

Medicines and Medical Devices Bill

AMENDMENTS
TO BE MOVED
IN GRAND COMMITTEE

Clause 1

BARONESS CUMBERLEGE
BARONESS BURT OF SOLIHULL
BARONESS HOLLINS
LORD PATEL

Page 1, line 8, at end insert “the safety of human medicines as the overriding consideration.”

Page 1, leave out line 9 and insert –

“() In making regulations under subsection (1), the appropriate authority must also have regard to the following as secondary considerations –”

After Clause 2

LORD CLEMENT-JONES
LORD HUNT OF KINGS HEATH

Insert the following new Clause –

“Hub and spoke framework

- (1) Within six months of the day on which this Act is passed, the Secretary of State must –
 - (a) consult the pharmaceutical wholesale and pharmacy sectors and their regulators on an agreed framework for the safe transfer of patient data, prescription information and dispensed products between separate legal entities when operating any form of third-party hub and spoke dispensing model; and
 - (b) lay a copy of the agreed framework before Parliament.
- (2) The Secretary of State must have regard to the agreed framework when making regulations under section 1(1).”

Member's explanatory statement

This new Clause is intended to ensure the government consults with stakeholders on how hub and spoke is used and agrees a framework with the support of the relevant sectors. This will ensure that the expected savings and efficiencies, and new healthcare services via pharmacies, can be achieved.
