PART 1
THE MARINE MANAGEMENT ORGANISATION

CHAPTER 1
ESTABLISHMENT

1 The Marine Management Organisation

(1) There is to be a body known as the Marine Management Organisation (“the MMO”).

(2) The MMO is to have the functions conferred on it by or under this Act or any other enactment.

(3) Schedule 1 contains further provisions about the MMO.
(4) Schedule 2 contains minor and consequential amendments relating to the MMO.

2 General objective

(1) It is the duty of the MMO to secure that the MMO functions are so exercised that the carrying on of activities by persons in the MMO’s area is managed, regulated or controlled—

(a) with the objective of making a contribution to the achievement of sustainable development (see subsections (2) and (4) to (11)),
(b) taking account of all relevant facts and matters (see subsection (3)), and
(c) in a manner which is consistent and co-ordinated (see subsection (12)).

Any reference in this Act to the MMO’s “general objective” is a reference to the duty imposed on the MMO by this subsection.

(2) In pursuit of its general objective, the MMO may take any action which it considers necessary or expedient for the purpose of furthering any social, economic or environmental purposes.

(3) For the purposes of subsection (1)(b), the facts and matters that may be taken into account include each of the following—

(a) scientific evidence, whether available to, or reasonably obtainable by, the MMO;
(b) other evidence so available or obtainable relating to the social, economic or environmental elements of sustainable development;
(c) such facts or matters not falling within paragraph (a) or (b) as the MMO may consider appropriate.

See also section 24 (powers of MMO in relation to research).

(4) The Secretary of State is to give the MMO guidance as to the manner in which the MMO is to seek to secure that the contribution to the achievement of sustainable development mentioned in subsection (1)(a) is made (and see also section 38 (guidance)).

(5) In preparing any such guidance the Secretary of State must take into consideration—

(a) the functions of the MMO, and
(b) the resources available, or likely to be available, to the MMO.

(6) A draft of any guidance proposed to be given under this section is to be laid before each House of Parliament.

(7) Guidance is not to be given under this section until after the end of the period of 40 days beginning with—

(a) the day on which a draft of the guidance is so laid, or
(b) if the draft is laid on different days, the later of the two days.

(8) If, within that period, either House resolves that the guidance, the draft of which was laid before it, should not be given, the Secretary of State must not give that guidance.

(9) In reckoning any period of 40 days for the purposes of subsection (7) or (8), no account is to be taken of any time during which—

(a) Parliament is dissolved or prorogued, or
(b) both Houses are adjourned for more than four days.
(10) The Secretary of State must publish, in such manner as the Secretary of State may determine, any guidance given to the MMO under this section.

(11) The MMO must provide any person on request with a copy of the whole or any part of any such guidance.

(12) In this section—
   “consistent and co-ordinated” includes taking into account the effect (if any) that decisions in respect of—
   (a) any particular part of the MMO’s area, or
   (b) the carrying on of any activity within that area,
   will have on any other part of that area or the carrying on of any other activity in that area;
   “evidence” includes predictions and other opinions resulting from the consideration of evidence by any person;
   “the MMO’s area” means those parts of the UK marine area, or of the United Kingdom, where MMO functions are exercisable;
   “MMO functions” means functions exercisable by or on behalf of the MMO.

3 Performance

(1) The MMO is to use its best endeavours to meet such objectives as the Secretary of State may from time to time set with regard to the quality and effectiveness of its performance.

(2) Subsection (6) of section 24 of the Legislative and Regulatory Reform Act 2006 (c. 51) (consultation) does not apply in relation to an order under subsection (2) of that section specifying regulatory functions of the MMO as functions to which sections 21 and 22 of that Act (principles and code of practice) apply.

IMPLEMENTATION AND EFFECT

Decisions affected by an MPS or marine plan

58 Decisions affected by marine policy documents

(1) A public authority must take any authorisation or enforcement decision in accordance with the appropriate marine policy documents, unless relevant considerations indicate otherwise.

(2) If a public authority takes an authorisation or enforcement decision otherwise than in accordance with the appropriate marine policy documents, the public authority must state its reasons.

(3) A public authority must have regard to the appropriate marine policy documents in taking any decision—

(a) which relates to the exercise of any function capable of affecting the whole or any part of the UK marine area, but

(b) which is not an authorisation or enforcement decision.

(4) An “authorisation or enforcement decision” is any of the following—

(a) the determination of any application (whenever made) for authorisation of the doing of any act which affects or might affect the whole or any part of the UK marine area,

(b) any decision relating to any conditions of such an authorisation,

(c) any decision about extension, replacement, variation, revocation or withdrawal of any such authorisation or any such conditions (whenever granted or imposed),

(d) any decision relating to the enforcement of any such authorisation or any such conditions,

(e) any decision relating to the enforcement of any prohibition or restriction (whenever imposed) on the doing of any act, or of any act of any description, falling within paragraph (a), but does not include any decision on an application for an order granting development consent under the Planning Act 2008 (c. 29) (in relation to which subsection (3) has effect accordingly).

(5) In section 104(2) of the Planning Act 2008 (matters to which Panel or Council must have regard in deciding application for order granting development consent) after paragraph (a) insert—

“(aa) the appropriate marine policy documents (if any), determined in accordance with section 59 of the Marine and Coastal Access Act 2009;”.

(6) In this section—

“act” includes omission;

“appropriate marine policy document” is to be read in accordance with section 59;

“authorisation” means any approval, confirmation, consent, licence, permission or other authorisation (however described), whether special or general.
59 The appropriate marine policy documents

(1) This section has effect for the purpose of determining what are the appropriate marine policy documents for a public authority taking a decision falling within subsection (1) or (3) of section 58.

(2) For that purpose—
   (a) subsection (3) has effect, subject to subsection (4), for determining whether any marine plan is an appropriate marine policy document, and
   (b) subsection (5) has effect for determining whether an MPS is an appropriate marine policy document.

(3) To the extent that the decision relates to a marine plan area, any marine plan which is in effect for that area is an appropriate marine policy document.

(4) A marine plan for an area in a devolved marine planning region is an appropriate marine policy document in relation to the exercise of retained functions by a public authority only if—
   (a) it contains a statement under section 51(8) that it includes provision relating to retained functions,
   (b) it was adopted with the agreement of the Secretary of State under paragraph 15(2) of Schedule 6, and
   (c) it was prepared and adopted at a time when an MPS was in effect which governed marine planning for the marine planning region.

(6) For the purposes of subsection (5)(f)—
   (a) the Scottish Ministers are to be treated as if they were the marine plan authority for the Scottish inshore region, and
   (b) the Department of the Environment in Northern Ireland is to be treated as if it were the marine plan authority for the Northern Ireland inshore region.

(7) In this section—

“(3A) If, in any particular case,—
(a) a marine licence is needed for the carrying on of any activity,
(b) before that activity may be carried on, the consent of the Agency would also be required (apart from this sub-paragraph) by virtue of any byelaw under this paragraph, and
(c) the Agency considers that, in view of the terms and conditions that will be included in the marine licence, the requirement for the consent of the Agency may be dispensed with, and issues a notice to that effect,

the requirement for the consent of the Agency does not apply in relation to the carrying on of that activity.

(3B) In sub-paragraph (3A) “marine licence” has the same meaning as in Part 4 of the Marine and Coastal Access Act 2009.”.

   (a) has carried on, or is carrying on, a licensable marine activity under that licence, and
   (b) in carrying on that activity has failed, or is failing, to comply with a condition of the licence.

(4) This subsection is satisfied if the carrying on of the activity has not caused, and is not likely to cause, any of the following—
   (a) serious harm to the environment;
   (b) serious harm to human health;
   (c) serious interference with legitimate uses of the sea.

(5) A compliance notice must—
   (a) state the enforcement authority’s grounds for believing that subsections (3) and (4) are satisfied;
   (b) require the person to take such steps as the authority considers appropriate to ensure that the condition in question is complied with;
   (c) state the period before the end of which those steps must be taken.

91 Remediation notice

(1) If it appears to an enforcement authority that each of subsections (3) to (5) is satisfied in relation to a person carrying on an activity in its area, it may issue a remediation notice to that person.

(2) A remediation notice is a notice requiring a person to do either or both of the following—
   (a) to take such steps (falling within subsection (7)(b)) as are specified in it;
   (b) to pay to the enforcement authority such sums (falling within subsection (7)(c)) as are specified in it.

(3) This subsection is satisfied if a person has carried on, or is carrying on, a licensable marine activity.

(4) This subsection is satisfied if the carrying on of the activity has involved, or involves, the commission of an offence under section 85(1).

(5) This subsection is satisfied if the carrying on of the activity has caused, or is causing or is likely to cause, any of the following—
   (a) harm to the environment;
   (b) harm to human health;
   (c) interference with legitimate uses of the sea.
(6) Before issuing a remediation notice, the enforcement authority must consult the person to whom it is proposed to be issued as to the steps or, as the case may be, the sum to be specified in the notice.

(7) A remediation notice—
   (a) must state the enforcement authority’s grounds for believing that each of subsections (3) to (5) is satisfied;
   (b) may require the person to take such remedial or compensatory steps as the authority considers appropriate;
   (c) may require the person to pay a sum representing the reasonable expenses of any remedial or compensatory steps taken, or to be taken, by the enforcement authority or the appropriate licensing authority (whether or not under section 106);
   (d) must state the period before the end of which those steps must be taken or, as the case may be, that sum must be paid.

(8) In subsection (7)(b) and (c) “remedial or compensatory steps” means steps taken (or to be taken) for any one or more of the purposes mentioned in subsection (9) (whether or not the steps are to be taken at or near the place where the harm or interference mentioned in subsection (5) has been, is being, or is likely to be, caused or the activity in respect of which the notice is issued is or has been carried on).

(9) The purposes are—
   (a) protecting the environment;
   (b) protecting human health;
   (c) preventing interference with legitimate uses of the sea;
   (d) preventing or minimising, or remediying or mitigating the effects of, the harm or interference mentioned in subsection (5);
   (e) restoring (whether in whole or in part) the condition of any place affected by that harm or interference to the condition, or a condition reasonably similar to the condition, in which the place would have been had the harm or interference not occurred;
   (f) such purposes not falling within the preceding paragraphs as the enforcement authority considers appropriate in all the circumstances of the case.

92 Further provision as to enforcement notices

(1) A compliance notice or remediation notice—
   (a) must be served on any person carrying on, or in control of, the activity to which the notice relates, and
   (b) if a marine licence has been granted in relation to that activity, may also be served on the licensee.

(2) An enforcement authority may by a further notice—
   (a) revoke a compliance notice or remediation notice;
   (b) vary a compliance notice or remediation notice so as to extend the period specified in accordance with section 90(5)(c) or, as the case may be, section 91(7)(d).

(3) A person who fails to comply with—
   (a) a compliance notice, or
   (b) a remediation notice,
commits an offence.

(4) A person guilty of an offence under subsection (3) is liable—
(a) on summary conviction, to a fine not exceeding £50,000;
(b) on conviction on indictment, to a fine or to imprisonment for a term not exceeding two years or to both.

(5) A sum specified in a remediation notice by virtue of section 91(7)(c) is recoverable as a civil debt.

**Civil sanctions**

**93 Fixed monetary penalties**

(1) The appropriate licensing authority for any area may by order make provision to confer on the appropriate enforcement authority for that area the power by notice to impose on a person in relation to an offence under this Part a fixed monetary penalty.

(2) Provision under this section may only confer such a power in relation to a case where the enforcement authority is satisfied beyond reasonable doubt that the person has committed the offence.

(3) For the purposes of this Part a “fixed monetary penalty” is a requirement to pay to the enforcement authority a penalty of a prescribed amount.

(4) The amount of the fixed monetary penalty that may be imposed in relation to an offence may not exceed the maximum amount of the fine that may be imposed on summary conviction for that offence.

(5) In this section “prescribed” means prescribed in an order made under this section.

**94 Fixed monetary penalties: procedure**

(1) Provision under section 93 must secure the results in subsection (2).

(2) Those results are that—
(a) where the enforcement authority proposes to impose a fixed monetary penalty on a person, the authority must serve on that person a notice of what is proposed (a “notice of intent”) which complies with subsection (3),
(b) the notice of intent also offers the person the opportunity to discharge the person’s liability for the fixed monetary penalty by payment of a prescribed sum (which must be less than or equal to the amount of the penalty),
(c) if the person does not so discharge liability—
(i) the person may make written representations and objections to the enforcement authority in relation to the proposed imposition of the fixed monetary penalty, and
(ii) the enforcement authority must at the end of the period for making representations and objections decide whether to impose the fixed monetary penalty,
(d) where the enforcement authority decides to impose the fixed monetary penalty, the notice imposing it (“the final notice”) complies with subsection (5), and

(e) the person on whom a fixed monetary penalty is imposed may appeal against the decision to impose it.

(3) To comply with this subsection the notice of intent must include information as to—

(a) the grounds for the proposal to impose the fixed monetary penalty,
(b) the effect of payment of the sum referred to in subsection (2)(b),
(c) the right to make representations and objections,
(d) the circumstances in which the enforcement authority may not impose the fixed monetary penalty,
(e) the period within which liability to the fixed monetary penalty may be discharged, which must not exceed the period of 28 days beginning with the day on which the notice of intent is received, and

(f) the period within which representations and objections may be made, which must not exceed the period of 28 days beginning with the day on which the notice of intent is received.

(4) Provision pursuant to subsection (2)(c)(ii)—

(a) must secure that the enforcement authority may not decide to impose a fixed monetary penalty on a person where the authority is satisfied that the person would not, by reason of any defence, be liable to be convicted of the offence in relation to which the penalty is proposed to be imposed, and

(b) may include provision for other circumstances in which the enforcement authority may not decide to impose a fixed monetary penalty.

(5) To comply with this subsection the final notice referred to in subsection (2)(d) must include information as to—

(a) the grounds for imposing the penalty,
(b) how payment may be made,
(c) the period within which payment must be made,
(d) any early payment discounts or late payment penalties,
(e) rights of appeal, and

(f) the consequences of non-payment.

(6) Provision pursuant to subsection (2)(e) must secure that the grounds on which a person may appeal against a decision of the enforcement authority include the following—

(a) that the decision was based on an error of fact;
(b) that the decision was wrong in law;

(c) that the decision was unreasonable.

(7) In this section “prescribed” means prescribed in an order made under section 93.

95 Variable monetary penalties

(1) The appropriate licensing authority for any area may by order make provision to confer on the appropriate enforcement authority for that area the power by
notice to impose on a person in relation to an offence under this Part a variable monetary penalty.

(2) Provision under this section may only confer such a power in relation to a case where the enforcement authority is satisfied beyond reasonable doubt that the person has committed the offence.

(3) For the purposes of this Part a “variable monetary penalty” is a penalty of such amount as the enforcement authority may in each case determine.

96 Variable monetary penalties: procedure

(1) Provision under section 95 must secure the results in subsection (2).

(2) Those results are that—

(a) where the enforcement authority proposes to impose a variable monetary penalty on a person, the enforcement authority must serve on that person a notice (a “notice of intent”) which complies with subsection (3),

(b) that person may make written representations and objections to the enforcement authority in relation to the proposed imposition of the penalty,

(c) after the end of the period for making such representations and objections, the enforcement authority must decide whether to impose a penalty and, if so, the amount of the penalty,

(d) where the enforcement authority decides to impose a penalty, the notice imposing it (the “final notice”) complies with subsection (6), and

(e) the person on whom a penalty is imposed may appeal against the decision as to the imposition or amount of the penalty.

(3) To comply with this subsection the notice of intent must include information as to—

(a) the grounds for the proposal to impose the penalty,

(b) the right to make representations and objections,

(c) the circumstances in which the enforcement authority may not impose the penalty, and

(d) the period within which representations and objections may be made, which may not be less than the period of 28 days beginning with the day on which the notice of intent is received.

(4) Provision pursuant to subsection (2)(c)—

(a) must secure that the enforcement authority may not decide to impose a penalty on a person where the enforcement authority is satisfied that the person would not, by reason of any defence raised by that person, be liable to be convicted of the offence in relation to which the penalty is proposed to be imposed, and

(b) may include provision for other circumstances in which the enforcement authority may not decide to impose a penalty.

(5) Provision under subsection (2)(c) must also include provision for—

(a) the person on whom the notice of intent is served to be able to offer an undertaking as to action to be taken by that person (including the payment of a sum of money) to benefit any person affected by the offence,
(b) the enforcement authority to be able to accept or reject such an undertaking, and
(c) the enforcement authority to take any undertaking so accepted into account in its decision.

(6) To comply with this subsection the final notice referred to in subsection (2)(d) must include information as to—
   (a) the grounds for imposing the penalty,
   (b) how payment may be made,
   (c) the period within which payment must be made,
   (d) any early payment discounts or late payment penalties,
   (e) rights of appeal, and
   (f) the consequences of non-payment.

(7) Provision pursuant to subsection (2)(e) must secure that the grounds on which a person may appeal against a decision of the enforcement authority include the following—
   (a) that the decision was based on an error of fact;
   (b) that the decision was wrong in law;
   (c) that the amount of the penalty is unreasonable;
   (d) that the decision was unreasonable for any other reason.

97 Further provision about civil sanctions

Schedule 7 (which makes further provision about civil sanctions) has effect.

CHAPTER 4
DELEGATION

98 Delegation of functions relating to marine licensing

(1) The appropriate licensing authority for an area may make an order which—
   (a) designates any of the delegable marine licensing functions which would (apart from any order under this section) be exercisable by or in relation to that authority or enforcement authority for that area, and
   (b) provides that those functions, instead of being so exercisable, are to be exercisable by or in relation to such person, acting on behalf of the licensing authority or (as the case may be) the enforcement authority, as is designated in the order.

(2) The power to make an order under this section includes power to make provision in the order conferring on the person designated (“the delegate”), so far as acting on behalf of an enforcement authority, any power which the appropriate licensing authority may confer on an enforcement authority by an order under section 93 or 95 (fixed or variable monetary penalties).

(3) An authority which makes an order under this section may do so only with the consent of the delegate.

(4) The delegate—
   (a) must comply with the order, and
   (b) is to be taken to have all the powers necessary to do so.
(5) In this section “delegable marine licensing functions” means—
   (a) functions of a licensing authority under this Part, other than excepted functions;
   (b) functions of an enforcement authority under this Part.

(6) The excepted functions are functions under—
   (a) section 66(3) (altering the list of licensable marine activities);
   (b) section 67(2) (making regulations regarding the fee for an application);
   (c) section 69(6) (making regulations as to the procedure for applications);
   (d) section 73 (making regulations regarding appeals against licensing decisions under section 71);
   (e) section 74(1) and (4) (making orders specifying activities which do not require a marine licence and consulting in relation to such orders);
   (f) sections 93 and 95 (making orders conferring powers to impose civil sanctions);
   (g) this section and section 100;
   (h) section 101(3) (making regulations regarding the register);
   (i) section 108 (making regulations regarding appeals against certain notices).

99 Orders under section 98: supplementary provisions

(1) For so long as an order made under section 98 remains in force, the designated functions are exercisable by or in relation to the delegate acting on behalf of the licensing authority or, as the case may be, the enforcement authority (and are not exercisable by or in relation to the authority).

(2) Subsection (1) is subject to any provision to the contrary which is included in the order.

(3) An order under section 98 may include—
   (a) such terms or conditions,
   (b) such obligations or requirements,
   (c) such financial provisions,
   as the authority making the order may determine.

(4) The provision that may be made under subsection (3) includes, in particular, provision (where appropriate) as to—
   (a) the manner in which the delegate is to exercise any of the functions;
   (b) the form and manner in which licence applications must be made to the delegate;
   (c) the persons to whom notice of an application should be published under section 68, and the circumstances in which such notice should not be published;
   (d) matters (in addition to those set out in section 69) to which the delegate must have regard in determining licence applications;
   (e) the circumstances in which the delegate must exercise the power to consult under section 69(4), and the persons who must or may be consulted;
   (f) the form and content of any licence granted;
   (g) appeals from any decision of the delegate (whether to the licensing authority or any other person);
(h) any other provision that may be made by virtue of section 69(6).

(5) An order under section 98 may make different provision for different cases, different areas or different persons.

(6) Where an order has been made under section 98 that a person other than the appropriate licensing authority is to grant licences—
   (a) that other person may (in accordance with subsections (1) to (3) and (7) of section 72) vary, suspend, revoke or transfer a licence granted before the making of the order, and
   (b) any reference in those subsections to a licence granted by a licensing authority includes a reference to a licence granted by that other person.

100 Directions to persons as regards performance of delegated functions

(1) This section applies where any functions are exercisable by or in relation to a person by virtue of an order made under section 98 by a licensing authority.

(2) The authority may from time to time give directions to the person with respect to the performance of the functions.

(3) A person to whom directions are given under this section must comply with the directions.

(4) An authority which gives a direction under this section must publish the direction in a manner likely to bring the direction to the attention of persons likely to be affected by it.

CHAPTER 5
SUPPLEMENTARY

Register

101 Register

(1) Each licensing authority must maintain, as respects activities in relation to which it is the appropriate licensing authority and licences for those activities, a register of licensing information.

(2) The register must contain prescribed particulars of or relating to—
   (a) applications for licences;
   (b) licences granted;
   (c) variations of licences;
   (d) revocations of licences;
   (e) information supplied in connection with any licence in pursuance of any provision of this Part;
   (f) convictions for any offence under this Part;
   (g) any other action taken to enforce any provision of this Part;
   (h) occasions on which any remedial action has been taken;
   (i) such other matters relating to licences or the licensable marine activities as may be prescribed.
(3) The register must be maintained in accordance with regulations made by the appropriate licensing authority.

(4) Each licensing authority must make arrangements—
   (a) for its register to be available for inspection at all reasonable times by members of the public free of charge;
   (b) for copies of entries in its register to be supplied, on request, to members of the public on payment of a reasonable charge.

(5) Information must not appear in the register if—
   (a) the Secretary of State determines that its disclosure in the register would be contrary to the interests of national security, or
   (b) the appropriate licensing authority determines that its disclosure in the register would adversely affect the confidentiality of commercial or industrial information where such confidentiality is provided by law to protect a legitimate commercial interest.

(6) The appropriate licensing authority must review a determination to exclude information under subsection (5)(b) every four years.

(7) On a review under subsection (6) the authority must include the information in the register unless, on the application of any person to whom the information relates, the authority determines that it should continue to be excluded.

(8) Where information of any description is excluded from a register by virtue of subsection (5)(b), a statement must be entered in the register indicating the existence of information of that description.

(9) In this section “prescribed” means prescribed in regulations made under this section.

Stop notices and emergency safety notices

102 Notice to stop activity causing serious harm etc

(1) If it appears to an enforcement authority that subsections (3) and (4) are satisfied in relation to a person carrying on an activity in its area, it may issue a stop notice to that person.

(2) A stop notice is a notice prohibiting a person from carrying on an activity specified in the notice.

(3) This subsection is satisfied if a person is carrying on, or is likely to carry on, a licensable marine activity (whether or not in accordance with a marine licence).

(4) This subsection is satisfied if the carrying on of the activity to be specified in the notice—
   (a) is causing, or is likely to cause, any of the effects in subsection (5), or
   (b) is creating, or is likely to create, an imminent risk of any of those effects.

(5) The effects are—
   (a) serious harm to the environment;
   (b) serious harm to human health;
   (c) serious interference with legitimate uses of the sea.

(6) A stop notice (in addition to specifying the activity to which it relates)—
(a) must state the enforcement authority’s grounds for believing that subsections (3) and (4) are satisfied;
(b) must state the date and time from which the prohibition is to take effect (which may be a time on the date of the notice but must allow a period for compliance which is reasonable in all the circumstances of the case);
(c) may require the person to take such steps as the authority considers appropriate to ensure that the cessation of the activity takes place safely.

(7) Except in a case falling within subsection (9), a stop notice—
(a) ceases to have effect at the end of the period of 7 days (or such shorter period as may be specified in the notice) beginning with the date on which the prohibition takes effect, but
(b) may be renewed for a period specified in a further notice.

(8) A stop notice may be renewed more than once under subsection (7)(b), but not so that it has effect for an aggregate period exceeding 35 days.

(9) If a stop notice relating to a licensable marine activity is issued to a person who does not hold a marine licence authorising that activity, the stop notice may remain in force until such time (if any) as such a licence is granted to that person.

103 Further provision as to stop notices

(1) Any stop notice issued by an enforcement authority—
(a) must be served on any person carrying on, or in control of, the activity to which the notice relates, and
(b) if a marine licence has been granted in relation to that activity, may also be served on the licensee.

(2) An enforcement authority may by a further notice—
(a) revoke a stop notice;
(b) vary a stop notice so as to substitute a later date for the date specified in accordance with section 102(6)(b).

(3) A person who fails to comply with a stop notice commits an offence.

(4) A person guilty of an offence under subsection (3) is liable—
(a) on summary conviction, to a fine not exceeding £50,000;
(b) on conviction on indictment, to a fine or to imprisonment for a term not exceeding two years or to both.

104 Emergency safety notices

(1) This section applies if it appears to an enforcement authority that serious interference with legitimate uses of the sea is occurring, or is likely to occur, in its area as a result of—
(a) any works for the carrying out of which a marine licence is or was needed, or
(b) any substantial and unforeseen change in the state or position of any such works.

(2) The enforcement authority may issue a notice (an “emergency safety notice”) to any person who is in control of the works to which the notice relates.
(3) By issuing an emergency safety notice to a person, the enforcement authority imposes on that person such requirements as are prescribed in the notice with respect to any of the matters specified in subsection (4).

(4) Those matters are—
(a) the provision of lights, signals or other aids to navigation;
(b) the stationing of guard ships.

(5) An emergency safety notice (in addition to specifying the requirements which it imposes)—
(a) must state the enforcement authority’s grounds for believing that serious interference with legitimate uses of the sea is occurring or is likely to occur,
(b) must state the date and time from which the requirements are to take effect (which may be a time on the date of the notice but must allow a period for compliance which is reasonable in all the circumstances of the case), and
(c) may require the person to take such steps as the authority considers appropriate to ensure that compliance with the requirements takes place safely.

105 Further provision as to emergency safety notices

(1) An emergency safety notice issued by an enforcement authority must be served on each of the following—
(a) if a marine licence has been granted authorising the carrying out of the works, the licensee,
(b) if there is in effect a stop notice which relates to the works, any person on whom the stop notice was served.

(2) An enforcement authority may by a further notice—
(a) revoke an emergency safety notice;
(b) vary an emergency safety notice so as to substitute a later date for the date specified in accordance with section 104(5)(b).

(3) A person who fails to comply with an emergency safety notice commits an offence.

(4) A person guilty of an offence under subsection (3) is liable—
(a) on summary conviction, to a fine not exceeding £50,000;
(b) on conviction on indictment, to a fine or to imprisonment for a term not exceeding two years or to both.

Other powers

106 Power to take remedial action

(1) This section applies if it appears to the appropriate licensing authority for an area that a licensable marine activity has been carried on in its area otherwise than under a licence and in accordance with its conditions.

(2) The authority may carry out any works that appear to it to be necessary or expedient for any one or more of the following purposes—
(a) protecting the environment;
(b) protecting human health;
(c) preventing interference with legitimate uses of the sea;
(d) preventing or minimising, or remedying or mitigating the effects of, any harm or interference falling within subsection (3);
(e) restoring (whether in whole or in part) the condition of any place affected by any such harm or interference to the condition, or a condition reasonably similar to the condition, in which the place would have been had the harm or interference not occurred.

(3) The harm or interference mentioned in subsection (2)(d) and (e) is any of the following which has been, is being, or is likely to be, caused by the carrying on of the licensable marine activity—
(a) harm to the environment;
(b) harm to human health;
(c) interference with legitimate uses of the sea.

107 Power to test, and charge for testing, certain substances

(1) A licensing authority may, at the request of any person, conduct tests for the purpose of ascertaining the probable effect on the marine environment of using any of the following substances—
(a) any marine chemical treatment substance;
(b) any marine oil treatment substance;
(c) any marine surface fouling cleaner.

(2) In this section—
“marine chemical treatment substance” means any substance used or intended to be used for treating chemicals—
(a) on the surface of the sea or of the sea bed;
(b) in the case of a wash-off substance, on any surface of a marine structure;
“marine oil treatment substance” means any substance used or intended to be used for treating oil on the surface of the sea;
“marine surface fouling cleaner” means any substance used or intended to be used for removing surface fouling matter—
(a) from the surface of the sea or of the sea bed;
(b) in the case of a wash-off substance, from any surface of a marine structure or vessel at times when the structure or vessel is in the sea or on the sea bed;
“surface fouling matter” means any fouling, and includes, in particular,—
(a) any algae;
(b) any surface oil or chemical residue;
“surface oil or chemical residue” means any residual matter on a surface after the removal, or substantial removal, of any oil or chemical (whether by natural processes, or by treatment, or in any other way);
“wash-off substance”, in relation to a marine structure or vessel, means any substance which, if used on a surface of the marine structure or vessel, will or might (whether in whole or to a significant extent)—
(a) be removed from that surface, and
(b) be deposited in the sea,
whether by natural processes, or by treatment, or in any other way.
(3) A licensing authority may recover any expenses reasonably incurred in conducting any tests under subsection (1) from any person at whose request those tests were conducted.

**Appeals against notices under this Part**

**108 Appeals against notices**

(1) The appropriate licensing authority must by regulations make provision for any person to whom a notice is issued under section 72, 90, 91, 102 or 104 to appeal against that notice.

(2) The regulations required by subsection (1) must come into force on the day on which this Part comes into force.

(3) Regulations under this section may include—
   (a) provision as to the procedure to be followed with respect to an appeal;
   (b) provision suspending the notice pending determination of the appeal;
   (c) provision as to the powers of any person to whom the appeal is made;
   (d) provision as to how any sum payable in pursuance of a decision of that person is to be recoverable.

**109 General defence of due diligence**

(1) In any proceedings for an offence under this Part, it is a defence for the person charged (“the defendant”) to prove that the defendant took all reasonable precautions and exercised all due diligence to avoid the commission of the offence.

(2) The defence provided by subsection (1) is to be taken to be established if the defendant—
   (a) acted under an employer’s instructions,
   (b) did not know and had no reason to suppose that the acts done constituted a contravention of the provision in question, and
   (c) took all such steps as reasonably could be taken to ensure that no offence would be committed.

(3) The defence provided by subsection (1) is to be taken to be established if the defendant—
   (a) acted in reliance on information supplied by another person,
   (b) did not know and had no reason to suppose that the information was false or misleading, and
   (c) took all such steps as reasonably could be taken to ensure that no offence would be committed.

(4) Subsections (2) and (3) do not affect the generality of subsection (1).

(5) If in any case the defence provided by subsection (1) involves the allegation that the commission of the offence was due to—
   (a) an act or default of another person (other than the giving of instructions to the defendant by an employer), or
   (b) reliance on information supplied by another person,
the defendant is not, without leave of the court, entitled to rely on that defence unless the requirement in subsection (6) is satisfied.

(6) The requirement is that—
   (a) at least seven clear days before the hearing, and
   (b) if the defendant has previously appeared before a court in connection with the alleged offence, within one month of the first such appearance, the defendant has served on the prosecutor a notice giving such information identifying or assisting in the identification of that other person as was then in the defendant’s possession.

110 Offences: jurisdiction

Proceedings for an offence under this Part may be taken, and the offence may for all incidental purposes be treated as having been committed, in any part of the United Kingdom.

Application to the Crown

111 Application to the Crown

(1) The provisions of this Part bind the Crown. This is subject to the following provisions of this section.

(2) No contravention by the Crown of any provision of this Part is to make the Crown criminally liable; but the High Court or, in Scotland, the Court of Session may, on the application of the appropriate licensing authority or any other authority charged with enforcing that provision, declare unlawful any act or omission of the Crown which constitutes such a contravention.

(3) Despite subsection (2), the provisions of this Part apply to persons in the public service of the Crown as they apply to other persons.

(4) The Secretary of State may certify that it appears to the Secretary of State that, as respects—
   (a) any Crown land specified in the certificate, and
   (b) any powers of entry so specified which are exercisable in relation to that land,
   it is necessary or expedient that, in the interests of national security, the powers should not be exercisable in relation to the land.

(5) If the Secretary of State issues a certificate under subsection (4), the powers specified in the certificate are not exercisable in relation to the land so specified.

(6) For the purposes of subsection (4) “Crown land” means land held or used by or on behalf of the Crown.

(7) Nothing in this section is to be taken as in any way affecting Her Majesty in her private capacity or in right of Her Duchy of Lancaster, or the Duke of Cornwall.

Consequential and transitional provision

112 Amendments and transitional provision

(1) Schedule 8 (which makes minor and consequential amendments) has effect.
(2) Schedule 9 (which makes transitional provision) has effect.

Interpretation

113 The appropriate licensing authority

(1) This section has effect for determining who is the appropriate licensing authority for any area (and any licensable marine activity carried on in that area).

(2) In relation to the Scottish offshore region, the appropriate licensing authority is—

**CHAPTER 1**

**MARINE CONSERVATION ZONES**

*Designation of zones*

**116 Marine conservation zones**

(1) The appropriate authority may by order designate any area falling within subsection (2) as a marine conservation zone (an “MCZ”).

Section 117 sets out the grounds on which such an order may be made.

(2) An area falls within this subsection if—
Marine and Coastal Access Bill [HL] (Volume I)
Part 5 — Nature conservation
Chapter 1 — Marine conservation zones

(a) it is an area of the sea within the seaward limits of the territorial sea adjacent to the United Kingdom;
(b) it is an area of the sea within the limits of the exclusive economic zone;
(c) it is an area of the sea bed or subsoil within the limits of the UK sector of the continental shelf (so far as not falling within an area mentioned in paragraph (b)).

(3) But an area does not fall within subsection (2) if it is in—
(a) the Scottish inshore region, or
(b) the Northern Ireland inshore region.

(4) Section 118 makes further provision as to the areas that may be included in an MCZ.

(5) For the purposes of this Chapter the appropriate authority is—
(a) in relation to an area in Wales, the Welsh Ministers;
(b) in relation to an area in the Scottish offshore region, the Scottish Ministers;
(c) in any other case, the Secretary of State.

(6) The Scottish Ministers may not designate any area as an MCZ without the agreement of the Secretary of State.

(7) An MCZ designated by the Scottish Ministers under this section is to be known as a marine protected area.
Any reference in this Act to an MCZ is, in relation to an MCZ designated by the Scottish Ministers, to be read as a reference to a marine protected area.

(8) Until the coming into force of the first Order in Council made under section 41 (the exclusive economic zone), the reference in subsection (2)(b) to the exclusive economic zone is to be read as a reference to a renewable energy zone.

117 Grounds for designation of MCZs

(1) The appropriate authority may make an order under section 116 if it thinks that it is desirable to do so for the purpose of conserving—
(a) marine flora or fauna;
(b) marine habitats or types of marine habitat;
(c) features of geological or geomorphological interest.

(2) The order must state—
(a) the protected feature or features;
(b) the conservation objectives for the MCZ.

(3) Any reference in this Chapter to the conservation objectives stated for an MCZ is a reference to the conservation objectives stated for the MCZ under subsection (2)(b).

(4) The reference in subsection (1)(a) to conserving marine flora or fauna includes, in particular, a reference to conserving any species that is rare or threatened because of—
(a) the limited number of individuals of that species, or
(b) the limited number of locations in which that species is present.
(5) The references in subsection (1)(a) and (b) to conserving marine flora or fauna or habitat include references to conserving the diversity of such flora, fauna or habitat, whether or not any or all of them are rare or threatened.

(6) Any reference to conserving a thing includes references to—
   (a) assisting in its conservation;
   (b) enabling or facilitating its recovery or increase.

(7) In considering whether it is desirable to designate an area as an MCZ, the appropriate authority may have regard to any economic or social consequences of doing so.

(2) The boundary of an MCZ may be determined by, or by reference to, mean high water spring tide.

(3) Any reference in subsection (2)(a) or (b) of section 116 to an area of sea includes a reference to any island in the sea, whether or not any part of it lies above mean high water spring tide.

(4) If an MCZ includes an area falling within subsection (2)(a) of section 116 (“area A”), it may also include an area of the seashore lying above mean high water spring tide (“area B”) if—
   (a) area B adjoins area A, and
   (b) any of the conditions in subsection (5) is satisfied.

(5) The conditions are—
   (a) that the protected feature or features leading to the designation of area A is or are also present in area B;
   (b) that area A is designated for the purpose of conserving marine flora or fauna which are dependent (wholly or in part) on anything which takes place in, or is present in, area B;
   (c) that, without the inclusion of area B, the identification of the boundary of the MCZ (either in the order designating the area or on the ground for the purposes of exercising functions in relation to it) would be impossible or impracticable.

(6) An order under section 116—
   (a) must designate an area of land (whether or not that land is covered by water), and
   (b) in the case of an area falling within subsection (2)(a) or (b) of that section, may designate some or all of the water covering that land.
Consultation before designation

(1) Before making an order under section 116, the appropriate authority must comply with subsections (2) to (9) of this section. This is subject to subsection (11).

(2) The appropriate authority must publish notice of its proposal to make the order.

(3) The notice under subsection (2) must—
   (a) be published in such manner as the appropriate authority thinks is most likely to bring the proposal to the attention of any persons who are likely to be affected by the making of the order;

the authority must consult the Welsh Ministers.

(7) If the appropriate authority for an area other than the Scottish offshore region considers that—
   (a) the making of the order may affect any activity which is or may be carried on in the Scottish zone, or

the authority must consult the Scottish Ministers.

(8) If the appropriate authority considers that—
   (a) the making of the order may affect any activity which is or may be carried on in the Northern Ireland zone, or

(11) In a case where the appropriate authority thinks that there is an urgent need to protect the area proposed to be designated, the authority need not comply with subsections (2) to (4).

(12) In such a case, the order designating the area as an MCZ remains in force for a period not exceeding two years, unless the appropriate authority makes a further order before the end of that period confirming the designation. Before making such an order, the appropriate authority must comply with subsections (2) to (9) (and subsection (10) applies accordingly).

Duties of public authorities

General duties of public authorities in relation to MCZs

This section applies to any public authority having any function the exercise of which is capable of affecting (other than insignificantly)—

(a) the protected features of an MCZ;
(b) any ecological or geomorphological process on which the conservation of any protected feature of an MCZ is (wholly or in part) dependent.

Every public authority to which this section applies must (so far as is consistent with their proper exercise)—

(a) exercise its functions in the manner which the authority considers best furthers the conservation objectives stated for the MCZ;
(b) where it is not possible to exercise its functions in a manner which furthers those objectives, exercise them in the manner which the authority considers least hinders the achievement of those objectives.

If a public authority considers that any of its functions is such that the exercise of the function would or might significantly hinder the achievement of the conservation objectives for an MCZ, it must inform the appropriate statutory conservation body of that fact.

Subject to subsection (6), subsection (5) applies in any case where a public authority intends to do an act which is capable of affecting (other than insignificantly)—

(a) the protected features of an MCZ;
(b) any ecological or geomorphological process on which the conservation of any protected feature of an MCZ is (wholly or in part) dependent.

If the authority believes that there is or may be a significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ, the authority must notify the appropriate statutory conservation body of that fact.

Subsection (5) does not apply where—

(a) the appropriate statutory conservation body has given the authority advice or guidance under section 127 in relation to acts of a particular description,
(b) the act which the authority intends to do is an act of that description, and
(c) the advice or guidance has not ceased to apply.

(7) Where the authority has given notification under subsection (5), it must wait until the expiry of the period of 28 days beginning with the date of the notification before deciding whether to do the act.

(8) Subsection (7) does not apply where—
(a) the appropriate statutory conservation body notifies the authority that it need not wait until the end of the period referred to in that subsection, or
(b) the authority thinks that there is an urgent need to do the act.

(9) If a public authority considers that a relevant event has occurred, it must inform—
(a) the relevant authority, and
(b) the appropriate statutory conservation body, of that fact.

(10) A “relevant event” is any act—
(a) in relation to which the public authority exercises functions,
(b) which the authority believes to be an offence, and
(c) which the authority considers will or may significantly hinder the achievement of the conservation objectives for an MCZ.

(11) For the purposes of subsection (9) “relevant authority” means—
(a) in relation to an MCZ in Wales, the Welsh Ministers;
(b) in relation to an MCZ in the Scottish offshore region, the Scottish Ministers;

(i) the protected features of an MCZ;
(ii) any ecological or geomorphological process on which the conservation of any protected feature of an MCZ is (wholly or in part) dependent.

(2) If the authority believes that there is or may be a significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ,
the authority must notify the appropriate statutory conservation body of that fact.

(3) Where the authority has given notification under subsection (2), it must wait until the expiry of the period of 28 days beginning with the date of the notification before deciding whether to grant authorisation for the doing of the act.

(4) Subsection (3) does not apply where—
   (a) the appropriate statutory conservation body notifies the authority that it need not wait until the end of the period referred to in that subsection, or
   (b) the authority thinks that there is an urgent need to grant authorisation for the doing of the act.

(5) The authority must not grant authorisation for the doing of the act unless the condition in subsection (6) or the condition in subsection (7) is met.

(6) The condition in this subsection is that the person seeking the authorisation satisfies the authority that there is no significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ.

(7) The condition in this subsection is that, although the person seeking the authorisation is not able to satisfy the authority that there is no significant risk of the act hindering the achievement of the conservation objectives stated for the MCZ, that person satisfies the authority that—
   (a) there is no other means of proceeding with the act which would create a substantially lower risk of hindering the achievement of those objectives,
   (b) the benefit to the public of proceeding with the act clearly outweighs the risk of damage to the environment that will be created by proceeding with it, and
   (c) the person seeking the authorisation will undertake, or make arrangements for the undertaking of, measures of equivalent environmental benefit to the damage which the act will or is likely to have in or on the MCZ.

(8) The reference in subsection (7)(a) to other means of proceeding with an act includes a reference to proceeding with it—
   (a) in another manner, or

(1) The appropriate statutory conservation body may give advice and guidance as to—
   (a) the matters which are capable of damaging or otherwise affecting any protected feature or features;
   (b) the matters which are capable of affecting any ecological or geomorphological process on which the conservation of any protected feature or features is (wholly or in part) dependent;
   (c) how any conservation objectives stated for an MCZ may be furthered, or how the achievement of any such objectives may be hindered;
   (d) how the effect of any activity or activities on an MCZ or MCZs may be mitigated;
   (e) which activities are, or are not, of equivalent environmental benefit (for the purposes of section 126(7)(c)) to any particular damage to the environment (within the meaning of that provision).

(2) Advice or guidance may be given—
   (a) either in relation to a particular MCZ or MCZs or generally;
   (b) either to a particular public authority or authorities or generally.

(3) The appropriate statutory conservation body must give advice to a public authority if the authority requests it.

(4) If the appropriate statutory conservation body for an area proposes to exercise its functions under this section in a manner which may affect an MCZ or MCZs in an area for which another body is the appropriate statutory conservation body, it must consult that other body before doing so.

128 Failure to comply with duties etc

(1) This section applies if, in the opinion of the appropriate statutory conservation body, a public authority has failed—
   (a) to comply with the duty imposed by section 125(2) or the duty imposed by section 126(5);
   (b) to act in accordance with advice or guidance given by the appropriate statutory conservation body under section 127.

(9) In this section “UK inshore region” means the area of sea within the seaward limits of the territorial sea adjacent to the United Kingdom.

(1) The Scottish Ministers may appoint persons for the purposes of enforcing section 140 of this Act.

(2) For the purposes of enforcing section 140 of this Act, a person appointed under this section has the common enforcement powers conferred by this Act.

(3) Subject to subsections (8) and (9), the powers which a person appointed under this section has for the purposes of enforcing section 140 of this Act may be exercised—
   (a) in the Scottish offshore region (and in relation to any vessel, aircraft or marine installation in that region);
   (b) in any area within the United Kingdom or the UK inshore region, in relation to an offence which the person reasonably believes has been committed within the Scottish offshore region;
   (c) in relation to any vessel, aircraft or marine installation in any other area within the UK marine area which has been pursued there in accordance with subsection (4).

(4) A vessel, aircraft or marine installation is pursued in accordance with this subsection if—

   (b) before the pursuit of the vessel, aircraft or installation commences, a signal is given for it to stop, and
   (c) the pursuit of the vessel, aircraft or installation is not interrupted.

(5) The signal referred to in subsection (4)(b) must be given in such a way as to be audible or visible from the vessel, aircraft or installation in question.

(6) For the purposes of subsection (4)(c), pursuit is not interrupted by reason only of the fact that—
   (a) the method of carrying out the pursuit, or
   (b) the identity of the vessel or aircraft carrying out the pursuit, changes during the course of the pursuit.

(7) Nothing in this section affects any right of hot pursuit which a person appointed under this section may have under international law.

(9) The powers which a person appointed under this section has for the purposes of enforcing section 140 of this Act may not be exercised in relation to any vessel within subsection (10) unless—
   (a) in the case of a third country vessel, other than a vessel falling within paragraph (b) or (c) of that subsection, the United Kingdom is entitled under international law to exercise those powers without the consent of the flag state, or
   (b) the Commissioners have given authority to exercise those powers.

(10) The vessels are—
   (a) a third country vessel;
(b) a warship that is being used by the government of a State other than the United Kingdom;
(c) any other vessel that is being used by such a government for any non-commercial purpose.

(11) The Commissioners may give authority under subsection (9)(b) only if the flag state has consented to the United Kingdom exercising those powers (whether generally or in relation to the vessel in question).

(12) In giving such authority, the Commissioners must impose such conditions or limitations on the exercise of the powers as are necessary to give effect to any conditions or limitations imposed by the flag state.

(13) In this section “UK inshore region” means the area of sea within the seaward limits of the territorial sea adjacent to the United Kingdom.

CHAPTER 2

COMMON ENFORCEMENT POWERS

Introductory

240 Common enforcement powers

(1) This Chapter sets out the powers that may be exercised by a person who has the common enforcement powers conferred by this Act.

(2) In this Chapter—
   “enforcement officer” means any person who has the common enforcement powers conferred by this Act;
   “relevant activity”, in relation to an enforcement officer, means any activity in respect of which the officer has functions;
   “relevant function”, in relation to an enforcement officer, means any function of that officer;
   “relevant offence”, in relation to an enforcement officer, means any offence in respect of which the officer has functions.

(3) The powers conferred on an enforcement officer by any section in this Chapter are without prejudice to any powers exercisable by the officer apart from that section.

Entry, search and seizure

241 Power to board and inspect vessels and marine installations

(1) For the purposes of carrying out any relevant functions, an enforcement officer may at any time board and inspect a vessel or marine installation. This is subject to section 244 (which provides that a warrant is necessary to enter a dwelling).

(2) For the purposes of exercising the power conferred by subsection (1), the officer may require a vessel or marine installation—
   (a) to stop, or
   (b) to do anything else that will facilitate the boarding of that or any other vessel or marine installation.

(3) An enforcement officer who has boarded a vessel or marine installation may, for the purposes of disembarking from the vessel or installation, require that or any other vessel or marine installation—
   (a) to stop, or
   (b) to do anything else that will enable the officer, and any person accompanying the officer, to disembark from the vessel or installation.
(4) An enforcement officer may require any person on board a vessel or marine installation to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of any power conferred by this section.

242 Power to enter and inspect premises

(1) For the purposes of carrying out any relevant functions, an enforcement officer may enter and inspect any premises.

This is subject to section 244 (which provides that a warrant is necessary to enter a dwelling).

(2) The officer may only exercise the power conferred by this section at a reasonable time, unless it appears to the officer that there are grounds for suspecting that the purpose of entering the premises may be frustrated if the officer seeks to enter at a reasonable time.

(3) An enforcement officer may require any person in or on the premises to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of the power conferred by this section.

(4) In this section “premises” includes land, but does not include any vehicle, vessel or marine installation.

243 Power to enter and inspect vehicles

(1) For the purposes of carrying out any relevant functions, an enforcement officer may at any time—

(a) enter and inspect any vehicle;

(b) stop and detain any vehicle for the purposes of entering and inspecting it.

This is subject to section 244 (which provides that a warrant is necessary to enter a dwelling).

(2) Where—

(a) an enforcement officer has stopped a vehicle under this section, and

(b) the officer considers that it would be impracticable to inspect the vehicle in the place where it has stopped,

the officer may require the vehicle to be taken to such place as the officer directs to enable the vehicle to be inspected.

(3) An enforcement officer may require—

(a) any person travelling in a vehicle, or

(b) the registered keeper of a vehicle,

to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of any power conferred by this section.

(4) The powers conferred by this section may be exercised in any place (whether or not it is a place to which the public has access).

(5) In this section “vehicle” does not include any vessel.
244  Dwellings

(1) An enforcement officer may not by virtue of section 241, 242 or 243 enter any dwelling unless a justice has issued a warrant authorising the officer to enter the dwelling.

(2) A justice may only issue such a warrant if, on an application by the officer, the justice is satisfied—
   (a) that the officer has reasonable grounds for believing that there is material in the dwelling which for the purposes of carrying out any relevant functions the officer wishes to inspect, examine or seize, and
   (b) that any of the conditions in subsection (3) is satisfied.

(3) The conditions are—
   (a) that it is not practicable to communicate with any person entitled to grant entry to the dwelling;
   (b) that it is not practicable to communicate with any person entitled to grant access to that material;
   (c) that entry to the dwelling is unlikely to be granted unless a warrant is produced;
   (d) that the purpose of entry may be frustrated or seriously prejudiced unless an enforcement officer arriving at the dwelling can secure immediate entry to it.

(4) Schedule 17 contains further provision about warrants issued under this section.

(5) In this Chapter “justice” means—
   (a) in relation to England and Wales, a justice of the peace;
   (b) in relation to Northern Ireland, a lay magistrate;
   (c) in relation to Scotland, a sheriff, stipendiary magistrate or justice of the peace.

   (a) search or examine anything which appears to be in the person’s possession or control;
   (b) stop and detain the person for the purposes of such a search or examination.

(3) An enforcement officer may carry out any measurement or test of anything which the officer has power under this section to examine.

(4) The power conferred by subsection (3) includes power to take a sample from any live animal or plant.

(5) For the purpose of exercising any power conferred by this section, an enforcement officer may, so far as is reasonably necessary for that purpose, break open any container or other locked thing.
(6) Where an enforcement officer is exercising a power of inspection conferred by section 241, 242 or 243, the officer may require any person in or on the relevant premises to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of any power conferred by this section.

(7) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may require that person to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise in relation to that person of any power conferred by this section.

(8) Nothing in this section confers any power to search a person.

(9) The reference in subsection (1) to anything that is in or on the relevant premises includes a reference to—
   (a) anything that is attached to or otherwise forms part of the relevant premises, and
   (b) anything that is controlled from the relevant premises.

(3) A reference in this section to the production of a document includes a reference to the production of—
   (a) a hard copy of information recorded otherwise than in hard copy form, or
   (b) information in a form from which a hard copy can be readily obtained.

(4) For the purposes of this section—
   (a) information is recorded in hard copy form if it is recorded in a paper copy or similar form capable of being read (and references to hard copy have a corresponding meaning);
   (b) information can be read only if—
      (i) it can be read with the naked eye, or
      (ii) to the extent that it consists of images (for example photographs, pictures, maps, plans or drawings), it can be seen with the naked eye.
247 Powers of seizure, etc

(1) An enforcement officer who is exercising a power of inspection conferred by section 241, 242 or 243 may—
   (a) seize and detain or remove any item found on the relevant premises;
   (b) take copies of or extracts from any document or record found on the relevant premises.

(2) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may seize and detain or remove any item which appears to be in the person’s possession or control.

(3) An enforcement officer to whom any document or record has been produced in accordance with a requirement imposed under section 246 may—
   (a) seize and detain or remove that document or record;
   (b) take copies of or extracts from that document or record.
In this subsection “document” includes anything falling within paragraph (a) or (b) of section 246(3).

(4) The powers conferred by this section may only be exercised—
   (a) for the purposes of determining whether a relevant offence has been committed, or
   (b) in relation to an item which an enforcement officer reasonably believes to be evidence of the commission of a relevant offence.

(5) Subject to subsection (6), an enforcement officer who is exercising a power of inspection conferred by section 241, 242 or 243 may not remove from the relevant premises any item which is required by law to be kept on the relevant premises.

(6) An enforcement officer may remove such an item from a vessel while it is being detained in a port.

(7) Nothing in this section confers power on an enforcement officer to seize an item which the officer has reasonable grounds for believing to be—
   (a) an item subject to legal privilege (within the meaning of the Police and Criminal Evidence Act 1984 (c. 60)), or
   (b) an item in respect of which a claim to confidentiality of communications could be maintained in legal proceedings in Scotland.

248 Further provision about seizure

(1) Where—
   (a) any items which an enforcement officer wishes to seize and remove are in a container, and
   (b) the officer reasonably considers that it would facilitate the seizure and removal of the items if they remained in the container for that purpose, any power to seize and remove the items conferred by section 247 includes power to seize and remove the container.

(2) Where—
   (a) any items which an enforcement officer wishes to seize and remove are not in a container, and
(b) the officer reasonably considers that it would facilitate the seizure and removal of the items if they were placed in a container suitable for that purpose,
the officer may require the items to be placed into such a container.

(3) If, in the opinion of an enforcement officer, it is not for the time being practicable for the officer to seize and remove any item, the officer may require—
(a) the person from whom the item is being seized, or
(b) where the officer is exercising a power of inspection conferred by section 241, 242 or 243, any person in or on the relevant premises,
to secure that the item is not removed or otherwise interfered with until such time as the officer may seize and remove it.

(4) Where an enforcement officer is exercising a power of inspection conferred by section 241, 242 or 243, the officer may require any person in or on the relevant premises to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of any power conferred by section 247 or this section.

(5) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may require that person to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise in relation to that person of any power conferred by section 247 or this section.

(6) In section 66 of the Criminal Justice and Police Act 2001 (c. 16) (general interpretation of Part 2) in subsection (1)—
(a) before the definition of “premises” insert—
“‘marine installation’ has the meaning given by section 257 of the Marine and Coastal Access Act 2009;”;
(b) in the definition of “premises”, after “offshore installation” insert “or other marine installation”.

(7) In Part 1 of Schedule 1 to that Act (powers of seizure to which section 50 applies), after paragraph 73K insert—
“Marine and Coastal Access Act 2009 (c. 00)

73L Each of the powers of seizure conferred by section 247(1) and (3) of the Marine and Coastal Access Act 2009.”

249 Retention of seized items

(1) This section applies to any item seized in the exercise of a power conferred by section 247.

(2) The item may be retained so long as is necessary in all the circumstances and in particular—
(a) for use as evidence at a trial for a relevant offence, or
(b) for forensic examination or for investigation in connection with a relevant offence.

(3) No item may be retained for either of the purposes mentioned in subsection (2) if a photograph or a copy would be sufficient for that purpose.
250 Power to record evidence of offences

(1) An enforcement officer may use any device for the purpose of taking visual images of anything which the officer believes is evidence of the commission of a relevant offence.

(2) The power conferred by this section is exercisable in relation to—
   (a) anything that is in or on,
   (b) anything that is attached to or otherwise forms part of, or
   (c) anything that is controlled from,
   any vessel, marine installation, premises or vehicle.

(3) The officer may require any person in or on the vessel, marine installation, premises or vehicle to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of the power conferred by this section.

251 Power to require name and address

Where an enforcement officer reasonably believes that a person has committed a relevant offence, the officer may require the person to provide the person’s name and address.

252 Power to require production of licence, etc

(1) Where an enforcement officer reasonably believes—
   (a) that a person is or has been carrying on a relevant activity, and
   (b) that the person requires a licence or other authority to carry on that activity,
   the officer may require the person to produce that licence or other authority.

(2) If the person is unable to produce the licence or other authority when required to do so, the person must produce it at such place, and within such period of time, as the officer may specify.

253 Power to require attendance of certain persons

(1) This section applies where an enforcement officer has—
   (a) boarded a vessel or marine installation, or

   (b) any other person who is on board the vessel or marine installation;
   (c) the owner or occupier of the premises;
   (d) any person who is on the premises.
254 Power to direct vessel or marine installation to port

(1) This section applies where—
   (a) an enforcement officer considers that it would not be reasonably practicable for the officer to exercise a power which the officer wishes to exercise in relation to a vessel or marine installation without detaining the vessel or marine installation in a port, or
   (b) an enforcement officer reasonably believes that—
       (i) a vessel or marine installation is itself evidence of the commission of a relevant offence, and
       (ii) the only reasonably practicable way to preserve that evidence is to detain the vessel or marine installation in a port.

(2) The officer may—
   (a) take, or arrange for another person to take, the vessel or marine installation and its crew to the port which appears to the officer to be the nearest convenient port, or
   (b) require the person who is for the time being in charge of the vessel or marine installation to take it and its crew to that port.

(3) When the vessel or marine installation has been taken to a port, the officer may—
   (a) detain it there, or
   (b) require the person for the time being in charge of it to do so.

(4) An enforcement officer who detains any vessel or marine installation under this section must serve a notice on the person who is for the time being in charge of it.

(5) The notice must state that the vessel or marine installation is to be detained until the notice is withdrawn.

(6) A notice served under subsection (4) may be withdrawn by service of a further notice signed by an appropriate enforcement officer.

(7) In subsection (6) the reference to an appropriate enforcement officer is a reference to any enforcement officer acting on behalf of the same relevant authority as the enforcement officer who served the notice under subsection (4), and includes a reference to that officer.
   “Relevant authority” means the person or body on whose behalf the officer who detained the vessel or marine installation was acting.

255 Assistance etc

**CHAPTER 4**

**FISHERIES ENFORCEMENT POWERS**

*Inspection and seizure of objects at sea*

**259 Power to inspect and seize objects at sea**

(1) For the purposes of carrying out any relevant functions, an enforcement officer who has the power conferred by this section may inspect any object in the sea which the officer believes has been or is being used for or in connection with fishing. The officer may lift an object out of the sea for the purposes of inspecting it under this section.

(2) An enforcement officer who has inspected an object under this section may seize the object.

(3) The power conferred by subsection (2) may only be exercised—
   (a) for the purposes of determining whether a relevant offence has been committed, or
   (b) in relation to an object which an enforcement officer reasonably believes to be evidence of the commission of a relevant offence.

(4) If, having inspected an object under this section, the officer decides not to seize it under subsection (2), the officer must, if it is reasonably practicable to do so, replace the object in the location where it was found.

(5) If it is not reasonably practicable to replace the object in accordance with subsection (4), the officer may seize the object until such time as it may be collected by its owner.

(6) Any power conferred by this section to seize an object includes power to seize—
   (a) anything that is attached to the object;
   (b) anything that is contained within the object.

(7) Any reference in this section to replacing an object includes, in the case of fishing gear, a reference to re-setting the gear in the same way in which it was placed in the sea.

(8) The powers conferred on an enforcement officer by this section are without prejudice to any powers exercisable by the officer apart from this section.
Reports of inspections under section 259

(1) This section applies where an enforcement officer inspects any object under section 259.

(2) The officer must prepare a report in relation to the inspection.

(3) The report must state—
   (a) the date and time of the inspection;
   (b) the identity of the officer who carried out the inspection;
   (c) how the officer may be contacted.

(4) In the case of an object seized under section 259(2) or (5), the report must also state—
   (a) what has been seized;
   (b) the reasons for its seizure;
   (c) any further action that it is proposed will be taken in relation to the object.

(5) Where the object has not been seized under section 259(2) or (5), the officer must, if it is reasonably practicable to do so, attach a copy of the report to the object.

If it is not reasonably practicable to attach a copy of the report to the object, the officer must serve a copy of the report on every person who appears to the officer to be the owner, or one of the owners, of the object.

(6) In a case where the officer, after taking reasonable steps to do so, is unable to identify any person as owning the object, the officer must take such steps as the officer thinks fit to bring the contents of the report to the attention of persons likely to be interested in it.

(7) Where—
   (a) the object has been seized under section 259(2), and
   (b) either of the conditions in subsection (8) is satisfied,

the relevant authority must, if it has not already done so, serve a copy of the report on every person who appears to the authority to be the owner, or one of the owners, of the object.

(8) The conditions are—
   (a) that the relevant authority has decided not to take proceedings in respect of any offence in relation to which the object was seized;
   (b) that any proceedings taken in respect of such an offence have concluded.

(9) Where the object has been seized under section 259(5), the relevant authority must serve a copy of the report on every person who appears to the authority to be the owner, or one of the owners, of the object at the same time as it serves a notice of collection on that person under section 262.

(10) In a case where the relevant authority, after taking reasonable steps to do so, is unable to identify any person as owning the object—
    (a) any reference in this section to a requirement for the authority to serve a copy of a report on such a person is to be read as a reference to a requirement to take such steps as the authority thinks fit to bring the contents of the report to the attention of persons likely to be interested in it, and
(b) the reference in subsection (9) to serving a notice of collection under section 262 is to be read as a reference to taking the steps referred to in subsection (5) of that section.

261 Retention of objects seized under section 259(2)

(1) Any object seized by an enforcement officer under section 259(2) may be retained by the relevant authority.

(2) If either of the grounds of release in subsection (3) applies, the relevant authority must, as soon as is reasonably practicable, make the object available for collection.

(3) The grounds of release referred to in subsection (2) are—

(a) that the relevant authority has decided not to take proceedings in respect of any offence in relation to which the object was seized;

(b) that any proceedings taken in respect of such an offence have concluded without any order for forfeiture having been made.

(4) But subsection (2) does not apply if the object is liable to forfeiture under section 270 or 271.

(5) Any reference in this section to an object seized under subsection (2) of section 259 includes a reference to anything seized by virtue of subsection (6) of that section.

262 Disposal of objects seized under section 259

(1) This section applies to—

(a) any object seized under section 259(2) which the relevant authority—

(i) no longer wishes to retain for any purpose, or

(ii) is required to make available for collection by virtue of section 261;

(b) any object seized under section 259(5).

(2) In this section a “notice of collection” is a notice stating that—

(a) the object specified in the notice is available to be collected from the location so specified, and

(b) if the object is not collected before the end of the period of three months beginning with the date specified in the notice, the relevant authority will dispose of the object.

(7) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may require that person to afford such facilities and assistance with respect to matters under that person’s
control as the officer considers would facilitate the exercise in relation to that person of any power conferred by this section.

(8) In this section—

“relevant power of forfeiture” means any power of a court to order the forfeiture of any fish in respect of which an offence has been committed;

(4) Where an enforcement officer is exercising a power of inspection conferred by section 241, 242 or 243, the officer may require any person in or on the relevant premises to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise of any power conferred by this section.

(5) Where an enforcement officer reasonably believes that a person is or has been carrying on a relevant activity, the officer may require that person to afford such facilities and assistance with respect to matters under that person’s control as the officer considers would facilitate the exercise in relation to that person of any power conferred by this section.

(6) In this section—
“relevant activity”, in relation to an enforcement officer, means any activity in respect of which the officer has functions;
“relevant power of forfeiture” means any power of a court to order the forfeiture of any fishing gear used in the commission of an offence;

(4) The officer must serve a copy of the report referred to in section 260 on every person falling within paragraph (a) of subsection (1) above at the same time as the officer serves a notice on that person under this section.

(5) In a case where the officer, after taking reasonable steps to do so, is unable to identify any person as owning the property—

(a) any reference in this section to a requirement to serve a notice on that person is to be read as a reference to a requirement to take such steps as the officer thinks fit to bring the contents of the notice to the attention of persons likely to be interested in it, and

**Crown application**

290 Application to the Crown

(1) The provisions of Chapters 1 to 5 of this Part are binding on the Crown. This is subject to subsection (2).

(2) No contravention by the Crown of any provision of Chapter 5 is to make the Crown criminally liable; but the High Court or, in Scotland, the Court of Session may declare unlawful any act or omission of the Crown which constitutes such a contravention.

(3) Despite subsection (2), the provisions of Chapters 1 to 5 of this Part apply to persons in the public service of the Crown as they apply to other persons.

**PART 9**

COASTAL ACCESS

The coastal access duty

291 The coastal access duty

(1) Natural England and the Secretary of State must exercise the relevant functions in order to secure the following objectives.

(2) The first objective is that there is a route for the whole of the English coast which—

(a) consists of one or more long-distance routes along which the public are enabled to make recreational journeys on foot or by ferry, and

(b) (except to the extent that it is completed by ferry) passes over land which is accessible to the public.

(3) The second objective is that, in association with that route (“the English coastal route”), a margin of land along the length of the English coast is accessible to the public for the purposes of its enjoyment by them in conjunction with that route or otherwise, except to the extent that the margin of land is relevant excepted land.

(4) The duty imposed on Natural England and the Secretary of State by subsection (1)—

(a) is referred to in this Part as the coastal access duty, and

(b) is to be discharged by them in such stages and within such period as appear to them to be appropriate.

(5) For the purposes of this section, land is accessible to the public if it is—

(a) land which is available to the public for the purposes of open-air recreation, by virtue of provision made under section 3A of the CROW Act and subject to any exclusions or restrictions imposed by or under Part 1 of that Act (access to the countryside),
(b) land in England which, for the purposes of section 1(1) of that Act, is treated by section 15(1) of that Act as being accessible to the public apart from that Act, or

(c) excepted land in England which is accessible to the public by virtue of any enactment or rule of law (other than a military lands byelaw).

(6) Nothing in this section requires Natural England or the Secretary of State, in discharging the coastal access duty so far as it relates to the objective in subsection (3), to exercise functions so as to secure that any land becomes land within subsection (5)(b) or (c).

(7) For the purposes of the coastal access duty, a person is to be regarded as enabled to make a journey by ferry even if that journey can be made at certain times, or during certain periods, only.

(8) In this section—

“the 1949 Act” means the National Parks and Access to the Countryside Act 1949 (c. 97);

“the CROW Act” means the Countryside and Rights of Way Act 2000 (c. 37);

“excepted land” has the same meaning as in Part 1 of the CROW Act;

“military lands byelaw” means a byelaw under section 14 of the Military Lands Act 1892 (c. 43) or section 2 of the Military Lands Act 1900 (c. 56);

“relevant excepted land” means excepted land other than land within subsection (5)(c);

“the relevant functions” means—

(a) in relation to Natural England—

(i) its functions under this Part, Part 4 of the 1949 Act (long-distance routes) and Part 1 of the CROW Act (access to the countryside), and

(ii) such of its other functions as it considers it appropriate to exercise for the purpose of securing the objectives in subsections (2) and (3), and

(b) in relation to the Secretary of State—

(i) the Secretary of State’s functions under this Part, Part 4 of the 1949 Act and Part 1 of the CROW Act, and

(ii) such of the Secretary of State’s other functions as the Secretary of State considers it appropriate to exercise for the purpose of securing the objectives in subsections (2) and (3).

292 General provision about the coastal access duty

(1) In discharging the coastal access duty, Natural England and the Secretary of State must comply with the requirements of this section.

(2) They must have regard to—

(a) the safety and convenience of those using the English coastal route,

(b) the desirability of that route adhering to the periphery of the coast and providing views of the sea, and

(c) the desirability of ensuring that so far as reasonably practicable interruptions to that route are kept to a minimum.
(3) They must aim to strike a fair balance between the interests of the public in having rights of access over land and the interests of any person with a relevant interest in the land.

(4) For this purpose a person has a relevant interest in land if the person—
   (a) holds an estate in fee simple absolute in possession in the land,
   (b) holds a term of years absolute in the land, or
   (c) is in lawful occupation of the land.

293 The coastal access scheme

(1) Natural England must—
   (a) prepare a scheme setting out the approach it will take when discharging the coastal access duty, and
   (b) submit the scheme to the Secretary of State.

(2) The Secretary of State may—
   (a) approve the scheme, with or without modifications, or
   (b) reject the scheme and give Natural England a notice requiring it to prepare and submit a new scheme under subsection (1).

(3) The scheme must be submitted to the Secretary of State within the period of 12 months beginning with the day on which this section comes into force or, in a case within subsection (2)(b), within the period specified in the notice.

(4) Natural England may, with the approval of the Secretary of State, revise a scheme approved under this section.

(5) A scheme approved under this section (and any revised scheme) must set out the approach Natural England will take when deciding, for the purposes of section 55A(4) of the 1949 Act, whether it would be appropriate for an access authority to carry out any preliminary activity (within the meaning of section 55A(3) of that Act).

(6) The Secretary of State must lay before Parliament a copy of the scheme approved under this section and, where that scheme is revised, a copy of the revised scheme.

(7) Before preparing or revising a scheme under this section, Natural England must consult such persons as it considers appropriate.

(8) Natural England must, as soon as reasonably practicable, publish in such manner as it considers appropriate—
   (a) the scheme approved by the Secretary of State, and
   (b) where that scheme is revised, the revised scheme.

(9) In discharging the coastal access duty, Natural England must act in accordance with the scheme approved under this section (or, where that scheme has been revised, the revised scheme).

(10) Until such time as there is an approved scheme under this section, Natural England may not prepare or submit a report under section 51 or 55 of the 1949 Act (report containing proposals for long-distance routes) pursuant to the coastal access duty.

(11) Nothing in subsection (10) prevents Natural England from surveying any land in connection with the preparation of such a report.
294 **Review of the coastal access scheme**

(1) Where a scheme has been approved under section 293, Natural England may, from time to time, review the scheme (as revised from time to time under that section).

(2) At least one review must be completed within the period of 3 years beginning with the day on which a scheme is first approved under section 293(2).

(3) Natural England must publish a report of each review under this section as soon as reasonably practicable after the review is completed.

295 **The English coast**

(1) In this Part “the English coast” means the coast of England adjacent to the sea, including the coast of any island (in the sea) comprised in England (other than an excluded island).

(2) An island is “excluded” if it is neither—
   (a) an accessible island, nor
   (b) an island specified by the Secretary of State by order for the purposes of this paragraph.

(3) An island is “accessible” if it is possible to walk to the island from the mainland of England, or from another island within subsection (2)(a) or (b), across the foreshore or by means of a bridge, tunnel or causeway.

(4) For the purposes of subsection (3), it is possible to walk to an island even if it is possible to do so at certain times, or during certain periods, only.

(5) An island may be specified by an order under subsection (2)(b) only if the Secretary of State is satisfied that the coast of the island is of sufficient length to enable the establishment of one or more long-distance routes along its length capable of affording the public an extensive journey on foot.

(6) For the purposes of the objective in section 291(2) (the English coastal route), the means of access to an accessible island is (to the extent that it would not otherwise be the case) to be regarded as part of the English coast.

(7) This section is subject to section 302 (Isles of Scilly).

296 **River estuaries**

(1) This section applies in a case where the continuity of any part of the English coast is interrupted by a river.

(2) Natural England may exercise its functions as if the references in the coastal access provisions to the sea included the relevant upstream waters of the river.

(3) For this purpose “the relevant upstream waters”, in relation to a river, means—
   (a) the waters from the seaward limit of the estuarial waters of the river upstream to the first public foot crossing, or
   (b) if Natural England so decides, the waters from the seaward limit of the estuarial waters of the river upstream to such limit, downstream of the first public foot crossing, as may be specified by it.
(4) When exercising any power conferred by subsection (2) or (3), Natural England must have regard to the following matters (in addition to the matters mentioned in section 292(2))—

(a) the nature of the land which would, for the purposes of this Part, become part of the coast of England if Natural England exercised the power in subsection (2) in respect of the relevant upstream waters for the limit under consideration;

(b) the topography of the shoreline adjacent to those waters;

(c) the width of the river upstream to that limit;

(d) the recreational benefit to the public of the coastal access duty being extended to apply in relation to the coast adjacent to those waters;

(e) the extent to which the land bordering those waters would, if it were coastal margin, be excepted land;

(f) whether it is desirable to continue the English coastal route to a particular physical feature (whether of the landscape or otherwise) or viewpoint;

(g) the existence of a ferry by which the public may cross the river.

(5) Anything done pursuant to subsection (2) (including any decision under subsection (3)(b)) is to be regarded as done pursuant to, and for the purpose of discharging, the coastal access duty.

(6) Subsections (1) to (5) apply in relation to the Secretary of State as they apply in relation to Natural England.

(7) A decision by Natural England to exercise a power conferred by subsection (2) or (3) in relation to a river—

(a) is without prejudice to any decision by the Secretary of State (by virtue of subsection (6)) as to whether or not to exercise such a power in relation to the river, and

(b) does not affect the requirements of subsection (4) (as they apply by virtue of subsection (6)) or of section 292(2) and (3), in relation to such a decision by the Secretary of State.

(8) In this section—

“coastal access provisions” means—

(a) this Part (other than this section), and

(b) sections 55A to 55J of the 1949 Act;

“excepted land” has the same meaning as in Part 1 of the CROW Act;

“public foot crossing”, in relation to a river, means a bridge over which, or tunnel through which, there is a public right of way, or a public right of access, by virtue of which the public are able to cross the river on foot.

**Implementation of the coastal access duty**

### 297 Long-distance routes

(1) After section 55 of the 1949 Act insert—

“55A Proposals relating to the English coastal route

(1) Pursuant to the coastal access duty, Natural England may prepare and submit a report under section 51 containing proposals for a route (whether or not the requirements of section 51(1) are satisfied).
(2) For the purposes of subsection (1) it is immaterial whether the route or any part of it is already a route in approved proposals relating to a long-distance route.

(3) In subsections (4) and (5) “preliminary activity” means activity which Natural England considers would facilitate the preparation by it of a report under section 51 pursuant to the coastal access duty.

(4) Where Natural England considers it necessary or expedient for preliminary activity to be carried out as respects any land, it must—
   (a) consider whether it would be appropriate for the access authority in relation to that land to carry out any of the preliminary activity, and
   (b) if it concludes that it would be so appropriate, take all reasonable steps to enter into an agreement with the access authority for that purpose.

(5) An access authority may, as respects any land in its area, enter into an agreement with Natural England under which the access authority undertakes to carry out preliminary activity.

(6) In this section “the coastal access duty” means the duty imposed on Natural England and the Secretary of State by section 291(1) of the Marine and Coastal Access Act 2009.

55B Route subject to erosion etc

(1) This section applies in relation to a report under section 51 prepared pursuant to the coastal access duty.

(2) Where Natural England considers that the area through which the route passes is an area to which subsection (3) applies, the report may set out proposals for the route, or any part of it, to be determined at any time in accordance with provision made in the proposals (rather than as shown on a map).

(3) This subsection applies to an area if it is or may be—
   (a) subject to significant coastal erosion or encroachment by the sea, or
   (b) subject to significant physical change due to other geomorphological processes.

(4) The provision made by virtue of subsection (2) may, in particular, provide for the route to be determined by reference to the edge of a cliff or boundary of a field (as it exists from time to time).

(5) Where the report contains proposals under subsection (2), the map included in the report in accordance with section 51(2) must show the route as determined, at the time the report is prepared, in accordance with those proposals.

(6) Natural England must consult the Environment Agency before exercising its powers under subsection (2) in respect of an area which is or may be—
   (a) subject to significant coastal erosion or encroachment by the sea, or
(b) subject to significant physical change due to other
geomorphological processes in relation to which the Agency
has functions.

55C Alternative routes

(1) This section applies in relation to a report under section 51 prepared
pursuant to the coastal access duty.

(2) The report may include, in relation to the route (“the ordinary route”) or
any part of it, a proposal under subsection (3) or (4).

(3) A proposal under this subsection is a proposal for an alternative route
which is to operate as a diversion from the ordinary route, or part,
during one or both of the following—
(a) any specified period (or periods), and
(b) any period during which access to the ordinary route or part is
excluded by reason of a direction under Chapter 2 of Part 1 of
the CROW Act (exclusion or restriction of access).

(4) A proposal under this subsection is a proposal for an alternative route
which is to operate as an optional alternative to the ordinary route, or
part, during any period for which the ordinary route, or part, might
reasonably be regarded as unsuitable for use by reason of—
(a) flooding,
(b) the action of the tide,
(c) coastal erosion or encroachment by the sea, or
(d) the effect of any other geomorphological process.

(5) In subsection (3)(a) “specified” means—
(a) specified in, or determined in accordance with, the proposal, or
(b) determined in accordance with the proposal by—
(i) a person specified in the proposal, or
(ii) a person determined in accordance with the proposal,
details of whom are notified to Natural England in
accordance with the proposal.

(6) Sections 51(2) and 55B apply in relation to an alternative route as they
apply in relation to the ordinary route.

55D Coastal margin

(1) This section applies in relation to a report prepared under section 51
pursuant to the coastal access duty.

(2) The proposals set out in the report may include—
(a) a proposal for any part of the landward boundary of the
relevant coastal margin to coincide with a physical feature
identified in the proposal,
(b) where those proposals include an alternative route, a proposal
for any part of the landward or seaward boundary of the
alternative route strip to coincide with a physical feature so
identified, or
(c) a proposal for the landward or seaward boundary of any area
excluded from any description of excepted land to coincide
with a physical feature so identified.
(3) The report must contain—
   (a) a map showing the landward boundary of the relevant coastal margin, or
   (b) a description of that boundary which is sufficient to identify the relevant coastal margin.

(4) Where a map is contained in a report pursuant to subsection (3)(a), Natural England must provide a person with a relevant interest in affected land, on request, with a copy of that map.

(5) The report must set out such proposals (if any) as Natural England considers appropriate as to the directions to be made by it under Chapter 2 of Part 1 of the CROW Act for the exclusion or restriction of the right of access that would arise under section 2(1) of that Act in relation to any land if the proposals in the report were to be approved.

(6) Before preparing the report, Natural England must (in addition to complying with section 51(4))—
   (a) take reasonable steps to consult persons with a relevant interest in affected land,
   (b) consult any body of a kind mentioned in section 51(4) in whose Park or area affected land is situated (but which is not required to be consulted under section 51(4)),
   (c) consult each London borough council for an area in which affected land is situated,
   (d) consult each local access forum for an area in which affected land is situated,
   (e) consult the Secretary of State in relation to any interests of defence or national security which may be affected by the proposals which Natural England is minded to include in the report,
   (f) consult the Historic Buildings and Monuments Commission for England in relation to any interests in the preservation of any monument, structure or other thing, mentioned in section 26(3)(b) of the CROW Act which may be affected by those proposals, and
   (g) consult the Environment Agency in relation to any interests in flood defence, or in the management of the effects of coastal erosion or encroachment by the sea, which may be affected by those proposals.

(7) A body within subsection (6)(b), (c) or (d) must provide Natural England with such information as it may reasonably require for the purposes of the report.

(8) Where the Secretary of State is consulted under subsection (6)(e), the Secretary of State must—
   (a) provide Natural England with such information as it may reasonably require as to any exclusion or restriction of the right of access to affected land under section 2(1) of the CROW Act which the Secretary of State proposes to make provision for under section 28 of that Act (defence and national security), and
   (b) notify Natural England if the Secretary of State is of the opinion that this information, or any part of it, ought not to be disclosed.
by it on the grounds of the public interest in defence and national security.

(9) Subject to subsection (10), the report must contain such of the information provided under subsection (8)(a) as Natural England considers relevant for the purposes of the report.

(10) The report may not contain information which Natural England has been notified under subsection (8)(b) ought not to be disclosed by it.

55E Consideration of reports made pursuant to the coastal access duty

Schedule 1A contains—

(a) provision about the procedure to be followed when a report is submitted under section 51 pursuant to the coastal access duty;

(b) provision which, in relation to such reports, supplements the provision made by section 52.

55F Directions under Part 1 of the CROW Act

(1) This section applies where approved proposals relating to a long-distance route contain proposals as regards a direction to be made by Natural England under Chapter 2 of Part 1 of the CROW Act for the exclusion or restriction of the right of access that would otherwise arise under section 2(1) of that Act.

(2) Natural England must make the direction in accordance with those proposals.

(3) Subsection (2) is without prejudice to any power Natural England may have to revoke or vary the direction after it is made.

55G Ferries for the purposes of the English coastal route

(1) This section applies where—

(a) pursuant to the coastal access duty, approved proposals relating to a long-distance route include proposals for the provision and operation of a ferry, and

(b) an approach route to the ferry is not a highway.

(2) The reference in section 53(1) to the highway authority for either or both of the highways to be connected by the ferry is to be read as including the highway authority in whose area the approach route is situated.

(3) In this section “approach route”, in relation to a ferry, means a part of the English coastal route to be connected to another part of that route by the ferry.

55H Variation pursuant to the coastal access duty

(1) In the case of a report made by Natural England under section 55(1) pursuant to the coastal access duty—

(a) the procedural requirements apply with the necessary modifications, and

(b) section 55(3) does not apply.

(2) The Secretary of State may by regulations provide—
