Introduction

The *Sessional Information Digest* has been published for each parliamentary session since 1983-84, and from 1985-86 published by Her Majesty's Stationery Office, now The Stationery Office. Subscribers to the *Weekly Information Bulletin* automatically receive copies, the price being covered by the annual subscription.

Although the *Sessional Information Digest* is in some ways a cumulation of material from the *Weekly Information Bulletin*, it is recommended that users retain the *Bulletin* files, as full bibliographical details are not given here, in order to save space. In this respect, the *Digest* forms an index and companion to the *Bulletin*, as well as providing information unavailable elsewhere.

Both the *Bulletin* and *Digest* can be found on the Internet via links from Parliament's home page (www.parliament.uk) at the following address **<http://www.publications.parliament.uk/pa/cm/cmpubns.htm>**.

Standing Order numbers cited in this edition of the *Digest* are those used during the 2009-10 Session.

I would like to thank Sara Howe in the Journal Office, and Jennifer Walpole and Richard Freebury from the Department of Information Services for their help in the compilation of this *Digest*. I am also grateful to Jean Fessey for her advice and support.

It is for the Speaker to decide whether the matter is sufficiently specific, important and urgent to warrant giving it precedence, and among other things to have regard to the probability of the matter being brought before the House by other means; the Chair in general gives leave very seldom. During the 2009-2010 Session, there were **0** applications.

Section A – Part 8

The total number of divisions during the Session was **135**

Section A – Part 9

Section B – Part 1

Draft Bills under consideration or published during the 2009–10 Session

As part of the reforms to the legislative process initiated by the Modernisation Committee, the government now publishes a number of bills each session in draft form, before they are introduced into parliament as formal bills. This enables consultation and pre-legislative scrutiny before a bill is issued formally.

Increasingly, it has become the practice in recent sessions for the House to refer these to a joint committee of the Commons and Lords appointed for the specific purpose of examining and reporting on a named draft bill. On occasions a draft bill may be referred to one of the departmental select committees or a select committee appointed for that specific purpose.

Listed below are draft bills that were under consideration or published during the 2009-10 Session of Parliament. Further information on draft bills, including those from previous sessions can be viewed on the Parliament website at <http://www.parliament.uk/bills/draftbills.cfm>.

Section B – Part 6

Northern Ireland Legislation

The Northern Ireland Assembly was established by the *Northern Ireland Act 1998*. Following devolution, legislative power in most areas was transferred from Westminster to the Assembly. However, under the terms of the *Northern Ireland Act 1998*, certain powers are retained by the Secretary of State for Northern Ireland and are not devolved matters. These include constitutional and security issues, law and order, policing, electoral matters and relations with the European Union. Reserved matters, which include the criminal law and civil defence, can be transferred at a future date. Legislation in non-devolved or excepted matters continues to be made by the Westminster Parliament under the 1998 Act in the form of Orders in Council, Acts and Statutory Instruments. **This page includes Orders in Council that relate to reserve matters, the criminal law, electoral and policing matters, made under Section 85 of the Northern Ireland Act 1998.**

The Northern Ireland Assembly was restored from 8 May 2007 following a period of suspension from midnight on 14 October 2002. During suspension, legislation, which would otherwise have come within the competence of the Assembly, was made by Order in Council under Schedule 1 to the *Northern Ireland Act 2000*. The 2000 Act was also used to make Orders in Council which, while the Assembly was active, would have been made under Section 85 of the Northern Ireland Act 1998 (Orders making provision for certain reserved matters, for example the criminal law).

Unless made without Parliamentary Approval by reason of urgency, draft Orders in Council must be approved by a resolution of both Houses before being made (affirmative procedure). Orders in Council made before Parliamentary approval by reason of urgency (**U**), must be approved by both Houses within 40 days of being made. Some UK Acts, for example dealing with social security or pensions, provide for corresponding provisions to be made for Northern Ireland by means of an Order in Council under the 2000 Act, subject to annulment in pursuance of a resolution of either House (negative procedure (**N**)), rather than by the normal affirmative procedure.

Where appropriate, proposals for draft Orders in Council are issued for public consultation and on occasions may be considered by the Northern Ireland Grand Committee (**G**), before the draft Order is laid. Prior to formal approval being sought on the floor of the Commons, draft Orders are normally considered in a Delegated Legislation Committee (**D**) or, less frequently, by the Northern Ireland Grand Committee. The Northern Ireland Orders Grand Committee (**O**) would also, from time to time, consider a draft Order before formal approval is sought on the floor of the Lords.

Outstanding Orders are listed below. Details of previous Orders are available in earlier editions of the bulletin.

To distinguish between UK Bills/Acts applying to Northern Ireland and Acts passed by the Assembly, see the positioning of the term 'Northern Ireland'. Examples of each are given below:

UK legislation applying to Northern: Justice and Security (Northern Ireland) Act 2007

Northern Ireland Assembly legislation: Carers and Direct Payments Act (Northern Ireland) 2002

Bills introduced into the Northern Ireland Assembly can be found on the Northern Ireland Assembly website: www.niassembly.gov.uk/

For further information on Northern Ireland Legislation see HCIO Factsheet L8 produced by the House of Commons Information Office, available in hardcopy on request or to download from the Parliament website.

Legislation of the Northern Ireland Assembly (s. 15 of the Northern Ireland Act 1998)

Some Northern Ireland Assembly Bills which include provisions dealing with exempted or reserved matters are required to be laid before Parliament for a period of 20 sitting days before being presented for Royal Assent. If a motion, signed by not less than 20 Members, disapproving of the Bill is tabled in either House during the 20-day period, the Bill shall not be presented for Royal Assent unless the motion is rejected or withdrawn. The date of tabling of any such motion will be shown below.

Assembly Bills of this type which the Secretary of State deems urgent (U) may be presented for Royal Assent before being laid before Parliament. Such Acts of the Assembly are then required to be laid before Parliament for 20 sitting days. If a motion, signed by not less than 20 Members, praying that the Act shall cease to have effect is tabled in either House during the 20-day period the Act and is agreed to, the Act of the Assembly may be repealed by Order in Council. The date of tabling of any such motion will be shown below.

The non-appearance of an item in this list cannot be taken as evidence that such a title does not exist. Most items are published or 'made available' by individual Government departments or agencies on their individual websites rather than in hard copy. Copies should be sought from government departments or their agencies. (Some also appear in the Chadwyck Healey Catalogue of British Official Publications not published by TSO). The few that are TSO published items have a Command Paper number or other reference attached. Details of the consultation period and issuing office address may be found in the edition of the *Weekly Information Bulletin* next following the date of receipt.

Impact Assessments

Impact Assessments, formerly known as Regulatory Impact Assessments, are prepared and published by the Government for all primary legislation introduced into and secondary legislation laid before Parliament. In the case of Government Bills and Statutory Instruments, an Impact Assessment forms part of the Explanatory Memoranda to the Bill or Instrument: in other cases, a separate document is issued. Impact Assessments are an assessment for the business sector of the costs involved in complying with the legislation. Explanatory Memoranda for Bills can be found on the Parliament website. Explanatory Memoranda for Statutory Instruments can be found on the Office of Public Sector Information website.
