“(2A) After sub-paragraph (2) insert –

“(2A) Sub-paragraph (2) applies to a member of the CMA Board appointed under paragraph 1(1)(c) as if the reference to the Secretary of State were a reference to whichever of the Scottish Ministers, the Welsh Ministers or the Department for the Economy in Northern Ireland appointed the person.”

## COMMONS REASON

*The Commons disagree to Lords Amendments 57 and 61 for the following Reason –*

- 57A** *Because the existing functions of the Competition and Markets Authority and the functions under Part 4 need to be kept separate and it is inappropriate for the devolved authorities to appoint members of the Board of that Authority.*

- L** **Lord Callanan to move, That this House do not insist on its Amendments 50, 57 and 61 to which the Commons have disagreed for their Reasons 50A and 57A, but do propose Amendment 50B in lieu –**

**After Clause 40**

- 50B** Insert the following new Clause –

**“40A Duty to review arrangements for carrying out Part 4 functions**

- (1) The Secretary of State must, within the permitted period –
  - (a) carry out a review of the appropriateness, for the purpose of securing the most effective and efficient performance of the Part 4 functions, of –
    - (i) the provision made by section 30(1) and the amendments made by Schedule 3, and
    - (ii) any arrangements made under or in connection with that provision and those amendments;
  - (b) prepare a report of the review (see subsection (4) for specific requirements relating to the report), and

- (c) lay a copy of the report before Parliament, the Scottish Parliament, Senedd Cymru and the Northern Ireland Assembly.
- (2) The review must, among other things, assess—
- (a) the way in which Part 4 functions have been carried out by the CMA through Office for the Internal Market task groups authorised under section 30(1), and
  - (b) any advantages or disadvantages of continuing with—
    - (i) the provision made by section 30 and the amendments made by Schedule 3, and
    - (ii) the arrangements made under or in connection with that provision or those amendments,as compared with other possible ways of providing for the Part 4 functions to be carried out (including possible arrangements not involving the CMA).
- (3) In carrying out the review the Secretary of State must consult the other relevant national authorities.
- (4) Before finalising the report required by subsection (1)(b) the Secretary of State must—
- (a) send a draft of the proposed report to each of the other relevant national authorities, inviting the authority to make representations as to the content of the proposed report within a period specified by the Secretary of State, and
  - (b) consider any representations duly made in response to that invitation and determine whether to alter the report in the light of that consideration.
- (5) The Secretary of State need not consult the devolved authorities further if the draft is altered as mentioned in subsection (4)(b) (but is free to do so if the Secretary of State thinks fit).
- (6) The permitted period for the review is the period beginning with the third anniversary of the day on which section 30 comes into force (or first comes into force to any extent) and ending with the fifth anniversary.
- (7) In this section “Part 4 functions” means functions of the CMA under this Part.”

### Clause 50

50C Before subsection (1) insert—

“(A1) Subsections (1), (2) and (3) shall take effect when the Welsh Ministers, the Scottish Ministers and the Northern Ireland Executive have agreed with the Secretary of State a common framework applicable to the United Kingdom to regulate the provision of subsidies by a public authority to persons supplying goods or services in the course of a business or, if agreement cannot be reached, three years after the passing of this Act.”

## MOTION M

### LORDS AMENDMENT 51

### Clause 50

51 Leave out Clause 50

### COMMONS REASON

*The Commons disagree to Lords Amendment 51 for the following Reason –*

51A *Because it is necessary to reserve to the United Kingdom Parliament the right to legislate for a system to regulate the provision by public bodies of subsidies which are or may be distortive or harmful and to avoid the risk of inconsistent regulation of such subsidies in the different parts of the United Kingdom.*

**M Lord Callanan to move, That this House do not insist on its Amendment 51 to which the Commons have disagreed for their Reason 51A, but do propose the following amendment in lieu –**

### After Clause 50

51B Insert the following new Clause –

**“50A UK subsidy control consultation: engagement with the devolved authorities on the Government response**

- (1) For the purposes of this section –
  - (a) “the UK subsidy control consultation” is the consultation announced by the Secretary of State for Business, Energy and Industrial Strategy in a written Ministerial statement made in the House of Commons on 9 September 2020 (consultation on whether the United Kingdom should go further than its existing international commitments in relation to subsidy control, including whether legislation is necessary);
  - (b) a “relevant report” is a report containing the whole or part of the Government’s response to that consultation (and for this purpose “response” includes any conclusions and proposals, resulting from that consultation, as to arrangements in the United Kingdom for controlling the provision by public authorities of subsidies which are or may be distortive or harmful);

- (c) subsidies are “distortive or harmful” if they distort competition between, or otherwise cause harm or injury to, persons supplying goods or services in the course of a business, whether or not established in the United Kingdom;
  - (d) the “devolved authorities” are the Scottish Ministers, the Welsh Ministers and the Department for the Economy in Northern Ireland.
- (2) The Secretary of State must, before publishing any relevant report relating to the UK subsidy control consultation –
  - (a) provide a draft of the proposed Government response to each devolved authority, inviting it to make representations about the proposed response within a period specified by the Secretary of State, and
  - (b) consider any representations duly made by any of the devolved authorities in response to that invitation and determine whether to alter the report in the light of that consideration.
- (3) The Secretary of State need not consult the devolved authorities further if the draft is altered as mentioned in subsection (2)(b) (but is free to do so if the Secretary of State thinks fit).
- (4) The consultation required by subsection (2) is in addition to any engagement with the devolved authorities in the course of the UK subsidy control consultation.”
