’s opinion that the employer insolvency test is met in relation to an act or deliberate failure to act to which P was a party.	30
(2)	If the Regulator is satisfied that P has shown that –	
	(a) conditions A and C are met, and	35
	(b) where applicable, condition B is met,	
	the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in subsection (1)(b).	
(3)	If the Regulator is satisfied that P or another person has shown that condition D is met, the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in subsection (1)(b).	40
(4)	Condition A is that, before becoming a party to the act or failure, P gave due consideration to the extent to which, if a debt under section 75(4) of the Pensions Act 1995 were to fall due from the employer to the scheme immediately after the relevant time, the act or failure might materially reduce the amount of the debt likely to be recovered by the scheme.	45

-
- (5) Condition B is that, in any case where as a result of that consideration P considered that the act or failure might have such an effect, P took all reasonable steps to eliminate or minimise the potential for the act or failure to have such an effect.
- (6) Condition C is that, having regard to all relevant circumstances prevailing at the time of the act or at the time when the failure to act first occurred, it was reasonable for P to conclude that, if a debt under section 75(4) of the Pensions Act 1995 were to fall due from the employer to the scheme immediately after the relevant time, the act or failure would not materially reduce the amount of the debt likely to be recovered by the scheme. 5
10
- (7) Condition D is that, immediately after the relevant time, the value of the assets of the scheme equalled or was more than the amount at that time of the liabilities of the scheme.
- (8) P is to be regarded as giving the consideration mentioned in condition A only if P has made the enquiries, and done the other acts, that a reasonably diligent person would have made or done in the circumstances. 15
- (9) For the purposes of condition C the reference to the circumstances mentioned in that condition is a reference to those circumstances of which P was aware, or ought reasonably to have been aware, at the time of the act or the time when the failure to act first occurred (including acts or failures to act which have occurred before that time and P’s expectation at that time of other acts or failures to act occurring). 20
- (10) For the purposes of conditions A, C and D the amount of any debt due at the time in question from the employer under section 75 of the Pensions Act 1995 is to be disregarded. 25
- (11) In the case of acts or failures to act forming part of a series, P is to be regarded as having shown the matters mentioned in subsection (2) if P shows in the case of each of the acts or failures in the series that – 30
35
- (a) conditions A and C are met, and (where applicable) condition B is met, in relation to the act or failure, or
 - (b) the act or failure was one of a number of acts or failures (a “group” of acts or failures) selected by P in relation to which the following matters are shown.
- (12) The matters to be shown are that – 40
- (a) before becoming a party to the first of the acts or failures in the group, condition A is met in relation to the effect of the acts or failures in the group taken together,
 - (b) condition B is (where applicable) met in relation to that effect, and
 - (c) condition C is then met in relation to each of the acts or failures in the group (determined at the time at which each act or failure concerned occurred or first occurred).
- (13) If at any time P considers that condition C will not be met in relation to any particular act or failure in the group – 45
- (a) the previous acts or failures in the group are to be regarded as a separate group for the purposes of subsection (11), and

- (b) P may then select another group consisting of the particular act or failure concerned, and any subsequent act or failure, in relation to which P shows the matters mentioned in subsection (12). 5
- Nothing in paragraph (b) is to be read as preventing P from showing the matters mentioned in subsection (11)(a). 5
- (14) If—
- (a) P is unable to show in the case of each of the acts or failures in the series that the matters set out in subsection (11)(a) or (b) are met, but 10
- (b) does show in the case of some of them that those matters are met,
- the acts or failures within paragraph (b) are not to count for the purposes of section 38C as acts or failures to act in the series.
- (15) In this section— 15
- (a) “the relevant time” has the meaning given by section 38C;
- (b) “a warning notice” means a notice given as mentioned in section 96(2)(a);
- (c) any reference to an act or failure to act to which a person is a party has the same meaning as in section 38(6)(a).” 20
- (4) After section 38D (inserted by subsection (3)) insert—
- “38E Section 38 contribution notice: meaning of “employer resources test”**
- (1) For the purposes of section 38 the employer resources test is met in relation to an act or failure to act if the Regulator is of the opinion that— 25
- (a) the act or failure reduced the value of the resources of the employer, and
- (b) that reduction was a material reduction relative to the amount of the estimated section 75 debt in relation to the scheme.
- (2) For the purposes of this section— 30
- (a) what constitutes the resources of the employer is to be determined in accordance with regulations;
- (b) the value of the resources of the employer is to be determined, calculated and verified in a prescribed manner.
- (3) In this section the “estimated section 75 debt”, in relation to a scheme, means the amount which the Regulator estimates to be the amount of the debt which would become due from the employer to the trustees or managers of the scheme under section 75 of the Pensions Act 1995 (deficiencies in the scheme assets) if— 35
- (a) section 75(2) applied, and
- (b) the time designated by the trustees or managers of the scheme for the purposes of section 75(2) were the relevant time. 40
- (4) When calculating the estimated section 75 debt in relation to a scheme under subsection (3), the amount of any debt due at the relevant time from the employer under section 75 of the Pensions Act 1995 is to be disregarded. 45
- (5) In this section “the relevant time” means—
- (a) in the case of an act, the time of the act, or

- (b) in the case of a failure to act—
 - (i) the time when the failure occurred, or
 - (ii) where the failure continued for a period of time, the time which the Regulator determines and which falls within that period;

5

and, in the case of acts or failures to act forming part of a series, any reference in this subsection to an act or failure is a reference to the last of the acts or failures in that series.

38F Section 38 contribution notice issued by reference to employer resources test: defence

10

- (1) This section applies where—
 - (a) a warning notice is given to any person (“P”) in respect of a contribution notice under section 38, and
 - (b) the contribution notice under consideration would be issued wholly or partly by reference to the Regulator’s opinion that the employer resources test is met in relation to an act or deliberate failure to act to which P was a party.
- (2) If the Regulator is satisfied that P has shown that—
 - (a) conditions A and C are met, and
 - (b) where applicable, condition B is met,the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in subsection (1)(b).
- (3) Condition A is that, before becoming a party to the act or failure, P gave due consideration to the extent to which the act or failure might reduce the value of the resources of the employer relative to the amount of the estimated section 75 debt in relation to the scheme.
- (4) Condition B is that, in any case where as a result of that consideration P considered that the act or failure might have such an effect, P took all reasonable steps to eliminate or minimise the potential for the act or failure to have such an effect.
- (5) Condition C is that, having regard to all relevant circumstances prevailing at the time of the act or at the time when the failure to act first occurred, it was reasonable for P to conclude that the act or failure would not bring about a reduction in the value of the resources of the employer relative to the amount of the estimated section 75 debt in relation to the scheme.
- (6) P is to be regarded as giving the consideration mentioned in condition A only if P has made the enquiries, and done the other acts, that a reasonably diligent person would have made or done in the circumstances.
- (7) For the purposes of condition C the reference to the circumstances mentioned in that condition is a reference to those circumstances of which P was aware, or ought reasonably to have been aware, at the time of the act or the time when the failure to act first occurred (including acts or failures to act which have occurred before that time and P’s expectation at that time of other acts or failures to act occurring).

- (8) For the purposes of conditions A and C the amount of any debt due at the time in question from the employer under section 75 of the Pensions Act 1995 is to be disregarded.
- (9) In the case of acts or failures to act forming part of a series, P is to be regarded as having shown the matters mentioned in subsection (2) if P shows in the case of each of the acts or failures in the series that –
- (a) conditions A and C are met, and (where applicable) condition B is met, in relation to the act or failure, or
 - (b) the act or failure was one of a number of acts or failures (a “group” of acts or failures) selected by P in relation to which the following matters are shown.
- (10) The matters to be shown are that –
- (a) before becoming a party to the first of the acts or failures in the group, condition A is met in relation to the effect of the acts or failures in the group taken together,
 - (b) condition B is (where applicable) met in relation to that effect, and
 - (c) condition C is then met in relation to each of the acts or failures in the group (determined at the time at which each act or failure concerned occurred or first occurred).
- (11) If at any time P considers that condition C will not be met in relation to any particular act or failure in the group –
- (a) the previous acts or failures in the group are to be regarded as a separate group for the purposes of subsection (9), and
 - (b) P may then select another group consisting of the particular act or failure concerned, and any subsequent act or failure, in relation to which P shows the matters mentioned in subsection (10).
- Nothing in paragraph (b) is to be read as preventing P from showing the matters mentioned in subsection (9)(a).
- (12) If –
- (a) P is unable to show in the case of each of the acts or failures in the series that the matters set out in subsection (9)(a) or (b) are met, but
 - (b) does show in the case of some of them that those matters are met,
- the acts or failures within paragraph (b) are not to count for the purposes of section 38E as acts or failures to act in the series.
- (13) In this section –
- (a) the “estimated section 75 debt” has the meaning given in section 38E;
 - (b) section 38E(2) (the resources of the employer and their value) has effect for the purpose of this section as it has effect for the purposes of section 38E;
 - (c) “a warning notice” means a notice given as mentioned in section 96(2)(a);
 - (d) any reference to an act or failure to act to which a person is a party has the same meaning as in section 38(6)(a).”

- (2) If a pause order contains a direction under section 95(5)(b) that no further payments (or no further payments of a specified description) are to be made towards a scheme during the period for which the order has effect –
 (a) any payments that are the subject of the direction and would otherwise be due to be made towards the scheme during that period are to be treated as if they do not fall due, and 25
 (b) any obligation to make those payments (including any obligation under Article 49(8) of the Pensions (Northern Ireland) Order 1995 (S.I. 1995/3213 (N.I. 22)) to pay amounts deducted corresponding to such payments) is to be treated as if it does not arise. 30

 (a) the direction does not affect any entitlement to that benefit, and 35

THE PENSIONS REGULATOR: NORTHERN IRELAND

PART 1

AMENDMENTS OF THE PENSIONS (NORTHERN IRELAND) ORDER 2005

Introductory

- 1 The Pensions (Northern Ireland) Order 2005 (S.I. 2005/255 (N.I. 1)) is amended as follows. 30

Grounds for issuing an Article 34 contribution notice

- 2 (1) In Article 34 (contribution notices where avoidance of employer debt) –
- (a) in paragraph (5)(a) –
 - (i) after “test” insert “, the employer insolvency test or the employer resources test”; 35
 - (ii) for “Article 34A)” substitute “Articles 34A, 34C and 34E)”;
 - (b) in paragraph (12)(c), after “test” insert “, the employer insolvency test or the employer resources test”.

(2) After Article 34B insert –

“34C Article 34 contribution notice: meaning of “employer insolvency test”

- (1) For the purposes of Article 34 the employer insolvency test is met in relation to an act or failure to act if the Regulator is of the opinion –
- (a) that, immediately after the relevant time, the value of the assets of the scheme was less than the amount of the liabilities of the scheme, and 5
 - (b) that, if a debt under Article 75(4) of the 1995 Order (deficiencies in scheme assets: employer insolvency etc) had fallen due from the employer to the scheme immediately after the relevant time, the act or failure would have materially reduced the amount of the debt likely to be recovered by the scheme. 10
- (2) For the purposes of paragraph (1) –
- (a) the value of the assets of the scheme immediately after the relevant time is the value which the Regulator estimates to be their value, 15
 - (b) the amount of the liabilities of the scheme immediately after the relevant time is the amount which the Regulator estimates to be the amount of those liabilities, and 20
 - (c) the amount of the debt is the amount which the Regulator estimates to be the amount of the debt under Article 75(4) of the 1995 Order that would have fallen due immediately after the relevant time.
- (3) When estimating the value and the amounts referred to in paragraph (2), the Regulator must take into account how liabilities and assets are determined and calculated for the purposes of Article 75(4) of the 1995 Order. 25
- (4) When estimating –
- (a) the value of the assets of the scheme immediately after the relevant time, and 30
 - (b) the amount of the debt under Article 75(4) of the 1995 Order falling due immediately after the relevant time,
- the Regulator must disregard the amount of any debt due immediately after the relevant time from the employer under Article 75 of the 1995 Order. 35
- (5) In this Article “the relevant time” means –
- (a) in the case of an act, the time of the act, or
 - (b) in the case of a failure to act – 40
 - (i) the time when the failure occurred, or
 - (ii) where the failure continued for a period of time, the time which the Regulator determines and which falls within that period;
- and, in the case of acts or failures to act forming part of a series, any reference in this paragraph to an act or failure to act is a reference to the last of the acts or failures in that series. 45

34D Article 34 contribution notice issued by reference to employer insolvency test: defence

- (1) This Article applies where—
 - (a) a warning notice is given to any person (“P”) in respect of a contribution notice under Article 34, and 5
 - (b) the contribution notice under consideration would be issued wholly or partly by reference to the Regulator’s opinion that the employer insolvency test is met in relation to an act or deliberate failure to act to which P was a party.
- (2) If the Regulator is satisfied that P has shown that— 10
 - (a) conditions A and C are met, and
 - (b) where applicable, condition B is met,
 the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in paragraph (1)(b).
- (3) If the Regulator is satisfied that P or another person has shown that condition D is met, the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in paragraph (1)(b). 15
- (4) Condition A is that, before becoming a party to the act or failure, P gave due consideration to the extent to which, if a debt under Article 75(4) of the 1995 Order were to fall due from the employer to the scheme immediately after the relevant time, the act or failure might materially reduce the amount of the debt likely to be recovered by the scheme. 20
- (5) Condition B is that, in any case where as a result of that consideration P considered that the act or failure might have such an effect, P took all reasonable steps to eliminate or minimise the potential for the act or failure to have such an effect. 25
- (6) Condition C is that, having regard to all relevant circumstances prevailing at the time of the act or at the time when the failure to act first occurred, it was reasonable for P to conclude that, if a debt under Article 75(4) of the 1995 Order were to fall due from the employer to the scheme immediately after the relevant time, the act or failure would not materially reduce the amount of the debt likely to be recovered by the scheme. 30
35
- (7) Condition D is that, immediately after the relevant time, the value of the assets of the scheme equalled or was more than the amount at that time of the liabilities of the scheme.
- (8) P is to be regarded as giving the consideration mentioned in condition A only if P has made the enquiries, and done the other acts, that a reasonably diligent person would have made or done in the circumstances. 40
- (9) For the purposes of condition C the reference to the circumstances mentioned in that condition is a reference to those circumstances of which P was aware, or ought reasonably to have been aware, at the time of the act or the time when the failure to act first occurred (including acts or failures to act which have occurred before that time 45

- and P’s expectation at that time of other acts or failures to act occurring).
- (10) For the purposes of conditions A, C and D the amount of any debt due at the time in question from the employer under Article 75 of the 1995 Order is to be disregarded. 5
- (11) In the case of acts or failures to act forming part of a series, P is to be regarded as having shown the matters mentioned in paragraph (2) if P shows in the case of each of the acts or failures in the series that – 10
- (a) conditions A and C are met, and (where applicable) condition B is met, in relation to the act or failure, or
 - (b) the act or failure was one of a number of acts or failures (a “group” of acts or failures) selected by P in relation to which the following matters are shown.
- (12) The matters to be shown are that – 15
- (a) before becoming a party to the first of the acts or failures in the group, condition A is met in relation to the effect of the acts or failures in the group taken together,
 - (b) condition B is (where applicable) met in relation to that effect, and
 - (c) condition C is then met in relation to each of the acts or failures in the group (determined at the time at which each act or failure concerned occurred or first occurred). 20
- (13) If at any time P considers that condition C will not be met in relation to any particular act or failure in the group – 25
- (a) the previous acts or failures in the group are to be regarded as a separate group for the purposes of paragraph (11), and
 - (b) P may then select another group consisting of the particular act or failure concerned, and any subsequent act or failure, in relation to which P shows the matters mentioned in paragraph (12). 30
- Nothing in sub-paragraph (b) is to be read as preventing P from showing the matters mentioned in paragraph (11)(a).
- (14) If – 35
- (a) P is unable to show in the case of each of the acts or failures in the series that the matters set out in paragraph (11)(a) or (b) are met, but
 - (b) does show in the case of some of them that those matters are met,
- the acts or failures within sub-paragraph (b) are not to count for the purposes of Article 34C as acts or failures to act in the series. 40
- (15) In this Article – 45
- (a) “the relevant time” has the meaning given by Article 34C;
 - (b) “a warning notice” means a notice given as mentioned in Article 91(2)(a);
 - (c) any reference to an act or failure to act to which a person is a party has the same meaning as in Article 34(6)(a).”

(3) After Article 34D (inserted by sub-paragraph (2)) insert—

“34E Article 34 contribution notice: meaning of “employer resources test”

- (1) For the purposes of Article 34 the employer resources test is met in relation to an act or failure to act if the Regulator is of the opinion that— 5
- (a) the act or failure reduced the value of the resources of the employer, and
 - (b) that reduction was a material reduction relative to the amount of the estimated Article 75 debt in relation to the scheme. 10
- (2) For the purposes of this Article—
- (a) what constitutes the resources of the employer is to be determined in accordance with regulations;
 - (b) the value of the resources of the employer is to be determined, calculated and verified in a prescribed manner. 15
- (3) In this Article the “estimated Article 75 debt”, in relation to a scheme, means the amount which the Regulator estimates to be the amount of the debt which would become due from the employer to the trustees or managers of the scheme under Article 75 of the 1995 Order (deficiencies in the scheme assets) if— 20
- (a) Article 75(2) applied, and
 - (b) the time designated by the trustees or managers of the scheme for the purposes of Article 75(2) were the relevant time.
- (4) When calculating the estimated Article 75 debt in relation to a scheme under paragraph (3), the amount of any debt due at the relevant time from the employer under Article 75 of the 1995 Order is to be disregarded. 25
- (5) In this Article “the relevant time” means—
- (a) in the case of an act, the time of the act, or 30
 - (b) in the case of a failure to act—
 - (i) the time when the failure occurred, or
 - (ii) where the failure continued for a period of time, the time which the Regulator determines and which falls within that period; 35
- and, in the case of acts or failures to act forming part of a series, any reference in this paragraph to an act or failure is a reference to the last of the acts or failures in that series.

34F Article 34 contribution notice issued by reference to employer resources test: defence 40

- (1) This Article applies where—
- (a) a warning notice is given to any person (“P”) in respect of a contribution notice under Article 34, and
 - (b) the contribution notice under consideration would be issued wholly or partly by reference to the Regulator’s opinion that the employer resources test is met in relation to an act or deliberate failure to act to which P was a party. 45

-
- (2) If the Regulator is satisfied that P has shown that –
- (a) conditions A and C are met, and
 - (b) where applicable, condition B is met,
- the Regulator must not issue the contribution notice by reference to its being of the opinion mentioned in paragraph (1)(b). 5
- (3) Condition A is that, before becoming a party to the act or failure, P gave due consideration to the extent to which the act or failure might reduce the value of the resources of the employer relative to the amount of the estimated Article 75 debt in relation to the scheme.
- (4) Condition B is that, in any case where as a result of that consideration P considered that the act or failure might have such an effect, P took all reasonable steps to eliminate or minimise the potential for the act or failure to have such an effect. 10
- (5) Condition C is that, having regard to all relevant circumstances prevailing at the time of the act or at the time when the failure to act first occurred, it was reasonable for P to conclude that the act or failure would not bring about a reduction in the value of the resources of the employer relative to the amount of the estimated Article 75 debt in relation to the scheme. 15
- (6) P is to be regarded as giving the consideration mentioned in condition A only if P has made the enquiries, and done the other acts, that a reasonably diligent person would have made or done in the circumstances. 20
- (7) For the purposes of condition C the reference to the circumstances mentioned in that condition is a reference to those circumstances of which P was aware, or ought reasonably to have been aware, at the time of the act or the time when the failure to act first occurred (including acts or failures to act which have occurred before that time and P’s expectation at that time of other acts or failures to act occurring). 25
30
- (8) For the purposes of conditions A and C the amount of any debt due at the time in question from the employer under Article 75 of the 1995 Order is to be disregarded.
- (9) In the case of acts or failures to act forming part of a series, P is to be regarded as having shown the matters mentioned in paragraph (2) if P shows in the case of each of the acts or failures in the series that – 35
- (a) conditions A and C are met, and (where applicable) condition B is met, in relation to the act or failure, or
 - (b) the act or failure was one of a number of acts or failures (a “group” of acts or failures) selected by P in relation to which the following matters are shown. 40
- (10) The matters to be shown are that –
- (a) before becoming a party to the first of the acts or failures in the group, condition A is met in relation to the effect of the acts or failures in the group taken together, 45
 - (b) condition B is (where applicable) met in relation to that effect, and

- (c) condition C is then met in relation to each of the acts or failures in the group (determined at the time at which each act or failure concerned occurred or first occurred).
- (11) If at any time P considers that condition C will not be met in relation to any particular act or failure in the group – 5
- (a) the previous acts or failures in the group are to be regarded as a separate group for the purposes of paragraph (9), and
- (b) P may then select another group consisting of the particular act or failure concerned, and any subsequent act or failure, in relation to which P shows the matters mentioned in paragraph (10). 10
- Nothing in sub-paragraph (b) is to be read as preventing P from showing the matters mentioned in paragraph (9)(a).
- (12) If – 15
- (a) P is unable to show in the case of each of the acts or failures in the series that the matters set out in paragraph (9)(a) or (b) are met, but
- (b) does show in the case of some of them that those matters are met,
- the acts or failures within sub-paragraph (b) are not to count for the purposes of Article 34E as acts or failures to act in the series. 20
- (13) In this Article –
- (a) the “estimated Article 75 debt” has the meaning given in Article 34E;
- (b) Article 34E(2) (the resources of the employer and their value) has effect for the purpose of this Article as it has effect for the purposes of Article 34E; 25
- (c) “a warning notice” means a notice given as mentioned in Article 91(2)(a);
- (d) any reference to an act or failure to act to which a person is a party has the same meaning as in Article 34(6)(a).” 30
