(1) There shall be a select committee, called the European Statutory Instruments Committee, to examine and report on—

(i) any of the following documents laid before the House of Commons in accordance with paragraph 2A(3)(b) or 10A(3)(b) of Schedule 7 to the European Union (Withdrawal) Act 2018—

(a) a draft of an instrument; and

(2) Where a Minister of the Crown has given notice of a motion to the effect that regulations under section 1 or section 49 of the Act should be approved, the regulations shall stand referred to the committee; and the committee shall report to the House

- (a) its recommendation as to whether the instrument ought to be approved, and
- (b) the reason for its recommendation.

(3) It shall be an instruction to the committee that it shall make any report on an instrument subject to the procedure in section 55(3) of the Act no later than 21 days after the date of laying of the instrument; and in calculating the number of days for the purposes of paragraph (3) above no account shall be taken of any period when Parliament is prorogued or dissolved or when the House is adjourned for more than four days.

(4) The committee is also to consider whether the power to make sanctions regulations under section 1 of the Sanctions and Anti-Money Laundering Act 2018 should be exercised in connection with a gross violation of human rights; and to make recommendations on the exercise of that power.

(5) The committee shall consist of nine members.

(6) Unless the House otherwise orders, each Member nominated to the committee shall continue to be a member of it for the remainder of the Parliament.

(7) The committee shall have leave —

(a) if the committee's recommendation was agreed without a division, be put forthwith; and

(b) if the committee's recommendation was agreed after a division, be put not later than one and a half hours after the commencement of proceedings on the motion.

(2) If the committee has recommended under paragraph (2) of Standing Order (Sanctions Regulations Review Committee) that regulations or draft regulations subject to an affirmative procedure be not approved, no motion to approve the regulations or draft regulations shall be made unless the House had previously resolved to disagree with the committee's report; the questions necessary to dispose of proceedings on the motion for such a resolution shall be put not later than three hours after their commencement; and the question on any motion thereafter made by a Minister of the Crown that the regulations or draft regulations be approved shall be put forthwith.
