Draft Bills under consideration or published during 2007– 08 Session

As part of the reforms to the legislative process initiated by the Modernisation Committee, the government now publishes a number of bills each session in draft form, before they are introduced into parliament as formal bills. This enables consultation and pre-legislative scrutiny before a bill is issued formally.

Increasingly, it had become the practice in recent sessions for the House to refer these to a joint committee of the Commons and Lords appointed for the specific purpose of examining and reporting on a named draft bill. On occasions a draft bill may be referred to one of the departmental select committees or a select committee appointed for that specific purpose.

Listed below are draft bills that are currently under consideration or that have been published during the 2007/08 Session of Parliament. Further information on draft bills, including those from previous sessions can be viewed on the Parliament website at <http://www.parliament.uk/bills/draftbills.cfm>. This page links to electronic copies of the draft bills and related publications including select committee reports on the draft bills.

Complete List of Private bills before Parliament this Session

The following is a list of Private Bills before Parliament. Private Bills originate outside Parliament and are promoted by bodies seeking special powers not available under the general law. Each Bill starts with a petition to Parliament from the promoter for leave to bring in a Bill; this must be deposited on or before 27 November. Any such petitions will be noted below until they gain a 1st Reading.

Parties affected by a Bill may present a petition against it, clearly stating the grounds of their objection. The petitioning period will be shown beneath the Bill until the deadline has expired.

Copy of a draft Provisional Order deposited under the Private Legislation Procedure (Scotland) Act 1936

Aberdeen City Council Provisional Order – Examined on 15th January 2008

Delegated Legislation

Statutory Instruments

The most common form of delegated legislation, or secondary legislation, is Statutory Instruments. Those requiring parliamentary approval are subject to either the affirmative or negative procedure: this is explained in HCIO Factsheet L7.

The laying of Orders before the House of Commons is recorded in the Statutory Instrument List published by the Journal Office: <http://www.publications.parliament.uk/pa/cm/cmsilist/cmsilist.htm>. This list records when Orders were laid and in the case of affirmative instruments, whether a motion for their approval has been tabled. In the case of Negative Instruments, the number of praying days left (in which a motion calling for the instrument to be annulled may be laid) is noted.

Regulatory Reform Proposals and Orders: Proceedings as at 16 May 2008

Under the Regulatory Reform Act 2001 (s 6(1)) the Government is able to make Orders to amend or repeal provisions in primary legislation, which are considered to impose a burden on businesses or others, which could be reduced or removed without removing any necessary protection.

For an explanation of Parliamentary consideration of Regulatory Reform Orders, see **HCIO Factsheet No L7**

Committee recommendation:

- a) a draft order in the same terms as the proposal should be laid before the House
- b) proposal should be amended before a draft order is laid before the House
- c) the order-making power should not be used in respect of the proposals
- d) draft order should be approved † indicates Committee's recommendation was agreed after a division
- e) draft order should not be approved
- * indicates stage taken formally, no debate
- # indicates report issued following amendments to draft order

The Joint Committee on Human Rights is required, in accordance with Schedule 2 to the Act, to report to each House its opinion on any such proposal, draft Order or urgent procedure Order within a specified period after it has been laid before Parliament.

Committee recommendation:

- a) a draft order in the same terms as the proposal should be laid before the House
- b) the proposal should be amended before a draft order is laid before the House
- c) the order or draft order should be approved
- d) the order should be replaced by a modified order
- e) the order or draft order should not be approved

Northern Ireland Legislation: proceedings as at 16 May 2008

The Northern Ireland Assembly was restored from 8 May 2007 following a period of suspension from midnight on 14 October 2002. During suspension, legislation, which would otherwise have come within the competence of the Assembly, was made by Order in Council under Schedule 1 to the Northern Ireland Act 2000. The 2000 Act was also used to make Orders in Council which, while the Assembly was active, would have been made under section 85 of the Northern Ireland Act 1998 (Orders making provision for certain reserved matters, for example the criminal law).

Unless made without Parliamentary Approval by reason of urgency, draft Orders in Council must be approved by a resolution of both Houses before being made (affirmative procedure). Orders in Council made before Parliamentary approval by reason of urgency (**U**), must be approved by both Houses within 40 days of being made. Some UK Acts, for example dealing with social security or pensions, provide for corresponding provisions to be made for Northern Ireland by means of an Order in Council under the 2000 Act, subject to annulment in pursuance of a resolution of either House (negative procedure (**N**)), rather than by the normal affirmative procedure.

Where appropriate, proposals for draft Orders in Council are issued for public consultation and on occasions may be considered by the Northern Ireland Grand Committee (**G**), before the draft Order is laid. Prior to formal approval being sought on the floor of the Commons, draft Orders are normally considered in a Delegated Legislation Committee (**D**) or, less frequently, by the Northern Ireland Grand Committee. The Northern Ireland Orders Grand Committee (**O**) would also, from time to time, consider a draft Order before formal approval is sought on the floor of the Lords.

Outstanding Orders are listed below. Details of previous Orders are available in earlier editions of the bulletin.

To distinguish between UK Bills/Acts applying to Northern Ireland and Acts passed by the Assembly, see the positioning of the term 'Northern Ireland'. Examples of each are given below:

UK legislation applying to Northern Ireland: Justice and Security (Northern Ireland) Bill 2006/07

Northern Ireland Assembly legislation: Carers and Direct Payments Act (Northern Ireland) 2002

Bills introduced into the Northern Ireland Assembly can be found at the Northern Ireland Assembly website:

Legislation of the Northern Ireland Assembly (s. 15 of the Northern Ireland Act 1998)

Some Northern Ireland Assembly Bills which include provisions dealing with exempted or reserved matters are required to be laid before Parliament for a period of 20 sitting days before being presented for Royal Assent. If a motion, signed by not less than 20 Members, disapproving of the Bill is tabled in either House during the 20-day period, the Bill shall not be presented for Royal Assent unless the motion is rejected or withdrawn. The date of tabling of any such motion will be shown below.

Assembly Bills of this type which the Secretary of State deems urgent (U) may be presented for Royal Assent before being laid before Parliament. Such Acts of the Assembly are then required to be laid before Parliament for 20 sitting days. If a motion, signed by not less than 20 Members, praying that the Act shall cease to have effect is tabled in either House during the 20-day period the Act and is agreed to, the Act of the Assembly may be repealed by Order in Council. The date of tabling of any such motion will be shown below.

White Papers and Green Papers received since last Bulletin

WHITE PAPERS are issued by the Government as statements of policy, and often set out proposals for legislative changes, which may be debated before a Bill is introduced. Some White Papers may invite comments.

GREEN PAPERS set out for discussion, proposals which are still at a formative stage.

Not all discussion papers are published and put on general release: some are sent only to a predetermined list of consultees. This is a matter solely for the Department concerned.

Papers to which an ISBN and price are appended are normally available through The Stationery Office. For others, application should be made to the department concerned. External links provided in this section are correct as at the time of going to press, however they are not updated after that date.

EU documents recommended for debate by the European Scrutiny Committee

Progress of documents to be considered by the House is noted in the “European Union Documents” list, in the Vote Bundle, and on the parliament website at: <http://www.publications.parliament.uk/pa/cm/cmeudoc/cmeudoc.htm>.

The European Scrutiny Select Committee meets each Wednesday at 2.30pm when the House is sitting. Under Standing Order No. 143, the Committee examines: “any proposal under the Community Treaties for legislation by the Council acting jointly with the European parliament”.

This includes draft Regulations and Directives, Decisions of the Council and Budgetary documents. The Committee examine the documents for political and legal implications, and decides whether it should be considered further in European Standing Committee, or for the most important documents, on the floor of the House. Recommendations for further consideration are noted in the list of “Memoranda” in the days Votes and Proceedings. Reports of the European Scrutiny Committee are available from TSO or on the parliament website at:

<http://www.publications.parliament.uk/pa/cm/cmeuleg.htm>

For information on the House of Commons and European Communities Legislation see **HCIO Factsheet L11**.
