Page 3, line 36, at end insert –

- “(5A) If the fisheries policy authorities (or any of them) believe that a statement under this Act is or would be, if made, inconsistent with their policies, they may request an independent reviewer, which the Secretary of State must appoint, to report within 6 weeks.
- (5B) The Secretary of State and fisheries policy authorities must have regard to the report of the independent reviewer appointed under subsection (5A) in making a JFS thereafter.
- (5C) The Secretary of State must have regard to the report of the independent reviewer appointed under subsection (5A) before setting out policies in a Secretary of State fisheries statement under section 4, which would otherwise be included in the JFS.”

#### *Member’s explanatory statement*

*This amendment would interpose an independent review, if requested by an authority, if there is a difference of view over policies. It would seek to resolve disputes between authorities before policies are set out in a Secretary of State’s Statement, rather than in a JFS.*
