That an Humble Address be presented to Her Majesty, as follows:

Most Gracious Sovereign,

We, Your Majesty's most dutiful and loyal subjects, the Commons of the United Kingdom of Great Britain and Northern Ireland in Parliament assembled, beg leave to offer our humble thanks to Your Majesty for the Gracious Speech which Your Majesty has addressed to both Houses of Parliament.

**Amendment (a)****Caroline Lucas****Chuka Umunna****Ian Blackford****Stephen Doughty****Kirsty Blackman****Liz Saville Roberts**

At end add 'but respectfully regret that the Gracious Speech does not include vital protections for EU nationals living in the UK now and after withdrawal from the EU; and believe that the Gracious Speech should unilaterally confirm that EU nationals living in the UK can retain their right to remain.'

**Amendment (b)****Caroline Lucas****Mr David Lammy****Chris Law****Layla Moran****Liz Saville Roberts****Kerry McCarthy**

At end add 'but respectfully regret that the Gracious Speech fails to put in place effective measures to protect the environment ahead of the UK's exit from the EU; believe that, in negotiating our future relationship with the EU, the Government should opt for the most environmentally effective way forward and not insist on pursuing freedom from all forms of EU authority; call on the Government to introduce a new Environmental Protection Bill to transfer all relevant EU law into domestic law by way of primary legislation; call for that legislation to include the meaningful transfer of existing targets and to set new and ambitious targets, establish formal mechanisms for alignment with EU standards, and establish and fund an independent framework for guaranteeing implementation and compliance, including transparent and accountable reporting structures and access for citizens to environmental justice; believe that the precautionary and the polluter pays

principles, as well as the principle of integrating environmental goals into other policies, should be incorporated into domestic frameworks; call for additional measures designed to restore the UK countryside and provide new sustainable settlements for agriculture and fisheries; and note that the Environment Agency and Natural England will require additional funding to monitor compliance, and that the Department for Environment, Food and Rural Affairs will require extra strategic capacity to manage the transfer of powers.'.
