

**THURSDAY 14 MARCH 2019**

**AMENDMENTS TABLED TO THE MOTION ON THE UK'S WITHDRAWAL FROM THE  
EUROPEAN UNION**

**Manuscript Amendments tabled on Thursday 14 March before  
10.30am are marked with an asterisk.**

**An Amendment to Amendment (i) tabled later, and selected by the Speaker,  
is marked with two asterisks**

**1. BUSINESS OF THE HOUSE (TODAY)**

**Until any hour** (if the 5.00pm Business of the House motion is agreed to)

**The Prime Minister**

That, at this day's sitting, the Speaker shall put the questions necessary to dispose of proceedings on the motion in the name of the Prime Minister relating to the UK's withdrawal from the European Union not later than 5.00pm; such questions shall include the questions on any amendments selected by the Speaker which may then be moved; the questions may be put after the moment of interruption; and Standing Order No. 41A (Deferred divisions) shall not apply.

**2. UK'S WITHDRAWAL FROM THE EUROPEAN UNION**

**Until 5.00pm** (Business of the House (Today) motion, if agreed to) The Prime Minister That this House:

(1) notes the resolutions of the House of 12 and 13 March, and accordingly agrees that the Government will seek to agree with the European Union an extension of the period specified in Article 50(3);

(2) agrees that, if the House has passed a resolution approving the negotiated withdrawal agreement and the framework for the future relationship for the purposes of section 13(1)(b) of the European Union (Withdrawal) Act 2018 by 20 March 2019, then the Government will seek to agree with the European Union a one-off extension of the period specified in Article 50(3) for a period ending on 30 June 2019 for the purpose of passing the necessary EU exit legislation; and

(3) notes that, if the House has not passed a resolution approving the negotiated withdrawal agreement and the framework for the future relationship for the purposes of section 13(1)(b) of the European Union (Withdrawal) Act 2018 by 20 March 2019, then it is highly likely that the European Council at its meeting the following day would require a clear purpose for any extension, not least to determine its length, and that any extension beyond 30 June 2019 would require the United Kingdom to hold European Parliament elections in May 2019.

**Amendment (a)**

**Jonathan Edwards**

**Liz Saville Roberts**

**Hywel Williams**

**Ben Lake**

Line 1, leave out from "House" to end and add "notes that the National Assembly for Wales, the Scottish Parliament and the House of Commons all voted overwhelmingly to reject the Prime Minister's deal; recognises that the National Assembly for Wales and the Scottish Parliament voted convincingly in favour of a People's Vote; further notes that this House rejected the UK's leaving the EU without a withdrawal agreement and a future relationship framework; and therefore calls on the Government to honour the respective will of each Parliament by seeking to extend the time under Article 50(3) of the Treaty on European Union until 2021, or until the future relationship has been negotiated, and by holding a binding referendum at the end of that period on either accepting the Withdrawal Agreement or retaining membership of the European Union."

Line 1, leave out from "House" to end and add, "calls on the Government to agree with the European Council an extension to the negotiating period under Article 50 of the Treaty on European Union to provide time for a public vote on the UK's relationship with the EU including the option to remain; believes that throughout an extension period the option for this House to unilaterally revoke notice to withdraw under Article 50 of the Treaty on European Union must remain on the table; recognises the resolutions of the Scottish Parliament and Welsh Assembly on 5 March 2019 to oppose the UK Government's exit deal and agree that a no deal outcome to the current negotiations on EU withdrawal would be completely unacceptable on 29 March 2019, or at any time; believes Scotland must not be taken out of the European Union against its will, and that this can best be avoided by the people of Scotland

exercising their sovereign right to choose their own constitutional future as a full, equal, sovereign, independent Member State of the European Union.”.

At end, add "notes that Erskine May states that a motion or an amendment which is the same, in substance, as a question which has been decided in the affirmative or negative during the current session may not be brought forward again during that session; and therefore orders the Government not to move a further motion asking the House to approve the Withdrawal agreement and framework for the future partnership that the house declined to approve on 15 January 2019 and 12 March 2019."
