After Clause 4 - continued

- (6) In paragraph 4, at end insert “, but the term for which each member (other than the chairman) is appointed shall be a non-renewable term.””

Member’s explanatory statement

This amendment would ensure that the appointment of members of the Boundary Commissions is made and is seen to be made independently and without the influence or appearance of influence of the Executive, to remove the possibility of political interference in the process of setting the boundaries of Parliamentary constituencies.

After Clause 5

LORD LENNIE

BARONESS FINLAY OF LLANDAFF

LORD TYLER

LORD RENNARD

 - (b) no more than 110% of that quota.””

Clause 6

“(2A) Each constituency in any part of Cornwall must be wholly in the unitary authority area of Cornwall Council, and no other authority area, except for the Isles of Scilly.””

After Clause 6

LORD SHUTT OF GREETLAND
LORD WILLS
LORD JANVRIN
LORD LEXDEN

16★ Insert the following new Clause –

“Improving completeness of electoral registers for purposes of boundary reviews etc.

- (1) Within a year of this Act coming into force, the Secretary of State must lay before Parliament proposals for improving the completeness of electoral registers for purposes of boundary reviews.
- (2) The proposals in subsection (1) may include requirements for either –
 - (a) the Department for Work and Pensions to provide every registration officer with the name, address, date of birth and nationality of each individual in their district to whom they issue a National Insurance number ahead of their 16th birthday, and for registration officers to add to the full electoral registers those electors who they are satisfied are eligible for inclusion; or
 - (b) the Department for Work and Pensions to notify individuals of the criteria for eligibility to vote and of the process for making an application to join the register when they are issued with a new National Insurance number.”

Member’s explanatory statement

16 and 17 year olds are added to electoral registers for the purposes of boundary reviews, but many of them are not known to the registration officers. The amendment would require the Secretary of State to make proposals for improving the completeness of electoral registers and suggests two possible ways in which the issue of a National Insurance number could trigger the inclusion of 16 and 17 year olds.

Clause 7

LORD LIPSEY

17 Page 5, line 22, at end insert—

“(d) a constituency named Brecon and Radnorshire with identical boundaries to those of the existing Brecon and Radnorshire constituency”

This amendment creates an additional protected constituency to make this seat geographically manageable.

After Clause 7

LORD HAIN

LORD WIGLEY

LORD MORRIS OF ABERAVON

- 7A In relation to Wales, the electorate of any constituency shall be—
- (a) no less than 85% of the United Kingdom electoral quota, and
